## **INVOCATION**

O God of Wisdom, Light and Truth, help us to renew our dedication to truth in our personal and business lives. We trust your changelessness and reliability. Your truth under girds the whole universe. O God, we honor you today by respecting truth wherever it is found; by speaking truth with integrity; and by practicing truth in all dealings. Enrich our friendship in Rotary as we share our time together today. Bless us as we serve. Amen..

# THE FOUR-WAY TEST

The test which has been translated into more than 100 languages, asks The Following questions:

Of the things we think, say or do

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST.** The development of acquaintance as an opportunity for service;
- SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## PHILIPPINE NATIONAL ANTHEM

Bayang magiliw  
Perlas ng silanganan  
Alab ng puso  
Sa dibdib mo'y buhay

Lupang Hinirang  
Duyan ka nang magiting  
Sa manlulupig  
Di ka pasisiil

Sa Dagat at bundok sa simoy  
At sa langit mo'y bughaw  
May dilag ang tula  
At awit sa paglayang minamahal  
Ang kislap ng watawat mo'y  
Tagumpay na nagniningning  
Ang bituin at araw niya'y kailan  
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta  
Buhay ay langit sa piling mo  
Aming ligaya nang pag  
May mang-aapi  
Ang mamatay ng dahil sayo

## BOHOL PROVINCIAL HYMN

Yuta kong minahal,  
Hatag ni Bathala;  
Sa adlaw'g gabi-i,  
Taknang tanan  
Dinasig sa kinaiyahan  
Sa mga bayaning yutawhan  
Imong kalinaw gi-ampingan  
Lungsod sa bungtod nga  
matunhay  
Ug matam-is nga kinampay

Puti ang kabaybayunan  
Walog sa suba binisbisan  
Bahandi sa dagat ug kapatagan  
Gugma ang tuburan  
Sa kagawasan sa tanan  
Panalanginan ka  
Ihalad ko lawas ug kalag  
Sa mutya kong Bohol.

Lend a hand to all who'll need my

## Tips for Recruiting, Supporting & Endorsing Successful Peace Fellows

### 1 Use Your Network

Utilize the district's existing connections. Project partners and local organizations may be able to refer candidates from their staff or networks.

Think outside the box! Peace fellows come from all walks of life and a variety of professional backgrounds. Consider recruiting unconventional candidates.

Have a connection with a local university? Ask them to help advise candidates on what universities are looking for from students.

### 2 Be Honest with Candidates

Talk with candidates about their experience and motivations, and be honest about their fit for the program.

Ask about personal readiness to study abroad for an extended period of time. Consider asking:

How will they handle being away from family and friends?

How will they cope with the stresses of living in a different culture?

How will they adapt to an academic environment?

### 3 Review and Refine Applications

Ensure that candidates incorporate information in their essays about their goals and why the Rotary Peace Fellowship is the right fit for them, and in return, what they can add to the Rotary community.

Review candidate resumes for clarity and to ensure they highlight relevant experience.

Help candidates eliminate language and grammar errors from their materials.

### 4 Work as a Team

Appoint a District Rotary Peace Fellowship Subcommittee Chair.

Establish a subcommittee to help with recruitment tasks, mentoring, conducting interviews, and writing endorsements.

Create a plan to rotate the responsibilities of the Subcommittee Chair to preserve knowledge and prevent burnout.

### 5 Be Consistent

Set an interview day or week that is publicized to clubs and candidates in advance.

Finalize a list of interview questions and a standard rubric for assessing candidates.

Plan how you will interview remote or at-large candidates using tools such as Skype or Zoom.

Discuss the subcommittee's endorsement decision immediately following the interview. Let candidates know the decision as quickly as possible.

### 6 Connect to Rotary

Explain your district's expectations for fellows' continued engagement with clubs, your district, or Rotary International.

Build a connection between candidates and a club or Rotarian mentor so they feel engaged with the organization.

Teach candidates about Rotary and its impact on community and international development.

## Rotary Projects Around the Globe

### CANADA

Herring are food for salmon, halibut, lingcod, seabirds, and orcas and other marine mammals, and are a traditional staple of First Nations tribes' diet. But herring populations are in decline because of overfishing and the degradation of preferred egg-laying surfaces such as kelp fronds and eelgrass. In February, Rotarian “sea foresters” in British Columbia dropped herring curtains into Porpoise Bay, northwest of Vancouver. The curtains — heavy-duty landscape fabric cut to lengths of about 8 feet, floated with foam and nylon rope or PVC pipe, and anchored with rocks — are ideal surfaces for the fish’s eggs. Since 2020, nearly 30 volunteers have installed more than 100 curtains and returned weekly to monitor them through the spawning cycle. Six Rotary clubs are participating in the project, led by the Rotary Club of Sechelt.

### COLUMBIA

Public safety in Cali has improved since the mid-1990s, when drug cartels lorded over the city. The Rotaract Club of Cali-Norte is promoting peace and conflict resolution through its Re-Créate initiative, “a social and psychoeducational intervention project” involving role-playing, discussions, arts and crafts, music, and athletics at a local school, says Diana Rivera, immediate past president of the club. Since 2017, hundreds of children have participated in the program, which covers social topics such as bullying, setting personal boundaries, and team building. “We make two visits per semester on Saturdays,” Rivera says of the initiative. Though the COVID-19 pandemic has sidelined a popular soccer tournament fundraiser, individual donors, raffle proceeds, and other initiatives have filled the gap as the club works to enhance Re-Créate with digital offerings.

## **I Can See Clearly Now**

Johnny Nash

I can see clearly now, the rain is gone,  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind  
It's gonna be a bright (bright), bright (bright)  
Sun-Shiny day.

I think I can make it now, the pain is gone  
All of the bad feelings have disappeared  
Here is the rainbow I've been prayin' for  
It's gonna be a bright (bright), bright (bright)  
Sun-Shiny day.

Look all around, there's nothin' but blue skies  
Look straight ahead, nothin' but blue skies  
I can see clearly now, the rain is gone,  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind  
It's gonna be a bright (bright), bright (bright)

# CONTINUING MAJOR DONORS

Club's first MAJOR DONORS

PAG Victor Bantol

PSAG Louella Bantol

**PEACEBUILDING AND  
CONFLICT PREVENTION**

Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

**DISEASE PREVENTION  
AND TREATMENT**

More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

**WATER, SANITATION,  
AND HYGIENE**

More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

**MATERNAL AND  
CHILD HEALTH**

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children.

**BASIC EDUCATION  
AND LITERACY**

Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

**COMMUNITY ECONOMIC  
DEVELOPMENT**

Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

**ENVIRONMENT**

We are committed to supporting activities that strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment. We empower communities to access grants and other resources, embrace local solutions, and spur innovation in an effort to address the causes and reduce the effects of climate change and environmental degradation.
