## **Feeding Continues**

“If you want to eliminate hunger, everybody has to be involved.” Bono

We in the Rotary Club of Tagum Golden LACES are actively involved in not only promoting literacy but also in fighting hunger and malnutrition. Part of our efforts was the launching of the feeding program in our project school, Sibol Learning Center, last October 19, 2019. A little over a hundred pupils enjoyed the lunch served by Rotarians and Rotaractors and partner establishments led by Tagum Cooperative, the Institute of Integrated Electrical Engineers, the Philippine Dental Association (Tagum Chapter), Tweety Farms and the Department of Education.

This feeding program will continue for three (3) times in each week until the end of the school year 2019-2020. Nutritious lunch will be served to the pupils through the help of their parents and teachers. “There are genuinely sufficient resources in the world to ensure that no one, nowhere, at no time, should go hungry.” Ed Asner We, together with our partner establishments, will continue to serve and share to humanity.

Bonjour!

Our cover photo says it all. Happiness is a cup of rice and viand. But for Rotarians, it is gratifying to feed a child, but what is more gratifying is the smiles you see in each of the children's faces while you do it....priceless.

Please check our gazette photos for more of this months activities. Oral polio vaccination now on-going at the city level with the LGU and DOH. Let us all continue to help disseminate information and educate the parents.

Merci beaucoup!

Congratulations L.A.C.E.S. for a very successful launching of our feeding program at Sibol. Now, the 117 pupils will have a free lunch!! three times a week until the end of SY 2019-2020. Thanks to our sponsor, the Tagum Cooperative for their generous donation, Our launching was also attended by our partners in service for the renewal of their commitment, to help and be a part of RCTGL's upcoming projects.

Last, October 24, Area 2D celebrated the "World Polio Day" at the City Health Office of Tagum City. It was participated by the three rotary clubs of Tagum, which made the campaign "End Polio Now", and the polio vaccination a special event at Brgy. Magugpo South.

Lastly, I would like to congratulate the Area2D bowlers in winning the "Best in Uniform." This is our second time to win!!! Malapit nang mag Grand Slam!!! Yeeeeppy!!!

## 005 LEGAL TIDBITS

### MEDICAL NEGLIGENCE

In *Dela Torre V. Imbuido*, the court defined medical malpractice or medical negligence as that type of claim which a victim has available to him or her to redress a wrong committed by a medical professional which has caused bodily harm.

The court explained that to successfully pursue such a claim, a patient, or his or her family must prove that a health care provider, in most cases a physician, either failed to do something which a reasonably prudent health care provider would have done, or that he or she did something that a reasonably prudent provider would not have done; and the failure or action caused injury to the patient.

In medical negligence cases, there is a physician-patient relationship between the doctor and the victim, but just like in any other proceeding for damage, four essential elements must be established by the plaintiff, namely:

- (1) duty;
- (2) breach;
- (3) injury; and
- (4) proximate causation.

Polio is a highly infectious disease caused by a virus. It can cause paralysis, sometimes even death, in a matter of hours.

There is no cure. It can only be prevented through vaccination.

Polio has returned to the Philippines

We have stopped polio before. Together, we can stop this terrible disease again.

**POLIO VACCINES ARE SAFE AND EFFECTIVE**

Polio vaccines have been used all over the world to protect more than 2 billion children from polio.

**PROTECT YOURSELF AND YOUR LOVED ONES FROM POLIO**

Ensure your child is vaccinated multiple times  
 Wash your hands regularly with soap and water  
 Use a toilet  
 Consume food that is fully cooked  
 Drink safe water\*

## The price of polio

Meet five Rotarians who understand the disease's long-term consequences as told to Vanessa Glavinskas photography by Frank Ishman

When you go to your Rotary club meeting this week, look around at your fellow members and think about this: In North America, anyone younger than 70 likely doesn't remember a time before the polio vaccine. Those under 40 were born after polio was no longer endemic in the United States. And among your club's youngest members, the very word "polio" probably conjures a bygone age when children regularly died of diseases like measles, smallpox, or whooping cough. Now, however, we know that measles is staging a comeback. Tuberculosis, which might bring to mind 19th-century sanitariums, is gaining greater resistance to treatment. Until a disease is really gone, eradicated, extirpated from the planet, it will always be looking for ways to come back, for breaches in our defenses.

We've come very far in the 64 years since the introduction of Jonas Salk's vaccine — and especially in the 40 years since Rotary decided to take on polio. Every day it gets easier to forget why it's so critical that we eradicate this disease. Most of us don't see polio in our daily lives. Whole generations have never experienced its terrifying power.

We let our guard down when we think that polio is a disease that happens only in faraway places, or that almost eradicated is good enough. But if we stop and remember what it was like when polio was everywhere and people felt powerless against it, we know that if we don't finish the fight, we'll soon be back where we started.

In the following segments, five Rotarians share their experiences with polio. Thanks to their willingness to recount painful memories, we know that we must keep fighting until polio is gone forever.

## ROTARY CLUB OF TAGUM GOLDEN LACES HISTORY

The idea of organizing an all-female Rotary Club of Tagum was thought of as early as 1989 by the Rotarian and Anns of RC Tagum North. The initial organizing of the club however started only sometime in the first week of February 1991.

The names of 28 selected ladies were first floated by the Rotarians & Anns of RC Tagum North. Out of this number, 16 responded by attending the first organizational meeting held at Magnolia Kiosk along Quezon St., Tagum. Other ladies were later invited to the regular weekly meetings as prospective members of the club although their attendance along with some of those who were initially invited were irregular. In this organizational meetings, Rotary Information was given by Rtn. Jess Albacite, Special Governor's Representative and PP of RC Tagum North, Rtn. Rey Vegara, Incumbent President RC Tagum North, Rtn. Bebot Madayag, District Governor's Representative & PP of RC Tagum. Other Rotarians who helped in giving various information included Rtn. Arrel Olaño, PP RC Tagum; Rtn. Danny Lee, Past DGR and PP of RC Tagum North; Rtn. Jun Cagas and Rtn. Raffy Erfe, both RC Tagum North.

Out of the original forty (40) ladies who were invited to organizational meetings, only 25 were finally submitted for charter membership of the new club. The names which were submitted to Rotary International on October 30, 1992 are as follows: Nelida Aguillon, Cynthia Catungal, Leonida Decena, Natividad del Rosario, Maria Cleofe Evidente, Corazon Fernandez, Susan Franco, Rebecca Lectura, Flordeliza Magallon, Marilyn Grace Mangilet, Jocelyn Melendres, Ofelia Millan, Anna Geraldine Morante, Nenita Nazareno, Providencia Nuñez, Jocelyn Ong, Evelyn Ross Perdido, Carolina Quirante, Mai Rallos, Agnes Resurreccion, Linda Sicam, Lay Fong Soo-Montero, Arisfina Torre, Conchita Yago, and Amelie Tan-Ramos.

From these charter members: the following were elected as Charter Officers: Rtn. Rebecca Lectura, Pres.; Rtn. Providencia Nuñez, Pres.-Elect; Rtn. Nenita Nazareno, Vice-Pres.; Rtn. Susan Franco, Sec.; Rtn. Jocelyn Melendres, Tres.; Rtn. Linda Sicam, Auditor; Rtn. Conchita Yago, P.R.O.; Rtn. Natividad del Rosario, Sgt-at-Arms; Rtn. Corazon Fernandez, Dir.; Rtn. Agnes Resurreccion, Dir.; Rtn. Marilyn Grace Mangilet, Dir.; and Rtn. Arisfina Torre, Dir.

The club officers & members of the newly organized ROTARY CLUB OF TAGUM GOLDEN L.A.C.E.S. (Ladies in Action Committed to Effective Service) first met DG Xavier C. Ledesma, Incumbent District Governor for 1991-1992, at Molave Hotel on Sept. 4, 1992 in his club visitation of the Rotary Clubs in Tagum.

On December 1, 1992, the club received the good news from SEABO that its application for membership was formally admitted by Rotary International on November 19, 1992 with Club No. 29117.

### The Mission of Rotary International

To provide service to others, to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, & community leaders.

### The 4-way Test

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** & better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

### The Object of Rotary

The object of Rotary is to encourage and foster the ideals of service as a basis of worthy enterprise and, in particular to encourage and foster:

- 1<sup>st</sup> The development of acquaintance as an opportunity for service;
- 2<sup>nd</sup> High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3<sup>rd</sup> The application of the ideals of service in each Rotarian's personal, business & community life;
- 4<sup>th</sup> The advancement of international understanding, goodwill, and peace through a world fellowship of business & professional persons united in the ideal of service.
