About the Cover

Amidst the threat of COVID 19, the Rotarians of RCTGL has continued to schedule some “going out” to hand over 50 pieces of personal protective protection (PPE) to health workers of the Davao Regional Medical Center.

This was made possible because of the support of the Rotary Club of Cebu which has donated to District 3860 washable PPEs and timely transported to Tagum City thru the initiative of District Governor Elect Rodel Reizl S. Reyes, and the logistics provided by Past District Secretary Jose Fortunato Uy.

Together with Club President Annabelle Sator during the turn over were Assistant Governor Tweet Malbog, Club Secretary Mylene Baura, Past President Mary Ann Maloles, President-Elect Judy Tan and incoming Service Director Erma Acdal.

The nurses from the emergency room of the Davao Regional Medical Center received the PPEs with grateful hearts. The photo was taken outside of the hospital for safety purposes.

Father,

Thank You for every seat that has been filled here, today. For each mind and heart that fills the presence of this room, we thank You. Only You truly know what we are setting out to accomplish today. We have an idea, a vision, hints, and daily instructions. We have talents, abilities, and time to work. However, only You can see in perfect detail the end of every beginning. Every project, every season, every life. Nothing is ever in vain, for even mistakes and missteps are used for good. Amen.

Service above self.

The Rotary International motto is "Service above self" personified. As the pandemic continues to wreck its havoc, the rotarians are unfazed. We may fear the virus, but it doesn't stop us from doing what we should.

Wearing their masks, keeping social distance and then later washing their hands with soap and water, these Rotarians brave the outside world and most especially the only hospital in our place accepting and taking care of Covid patients, just to hand in another sets of PPEs and face shields.

Together with the rest of the front liners and the Filipino people, We heal as one.

PRESIDENT'S
COLUMN

Annabelle Eve R. Sator, PHF+1
President

Month of April is a month of Maternal and Child Health in Rotary, is month of SERVICE above self, Rotary Club of Tagum Golden LACES has exerted its efforts in making face shield and distributed it all over Tagum as well as its neighbouring town. Despite the fear of being infected by the deadly virus, by its member necessary precautions were undertaken just to help our fellowmen.

Several RCTGL member definitely made the face shield, others donated and distributed food and several member also gave milk for the babies whose parents were left unemployed due to NCOV19.

Rotary club of Tagum Golden LACES also donated 30 PPE's from RC Cebu to Tagum City Health and Davao Regional Medical Center.

Thanking all the donors for your generosity, together we fight and we will heal as one.

OH MY CONDO (lence)

Where several persons own condominiums in a condominium project, an action may be brought by one or more such persons for partition thereof by sale of the entire project, as if the owners of all of the condominiums in such project were co-owners of the entire project in the same proportion as their interests in the common areas: Provided, however, That a partition shall be made only upon a showing:

- (a) That three years after damage or destruction to the project which renders material part thereof unit for its use prior thereto, the project has not been rebuilt or repaired substantially to its state prior to its damage or destruction, or
- (b) That damage or destruction to the project has rendered one-half or more of the units therein untenable and that condominium owners holding in aggregate more than thirty percent interest in the common areas are opposed to repair or restoration of the project; or
- (c) That the project has been in existence in excess of fifty years, that it is obsolete and uneconomic, and that condominium owners holding in aggregate more than fifty percent interest in the common areas are opposed to repair or restoration or remodeling or modernizing of the project; or
- (d) That the project or a material part thereof has been condemned or expropriated and that the project is no longer viable, or that the condominium owners holding in aggregate more than seventy percent interest in the common areas are opposed to continuation of the condominium regime after expropriation or condemnation of a material portion thereof.

Pakistan and Rotary are cutting through a whirl of migrating families and cultural barriers to turn what was 'a badge of shame' into a model for disease eradication.

By Ryan Hyland Produced by Miriam Doan

At a busy toll plaza in Kohat, Pakistan, a three-member vaccination team is working fast.

Outfitted in blue Rotary vests and flanked by armed military personnel, the vaccinators approach a white van as it pulls away from the scattered stream of traffic, cars rattling east toward Islamabad and west to the nearby border with Afghanistan. One worker leans toward the driver to ask a question as another reaches into a cooler to prepare the vaccine. Among the crush of passengers in the van, they identify one child who has not yet been vaccinated.

There is no time for second-guessing.

There is not even enough room for the boy to crawl toward the front of the vehicle or through one of the doors; a relative must hand the young child to the vaccinators through one of the rear windows. He is quickly inoculated with two drops of oral polio vaccine, and his pinkie finger is stained with purple ink to indicate that he's received his dose. He cries as the vaccinator hurriedly passes him back through the window. The van speeds off, fading back into the dizzying hum of traffic, as the vaccinators look for the next car and child.

This scene plays out thousands of times a day at transit posts like this one — makeshift vaccination clinics set up at bus stops, border crossings, army posts, and police checkpoints across the country in an effort to reach children who are on the move.

Here in Pakistan, home to almost all of the world's polio cases just a few years ago, these moving targets require a vaccination strategy as agile and stubborn as the virus itself. At hundreds of sites, teams of health workers verify that every child passing through receives the vaccine.

The interaction is fleeting — faster than getting a meal at a drive-through restaurant — but the benefit is permanent. Another child, another family, another generation is protected, and Pakistan moves one step closer to having zero polio cases.

ROTARY CLUB OF TAGUM GOLDEN LACES HISTORY

The idea of organizing an all-female Rotary Club of Tagum was thought of as early as 1989 by the Rotarian and Anns of RC Tagum North. The initial organizing of the club however started only sometime in the first week of February 1991.

The names of 28 selected ladies were first floated by the Rotarians & Anns of RC Tagum North. Out of this number, 16 responded by attending the first organizational meeting held at Magnolia Kiosk along Quezon St., Tagum. Other ladies were later invited to the regular weekly meetings as prospective members of the club although their attendance along with some of those who were initially invited were irregular. In this organizational meetings, Rotary Information was given by Rtn. Jess Albacite, Special Governor's Representative and PP of RC Tagum North, Rtn. Rey Vegara, Incumbent President RC Tagum North, Rtn. Bebot Madayag, District Governor's Representative & PP of RC Tagum. Other Rotarians who helped in giving various information included Rtn. Arrel Olaño, PP RC Tagum; Rtn. Danny Lee, Past DGR and PP of RC Tagum North; Rtn. Jun Cagas and Rtn. Raffy Erfe, both RC Tagum North.

Out of the original forty (40) ladies who were invited to organizational meetings, only 25 were finally submitted for charter membership of the new club. The names which were submitted to Rotary International on October 30, 1992 are as follows: Nelida Aguillon, Cynthia Catungal, Leonida Decena, Natividad del Rosario, Maria Cleofe Evidente, Corazon Fernandez, Susan Franco, Rebecca Lectura, Flordeliza Magallon, Marilyn Grace Mangilet, Jocelyn Melendres, Ofelia Millan, Anna Geraldine Morante, Nenita Nazareno, Providencia Nuñez, Jocelyn Ong, Evelyn Ross Perdido, Carolina Quirante, Mai Rallos, Agnes Resurreccion, Linda Sicam, Lay Fong Soo-Montero, Arisfina Torre, Conchita Yago, and Amelie Tan-Ramos.

From these charter members: the following were elected as Charter Officers: Rtn. Rebecca Lectura, Pres.; Rtn. Providencia Nuñez, Pres.-Elect; Rtn. Nenita Nazareno, Vice-Pres.; Rtn. Susan Franco, Sec.; Rtn. Jocelyn Melendres, Tres.; Rtn. Linda Sicam, Auditor; Rtn. Conchita Yago, P.R.O.; Rtn. Natividad del Rosario, Sgt-at-Arms; Rtn. Corazon Fernandez, Dir.; Rtn. Agnes Resurreccion, Dir.; Rtn. Marilyn Grace Mangilet, Dir.; and Rtn. Arisfina Torre, Dir.

The club officers & members of the newly organized ROTARY CLUB OF TAGUM GOLDEN L.A.C.E.S. (Ladies in Action Committed to Effective Service) first met DG Xavier C. Ledesma, Incumbent District Governor for 1991-1992, at Molave Hotel on Sept. 4, 1992 in his club visitation of the Rotary Clubs in Tagum.

On December 1, 1992, the club received the good news from SEABO that its application for membership was formally admitted by Rotary International on November 19, 1992 with Club No. 29117.

The Mission of Rotary International

To provide service to others, to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, & community leaders.

The 4-way Test

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** & better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

The Object of Rotary

The object of Rotary is to encourage and foster the ideals of service as a basis of worthy enterprise and, in particular to encourage and foster:

- 1st The development of acquaintance as an opportunity for service;
- 2nd High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
