About the Cover

Distribution of food rations and COVID-19 essentials brought Pre-Christmas cheers and joy to children beneficiaries of the far lung Sitio Talos, Brgy. San Jose, initiated by the Rotary Club of Tagm Golden LACES in coordination with the Philippine Army Infantry Battalion.

Joining the team were Pres. Judy R. Tan, IPP Anabelle Sator, PAG Mylene Baura, PE Marilda Boja, PN Dhoresyl Galagala and Rtn. May Rabot.

PRESIDENT'S
COLUMN

PE Judy Marie R. Tan, PHF
President

Caring, loving, sharing; we have lots of these in our hearts as committed, dedicated, compassionate and ever enthusiastic members of Rotary Club of Tagum Golden LACES.

Truly, we are overwhelmed with joy and thanksgiving to know that there are underprivileged, marginalized and lovely people who became happy because of us. Isn't it great? Yes, it is, because whatever we do to the least of our brethren, we do it to God.

Christmas is just a few days away and everybody is really preparing for this celebration of God's love for mankind.

During this pandemic much as we would want to have a face to face convergence with those we care for, but we have lots of restrictions in order to be compliant with health protocols as mandated.

However, it is our strong belief that "If there's a will, there's a way".

So, let us all look at the brighter side of life to make this much-awaited season more meaningful, joyous, fulfilling and above all relevant to the values of that Rotarians embrace and simultaneously translate into concrete actions.

Care more, love more, share more and reach out further! This is our call.

December has arrived in a blink of an eye! We are once again celebrating Christmas. This month would not be like any other December because of the new normal we have been through since March this year.

We commence this month with a virtual meeting and an online lecture from a speaker. Preparations for gift giving and projects are on going, with less face to face interactions and gatherings. There are only few months left before I step down from office. This week, we shall be identifying who will lead our club in the next Rotary Year. I am fortunate enough to be in this club which appoints rather than elects club officers. Election follows after appointment so to speak.

As we have heard thousand times before, Christmas season is a time for sharing. But in our club, everyday is Christmas. We share, we care and we love all through out the year.

Merry Christmas!

Rotary and Global Action Platform Collaborate for Social and Economic Development in the Philippines

Integrating social capital and financial capital development to create a new, sustainable regional economy for the Philippine indigenous people

Nashville, New York, Manila. The Rotary Club of Jefferson City West along with the Rotary Club of Butuan in the Philippines in cooperation with Global Action Platform have launched a major new international development initiative in the Philippines. The project is part of a comprehensive social-economic-environmental development project that will provide educational, leadership and economic development training for an initial 30,000 indigenous people. The project is the first stage in a long-term program to provide the same social development and training to about one million indigenous people in the coming years.

The initiative is designed to integrate education, understanding of economic strategy, and leadership development for the indigenous people into the commercial development of the natural assets of their region, thus combining social and financial capital development in a single, threaded process. The goal is to create a sustainable, inclusive market economy in which the indigenous people are stakeholders and beneficiaries, along with outside investors and business partners.

“All too often, the economic development of regions rich in natural assets, but with an impoverished local population, has left the local people in poverty and their lands degraded after development. We intend to build a robust, regenerative economy that sustains the well-being of both the people and the environment. We believe this project can demonstrate a new model of sustainable, shared value development at scale,” notes Dr. Scott T. Massey, Chairman and CEO, Global Action Platform.

The two Rotary clubs, in their cooperation with Global Action Platform and a coalition of universities, NGOs, and agencies, are developing four integrated educational modules for the project. The four modules include teaching basic business principles and how to create land utilization plans for the region to help the indigenous people participate in strategy, as well as workforce. Second, the project provides training in basic workforce skills for an initial agri-business cluster dealing with timber, fiber, sugar, and coconut. Third, the initiative includes creation of a new K-12 curriculum that integrates the culture, language, and traditions of the indigenous people into contemporary knowledge and skills development to prepare the rising generations in the region for future work and fulfilling lives. Fourth, in collaboration with Clayton Christensen and Efosa Ojomo at the Christensen Institute, Harvard Business School, the program will create a new workshop for civic leadership designed to help tribal leaders understand the challenges, as well as the benefits of development. The leadership workshop will be based on Christensen and Ojomo’s recent book *The Prosperity Paradox*. Moving a society from poverty, dependence, and non-consumption into prosperity, self-determination, and consumption is complex. Preserving and enriching personal and community ethical norms through such a transition is key to success and responsibility for that transition requires leadership. The leadership workshop will seek to address these needs.

“Our two Rotary clubs were eager to write a Rotary Global Grant when we became aware of the needs of the indigenous people. This Rotary Global Grant fits our area of focus called Economic and Community Development as well as touching on our Basic Education and Literacy area of focus. Funding this project fits two of Rotary’s strategic initiatives which are to Expand our Reach and to Increase our Impact. We want to provide grants that partner with other organizations and will change economies and this is one that over time will do just that. With the financial help of seventeen Rotary districts and four Rotary clubs plus The Rotary Foundation matching these contributions from the World Fund, this grant was funded. We as Rotary clubs are excited to see this major innovation in development start with our help and participation, and we look forward to sharing this model with others in similar need in nations and regions around the world where Rotary works,” says Rita Esterly, The Rotary Club of Jefferson City’s Global Grants Chair.

ROTARY CLUB OF TAGUM GOLDEN LACES HISTORY

The idea of organizing an all-female Rotary Club of Tagum was thought of as early as 1989 by the Rotarian and Anns of RC Tagum North. The initial organizing of the club however started only sometime in the first week of February 1991.

The names of 28 selected ladies were first floated by the Rotarians & Anns of RC Tagum North. Out of this number, 16 responded by attending the first organizational meeting held at Magnolia Kiosk along Quezon St., Tagum. Other ladies were later invited to the regular weekly meetings as prospective members of the club although their attendance along with some of those who were initially invited were irregular. In this organizational meetings, Rotary Information was given by Rtn. Jess Albacite, Special Governor's Representative and PP of RC Tagum North, Rtn. Rey Vegara, Incumbent President RC Tagum North, Rtn. Bebot Madayag, District Governor's Representative & PP of RC Tagum. Other Rotarians who helped in giving various information included Rtn.
