About the Cover

Highlighting the start of Rotary Year 2021-2022 is the 30th Hand-over and Induction Ceremony of Officers of the Rotary Club of Tagum Golden LACES and the 1st Induction of Officers of the Satellite Club of Compostela, Davao de Oro.

Shown in the photo is Pres. Judy Marie R. Tan offering floral amenities to incoming President Marilda J. Boja during the virtual Hand-over Ceremony via Zoom on July 10, 2021.

The beaming faces of these committed and empowered ladies bring out inspiration to the other members who are equally enthusiastic and ready to support the laudable projects on agreed area of focus of the club amid challenges of this pandemic era.

Pres. Dang Boja seemingly hints to say "It's my turn to keep the boat afloat over troubled water;" and finally confirmed that she is:" ready to rock and roll".

"The Scepter and Orb"

As the world in 2020 faced the COVID-19 pandemic, the Rotary Club of Tagum Golden LACES had to confront the unprecedented difficulty of staying relevant. Nonetheless, Judy Marie Rapista-Tan, as president, smoothly led the club to greater heights and flawlessly surpassed expectations.

Indeed, it was a blessing that IPP Judy Marie Rapista-Tan was thrust to accept the position prior to the COVID-19 era. It is not that IPP Judy Marie Rapista-Tan would have refused to take on the challenge. Witnessing how well she served the club, it seems nothing is impossible to achieve under her lead. Raising her scepter, IPP Judy Marie Rapista-Tan banished from the minds of the members the slightest hint of doubt and misgivings as to the fate of the club even during the height of the pandemic.

While it took three months for the current President Marilda J. Boja to reach the resolve of embracing the charge of the club, this only speaks of the kind of character that she has. Her level-headedness and sensibility are definitely the traits needed to withstand these extraordinary times. It was certainly not an easy decision to make.

Project implementation nowadays does entail some real health risks such as exposure to the virus. Hence, it is a huge responsibility to lead an organization which primary aim is to be in touch with people and to be of service to others.

Fortunately, like her predecessor IPP Judy Marie Rapista-Tan, Pres. Marilda J. Boja possesses the strong spirit of service above self. Despite the physical challenge and the prevailing challenges of the times, Pres. Marilda J. Boja, in the end, resoundingly said "yes" to commanding the club.

Through the years, the Rotary Club of Tagum Golden LACES has been blessed with people who willingly become each member's anchor. The club has never suffered a dearth of leaders keeping both oars in the waters even during the world's lowest points.

This year's motivation should be no different than before. Under the leadership of Pres. Marilda J. Boja, may each member's spirit of service never wane as the club continues to serve to change lives.

Two days shy of my 54th birthday, I took my oath as the 30th President of this Club. After the ceremonies, the District Governor told me that I have a dynamic team. The District Governor's description of my team is perfect. Indeed, without question, I have a team full of energy, overflowing ideas, and competent to turn ideas into reality.

For this month of July, our Club will participate in a bloodletting activity with the Philippine National Red Cross as our partner in service. We are likewise working for the forthcoming August 2021 turnover of the Knowledge on Wheels to the Department of Education- Davao del Norte.

I would like to commend our TRF Chair for the early collection and all club members who participated in the planning sessions. I am truly blessed to have you all.

Valedictory Address

July 10, 2021 on the occasion of the 30th Induction and Handover Ceremonies of the Rotary Club of Tagum Golden LACES

When I became President of the Rotary Club of Tagum Golden LACES for the Rotary Year 2020-2021, I nurtured in my heart the dream of a journey where the club goes a notch higher in terms of achieving the Rotary's vision of seeing a world where people unite and take action to create lasting change in our communities and in ourselves. Although Club Secretary PAG Mylene always told me that I should not be pressured, I dreamed of the club and the club members to initiate a number of projects and activities that would benefit and serve a number of people and of projects that would be engaging for all of the Lady Rotarians. I dreamed of having fellowships that will ease out the stress of our daily routines in our respective careers and schedules. Dreams, yes, dreams. I had them in my heart.

But my passion with the idea ended as quickly as it came. It is one great dream, I dare say. My term as president came out to be really challenging. While I pondered on my realizations, I entertained the thought that my term might not be rendered well, or even be prematurely ended because of the threats brought about by this pandemic. There was the fear of contracting the virus, of death and uncertainty. There was a time when the best thing I could do for Rotary was to do nothing at all, no meetings and no activities, except that our Facebook groupchat became our prayer room where we prayed for one another. Our expanded skills in navigating the world of online technology became the most important tool in order to survive in the new normal, allowing us to be a step closer to our goals and to each other.

With the guidance of the Almighty, the support of the club members, the coaching and mentorship of past officers and Presidents, the guidance from Rotary International through District 3860 headed by Transforming Gov. Riz Reyes and his team, and the inspiration from my family and friends, I soon realized that to get the club to perform a notch higher means to be humble enough to learn, to be a cup half-empty, and to be prepared to lead even in unfavorable situations. I soon realized that it is not just about me but more about the other members of the club, about lessons to learn, and about people whose lives could be changed. Indeed, "Rotary opens opportunities".

Because we were humble enough to face our limitations and were focused on our goals, we bravely faced the challenge. We started a tradition, a tradition of Lady Rotarians embracing the new normal and sharing their talents by optimizing the use of virtual platforms in order to run meaningful meetings and fun-filled fellowships. Suffice it to say that we started a tradition of performing Lady Rotarians navigating the virtual platforms in order to not just discuss goals and projects as if we were just in our regular meeting place, but also celebrate love for music and dance. Thank you to our ever volunteering PAG Arlene for discovering our talents. This is a manifestation of "Rotary opens opportunities".

With honor and pride, I can say that the Rotary Year 2020-2021 has been a great and transforming year. While it's true that we cannot always choose the circumstances, we did not allow those that were unfavorable to keep us away from our goals. We learned, relearned, unlearned and kept focused on our projects. There were opportunities that strengthened our passion for Rotary. There were doors that opened opportunities for service and fellowship. There were service ideas that were put into action no matter how small for some. There were talents that spread like virus which has infected and transformed District 3860 into a performing arts district. There were people whom we were privileged to serve with our improvised manually laminated faceshields to doing virtual medical and dental consultations- unbelievable but made possible. Most importantly, there were opportunities that helped improve the lives of those in need. Indeed, we lived by our theme "Rotary Opens Opportunities".

We received a number of awards and citations. For one, we had given hope to education through our "Knowledge on Wheels" project. It was cited as Best Service Project in the Area of Focus on Basic Education and Literacy. We also distinguished ourselves with the Club Bulletin Distinction Award, for achieving one project on each of the Seven Areas of Focus, and as Polio Fund TRF Goal Achiever. Our "Patubig sa Humayan" and "Tree Planting at Various Areas in Davao del Norte and Davao de Oro" were nominees as Best Service Projects under the area of focus on Water and Sanitation and Supporting the Environment, respectively. We were also honored with the Rotary Public Image Award, the End Polio Awareness Campaign Award, the Rotary Club Bulletin Award and the Rotary Club Builder Award. Our club secretary, Maria Lina Baura, the survivor and now covid patient coordinator, the wind beneath my lungs, was likewise recognized with the Club Secretary Distinction Award while I was humbled with the Exemplary Leadership Award. For all these, I wish to give back the honor to the Almighty and to my fellow empowered Lady Rotarians. With these accomplishments, we can excitedly claim that we have made our Rotary family proud!

As I start my journey as Past President of the Rotary Club of Tagum Golden LACES, I would like to thank my fellow Lady Rotarians, especially the officers and directors who were my allies, for the trust and confidence that you have given to me. I thank you for your all-out support, for daring to step on the dangerous paths of staying outside in this time of pandemic, for religiously learning how to navigate virtual platforms so we could continue collaborating on projects, and for sharing the best of yourselves, be it through prayers, material or moral support, or a combination of everything, as it is mostly true with us in LACES. Because of you, I was inspired to serve. Know that I am better because of you—my beautiful, talented, smart, passionate, focused, innovative, generous, courageous, patient fellow Lady Rotarians which I know our President DANG also embodies.

I am likewise giving my thanks to my St. Thomas More School family for the understanding and support that they had given me. Lastly, to my Rapista and Tan family. Before I accepted the challenge to be club president, I was really hesitant to take on the task as I have witnessed the previous presidents involve their siblings and children to Rotary activities. I am not gifted with such human resources in terms of biological family. I only have one for each: a son, Ace and a husband, two sets of parents, and none for a sibling, but thank you to my cousins who came to the rescue, special mention to Past Asst. Gov. Nilo Rapista (the ninong of our satellite club), and to our new satellite club president Atty Joji, for journeying with me in Rotary.

To my son Ace and to my husband Leewee, thank you for understanding and sharing with me the joys and triumphs of my Rotary journey. Thank you for giving me your back in all my undertakings. To my parents for the foundation on which my body and soul is built, and to my parents in law, for the support and guidance. Even when my exposure outside meant some risk for all of us, you senior citizens supported me. The examples you have lived made it easier for me to continue in times of doubt.

As we turn another chapter in the story of the Rotary Club of Tagum Golden LACES, I wish to inspire each one to continue to champion causes that would enable other people to see the optimistic side of life in order for this new Rotary year's theme "Serve to change lives" to come alive. We have experienced how "Rotary opens opportunities" and how these opportunities have made an impact on others and to us. I know it in my heart that all of us are gifted with hearts that are willing to share gifts to others. That would be our legacy. That would be our impact.

My fellow Rotarians, our story of inspiration, hope and service continues. The tradition that we have started continues.

To the new set of officers of the Rotary Club of Tagum Golden LACES, accept my sincere congratulations. I am so blessed because I have a successor who, by the way, gifted me with a check before my term ended to ensure that a new member of our fleet of Knowledge on Wheels be readily procured before the new school year begins. Do not worry, the district will soon give you the refund.

Thank you President Dang for accepting the challenge. Do not worry because Past President Annabelle Sator has not just taught me how to put on make up and smile no matter how I feel, but she has walked the talk and demonstrated to me the formula for supporting a club president who can withstand all the challenges. I am sure you will survive until the last dance!

Thank you very much!

INAUGURAL SPEECH

Guests, partners in service, fellow Laces, and all Rotarians here with us, Good Afternoon!

I stand before you not only as the 30th President of the Rotary Club of Tagum Golden Laces but as a servant committed to serve to change lives.

During the 29th Hand-over Ceremony, it never occurred to me that it is the club's practice to have the President-Elect deliver the closing remarks. Maybe because I was not there during the hand-over of past presidents Sanang, Ate Lau, and Annabelle. After I gave my closing remarks, a Rotarian from another club told me "So, you are the next president!" I said "NO".

"Yes you are because you delivered the closing remarks" he said.

Again, I said "No. It's just a closing remarks, I did not commit."

Dalagang Pilipina that I am, it took about three (3) months before I finally said "Yes".

Then, recently, I was contemplating of renouncing my impending club presidency because of the injury I sustained last May 31. However, the long rest, still ongoing up to the present, gave me a lot of time to pray and to reflect. I went over some of our Gazettes and I realized that this club survived not because of its Presidents but because of the personalities comprising the membership.

The Laces are all leaders who do not outshine each other but rather complement each other. This club will continue to live and will not be affected even if the President is confined to a wheelchair the entire rotary year. So, I set aside the thought of renouncing the club presidency. There is no turning back.

Now, most of the problems in our community and the entire world are man-made. Some of them are reversible or, in a way, can be prevented. As stewards of the place that we live, we are called to act with the areas of focus as our guide.

To the past president of Golden Laces, with your guidance, I can lead better. We can serve better.

To start this rotary year, I already paid my TRF dues, please remit yours to our TRF Chair, my classmate, my sponsor, Rosanna Pereyras-Adtoon.

So, fellow Laces, let us serve to make good of our goals as a club. To make our district proud and, most of all, let us serve to give meaning to our temporal existence.

Gov. Anna, I am ready to rock and roll.

Thank you very much!

DEFINITION OF ROTARY

How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities. In 1976 the Rotary International Board of Directors was interested in creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relations Committee and requested that a one-sentence definition of Rotary be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications: "Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world." Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

Official Rotary Flag

First flown in Jan 1915 in Kansas City Missouri. Carried to the North Pole by Admiral Byrd (RC Winchester, Virginia) in 1926. Formally adopted by RI in 1929 at RI Convention in Dallas.

THE OFFICIAL ROTARY FLAG

An official flag was formally adopted by Rotary International at the 1929 Convention in Dallas, Texas. The Rotary flag consists of a white field with the official wheel emblem emblazoned in gold in the center of the field. The four depressed spaces on the rim of the Rotary wheel are colored royal blue. The words "Rotary" and "International" printed at the top and bottom depressions on the wheel rim are also gold. The shaft in the hub and the keyway of the wheel are white. The first official Rotary flag reportedly was flown in Kansas City, Missouri, in January 1915. In 1922 a small Rotary flag was carried over the South Pole by Admiral Richard Byrd, a member of the Winchester, Virginia, Rotary Club. Four years later, the admiral carried a Rotary flag in his expedition to the North Pole. Some Rotary clubs use the official Rotary flag as a banner at club meetings. In these instances it is appropriate to print the words "Rotary Club" above the wheel symbol, and the name of the city, state or nation below the emblem. The Rotary flag is always prominently displayed at the World Headquarters as well as at all conventions and official events of Rotary International.

ROTARY CLUB OF TAGUM GOLDEN LACES HISTORY

From these charter members: the following were elected as Charter Officers: Rtn. Rebecca Lectura, Pres.; Rtn. Providencia Nuñez, Pres.-Elect; Rtn. Nenita Nazareno, Vice-Pres.; Rtn. Ledesma, Incumbent District Governor for 1991-1992, at Molave Hotel on Sept. 4, 1992 in his club visitation of the Rotary Clubs in Tagum.

On December 1, 1992, the club received the good news from SEABO that its application for membership was formally admitted by Rotary International on November 19, 1992 with Club No. 29117.
