To provide service to others, to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, & community leaders.

**The 4-way Test of the things we think, say or do:**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & better FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**The Object of Rotary**

The object of Rotary is to encourage and foster the ideals of service as a basis of worthy enterprise and, in particular to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideals of service in each Rotarian's personal, business & community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business & professional persons united in the ideal of service.

**Jennifer Jones****Rotary International President****RY 2022-2023****July 2022**

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization — the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider — our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories — we will be tweeting, posting, and "going live" to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts — your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

# SATELLITE CLUB HISTORY

“Destiny is the push of our instincts to the pull of our purpose”. This quote from an American bishop and author aptly describes the creation of the Rotary Satellite Club of Tagum Golden LACES Compostela.

It all started when Judy Marie Rapista- Tan, at that time the incumbent President of the Rotary Club of Tagum Golden LACES, mentioned in passing to her cousin Joji Bernadette Ancog – Casidsid that her club was planning to go to a neighboring town of Compostela, Davao de Oro to help revive an ailing Rotary club. Ancog-Casidsid then broached the idea of organizing a satellite club in Compostela instead, herself being a member of an informal group of men and women in Compostela engaged in outreach programs and civic works. Propelled by the desire to serve, this group of volunteers would gather their resources, solicit from generous townmates from in and out of the country to help out communities in remote barangays, particularly when Typhoon Pablo devastated the area. It has always been a dream for these volunteers to give a more effective and sustainable service to the community.

RCTGL set the ball rolling when it conducted an orientation to potential members on April 30, 2021 at Legacy College of Compostela. Thereafter, ten members were recruited to form the Rotary Satellite Club of Tagum Golden L.A.C.E.S. Compostela with Joji Bernadette Ancog-Casidsid as Chairperson and Corazon Nerves as Secretary.

On May 12, 2021, during the 18th Regular Meeting, the Satellite Club was introduced to the members of RTCGL and its sister club Rotary Club of Loyola Heights. Again, as fate would have it, present during the meeting was Past President Nilo Rapista, an active member of Rotary Club of Loyola Heights and himself a native of Compostela. Elated by the news that a Rotary satellite club was finally formed in his hometown, which was dream come true for him, PP Nilo Rapista pledged financial support to the fledgling satellite club by shouldering its first annual dues. In his message to the satellite club members, he emphasized the value of service and the advantages of being a Rotarian - “Fall in love with service, fall in love with Rotary”.

On May 26, 2021, the satellite club was officially recognized by the Rotary International and on July 10, 2021, the Satellite Club Members were inducted during the RCTGL 30th Hand-over Ceremony and 1st Induction of Satellite Club Members.

Not long after, the Satellite Club had its first project and contribution not only to Compostela but to the whole Davao de Oro province through the District- funded Knowledge on Wheels project. One unit of the Knowledge on Wheels Motorcycle edition was turned over last August 10, 2021 to the Department of Education – Davao de Oro Division for the benefit of its 13,000 Alternative Learning System (ALS) learners.

An active, dynamic and nurturing Rotary club meets a group of volunteers, a generous Rotarian patron, a project granted right after the satellite’s creation. indeed, it was the hand of destiny.

**Dhoresyl R. Galagala, PHF+3**

President, RY 2022-2023

Rotary Club of Tagum Golden L.A.C.E.S.

Dhoresyl R. Galagala or "Dhors" to her family and friends is a businesswoman. She sits as the Chief Executive Officer of CDG Group, a company she founded with her husband, Charles T. Galagala consisting of gas station, retail, food restaurant, beauty and wellness businesses.

Raised by her grandparents, she spent most of her childhood exposed to the ins and outs of their family business. While still in College, she worked as an Assistant Manager for their family business in General Santos City. Dhors found her passion at a very young age and that is managing purpose-driven businesses that are centered on excellence and service.

With her businesses thriving, she has always found a way to give back, starting with her family and the community by joining different causes. Wanting to have a wider reach and help more, she became a member of the Rotary of Tagum Golden L.A.C.E.S last October 2018 with the encouragement of Rotary Member Caridad Chavez.

In her first year as a member, she was awarded the Rookie of the Year award for –R.Y. 2018-2019 and the Paul Harris Fellow and Paul Harris Society respectively in recognition of her performance and dedication to the causes of the Rotary Club. A proof that despite being a first-generation Rotarian, she is not new to the values that the club stands for. She lives by treating others with thoughtfulness, sincerity, patience and respect and believes that through a giving heart and sincere service, individuals can empower change and make a difference in the community. The same values she teaches her only daughter, Charsylle. Setting an example on how to live and decide with the values that are expected of a Rotarian.

In her four years with the L.A.C.E.S she has shown her commitment and demonstrated exemplary leadership skills. This paved the way for her to become the 31st president of the Rotary Club of Tagum Golden L.A.C.E.S. Her brand of leadership is driven by a combination of her personal experiences as a business owner who worked her way up, a loving wife and a caring mother, as well as the knowledge she has learned in her years as a Rotarian that enriched her capabilities as a leader.

The plans and focus for the upcoming year will include: Strengthening membership development and retention by creating a strong club relationship, active engagement, comfort, and care for all members. She plans to continue projects and fundraisers aimed to help communities and improve the lives of others and increase partnership opportunities. She also eyes to bolster the Rotary Foundation and increase the act of giving, encouraging fellow L.A.C.E.S to go the extra mile. Empowering members through club training and participative leadership to recognize and develop new leaders that will potentially lead the club, engage and inspire members, and promote rotary in their respective communities will also become a priority. Projects that will empower the women sector will also be given focus. As well as the continued embodiment of Diversity, Equity, and Inclusion (DEI) by practicing respect despite differences, providing fair treatment and opportunities, a sense of belongingness, and feeling valued. Lastly, to reinforce impact in promoting public image covering the seven areas of focus and polio eradication.

She believes that the opportunity to lead the Rotary Club of Tagum Golden L.A.C.E.S is an honor and a privilege. With her coming leadership, she vows to uphold the same high standards, burning passion, and unending compassion to turn an IMAGINE Rotary into a REALITY that promotes the best of every member of the society. She is confident, that with the help of her chosen sisters, her fellow L.A.C.E.S the club will always have its best foot forward.

# IMAGINE

by John Lennon

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us, only sky  
Imagine all the people  
Livin' for today...Ah

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion, too  
Imagine all the people  
Livin' life in peace ...You

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world....You

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one
