# SATELLITE CLUB HISTORY

“Destiny is the push of our instincts to the pull of our purpose”. This quote from an American bishop and author aptly describes the creation of the Rotary Satellite Club of Tagum Golden LACES Compostela.

It all started when Judy Marie Rapista- Tan, at that time the incumbent President of the Rotary Club of Tagum Golden LACES, mentioned in passing to her cousin Joji Bernadette Ancog – Casidsid that her club was planning to go to a neighboring town of Compostela, Davao de Oro to help revive an ailing Rotary club. Ancog-Casidsid then broached the idea of organizing a satellite club in Compostela instead, herself being a member of an informal group of men and women in Compostela engaged in outreach programs and civic works. Propelled by the desire to serve, this group of volunteers would gather their resources, solicit from generous townmates from in and out of the country to help out communities in remote barangays, particularly when Typhoon Pablo devastated the area. It has always been a dream for these volunteers to give a more effective and sustainable service to the community.

RCTGL set the ball rolling when it conducted an orientation to potential members on April 30, 2021 at Legacy College of Compostela. Thereafter, ten members were recruited to form the Rotary Satellite Club of Tagum Golden L.A.C.E.S. Compostela with Joji Bernadette Ancog-Casidsid as Chairperson and Corazon Nerves as Secretary.

On May 12, 2021, during the 18th Regular Meeting, the Satellite Club was introduced to the members of RTCGL and its sister club Rotary Club of Loyola Heights. Again, as fate would have it, present during the meeting was Past President Nilo Rapista, an active member of Rotary Club of Loyola Heights and himself a native of Compostela. Elated by the news that a Rotary satellite club was finally formed in his hometown, which was dream come true for him, PP Nilo Rapista pledged financial support to the fledgling satellite club by shouldering its first annual dues. In his message to the satellite club members, he emphasized the value of service and the advantages of being a Rotarian - “Fall in love with service, fall in love with Rotary”.

On May 26, 2021, the satellite club was officially recognized by the Rotary International and on July 10, 2021, the Satellite Club Members were inducted during the RCTGL 30th Hand-over Ceremony and 1st Induction of Satellite Club Members.

Not long after, the Satellite Club had its first project and contribution not only to Compostela but to the whole Davao de Oro province through the District-funded Knowledge on Wheels project. One unit of the Knowledge on Wheels Motorcycle edition was turned over last August 10, 2021 to the Department of Education – Davao de Oro Division for the benefit of its 13,000 Alternative Learning System (ALS) learners.

An active, dynamic and nurturing Rotary club meets a group of volunteers, a generous Rotarian patron, a project granted right after the satellite’s creation. indeed, it was the hand of destiny.

## Club Health Check

The doctor will see your club now

Just as routine doctor visits help people identify health risks before they become serious, Rotary's club health check can diagnose problem areas and prescribe remedies. Club leaders will find a checklist to assess their club's well-being in the areas of club experience, service and social events, members, image, and business and operations,

along with an array of resources to treat any problem areas. Regularly consulting those resources can help maintain your club's health and preserve its value for club members and the community. A few examples follow, but review the entire document to ensure you're taking full advantage of these valuable tools.

### **CLUB EXPERIENCE**

The problem: Members don't feel they are participating in the Rotary experience beyond the club.

The prescription: Connect members with various Rotary programs. For instance, encourage them to sponsor an Interact club, organize a Rotary Youth Leadership Awards event, or create a scholarship. And remind members they might want to join a Rotary Fellowship or a Rotary Action Group.

### **SERVICE AND SOCIAL**

The problem: Members feel there are not enough regular occasions for socializing and networking.

The prescription: Put one or two members in charge of organizing social events throughout the year.

The problem: Members worry about the effectiveness of the club's projects.

The solution: Connect with members of The Rotary Foundation Cadre of Technical Advisers to get guidance on service projects.

## **MEMBERS**

The problem: Club membership is stagnant or declining.

The prescription: Create a membership development plan, while teaching members your club's process for proposing new members and explaining that they can also refer qualified prospects to other clubs. Online resources also provide tools to help diversify club membership and connect with prospective members.

## **IMAGE**

The problem: The club has an anemic online presence.

The prescription: Find a member with the skills and the time to create and manage your club's website and social media pages.

## **BUSINESS AND OPERATIONS**

The problem: The club has difficulty planning and setting goals.

The solution: Have the club board meet at least quarterly to review the club's strategic plan, measure its progress toward established goals, and adjust bylaws and other documents as needed.

### RCTGL: Pioneering Excellence in the Virtual Sphere

In a world redefined by the pandemic, where physical gatherings have been limited, the Rotary Club of Tagum Golden Laces (RCTGL) has showcased the power of innovation and unity by clinching the first prize for the best Facebook page. Leading this remarkable transformation were Life Changing Year Secretary Rotarian Mylene Baura and Public Image Chairperson Cherryanne Angoy, under the visionary presidency of Marilda Boja. This victory not only celebrates the club leaders' digital prowess but also underscores the resilience of Rotary values in the face of adversity.

The RCTGL is no stranger to community engagement and social impact. Our ethos is deeply rooted in service, and as the pandemic swept across the globe, we faced the challenge head-on. With physical meetings and events suspended, the club swiftly pivoted to the digital realm.

Harnessing the power of social media, the club transcended geographical boundaries to forge connections and foster meaningful engagement. The transformation was evident in our Facebook page, a virtual hub that resonated with vibrancy and purpose. Through creative storytelling, impactful visuals, and real-time updates, the club demonstrated its adaptability and dedication to upholding the spirit of Rotary.

As we continue to navigate the evolving landscape of a post-pandemic world, the RCTGL's journey serves as an inspiration. Our story reminds us that the essence of Rotary – fostering connections, creating impact, and adapting to change – remains unchanged. In the virtual realm and beyond, RCTGL is a shining example of Rotary's enduring legacy.

Vibrant members of the Rotary Club of Tagum Golden Laces, it is with great pleasure that I address you today in our esteemed gazette's President's column. Our commitment to education and community development shines brightly as we recount the successful Brigada Eskwela kick-off event at Mangga Elementary School. This initiative showcased the true essence of unity as members of our Rotary club came together, rolling up their sleeves, and actively participating in improving the school's environment for our young learners.

Furthermore, I am delighted to share the heartwarming news of our involvement in uplifting the education sector through the generous contribution of school supplies to Magugpo Pilot Elementary School. Our dedication to the betterment of the educational experience for these students is a testament to our core values as a Rotary club. The active participation of our Golden Laces members during the turnover event not only underscores our commitment but also reinforces the sense of responsibility we hold towards the betterment of our local community.

As we reflect on these recent endeavors, let us remember the impact that our Rotary club can have when we unite for a common cause. Our commitment to education, our engagement with local schools, and the camaraderie of our members create a foundation upon which we build a brighter future for the youth of Tagum. Let us continue to embrace these opportunities for positive change and work together in the spirit of service above self, making our city a better place for all. Thank you for your unwavering dedication and boundless enthusiasm, dear Golden LACES members.

With your help, we can make lives better in your community and around the world

**Why should I donate to The Rotary Foundation?**

Giving works because Rotary works. We are proud that 90.8 percent of donations go straight to supporting our service projects.

**How does The Rotary Foundation use donations?**

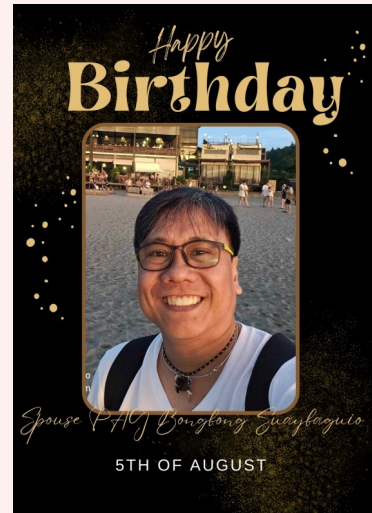

Our 35,000 clubs carry out sustainable humanitarian service projects. Using donations like yours, we've wiped out 99 percent of all polio cases. Your donations train future peacemakers, support clean water, and strengthen local economies.

**What impact can one donation have on the world?**

It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even farther. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.

President 2023-2024

## AUGUST 2023

At the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment.

It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

We've grown into an amazing global network of 1.4 million interconnected community leaders — leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, "We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders." I am proud of what Rotary has done across generations to build those kinds of social connections — and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

Our worldwide community and our foundational value prioritizing Service Above Self makes Rotary a powerful global advocate for mental health. A recently published study by Ohio State University found performing acts of kindness was the only one of three mental health interventions tested that helped people feel more connected to others. Study co-author David Cregg said, "Performing acts of kindness seems to be one of the best ways to promote those connections."

This research suggests what we've known all along — that doing good helps transform not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let's not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years — and we will be looking to members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let's work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services.

Together, we will Create Hope in the World. Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.
