President 2023-2024

## SEPTEMBER 2023

The International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to Create Hope in the World, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.

In March 2020, about 50 Rotary members from Pakistan met about 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honors Guru Nanak, the founder of Sikhism, a religion practiced in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims to the Kartarpur Sahib shrine, but Pakistani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step.

Let's see where it takes us.

Dear fellow LACES,

I wanted to take a moment to share some exciting updates from our recent activities in District 3860.

Firstly, I'm thrilled to inform you that the Mental Health Awareness Campaign in Compostela, Davao de Oro, which took place on September 20, 2023, was a resounding success. This event was spearheaded by our very own RCTGL Satellite Club and saw active participation from over 200 students in grades 9 and 10 from Legacy College. We were also joined by five other clubs from Area 2D, making it a truly collaborative effort.

On September 22, 2023, we continued our impactful work during the 66th National Medicine Week, where we organized a PAP SMEAR program in partnership with the Davao del Norte Medical Practitioners Society Inc. and DRMC Department of Obstetrics and Gynecology. This event took place at USEP Apokon and was a testament to the positive change we can create when we come together.

Finally, on September 23, 2023, we turned our attention to environmental conservation with a Mangrove Planting activity in Panabo City. RC Central Panabo led the way in this area-wide initiative, and we were delighted to see participation from not only Rotary members but also Rotaractors and Interactors. This collective effort underscores our commitment to sustainability and the well-being of our communities.

I want to extend my heartfelt gratitude to all those who dedicated their time and energy to make these activities a success. Your unwavering support and enthusiasm are truly inspiring. Together, we are making a difference in the lives of those we serve.

Thank you once again, and let's continue to work together to create a brighter future for all.

### **Empowering Women in Healthcare and Environmental Conservation: RCTGL's Dual Impact**

In a dynamic two-day affair, the Rotary Club of Tagum Golden Laces (RCTGL) illuminated the path towards gender empowerment and environmental sustainability. On September 22 and 23, 2023, RCTGL engaged in two impactful events: a significant healthcare outreach program and a transformative mangrove planting activity.

### **66th National Medicine Week Celebration: Paving the Way for Better Healthcare Access**

On September 22, 2023, RCTGL demonstrated its commitment to healthcare access by organizing a Cervical Cancer Screening (PAP SMEAR) event at USEP Tagum Campus. This event was held in celebration of the 66th National Medicine Week, with the resonating theme "Pilipinong Mamamayan Atang Alagaan" (Taking Care of Filipinos).

However, what makes this event even more profound is its focus on empowering women through healthcare access. Women, often the primary caregivers in families, deserve equal access to healthcare services. RCTGL, in collaboration with esteemed partners such as the Davao Regional Medical Center – Department of Obstetrics and Gynecology, Davao del Norte Medical Practitioners Society, Inc., and University of Southeastern Philippines (USEP) - Tagum Mabini Campus Health Service Division, ensured that women in the community had the opportunity to receive cervical cancer screenings. This initiative not only promotes healthcare access but also empowers women to take control of their wellbeing.

### **Mangrove Planting Activity: Nurturing Nature for Future Generations**

In the spirit of Rotary's commitment to environmental sustainability, RCTGL organized a mangrove planting activity as part of a larger areawide initiative. The event unfolded in a coastal area of Panabo City, with members from RCTGL leading the charge. However, what truly shines is the inclusivity of this endeavor. RCTGL was joined by enthusiastic youth leaders from the Rotaract Club of St. Thomas More School of Law and Business, and the Interact Club of Tagum National High School, who eagerly rolled up their sleeves to plant mangrove seedlings.

These remarkable efforts are rooted in Rotary's core belief that positive change commences at the community level. By safeguarding these coastal ecosystems, RCTGL and the club's young partners are ensuring a healthier environment for current and future generations.

These events exemplify the RCTGL's dedication to making a thoughtful impact on both the environment and healthcare accessibility. Through the members' unwavering commitment to service, RCTGL continues to be a beacon of positive change within the community, leaving a lasting legacy of care, inclusivity, and conservation for the benefit of future generations.

TRF Chairperson

With your help, we can make lives  
better in your community and  
around the world

**Why should I donate to The Rotary  
Foundation?**

Giving works because Rotary works. We are proud that 90.8 percent of donations go straight to supporting our service projects.

**How does The Rotary Foundation use  
donations?**

Our 35,000 clubs carry out sustainable humanitarian service projects. Using donations like yours, we've wiped out 99 percent of all polio cases. Your donations train future peacemakers, support clean water, and strengthen local economies.

**What impact can one donation have  
on the world?**

It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even farther. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.

## Club Health Check

The doctor will see your club now

Just as routine doctor visits help people identify health risks before they become serious, Rotary's club health check can diagnose problem areas and prescribe remedies. Club leaders will find a checklist to assess their club's well-being in the areas of club experience, service and social events, members, image, and business and operations,

along with an array of resources to treat any problem areas. Regularly consulting those resources can help maintain your club's health and preserve its value for club members and the community. A few examples follow, but review the entire document to ensure you're taking full advantage of these valuable tools.

### **CLUB EXPERIENCE**

**The problem:** Members don't feel they are participating in the Rotary experience beyond the club.

**The prescription:** Connect members with various Rotary programs. For instance, encourage them to sponsor an Interact club, organize a Rotary Youth Leadership Awards event, or create a scholarship. And remind members they might want to join a Rotary Fellowship or a Rotary Action Group.

### **SERVICE AND SOCIAL**

**The problem:** Members feel there are not enough regular occasions for socializing and networking.

**The prescription:** Put one or two members in charge of organizing social events throughout the year.

**The problem:** Members worry about the effectiveness of the club's projects.

**The solution:** Connect with members of The Rotary Foundation Cadre of Technical Advisers to get guidance on service projects.

## **MEMBERS**

The problem: Club membership is stagnant or declining.

The prescription: Create a membership development plan, while teaching members your club's process for proposing new members and explaining that they can also refer qualified prospects to other clubs. Online resources also provide tools to help diversify club membership and connect with prospective members.

## **IMAGE**

The problem: The club has an anemic online presence.

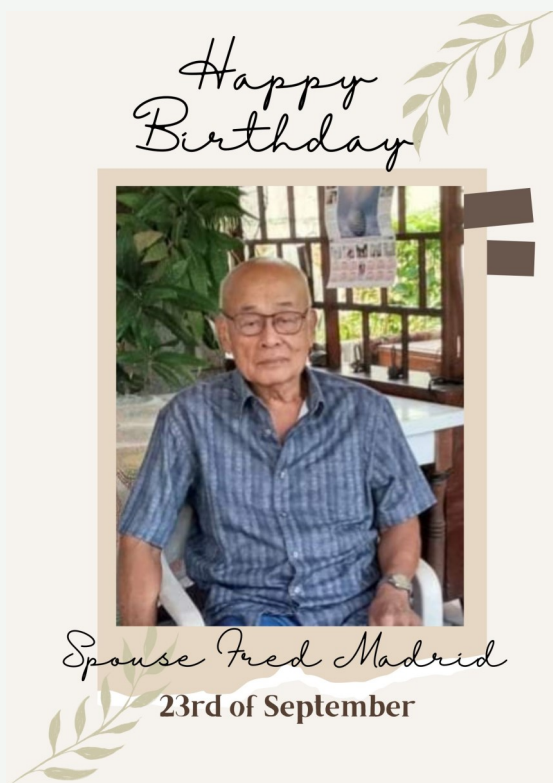

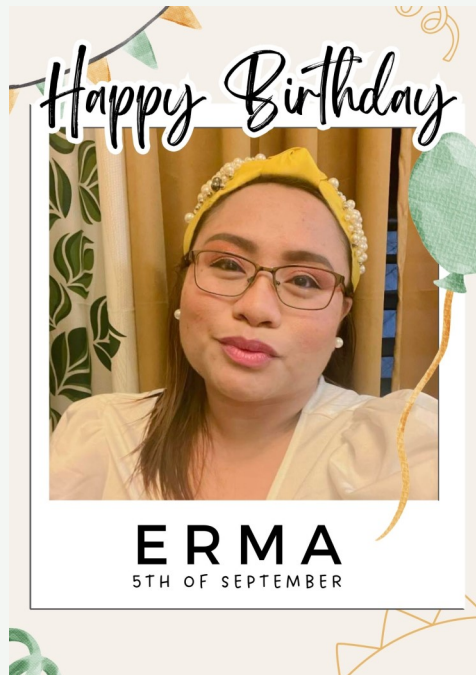

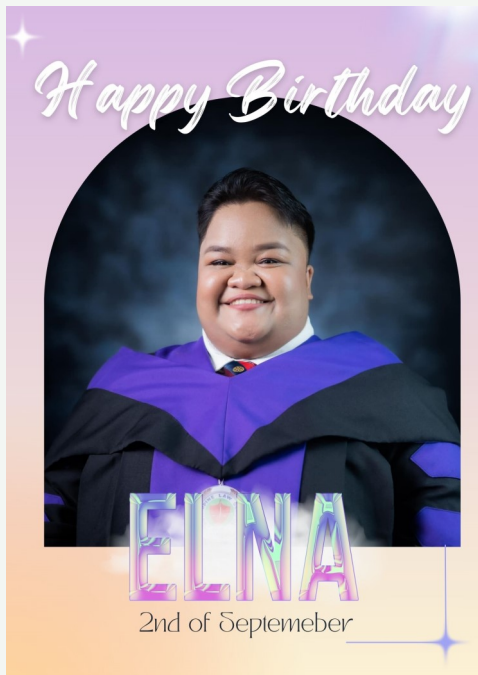

The prescription: Find a member with the skills and the time to create and manage your club's website and social media pages.

## **BUSINESS AND OPERATIONS**

The problem: The club has difficulty planning and setting goals.

The solution: Have the club board meet at least quarterly to review the club's strategic plan, measure its progress toward established goals, and adjust bylaws and other documents as needed.

The idea of organizing an all-female Rotary Club of Tagum was thought of as early as 1989 by the Rotarian and Anns of RC Tagum North. The initial organizing of the club however started only sometime in the first week of February 1991.

The names of 28 selected ladies were first floated by the Rotarians & Anns of RC Tagum North. Out of this number, 16 responded by attending the first organizational meeting held at Magnolia Kiosk along Quezon St., Tagum. Other ladies were later invited to the regular weekly meetings as prospective members of the club although their attendance along with some of those who were initially invited were irregular. In this organizational meetings, Rotary Information was given by Rtn. Jess Albacite, Special Governor's Representative and PP of RC Tagum North, Rtn. Rey Vegara, Incumbent President RC Tagum North, Rtn. Bebot Madayag, District Governor's Representative & PP of RC Tagum. Other Rotarians who helped in giving various information included Rtn. Arrel Olaño, PP RC Tagum; Rtn. Danny Lee, Past DGR and PP of RC Tagum North; Rtn. Jun Cagas and Rtn. Raffy Erfe, both RC Tagum North.

Out of the original forty (40) ladies who were invited to organizational meetings, only 25 were finally submitted for charter membership of the new club. The names which were submitted to Rotary International on October 30, 1992 are as follows: Nelida Aguillon, Cynthia Catungal, Leonida Decena, Natividad del Rosario, Maria Cleofe Evidente, Corazon Fernandez, Susan Franco, Rebecca Lectura, Flor-deliza Magallon, Marilyn Grace Mangilet, Jocelyn Melendres, Ofelia Millan, Anna Geraldine Morante, Nenita Nazareno, Providencia Nuñez, Jocelyn Ong, Evelyn Ross Perdido, Carolina Quirante, Mai Rallos, Agnes Resurreccion, Linda Sicam, Lay Fong Soo-Montero, Arisfina Torre, Conchita Yago, and Amelie Tan-Ramos.

From these charter members: the following were elected as Charter Officers: Rtn. Rebecca Lectura, Pres.; Rtn. Providencia Nuñez, Pres.-Elect; Rtn. Nenita Nazareno, Vice-Pres.; Rtn. Susan Franco, Sec.; Rtn. Jocelyn Melendres, Tres.; Rtn. Linda Sicam, Auditor; Rtn. Conchita Yago, P.R.O.; Rtn. Natividad del Rosario, Sgt-at-Arms; Rtn. Corazon Fernandez, Dir.; Rtn. Agnes Resurreccion, Dir.; Rtn. Marilyn Grace Mangilet, Dir.; and Rtn. Arisfina Torre, Dir.

The club officers & members of the newly organized ROTARY CLUB OF TAGUM GOLDEN L.A.C.E.S. (Ladies in Action Committed to Effective Service) first met DG Xavier C. Ledesma, Incumbent District Governor for 1991-1992, at Molave Hotel on Sept. 4, 1992 in his club visitation of the Rotary Clubs in Tagum.

On December 1, 1992, the club received the good news from SEABO that its application for membership was formally admitted by Rotary International on November 19, 1992 with Club No. 29117.

# SATELLITE CLUB HISTORY

“Destiny is the push of our instincts to the pull of our purpose”. This quote from an American bishop and author aptly describes the creation of the Rotary Satellite Club of Tagum Golden LACES Compostela.

It all started when Judy Marie Rapista- Tan, at that time the incumbent President of the Rotary Club of Tagum Golden LACES, mentioned in passing to her cousin Joji Bernadette Ancog – Casidsid that her club was planning to go to a neighboring town of Compostela, Davao de Oro to help revive an ailing Rotary club. Ancog-Casidsid then broached the idea of organizing a satellite club in Compostela instead, herself being a member of an informal group of men and women in Compostela engaged in outreach programs and civic works. Propelled by the desire to serve, this group of volunteers would gather their resources, solicit from generous townmates from in and out of the country to help out communities in remote barangays, particularly when Typhoon Pablo devastated the area. It has always been a dream for these volunteers to give a more effective and sustainable service to the community.

RCTGL set the ball rolling when it conducted an orientation to potential members on April 30, 2021 at Legacy College of Compostela. Thereafter, ten members were recruited to form the Rotary Satellite Club of Tagum Golden L.A.C.E.S. Compostela with Joji Bernadette Ancog-Casidsid as Chairperson and Corazon Nerves as Secretary.

On May 12, 2021, during the 18th Regular Meeting, the Satellite Club was introduced to the members of RTCGL and its sister club Rotary Club of Loyola Heights. Again, as fate would have it, present during the meeting was Past President Nilo Rapista, an active member of Rotary Club of Loyola Heights and himself a native of Compostela. Elated by the news that a Rotary satellite club was finally formed in his hometown, which was dream come true for him, PP Nilo Rapista pledged financial support to the fledgling satellite club by shouldering its first annual dues. In his message to the satellite club members, he emphasized the value of service and the advantages of being a Rotarian - “Fall in love with service, fall in love with Rotary”.

On May 26, 2021, the satellite club was officially recognized by the Rotary International and on July 10, 2021, the Satellite Club Members were inducted during the RCTGL 30th Hand-over Ceremony and 1st Induction of Satellite Club Members.

Not long after, the Satellite Club had its first project and contribution not only to Compostela but to the whole Davao de Oro province through the District-funded Knowledge on Wheels project. One unit of the Knowledge on Wheels Motorcycle edition was turned over last August 10, 2021 to the Department of Education – Davao de Oro Division for the benefit of its 13,000 Alternative Learning System (ALS) learners.

An active, dynamic and nurturing Rotary club meets a group of volunteers, a generous Rotarian patron, a project granted right after the satellite’s creation. indeed, it was the hand of destiny.

# CREATE HOPE IN THE WORLD

Look and you can find how you can serve our land  
If truth is left behind, will you make a stand  
Days will be bright when the wall between us fall  
We will brave the darkness night hear us sound the call

Chorus:

Turn the page, Turn the tide  
Turn the world to face the light  
Through rotary, our hopes fly high  
To where dreams touch the sky  
Turn the page, turn the tide  
Turn the world to face the light  
Through rotary, we all will show  
where hope is planted, love is sure to grow

Battles may rage hiding the voices of the small  
We Rotarians rise as one giving strength and peace to all  
Hearts are ablaze spreading joy when all seems lost  
Drawing courage from each other for what matters is the  
cause

Repeat Chorus 2x

Where hope is planted
