Presidential Message

R. Gordon R. McInally

President 2023-2024

OCTOBER 2023

The World Health Organization designates 10 October as World Mental Health Day, and with Rotary placing a special focus on mental health this year, I would like to help answer the question posed to me most often when I travel to meet members: How can my club get started?

There are some wonderful examples of Rotary members taking action already. In the Philippines, the Rotary Club of Tiaong-Hiyas held a 12-week health challenge for mothers in the community to promote some baseline health screenings and coaching on a healthier

lifestyle.

By the end of the challenge, the mothers had a special bond and decided to form a Rotary Community Corps called Ilaw ng Tahanan ("one who lights up the home") with the goal of involving more mothers in health education and wellness support — and later youth services, teen pregnancy prevention, and help with unhealthy substance use. Almost a year later, the RCC is preparing to open its own health center where mothers can come for peer-to-peer support.

Another strong example is in Colorado. In the fall of 2021, a small group of stakeholders from the Rotary Club of Highlands Ranch formed the Rotary Clubs of Colorado Endowed Fellowship for Pediatric Mental Health, which enhances the ability of Children's Hospital Colorado to recruit and train pediatric psychiatry providers and allows the hospital network to make additional appointments. This increases access to mental health care for children and decreases provider shortages.

Since then, the project has brought on new supporters and is now fully funded with a \$500,000 endowment. Investment income from this endowment will support a fellow — a psychologist or psychiatrist — at Children's Hospital. A new fellow will be named every one to two years, beginning spring of 2024. Over time this will create a cohort to bolster the mental health workforce, treating kids from all 64 Colorado counties and neighboring states.

There are many more great mental health project stories on Rotary Showcase, and I invite you to share your experiences as you begin your own projects. Also, please reach out to mindhealth@rotary.org with any thoughts or ideas you would like to share about mental health in the Rotary world.

On 10 October, I will host a Facebook Live event when we will recognize World Mental Health Day and further explore how Rotary members can begin this journey. But I would like to leave you with one way every Rotary member can make a difference.

Right now, there is someone you know in the Rotary world — in your club, from a project you've worked on, in a Rotary Fellowship or Rotary Action Group — who could use a little more of your time and attention. Rotary is this great gift of global friendship, and that also means being there for each other.

Discovering the human connections that bind us is what we do through our membership every day. It's what Rotary has always been about, and we can build on it by helping each other find peace at home.

We need to learn how to ask not just "How are you?" but also "How are you really?" By doing so, Rotary can continue to Create Hope in the World.

Dear fellow LACES,

I wanted to take a moment to share some exciting updates from our recent activities in District 3860.

Firstly, I'm thrilled to inform you that the Mental Health Awareness Campaign in Compostela, Davao de Oro, which took place on September 20, 2023, was a resounding success. This event was spearheaded by our very own RCTGL Satellite Club and saw active participation from over 200 students in grades 9 and 10 from Legacy College. We were also joined by five other clubs from Area 2D, making it a truly collaborative effort.

On September 22, 2023, we continued our impactful work during the 66th National Medicine Week, where we organized a PAP SMEAR program in partnership with the Davao del Norte Medical Practitioners Society Inc. and DRMC Department of Obstetrics and Gynecology. This event took place at USEP Apokon and was a testament to the positive change we can create when we come together.

Finally, on September 23, 2023, we turned our attention to environmental conservation with a Mangrove Planting activity in Panabo City. RC Central Panabo led the way in this area-wide initiative, and we were delighted to see participation from not only Rotary members but also Rotaractors and Interactors. This collective effort underscores our commitment to sustainability and the well-being of our communities.

I want to extend my heartfelt gratitude to all those who dedicated their time and energy to make these activities a success. Your unwavering support and enthusiasm are truly inspiring. Together, we are making a difference in the lives of those we serve.

Thank you once again, and let's continue to work together to create a brighter future for all.

Rotary Clubs Unit in Honoring Tagum City's Dedicated Mayor

A significant moment unfolded during the Convocation of the Tagum City Government on October 02, 2023. It was an occasion that highlighted the seamless collaboration between community organizations and local government.

The Rotary Club of Tagum Golden LACES (RCTGL), in partnership with the Rotary Club of Tagum North and the Rotary Club of Tagum, gathered to recognize the collective efforts aimed at enhancing the city. Their joint mission was to acknowledge the contributions of a dedicated leader.

In the presence of city officials, dignitaries, and residents, President-Elect Maria Martha B. Conde, joined by fellow members in the RCTGL, including PP Laurencia Rimando, PAG Maria Lina Baura, and PP Nelly M. Gentugaya, had a specific mission—to present a Plaque of Appreciation to Tagum City's Mayor, Hon. Mayor Rey T. Uy.

Mayor Uy accepted the plaque amidst warm applause and appreciation from the audience. This plaque represented the community's collective gratitude for his steadfast dedication to advancing Tagum City, encompassing a wide spectrum of achievements, from infrastructure development to initiatives that enhanced the quality of life for its residents.

This ceremony held a deeper significance than mere formality; it was a heartfelt demonstration of appreciation from the Rotary Clubs and the entire city. Following the applause, Mayor Uy conveyed his thanks for the recognition, emphasizing his ongoing commitment to serve the people of Tagum City.

The Plaque of Appreciation became a symbol, not only of the mayor's accomplishments but also of the unity and collaborative spirit between the Rotary Clubs and the Local Government Unit (LGU) under the leadership of Mayor Uy, all working in unison to enhance Tagum City for the benefit of its residents.

With your help, we can make lives
better in your community and
around the world

**Why should I donate to The Rotary
Foundation?**

Giving works because Rotary works. We are proud that 90.8 percent of donations go straight to supporting our service projects.

**How does The Rotary Foundation use
donations?**

Our 35,000 clubs carry out sustainable humanitarian service projects. Using donations like yours, we've wiped out 99 percent of all polio cases. Your donations train future peacemakers, support clean water, and strengthen local economies.

**What impact can one donation have
on the world?**

It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even farther. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.

Club Health Check

The doctor will see your club now

Just as routine doctor visits help people identify health risks before they become serious, Rotary's club health check can diagnose problem areas and prescribe remedies. Club leaders will find a checklist to assess their club's well-being in the areas of club experience, service and social events, members, image, and business and operations, along with an array of resources to treat any problem areas. Regularly consulting those resources can help maintain your club's health and preserve its value for club members and the community. A few examples follow, but review the entire document to ensure you're taking full advantage of these valuable tools.

CLUB EXPERIENCE

The problem: Members don't feel they are participating in the Rotary experience beyond the club.

The prescription: Connect members with various Rotary programs. For instance, encourage them to sponsor an Interact club, organize a Rotary Youth Leadership Awards event, or create a scholarship. And remind members they might want to join a Rotary Fellowship or a Rotary Action Group.

SERVICE AND SOCIAL

The problem: Members feel there are not enough regular occasions for socializing and networking.

The prescription: Put one or two members in charge of organizing social events throughout the year.

The problem: Members worry about the effectiveness of the club's projects.

The solution: Connect with members of The Rotary Foundation Cadre of Technical Advisers to get guidance on service projects.

MEMBERS

The problem: Club membership is stagnant or declining.

The prescription: Create a membership development plan, while teaching members your club's process for proposing new members and explaining that they can also refer qualified prospects to other clubs. Online resources also provide tools to help diversify club membership and connect with prospective members.

IMAGE

The problem: The club has an anemic online presence.

The prescription: Find a member with the skills and the time to create and manage your club's website and social media pages.

BUSINESS AND OPERATIONS

The problem: The club has difficulty planning and setting goals.

The solution: Have the club board meet at least quarterly to review the club's strategic plan, measure its progress toward established goals, and adjust bylaws and other documents as needed.

SATELLITE CLUB HISTORY

“Destiny is the push of our instincts to the pull of our purpose”. This quote from an American bishop and author aptly describes the creation of the Rotary Satellite Club of Tagum Golden LACES Compostela.

It all started when Judy Marie Rapista- Tan, at that time the incumbent President of the Rotary Club of Tagum Golden LACES, mentioned in passing to her cousin Joji Bernadette Ancog – Casidsid that her club was planning to go to a neighboring town of Compostela, Davao de Oro to help revive an ailing Rotary club. Ancog-Casidsid then broached the idea of organizing a satellite club in Compostela instead, herself being a member of an informal group of men and women in Compostela engaged in outreach programs and civic works. Propelled by the desire to serve, this group of volunteers would gather their resources, solicit from generous townmates from in and out of the country to help out communities in remote barangays, particularly when Typhoon Pablo devastated the area. It has always been a dream for these volunteers to give a more effective and sustainable service to the community.

RCTGL set the ball rolling when it conducted an orientation to potential members on April 30, 2021 at Legacy College of Compostela. Thereafter, ten members were recruited to form the Rotary Satellite Club of Tagum Golden L.A.C.E.S. Compostela with Joji Bernadette Ancog-Casidsid as Chairperson and Corazon Nerves as Secretary.

On May 12, 2021, during the 18th Regular Meeting, the Satellite Club was introduced to the members of RTCGL and its sister club Rotary Club of Loyola Heights. Again, as fate would have it, present during the meeting was Past President Nilo Rapista, an active member of Rotary Club of Loyola Heights and himself a native of Compostela. Elated by the news that a Rotary satellite club was finally formed in his hometown, which was dream come true for him, PP Nilo Rapista pledged financial support to the fledgling satellite club by shouldering its first annual dues. In his message to the satellite club members, he emphasized the value of service and the advantages of being a Rotarian - “Fall in love with service, fall in love with Rotary”.

On May 26, 2021, the satellite club was officially recognized by the Rotary International and on July 10, 2021, the Satellite Club Members were inducted during the RCTGL 30th Hand-over Ceremony and 1st Induction of Satellite Club Members.

Not long after, the Satellite Club had its first project and contribution not only to Compostela but to the whole Davao de Oro province through the District-funded Knowledge on Wheels project. One unit of the Knowledge on Wheels Motorcycle edition was turned over last August 10, 2021 to the Department of Education – Davao de Oro Division for the benefit of its 13,000 Alternative Learning System (ALS) learners.

An active, dynamic and nurturing Rotary club meets a group of volunteers, a generous Rotarian patron, a project granted right after the satellite’s creation. indeed, it was the hand of destiny.

CREATE HOPE IN THE WORLD

Look and you can find how you can serve our land
If truth is left behind, will you make a stand
Days will be bright when the wall between us fall
We will brave the darkness night hear us sound the call

Chorus:

Turn the page, Turn the tide
Turn the world to face the light
Through rotary, our hopes fly high
To where dreams touch the sky
Turn the page, turn the tide
Turn the world to face the light
Through rotary, we all will show
where hope is planted, love is sure to grow

Battles may rage hiding the voices of the small
We Rotarians rise as one giving strength and peace to all
Hearts are ablaze spreading joy when all seems lost
Drawing courage from each other for what matters is the
cause

Repeat Chorus 2x

Where hope is planted
