EDITOR'S NOTE:

ARTEMIO IAN D. PALLJO III
EDITOR-IN-CHIEF

Be the inspiration: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, take action to change the world.

The Rotanews of Rotary club of Tagum North provides information and activities of the club. This is also one of our avenue to provide information to people of the different activities and information about Rotary.

Similarly, in the human society, civilisation can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer takes care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Pumping System" (SWIS) in Maguogoo, Taguam. The unwavering passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2012. It has allocated a PHP200,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Anasuran, Davao del Norte.

It is its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingenious cable cart system used to transport farmers and convey their produce from one side to another side of the river in Anasuran, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this region. The club has been honored with the "Hall of Fame- Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame - Outstanding" President in RY 1993-94. Another Outstanding President of the club, Karen Larrosa, and Cyril Muring, also became DRIR. Recently, the Rotaract Club of Taguam North co-hosted with RC Waling-waling & Pag-asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at U.M. Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledged to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program in 2008. The out-bound team members include: Dr. Naretta Perido (Florida, USA in 2000-01), Maricar Zamora-Asay (Canada and USA in 2001-2002), Lorenzo Mendez (Kentucky, USA 2006-07), Dr. Glenn A. Floro (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Ruot Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Chocho was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordon of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellowes, (32) Paul Harris Fellowes and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Foundation Every Year (REFY) program.

Taguam North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and a rural life, the club ventured on "Coral Reef Mangrove Tree" project in 1992. It is a continuing project that helps mangrove forest in the coastlines its neighboring.

This project grant was funded by the WCS from District 2790 Chiba, Japan. The club initiated the program on "Tulak Kubal" in order to facilitate employment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 145 graduates at the Taguam National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt A School" Program was commenced in 2008, identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unmitigable as it extended its coverage to 60 learners both out of school youths and young adults at Barangay New Sulamban, Taguam City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Taguam City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-abled" individuals; Culture, Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

COMMUNITY DEVELOPMENT

Providing avenues of learning started to be the prime commitment to its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Maguogoo Pilot Imelda SPED School. The compassion was contagious when RCTN further installed and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Maguogoo Pilot A.L.S., Taguam City, assorted Math & Physics books for the Pigtown Maguogoo National High School, Taguam City, and a Library, Taguam City. The club also donated P1p.5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talangtoro".

HEALTH CARE PROGRAMS

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Taguam City for the first time or just pass by at one of the business junctions of the city.

THE PROJECTS DEDICATED TO COMMUNITY SERVICE BROUGHT THE CLUB AN OVERWHELMING RECOGNITION AND PRAISE FROM ITS NEIGHBORHOOD COMMUNITIES.

Since its conception, the RCTN has necessarily conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Taguam community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Anasuran, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Taguam City in carrying out the project - "Bantay Dengue Taguam", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

THE RC TAGUAM NORTH HAS ESTABLISHED ITS REPUTATION IN THE DISTRICT. THIS IS EVIDENCED BY LINKAGES WITH OTHER CLUBS IN THE LOCAL AND INTERNATIONAL ROTARY COMMUNITY BY FORGING A SISTERHOOD AGREEMENT WITH THE ROTARY CLUBS OF ACRAGEE, FLORIDA, USA; PORT ST. LUCIE, FLORIDA, USA; NIIJAI, MALAYSIA; LOYOLA HEIGHTS, QUINSON CITY, DOWNTOWN OLONGAPO, WALING-WALING DAVAO, SAN FRANCISCO AND PAG-ASA DAVAO.

Recently, through the efforts of FR Arnold Nicolas, Taguam North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomoka, Japan. The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USA; and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Taguam City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Saggo Palad Foundation, Inc., Gloria Christ Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main focus on disease prevention and management program.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signalized by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to
divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

President
2019-2020

Greetings champion team!

When I was new to the Rotary Club of Tagum North, the first induction and turnover ceremony I attended then made me think that I would be a president of the club in the near future. Why? Because when the emcee called the officers and members to come on stage, only few left on the tables of audience. And most of their names mentioned there was always a pre fix "Past President" so and so..

So being a club's president in Rotary is a destiny, if you become a member. All you need to do is to wait for your turn.

I've accepted this task to lead the club because I believe and trust in each member that we will inspire and support one another.

Our club indeed made the difference for being awarded as the outstanding club in the leadership of IPP Neal Ararao and PAG Arnold Nicolas, and the support of all the officers and members.

All Glory to the Lord Almighty and more power everyone!

My fellow "Champion" Club Officers and Rotarians,
This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian's aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor's training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our Rotary International President Mark Maloney who encouraged us to live by the theme: "Rotary Connects the World".

Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make innovative and sustainable CONNECTIONS with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: First, is to grow Rotary – by strengthening membership, both at the Club and Rotaract levels. Secondly, is to allow Rotary meetings become more flexible, closer to our homes and involve our Family in our service projects or activities. Third, is to develop leaders beyond the club level and provide opportunities for them to grow. And fourth, broadening projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary's major priorities on supporting The Rotary Foundation (TRF) through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our Public Image initiatives would our community be able to value and appreciate the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to SERVE BEYOND OURSELVES.

Yours in Rotary Service,

Philip N. Tan
