## EDITOR'S NOTE:

**ARTEMIO IAN D. PALIJO III**  
EDITOR-IN-CHIEF

Rotary Connects The World: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, take action to change the world.

The Rotanews of Rotary club of Tagum North provides information and activities of the club. This is also one of our avenue to provide information to people of the different activities and information about Rotary.

Similarly, in the human society, civilisation can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer takes care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

## Mark Daniel Maloney

President 2019-20

**November 2019**

Rotary Day at the United Nations, which we celebrate each November, is an important reminder of the historic relationship between our organizations. But this year's event is even more important than usual, because we are building up to the 75th anniversary of the signing of the UN Charter in June 2020.

You might ask, why celebrate this anniversary? For Rotary, it is entirely appropriate, because we played such a critical leadership role in the San Francisco Conference that formed the United Nations in 1945. Throughout World War II, Rotary published materials about the importance of forming such an organization to preserve world peace.

Not only did Rotary help influence the formation of the UN, but this magazine also played a leading part in communicating its ideals. Rotary educated members about plans to create the UN through numerous articles in *The Rotarian* and through a booklet titled *From Here On!* When the time came to write the UN charter, Rotary was one of 42 organizations the United States invited to serve as consultants to its delegation at the San Francisco Conference.

Each organization had seats for three representatives, so Rotary International's 11 representatives served in rotation. The people officially representing Rotary included the general secretary, the current and several past presidents, and the editor of *The Rotarian*. In addition, Rotarians from Africa, Asia, Australia, Europe, and North and South America served as members of or consultants to their own nations' delegations.

We have a deep and lasting relationship with the UN that deserves to be celebrated and appreciated. To recognize this relationship, Rotary will host five special events between now and June: Rotary Day at the UN in New York on the 9th of this month; three presidential conferences next year in Santiago, Chile, in Paris, and in Rome; and a final celebration just before the Rotary International Convention in Honolulu.

The focus on the UN in the year ahead is not only about the past; it also lights a path to our future. There are so many parallels between the work we do through our areas of focus and the work of the UN Sustainable Development Goals. While those goals are indeed incredibly ambitious, they provide inspiration and direction — and are similar to many Rotary goals, which have proven to create lasting, positive change in our world. The goals can be achieved, but only if undertaken with the same long-term commitment and tenacity that Rotary understands so well. Alone, we cannot provide clean water for all, we cannot eliminate hunger, we cannot eradicate polio. But together with partners like the United Nations, of course we can.

Please consider attending one of our five UN celebrations. I look forward to sharing news of these special events with you throughout the year.

Trustee Chair 2019-20

### November 2019

Ni hao, Rotarians!

We just had our first-ever fundraiser in Taiwan for The Rotary Foundation — and it was a great success.

The Taiwan AKS Members Association organized the event in August in Taipei. We were treated to an inspirational speech by Ravishankar Dakoju of the Rotary Club of Bangalore Orchards, India, in District 3190. He shared why he contributes his time and money — and why he's an organ donor. His generosity is legendary, and he wants to help the world in any way he can. His speech touched everyone who attended the event.

We are pleased and honored to announce that the final total for the fundraiser was \$5.5 million. We have 11 new Arch Klumph Society members contributing at the Chair's Circle level (\$500,000 to \$999,999) and 14 at the Trustees Circle level (\$250,000 to \$499,999). Thank you to our generous donors in Taiwan!

At great events like this one, I am reminded how Rotary gives us something good that we can all do together. Our service puts us in touch with so many interesting people from all over the world. When we meet, we hear about projects of all kinds, and it is always inspirational. And we never stop learning from one another.

This provides such a wonderful lesson to our children. We share with them the importance of fellowship and forming new bonds with other people. We also show them what is really important in life: making connections, improving life for those in need, and doing all we can for others. Rotary is the best education a family can have.

I am excited that Rotary President Mark Daniel Maloney has made expanding the family of Rotary a priority. We must bring our family members to Rotary events and do all we can to encourage them to be part of this wonderful organization. And through The Rotary Foundation, we can make these family connections part of our legacy. You are never too young or too old for Rotary.

So give your high-five to Rotary and find ways to bring your family into Rotary. It's the most wonderful gift you can share with the people you love.

**Renie P. Siscon, PHF**  
Champion President

## President's Corner

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary International, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace.

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US\$26.50 to more than US\$1 billion.

When you make a donation to The Rotary Foundation, you are helping Rotary members make a difference in the lives of millions of people around the world, by promoting peace, preventing disease, bolstering economic development, and providing clean water and sanitation.

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

### Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

#### Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

#### Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

#### Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

#### International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

#### New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

## HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

## ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain: With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.

We shall all understand, while the good  
Lord is our guide.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.

- Supporting education
- Growing local economies

## **HISTORY OF THE ROTARY FOUNDATION**

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

## GROWTH OF THE FOUNDATION

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals. When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

## EVOLUTION OF FOUNDATION PROGRAMS

**1947:** The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

**1965-66:** Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

**1978:** Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

**1985:** The PolioPlus program was launched to eradicate polio worldwide.

**1987-88:** The first peace forums were held, leading to Rotary Peace Fellowships.

**2013:** New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totalling more than \$1 billion.

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

## AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Maguppo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Maguppo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated Php 5,000.00 for the "Lakbay Aral para sa mga batang Lumadng Talaingod".

## COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

## HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.
