## EDITOR'S NOTE:

**ARTEMIO IAN D. PALIJO III**  
EDITOR-IN-CHIEF

Rotary Connects The World: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, take action to change the world.

The Rotanews of Rotary club of Tagum North provides information and activities of the club. This is also one of our avenue to provide information to people of the different activities and information about Rotary.

Similarly, in the human society, civilisation can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer takes care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

**November 2019**

Rotary Day at the United Nations, which we celebrate each November, is an important reminder of the historic relationship between our organizations. But this year's event is even more important than usual, because we are building up to the 75th anniversary of the signing of the UN Charter in June 2020.

You might ask, why celebrate this anniversary? For Rotary, it is entirely appropriate, because we played such a critical leadership role in the San Francisco Conference that formed the United Nations in 1945. Throughout World War II, Rotary published materials about the importance of forming such an organization to preserve world peace.

Not only did Rotary help influence the formation of the UN, but this magazine also played a leading part in communicating its ideals. Rotary educated members about plans to create the UN through numerous articles in *The Rotarian* and through a booklet titled *From Here On!* When the time came to write the UN charter, Rotary was one of 42 organizations the United States invited to serve as consultants to its delegation at the San Francisco Conference.

Each organization had seats for three representatives, so Rotary International's 11 representatives served in rotation. The people officially representing Rotary included the general secretary, the current and several past presidents, and the editor of *The Rotarian*. In addition, Rotarians from Africa, Asia, Australia, Europe, and North and South America served as members of or consultants to their own nations' delegations.

We have a deep and lasting relationship with the UN that deserves to be celebrated and appreciated. To recognize this relationship, Rotary will host five special events between now and June: Rotary Day at the UN in New York on the 9th of this month; three presidential conferences next year in Santiago, Chile, in Paris, and in Rome; and a final celebration just before the Rotary International Convention in Honolulu.

The focus on the UN in the year ahead is not only about the past; it also lights a path to our future. There are so many parallels between the work we do through our areas of focus and the work of the UN Sustainable Development Goals. While those goals are indeed incredibly ambitious, they provide inspiration and direction — and are similar to many Rotary goals, which have proven to create lasting, positive change in our world. The goals can be achieved, but only if undertaken with the same long-term commitment and tenacity that Rotary understands so well. Alone, we cannot provide clean water for all, we cannot eliminate hunger, we cannot eradicate polio. But together with partners like the United Nations, of course we can.

Please consider attending one of our five UN celebrations. I look forward to sharing news of these special events with you throughout the year.

Trustee Chair 2019-20

### November 2019

Ni hao, Rotarians!

We just had our first-ever fundraiser in Taiwan for The Rotary Foundation — and it was a great success.

The Taiwan AKS Members Association organized the event in August in Taipei. We were treated to an inspirational speech by Ravishankar Dakoju of the Rotary Club of Bangalore Orchards, India, in District 3190. He shared why he contributes his time and money — and why he's an organ donor. His generosity is legendary, and he wants to help the world in any way he can. His speech touched everyone who attended the event.

We are pleased and honored to announce that the final total for the fundraiser was \$5.5 million. We have 11 new Arch Klumph Society members contributing at the Chair's Circle level (\$500,000 to \$999,999) and 14 at the Trustees Circle level (\$250,000 to \$499,999). Thank you to our generous donors in Taiwan!

At great events like this one, I am reminded how Rotary gives us something good that we can all do together. Our service puts us in touch with so many interesting people from all over the world. When we meet, we hear about projects of all kinds, and it is always inspirational. And we never stop learning from one another.

This provides such a wonderful lesson to our children. We share with them the importance of fellowship and forming new bonds with other people. We also show them what is really important in life: making connections, improving life for those in need, and doing all we can for others. Rotary is the best education a family can have.

I am excited that Rotary President Mark Daniel Maloney has made expanding the family of Rotary a priority. We must bring our family members to Rotary events and do all we can to encourage them to be part of this wonderful organization. And through The Rotary Foundation, we can make these family connections part of our legacy. You are never too young or too old for Rotary.

So give your high-five to Rotary and find ways to bring your family into Rotary. It's the most wonderful gift you can share with the people you love.

## President's Corner

With more than 1.2 million members worldwide, Rotarians are on the ground and ready to take action to help communities recover when disasters strike.

Rotary members and The Rotary Foundation play a unique role in disaster recovery and rebuilding efforts. Working closely with our partner ShelterBox and other organizations that specialize in disaster relief, Rotary members lead projects to support every phase of a community's recovery.

Rotary supports three phases of relief: Immediate response: Our local clubs and partners immediately offer helping hands and supplies. Short-term assistance: Our clubs and districts help affected communities wherever we can trough funds and materials to re-establish day-to-day operations. Long-term rebuilding: Our clubs plan and implement projects that rebuild affected communities.

I am appealing Tagum North Rotarians to share you blessing to the affected people in Cotabato on Saturday , November 16, 2019 together with our partners in service we will visit Makilala, North Cotabato .

My sincere thanks to all the Rotarians, Spouses and Rotaractors attended the committee meeting at Dubai last November 9, 2019.

On November 29, 2019 at 9AM RIPE Holger Knaack will be meeting with Rotaractors from the Philippine districts. I would like to invite the Rotaract Presidents to attend this event.

This will be at no cost to Rotaractors since this will be held at the House of Friendship before it formally opens. Please request all interested participants to pre-register with your DRR on or before November 20, 2019. Participants will be issued a special ID valid for the House of Friendship area only.

The special registration for Rotaractors of \$ US 200.000 for the whole institute is still valid up to November 10, 2019 only. This is a limited number subsidized registration valid for the whole duration of the institute inclusive of all meals.

of the things we think, say and do

4. Will it be **BENEFICIAL** to all concerned?

### Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

#### Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

#### Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

#### Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

#### International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

#### New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

## HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

## ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain: With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.

We shall all understand, while the good  
Lord is our guide.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.

# Rotary provides \$50 million in polio funding as wild poliovirus type 3 is eradicated

*US\$50 million will impact over 38 million children as the program reaches two key milestones: wild poliovirus type 3 eradication and Africa reaching three years with no wild poliovirus transmission*

**EVANSTON, Ill. (October 30, 2019)** — Rotary is giving US\$50 million in grants to support the global effort to end polio. The funding will provide surveillance, technical assistance, and operational support for immunization activities, and will reach up to 38.4 million children with polio immunizations. The funding comes on the heels of the announcement that wild poliovirus type 3 (WPV3) has been eradicated globally.

WPV3 is just the third human disease-causing pathogen to be eradicated in history, and the announcement means that there is just one remaining strain of wild polio left that continues to affect children. Rotary and its Global Polio Eradication Initiative (GPEI) partners reached another major milestone in August, when Nigeria reached three years without a case of wild poliovirus, thus opening the door for the entire African region to be certified wild polio-free sometime in 2020.

"Both of these milestones are critical steps towards the ultimate goal of a polio-free world," said **Michael K. McGovern, chair of Rotary's International PolioPlus Committee**. "The eradication of wild poliovirus type 3 and Nigeria's good news demonstrate tremendous progress, but there is still much work to be done as we address the increase in cases in Pakistan and Afghanistan. In the face of challenges, reaching these historic benchmarks shows us that polio eradication is possible, and it's important that we harness this momentum to secure the funding and political support needed to end polio for good."

Grants announced today will support ongoing eradication efforts in Nigeria as well as other African countries. Grants will also be directed to efforts in Afghanistan and Pakistan. Funding will be distributed as follows:

#### **Country/project, Grant**

- African Regional Surveillance, \$6.3 million
- Cameroon, \$4.1 million
- Chad, \$3.3 million
- DR Congo, \$3.4 million
- Niger, \$8.2 million
- Nigeria, \$491,153
- Afghanistan, \$4.6 million
- Pakistan, \$4.8 million
- Somalia, \$4.6 million
- mOPV2 Stockpile, \$10.3 million

Rotary has committed to raising \$50 million a year to be matched 2-to-1 by the Bill & Melinda Gates Foundation, amounting to \$150 million for polio eradication annually.

While only Afghanistan and Pakistan continue to report cases of wild poliovirus, the remaining challenges to global eradication—like difficulty reaching children amid insecurity and conflict and weak health systems—have proven to be the most difficult. In order to meet these roadblocks head on and ensure the continuation of program efforts, the GPEI is hosting a pledging event at the Reaching the Last Mile Forum in Abu Dhabi, at which world leaders will gather and announce their commitment to ending polio for good.

Rotary has contributed more than \$2 billion to fight polio, and countless volunteer hours since launching its polio eradication program, PolioPlus, in 1985. In 1988, Rotary formed the GPEI with the World Health Organization, UNICEF, and the U.S. Centers for Disease Control and Prevention. The Gates Foundation later joined. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases in 1988 to fewer than 100 cases this year.

**About Rotary:** *Rotary* brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. We connect 1.2 million members from more than 35,000 Rotary clubs in almost every country in the world. Their service improves lives both locally and internationally, from helping those in need in their own communities to working toward a polio-free world. Visit [Rotary.org](https://www.rotary.org) and [endpolio.org](https://www.endpolio.org) for more about Rotary and its efforts to eradicate polio.

# Rotary Disaster Response Grants

The [Rotary Foundation](#) supports disaster relief and recovery efforts through grants from the [Rotary Disaster Response Fund](#).

## What Rotary disaster response grants support

Districts that have been affected by natural disasters can use Rotary disaster response grants to launch their own projects or work with established relief organizations to help their communities recover. Grant funds can be used to provide basic items such as water, food, medicine, and clothing. Districts should work closely with local officials and groups to ensure that the funding will meet a specific community need.

## Who can apply for a disaster response grant

Once qualified for Rotary grants, districts in an affected area or country may apply for a maximum grant of \$25,000, based on the availability of funds. A district may apply for subsequent grants after it successfully reports outcomes from previous grants.
