Rotary Connects The World: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, take action to change the world.

The Rotanews of Rotary club of Tagum North provides information and activities of the club. This is also one of our avenue to provide information to people of the different activities and information about Rotary.

Similarly, in the human society, civilisation can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer takes care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

PRRT! STOP! or Search for Ten Outstanding Policemen of Davao del Norte is a coordinated undertaking among the PNP-PAC (Philippine National Police – Provincial Advisory Council) of Davao del Norte, the Police Provincial Office of Davao del Norte, the provincial government of Davao del Norte and Rotary Club of Tagum North. Through the facilitation of Edwin P. Santos, PhD, PAC Chairman, a resolution has been passed ensuring the monetary prize worth Php 350,000.00 will be sponsored by the provincial government every year for all the awardees.

It is a career service award to be given to the top and bests of the police force of Davao del Norte, namely four (4) winners will be chosen from the Police Commissioned Officers and six (6) will be chosen under the Police Non-Commissioned Officers category. Lately, additional categories have been created, i.e. Rookie of the Year (for PO1s); Best in Marksmanship and the Best Police Station. The Search seeks to honor the men and women of the Davao del Norte police force who share this view and have actively implemented programs that allow for and motivate the community to become partners in ensuring peace and order. The primary objectives of this project are the following:

- a.) To honor the gallant men and women in the Davao del Norte police force for their consistent exemplary contributions in preventing and solving crime through community work and mobilization;*
- b.) To further encourage good-performing law enforcers in their task of effective police works; and*
- c.) To help promote that police work is a shared responsibility between the policeman and the communities in Davao del Norte.*

February 2020

Happy 115th birthday, fellow Rotarians and members of the family of Rotary!

Much has changed in the world since 1905. Then, the global population was roughly 1.7 billion. Today, it is 7.7 billion. There were 5 telephones per 100 people in the United States 115 years ago. In 2020, it is estimated that 96 percent of the U.S. population has a cellphone — and both China and India have more than a billion cellphones in use.

In the 115 years since Rotary was founded, seemingly everything has changed except Rotary values. We began, and remain, committed to fellowship, integrity, diversity, service, and leadership. While our Service Above Self motto dates to 1911, the ethos behind those words had already been ingrained by Rotary's founders.

As the pace of change worldwide continues to accelerate, the need for Rotary service is greater than ever. It's one thing to read about service projects, quite another to see them in action and to see the grateful faces of people who have benefited from them. Rotary projects change lives and connect the world. And over the past year, I have seen some amazing Rotary projects in action. Gay and I visited Japan's Fukushima prefecture last year. Few places in the world have had to deal with the kind of devastation that visited Fukushima in March 2011, when a tsunami touched off by an earthquake led to disaster at a nuclear power plant. But the story of Fukushima today is not one of destruction; it is one of hope and renewal. Rotary grants have helped improve access to medical and mental health care for victims of the disaster and reduced the isolation of these communities by sharing the experiences of people from other parts of the world who have also recovered from disasters. Our grants have also helped to foster self-motivation and encourage sustainable long-term community recovery across the region.

In Shanghai, I learned about the Careers in Care program. This helps migrant workers fill the need for skilled professionals in elder care facilities. After taking a course, trainees receive certification to boost their employment prospects, while the care industry benefits from an expanded talent pool. Rotary projects like this are successful because they address a local need, and they have the potential to attract local government funding to sustain their impact.

And in Guatemala, Gay and I went to Sumpango. Global grants there provide mechanical cows to produce soy milk; an improved water distribution system; water filters; clean compost latrines; family gardens; support for income generation; and training in WASH and literacy programs. The food items sold there not only provide nutrition to women and children, but also create a source of income for local women.

In every area of focus, and in every part of the world, Rotary projects are improving lives and helping communities adapt in a time of rapid change. As we celebrate another great year for Rotary, let us rededicate ourselves to strengthening the connections that make our service so impactful. We will make lives better as Rotary Connects the World.

Trustee chair's message

Gary C.K. Huang

Trustee Chair 2019-20

February 2020

Since ancient times, people have built communities around water. Having the ability to draw clean, fresh water from a well means that a village has staying power and the ability to endure hard times.

Wells are vital to people worldwide, but as a metaphor, they are just as powerful. What is The Rotary Foundation's "well"? From what source can we draw to replenish ourselves to keep up with all of the amazing global grants saving lives around the world?

The Rotary Foundation well is our Endowment, of course. We are building a very deep, strong well that will ensure funding for major projects for generations to come. A strong endowment will ensure the long-term financial stability of our Foundation and provide essential resources to help deliver even more outstanding humanitarian service into the future.

We are aiming high with the Building TRF Endowment: 2025 by 2025 initiative to build an endowment of \$2.025 billion by 2025. By then we expect the Foundation's Endowment to have a minimum of \$1 billion in net assets, with the balance in expectancies and bequest-type commitments.

Imagine the good we will be able to do with a \$2 billion Endowment! The investment earnings will provide about \$100 million annually for Rotarians to do all sorts of life-changing projects around the globe, year after year.

Together, we can make this happen. As much as the world changes around us, the well of The Rotary Foundation will stand the test of time and keep making a positive impact on the world.

Confucius took great pleasure from water. He said: "Great water can continuously move forward without stopping. It is so kind as to irrigate the lands everywhere it goes, yet it does not regard itself as having performed outstanding feats. It's just like virtue."

Speaking of accomplishments, the Rotary Club of Shanghai just celebrated the 100th anniversary of its founding. And the club just reached another great milestone: its first Arch Klumph Society member, Frank Yih. Gōng xǐ to our friends in Shanghai!

Rotary The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president
Jean Sibelius, Finnish composer
Dr. Charles H. Mayo, co-founder of Mayo Clinic
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate
Thomas Mann, German novelist and Nobel laureate
Friedrich Bergius, German chemist and Nobel laureate
Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut
Edgar A. Guest, American poet and journalist
Sir Harry Lauder, Scottish entertainer
Franz Lehár, Austrian composer
Lennart Nilsson, Swedish photographer
James Cash Penney, founder of JC Penney Co.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

International delegation of Rotary leaders visits Pakistan in support of polio eradication

Meetings with Prime Minister Imran Khan, Minister of Health Zafar Mirza and other Pakistani leaders centered around the country's renewed effort to eliminate polio

ISLAMABAD, Pakistan. (February 6, 2020) – A delegation of Rotary International leaders from around the world traveled to Pakistan this week to meet with government leaders including Prime Minister Imran Khan, Minister of Health Dr. Zafar Mirza, Army Chief of Staff General Qamar Javed Bajwa and Dr. Rana Safdar, head of Pakistan's Polio National Emergency Operations Centre.

The Rotary delegation included Holger Knaack, Rotary International President 2020-21; K.R. "Ravi" Ravindran, Trustee Chair of the Rotary Foundation 2020-21; and Michael K. McGovern, Chair of Rotary's International PolioPlus Committee. The group was accompanied by incoming Rotary Foundation Trustee Aziz Memon, who leads efforts for Rotary's Pakistan PolioPlus program.

The government leaders praised Rotary for its prominent role in polio eradication and for providing vital financial support to Pakistan and other polio-threatened countries. Rotary members have contributed more than \$2.1 billion dollars and countless volunteer hours to ending polio.

Rotary is the organization credited with initiating the global effort to eradicate polio. When Rotary formed the Global Polio Eradication Initiative (GPEI) in 1988, there were more than 350,000 cases of polio annually around the world. Today, due to the efforts of Rotary, its partners and world governments, the incidence of polio has plummeted by more than 99.9 per cent.

In this week's meetings, the Prime Minister acknowledged recent challenges in the effort to rid Pakistan of polio, and confirmed that Pakistan considers polio eradication among its highest priorities. The Government of Pakistan has already taken a series of highly effective organizational steps to manage the polio vaccination program and provide much-needed resources to ensure the resurgence of polio in Pakistan is put to an end. General Bajwa assured the Rotary delegation of the unwavering support and cooperation of both the Army and the civil forces to ensure that every child in every community throughout Pakistan is reached with the lifesaving polio vaccine.

Dr. Zafar Mirza, Minister of Health of Pakistan confirmed the country's improved efforts to eradicate polio, noting that during the last round of national polio immunizations, approximately 40 million children were vaccinated.

Mr. Holger Knaack expressed his satisfaction with the visit and efforts by the Government of Pakistan to eliminate polio, stating, "We are grateful to have had the opportunity to meet with key leaders in Pakistan to learn about renewed efforts to eradicate the disease once and for all. We're confident that with the support of the government and the Army, that Pakistan will get the job done."

Mr. KR "Ravi" Ravindran agreed, stating, "Polio eradication is a massive effort that will require all elements of society to band together and work towards our ultimate goal of ensuring no child ever again is paralyzed by polio."

During their visit, the Rotary delegation met with local Rotary leaders from Pakistan, which is home to more than 230 Rotary clubs and nearly 3400 Rotary members. They engaged with some of the major donors of the GPEI, and visited the National Emergency Operations Centre, where a high-tech data collection system monitored progress in real time.

While only Afghanistan and Pakistan continue to report cases of wild poliovirus, the remaining challenges to global eradication—such as difficulty reaching children amid insecurity and conflict and weak health systems—have proven to be the most difficult. In order to meet these roadblocks head on and ensure the continuation of program efforts, funding and support from donors and world governments is imperative.

Anyone can be a part of the fight to end polio and have their donation to Rotary matched 2-to-1 by the Bill & Melinda Gates Foundation. Visit endpolio.org to learn more and donate.

One Day

Matisyahu - One Day Lyrics

Sometimes I lay
Under the moon
And thank god I'm breathin'
Then I pray
Don't take me soon
'Cause I am here for a reason

Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know some day it'll all turn around

Because
All my life I've been waiting for
I've been praying for
For the people to say
That we don't wanna fight no more
There'll be no more wars
And our children will play
One day x6

It's not about
Win or lose
'Cause we all lose

When they feed on
The souls of the innocent
Blood drenched pavement
Keep on moving though the waters stay
ragin'

In this maze you can lose your way (your
way)
It might drive you crazy
But don't let it faze you no way (no way)

Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know some day it'll all turn around

Because
All my life I've been waiting for
I've been praying for
For the people to say
That we don't wanna fight no more
There'll be no more wars
And our children will play
One day x6

One day this all will change
Treat people the same
Stop with the violence
Down with the hate
One day we'll all be free
And proud to be
Under the same sun
Singing songs of freedom like...

All my life I've been waiting for
I've been praying for
For the people to say
That we don't wanna fight no more
There'll be no more wars
And our children will play
One day x6

More than 775 million people over the age of 15 are illiterate.
That's 17 percent of the world's adult population.
Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

HAPPY 115TH CHARTER ANNIVERSARY

Conflict and violence displaced more than 68 million people in the past year, and half of those are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

HAPPY 115TH CHARTER ANNIVERSARY

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

ROTARY HISTORY

The first four Rotarians

The first four Rotarians. From left: GustavusLoehr, SilvesterSchiele, Hiram E. Shorey, Paul P. Harris.

On 23 February 1905, Paul P. Harris, GustavusLoehr, SilvesterSchiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting.

Harris' desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship.

Each of the first four Rotarians, and Harry L. Ruggles, who is often called the "fifth Rotarian," brought different professional perspectives to the organization.

Paul Harris, age 28, in 1896. Hiram E. Shorey as a young man.

Rotary's founder, Harris, was born in Racine, Wisconsin, USA, on 19 April 1868. He was raised by his paternal grandparents in Vermont and attended the University of Vermont, Princeton, and the University of Iowa. Harris, a lawyer, was Rotary president from 1910 to 1912 and a member of the Rotary Club of Chicago until his death on 27 January 1947.

Loehr, a mining engineer, was born on 18 October 1864 in Carlinville, Illinois, USA. He was a Rotarian for only a few years, never holding office at the club or international level. But that first Rotary meeting was held in his office, Room 711 of the Unity Building in downtown Chicago. He died in Chicago on 23 May 1918.

Shorey, a merchant tailor, served as recording secretary during the club's first year. He was a Rotarian for only a few years, too. He was born in Maine, USA, in August 1862 and died in March 1944

Silvester Schiele. Before December 1945. Harry L. Ruggles, October 1912.

Schiele, a coal dealer, served as the Chicago club's first president in 1905 and Rotary International's treasurer from July to December 1945. Born in Terre Haute, Indiana, USA, in June 1870, Schiele attended Terre Haute Business College and served in the U.S. Army during the Spanish-American War. He was president of the Schiele Coal Company from 1902 until his retirement in 1939. He and Harris became lifelong friends and lived near each other on the South Side of Chicago. Schiele died on 17 December 1945 and is buried near Harris at Mount Hope Cemetery.

Originally from Michigan, Ruggles was a graduate of Northwestern University in Evanston, Illinois, and joined Rotary at its second meeting. He was treasurer of the Chicago club during its first year, club president from 1908 to 1910, and a Rotary director from 1912 to 1913. He is known for having introduced singing to Rotary club meetings. His printing company, H.L. Ruggles & Co., printed the first issue of *The National Rotarian* and the first Rotary songbook. He died on 23 October 1959, an honorary member of seven clubs in addition to his home club, the Rotary Club of Chicago.

Below is an explanation of Club Recognition Summary columns:

* + : Indicates individual is deceased.

** : Indicates constituents with recognition amounts over 9,000.

Rotary ID: A Constituent's Rotary International identification number. If the constituent is a non-Rotarian or a non-Rotary organization, this is his/her/their donor account number. An individual should have only one identification number. That number will always contain a Rotarian's membership and contribution history. Duplicate accounts should be reported to The Rotary Foundation as outlined above.

Name: Listed are all constituents associated with a Rotary club. Please note that name prefixes and titles do not appear on the report, eg.: Mr./Mrs./Ms.

Club Member: This column states whether the person is a Rotarian in the Rotary club under which his/her name appears. Y = Active Member, H = Honorar Member, N = Non-Rotarian.

Recognition Amount: The total Paul Harris Fellow recognition credited to an individual's account. Recognition may be achieved with one's personal contributions to the Foundation, a contribution made on behalf of the account holder, or a transfer of Foundation Recognition Points from a Rotary club, district, or another individual. (Note: gifts to the Endowment Fund are not eligible for Paul Harris Fellow recognition and are not included in this column). For confidentiality reasons, this report will not display recognition amounts greater than 9,000.

Current PHF Level: Recognition levels are determined based on the following guidelines:

Recognition Amount	PHF Levels	Pin donor or recipient is eligible to wear
1,000 to 1,999.99	PHF	original PHF pin
2,000 to 2,999.99	PHF+1	one sapphire
3,000 to 3,999.99	PHF+2	two sapphires
4,000 to 4,999.99	PHF+3	three sapphires
5,000 to 5,999.99	PHF+4	four sapphires
6,000 to 6,999.99	PHF+5	five sapphires
7,000 to 7,999.99	PHF+6	one ruby
8,000 to 8,999.99	PHF+7	two rubies
9,000 to 9,999.99	PHF+8	three rubies

Paul Harris Fellow recognition is applicable only to individuals. An organization can be recognized upon request with a Certificate of Appreciation when its Recognition Amount reaches \$1,000.

PHF Date: Indicates when the account holder became a Paul Harris Fellow.

Foundation Recognition Points: Awarded in appreciation for personal contributions from an individual or organization. Foundation Recognition Points may be transferred to other individuals to help them achieve their first or multiple PHF recognition. Starting in October 2011, points accumulate 1:1 for every dollar contributed (Note: gifts to the Endowment Fund are not eligible for Paul Harris Fellow recognition and are not included in this column).

Last Contribution Date and Designation: Displays month and year of most recent contribution and indicates the designation (Program Fund). Anonymous contributions are excluded.

Benefactor: Indicates that the individual is a Benefactor.

Rotary Direct: Indicates individuals who are enrolled in Rotary's recurring giving program (Rotary Direct) on a monthly, quarterly or annual basis.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

MISSION AND VISION OF ROTARY

The Mission of Rotary International, a worldwide association of Rotary Clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.

The Vision of Rotary International is to be universally recognized for its commitment to Service Above Self to advance world understanding, goodwill and peace

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test
of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC Waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program in D3890. The outbound team members include: Dr. Nnette Perido (Florida, USA in 2000-01), Maricar Zamora Papsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992, project that helps rehabilitate the mangrove forest of Tagum City and its neighboring areas. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Batamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magupgo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magupgo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P15,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

- **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).

- **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.

- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Arcreege, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-asa Davao. Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USAm, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagopp Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main foci on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layfara and assemblies throughout Davao Region.
