EDITOR-IN-CHIEF

Rotary Connects The World: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, take action to change the world.

The Rotanews of Rotary club of Tagum North provides information and activities of the club. This is also one of our avenue to provide information to people of the different activities and information about Rotary.

Similarly, in the human society, civilisation can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer takes care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

Editorial

Rotaract originally began as a Rotary International youth program in 1968 at Charlotte North Rotary Club in Charlotte, North Carolina, United States, and has grown into a major Rotary-sponsored organization of over 10,904 clubs spread around the world and 250,792 members in 184 countries. It is a service, leadership, professional and community service organization (often miscommunicated as a Social Service Club) for young men and women between the ages 18–30 (membership will end upon reaching 31 years of age).

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

"Rotaract" stands for "Rotary in Action", although the name originally comes from a combination of "Rotary" and "Interact" (International + Action), the high school level program created by Rotary International in 1962.

Most Rotaract activities take place at the club level. Rotaract clubs hold formal meetings, usually every two weeks, which feature speakers, special outings, social activities, discussions or visits to other clubs. Club members get together on designated days for service project work, social events, or professional/leadership development workshops.

To be eligible for membership, prospective members must be 18–30 years of age, show that they are committed to Rotaract, and show that they are of good standing in the community. After being approved by the club, prospective members are 'inducted' to become members, also known as 'Rotaractors'.

The avenues of service include Club Service, Community Service, International Service and Professional Development.

March 2020

March is the month we celebrate Rotaract — and this has been quite a year for our young partners in service.

Last spring, the Council on Legislation elevated Rotaract in our constitution: Rotary International is now the association of both Rotary clubs and Rotaract clubs. Then in October, the Rotary Board of Directors eliminated the artificial Rotaract age limit and took other steps to break down barriers that were preventing Rotaract from growing in some parts of the world.

These steps were long overdue, because Rotaract is a vision of what Rotary must become. Not only do we need to open our doors to our young colleagues, but we also have to open our ears and minds to the Rotary experience they find most engaging. That is one of the best ways we will meaningfully grow Rotary.

When I say grow Rotary, I mean it in many ways. We need to grow our service and to grow the impact of our projects. Most importantly, however, we need to grow our membership, so that we can achieve more. Rotaractors provide this opportunity, not only because they can transition to Rotary at the time that is right for them, but also because they understand what it will take to attract others like them.

Business as usual will not work for us anymore. Bringing in more members to replace the ones we lose is not the answer. It is like pouring more water into a bucket full of holes. We need to address the root causes of member loss in many parts of the world: member engagement that is not what it should be, and our member demographic that skews steadily older.

It is time to make some fundamental changes. We already know what the barriers are to an engaged and diverse membership. It is time to act on what we know: creating new membership models, opening new paths to Rotary membership, and building new Rotary and Rotaract clubs where the existing clubs do not meet a current need.

New club models represent an opportunity to connect with a more diverse group of individuals — particularly those who are unable or unwilling to join our traditional clubs. While new club models have been emerging for some time, it is up to district governors to make them a reality. In January at the International Assembly, our incoming district governors took part in an exercise called Build Your Own Club Model. It was a wonderful experience that put them in the right frame of mind for the work ahead.

Ultimately, however, it will be up to Rotaractors and young Rotarians to create new club models that are most meaningful to the next generation. We may think we know what young people want from Rotary clubs in the future, but I am confident that what young people say will surprise us. It will be our job to support their innovation, for it will help us grow Rotary as Rotary Connects the World.

Trustee chair's message

Gary C.K. Huang

Trustee Chair 2019-20

March 2020

I like to quote Confucius at many Rotary events, because his ideas are so much like ours. Confucius would have been a great Rotarian. Take this Confucius quote, for example: "The failure to cultivate virtue, the failure to examine and analyze what I have learned, the inability to move toward righteousness after being shown the way, the inability to correct my faults — these are the causes of my grief."

If you turn the saying around to positive language, it sounds exactly like the first goal of the new Rotary Action Plan. When we talk about Rotary increasing our impact, we mean investing in relationships, making decisions grounded in evidence, mobilizing our resources to create solutions that last, and always learning from our experiences.

The Rotary Foundation already does this so well and will continue to be the best possible investment in a better world as the Action Plan is put into effect. Our global grants respond to real community needs. That's because we approve them only after a rigorous community assessment. Then the projects are tailored to the information uncovered during the assessment.

Now your Foundation is making a difference on a broader scale than ever through our programs of scale grants. These are competitive grants, designed to respond to a need that a community has identified. Programs of scale will benefit a large number of people in a significant geographic area. They will be sustainable, evidence-based interventions with measurable outcomes and impact. Each grant will support, for three to five years, activities that align with one or more of Rotary's areas of focus.

Programs of scale build on our experience in the eradication of polio, and we must never forget that we still have important work to do to eliminate this disease. When I visited Pakistan in November, I was overjoyed to see so many young Rotary leaders working hard for End Polio Now.

Wonderful things are happening with our global grants, and the Rotary Action Plan will help us do more than ever. Let us continue to cultivate virtue, examine and analyze what we learn, move toward righteousness based on our new knowledge, and keep improving everything we do.

President's Corner

In light of the Proclamation No. 922 declaring a state of Public Health Emergency throughout the country due to COVID-19 transmission, our weekly regular monthly meeting at Miko's Brew is temporarily cancelled until March 31, 2020 instead we will be having a Teleconference meeting every Tuesdays 7:00pm using Rotary Club of Tagum North group chat. The safety is our concern. Please be guided with the personal safety precautionary measures to avoid the spread of the virus. Keep safety everyone.

We are very busy last week since we celebrated the 52nd World Rotaract Week with our Rotaractors. We conducted Dishwashing and Handwashing Making at Rizal Elem. School last March 9, 2020 attended by parents and TLE teachers of the said school. The project is a joint project between Rotaract Club of Tagum North-Palm City Chapter, RC Tagum North and Office of Hon. Joseph C. Cabrera.

Also we sponsored the Autism Awareness and Family Fun Day at Magugpo Pilot Imelda Elem. School SPED Center last March 13, 2020, attended by 60 pupils with autism and parents. The project spearheaded by Rotaractors of Tagum North-Palm City Chapter headed by Pres. John Andrew F. Manlapaz,

Last March 12, 2020, the 1st Sitio Tapayanon Whole-Of-Nation Service Convergence were cancelled since the choppers supposed to fly us to the site were conducted Emergency Priority Mission, with us during the travel were Battalion Commander LTC Ronald DP Sarmiento of 60th IB and 1LT Amadeus JV R. Celestial, NCIP, PSA, PAGRO, MHO Kapalong and DEPED ALS Kapalong.

Rotary The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president
Jean Sibelius, Finnish composer
Dr. Charles H. Mayo, co-founder of Mayo Clinic
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate
Thomas Mann, German novelist and Nobel laureate
Friedrich Bergius, German chemist and Nobel laureate
Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut
Edgar A. Guest, American poet and journalist
Sir Harry Lauder, Scottish entertainer
Franz Lehár, Austrian composer
Lennart Nilsson, Swedish photographer
James Cash Penney, founder of JC Penney Co.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

Dear Fellow Rotarian,

The COVID-19 coronavirus is affecting every aspect of our lives in real time, and this puts Rotarians in an unfamiliar place. As People of Action, we are most comfortable when we are fully engaged in the world – moving freely, meeting openly, and offering helping hands. These are very difficult times for people who, like us, are at our best when we are learning, growing, and serving—together.

We are also leaders in our communities, and these times call for leadership. In many ways, this also is our time. We have proven abilities to reach out and collaborate to offer immediate help to people in need at a rapid pace. These are precisely the skills needed all over the world today. The global effort against COVID-19 depends on actions taken in every country. Rotary has the unique ability to help improve those efforts in every community and every country.

Using all the technology we have at our disposal, we as Rotarians can continue to reach out and collaborate on big projects with Rotary clubs, Rotaractors, and Interactors. There are a number of examples where Rotary clubs are helping health authorities communicate best practices or provide needed equipment or support that have been shared with our leaders around the world.

As Rotary's president and president-elect, we have been thinking of these issues very seriously in regard to upcoming Rotary events. As you may be aware, we have made the difficult decision to cancel two Rotary Presidential Conferences honoring our relationship with the United Nations- one in Paris, another in Rome. In the near term, we recommend that Rotary districts and clubs cancel or postpone meetings or events following the advice of national and local health officials.

We know that clubs and districts are seizing the opportunity to become leaders in their communities and are making better use of technology in this time of need. For example, a Rotary e-club in Italy held a live online session about COVID-19 awareness, a Taiwan club worked with companies and a pharmacy association to donate 1,600 bottles of hand sanitizer to the city of Ji-Long, and Rotary clubs in Sri Lanka helped upgrade software and hardware for the health promotion bureau to assist its social messaging.

We cannot know quite yet what path this virus will take. We know we can play a role to help "flatten the curve," reducing the number of cases in the short term to allow our health systems to address this issue. If the collective global effort helps bring the situation under control, then we hope to re-embrace our core values at the 2020 Rotary Convention in Honolulu. Our time together will have greater meaning and purpose than ever.

Please know that we are taking a close, continuing look at our plans for the convention in June to make sure all attendees' safety will be protected. We are following the lead of the world's most trusted sources, including the World Health Organization (WHO) and the U.S. Centers for Disease Control and Prevention, for their guidance. We want you to be able to make decisions about what is best for you and your families in terms of attending this year's event.

In the meantime, this is an opportunity for us to demonstrate that Rotary Connects the World in innovative ways. We should be closely following the advice of the WHO and local health authorities. Again, this includes canceling Rotary club events and meetings in the short term to reduce unnecessary interactions that could cause infections. We can put a greater emphasis on the work we do in our communities by helping our less fortunate neighbors cope with the effects of isolation and fear, or by supporting our health authorities to address this situation.

We are dealing with this situation in real time. Please visit the [rotary.org](https://www.rotary.org) COVID-19 response page for ongoing updates.

This is an unprecedented challenge for nearly all of us. But it is also an opportunity for Rotarians to find new, meaningful ways to lead individuals and communities to connect and do good in the world.

We have never been prouder to be part of an organization that does so much to protect and strengthen our communities, at home and across the globe.

Kindest regards,

Mark Daniel Maloney

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

MISSION AND VISION OF ROTARY

The Mission of Rotary International, a worldwide association of Rotary Clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.

The Vision of Rotary International is to be universally recognized for its commitment to Service Above Self to advance world understanding, goodwill and peace

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test
of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

It is its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame - Outstanding Club President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC Waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-1 to the Group Study Exchange program in D3860. The out-bound team members include: Dr. Nanette Perdidio (Florida, USA in 2000-01), Maricar Zamora Apasay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano-Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992. It is a continuing project that helps rehabilitate the mangrove forest in the coastline of its neighboring provinces. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

"Coral Reef Planting" in 1992, project that helps rehabilitate the mangrove forest of Tagum City and areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt A School Program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magugupo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magugupo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P15,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talangod".

COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

- **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).
- **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Niiia, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pagasa Davao. Recently, through the efforts of PP Arnold Nicolas,

Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USAm, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagop Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main foci on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layfara and assemblies throughout Davao Region.
