EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +7
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

The Cover

The cover of the Golden ROTAnews, highlights the President of the Rotary Club of Tagum North for RY 2020-21 Mae T. Dalisay, MD. The new club president's role is to lead the club, ensuring it functions effectively and is a better club at the end of the year.

EDITORIAL

Ever wonder why 1 July is the beginning of the Rotary year? Initially, our conventions played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

Attendees at Rotary's first convention in Chicago in 1910. Rotary's first fiscal year began the day after the convention ended.

The next August, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and to determine the proper number of club delegates to the convention.

The executive committee agreed and, in April 1913, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even The Rotarian changed its volume numbering system to correspond to the fiscal year (beginning with Volume 5, No. 1, in July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in The Rotarian that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Holger Knaack Profile

Holger Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, has been selected to serve as president of Rotary International in 2020-21.

To build a stronger membership, Knaack says Rotary must focus on increasing the number of female members and transitioning Rotaractors into Rotarians.

Knaack believes that the People of Action campaign offers new public awareness possibilities for Rotary. "This campaign conveys our global image while still respecting differences in regions and cultures," he says.

A Rotary member since 1992, Knaack has served Rotary as treasurer, director, moderator, member and chair of several committees, representative for the Council on Legislation, zone coordinator, training leader, and district governor.

He is an endowment/major gifts adviser and co-chair of the Host Organization Committee for the 2019 Rotary International Convention in Hamburg.

Knaack is the CEO of Knaack KG, a real estate company. He was previously a partner and general manager of Knaack Enterprises, a 125-year-old family business.

He is a founding member of the Civic Foundation of the City of Ratzeburg and served as president of the Golf-Club Gut Grambek. Knaack is also the founder and chair of the Karl Adam Foundation.

Knaack and his wife, Susanne, are Major Donors to The Rotary Foundation and members of the Bequest Society.

The District Governor's Profile

RODEL RIEZL S. REYES believes that the opportunity to lead the District is an honor and a privilege to give back to Rotary what he has achieved in his 22 years of dedicated and committed service in doing good with the community.

A third generation Rotarian, he was destined to serve the District drawing inspiration from his father, the late Roberto C. Reyes, past president of the Rotary Club of South Davao. His journey as a Rotarian began when he was inducted as member of the Rotary Club of Metropolitan Davao in September 1998, with his friends in the same line of business. In August 2001, he joined the Rotary Club of East Davao and ascended the club leadership ladder to become its 41st President in RY 2005-06. Throughout his 16 years in Rotary, he displayed admirable leadership skills that paved the way for him to be appointed various key positions within and beyond the club level having served as conference and training chair, resource speaker and district officer that enriched his knowledge in Rotary and honed him to lead us in this coming Rotary year.

He then continued to serve Rotary beyond the club level as twice Assistant Governor in RY 2006-2008. A Senior Assistant Governor for Operations in RY 2012 -13 and for Administration in RY 2014 -15. He also handled various district committees such as membership chair, Annual Programs and Polio Fund Chair, World Community Service (WCS) district officer and the Group Study Exchange Chair.

For District 3860 to thrive, DGE Riz believes that Rotarians must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, commitment."

His top priority is to increase membership, which he believes as the bedrock of Rotary. The campaign on membership has to continue with focus on the younger generation, the lifeblood of Rotary. He is also looking at the opportunity to attract and entice former Rotarians back into the folds of Rotary service.

A TRF Major Donor and Paul Harris Society member, he will continue to work on increasing members' contribution to The Rotary Foundation and ensure that all the 98 clubs contribute to the Annual Programs Fund and Polio fund.

He envisions District 3860 boldly and creatively engaging the community to proactively participate in END POLIO NOW campaign.

His passion for everything and anything in Rotary that spanned for 22 years of his life earned him several recognitions from his club as twice Rotarian of the Year; consistent Presidential Leadership awardee; and has maintained his perfect attendance for the past 20 years.

He is also a recipient of several Rotary International recognitions such as the Four Avenues of Service award, TRF Distinguished Service Award and the TRF Meritorious Service Award.

He is also involved in various charitable organization and socio-civic organization like the Maharlika Charity Foundation as VP- Operations, Smile Train Philippines as Davao City coordinator, The Most Worshipful Grand Lodge of Free and Accepted Mason as DDGM in 2008, and a Past Grand Master of the Supreme Council Order of DeMolay.

Professionally, he joined SGV & Company based in Makati right after his graduation in 1983. In the same year, he passed the Certified Public Accountancy Board Examination. He is a proud graduate of San Beda College. In 1986 he was engaged by San Miguel Corporation Audit and Finance group. In 1990, a call for family duty brought him back to Davao to take care of the family business.

He is happily married to Anne Marie C. Lopez, a daughter of former Davao City Mayor Elias B. Lopez. Blessed with an only son Roberto Elias who is currently working in Manila.

He believes that District 3860 will adapt to a rapidly changing world by embracing innovation within the guidelines of our tradition and values. By aggressively embracing new technologies, social media and new opportunities, individual and businesses will see that Rotary helps promote a good civic and public image while adding credibility.

As Rotarians we are still Blessed to take on leadership at this wonderful but very challenging moment of our organization. Let us together embrace the new year as Rotary Opens Opportunities.

MAE T. DALISAY, PHF+4
Transforming President

President's Corner

Greetings to my Team – The Rotary Club of Tagum North!

First of all, I want to thank all of you for this honor and wonderful opportunity to lead this prestigious Club as your President for the Year 2020 – 2021. There is no doubt that every one of us is destined to this position, because Rotary has prepared us to be “leaders.”

This year's theme, “Rotary Opens Opportunities” indeed encourages us to take with eagerness and decisiveness the endless opportunities that Rotary offers to enrich our lives and the lives of those we help through service projects.

Although we are right now faced with the Covid-19 Pandemic, let us not make this defeat our plans for this year. Instead, let us look at it as a challenge to further make Rotary grow stronger, more adaptable, and ever more aligned with our core values. Now is the time to display ingenuity – to seek out opportunities for service, to devise solutions, and to take positive actions so that we can continue to make a difference to someone...some-where.

May 29,2020 marked my first duty as President,representing RCTN to the Local School Board 2nd Quarter Meeting held at the AVR, New City Hall of Tagum. Together with PAG Arnold Nicolas, I took part in the discussion of the School Heads for the realignment and/or supplemental budget of the School's Programs, Projects and Activities in the light of Covid 19 concerns for the opening of the School Year 2020-2021. One of the concerns is the provision of foot-operated handwashing stations at the school entrances with hand dryer, of which RCTN has accepted the challenge to donate two {2} of these for TCNHS and MPCES which will benefit around 15,000 students. Application for Project Grant has already been submitted to the District for this endeavor.

In closing, as we embark to another Rotary Year, I would like to thank my fellow Rotarians,whose passion to pursue endless possibilities in Rotary, have kindled my drive to lead this group. I would also like to thank the spouses, and Rotakids whose support to Rotary is endless. I know that you will all be beside me in my journey.

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

ROAD TO ROTARY FOR ROTARACTORS

The ongoing evolution of Rotaract is redefining its place within Rotary. “It’s a new era,” says one enthusiastic Rotaractor
by Vanessa Glavinskas

Editor's Note: This story originally appeared in the May issue of The Rotarian magazine. Since publishing, Interota has been postponed to 2021. Learn more about next year's Interota.

At midnight on 30 June, hundreds of Rotaractors will ring in the new Rotary year together. They'll also be celebrating Rotaract's ongoing evolution, including the expansion of Rotary membership to include Rotaract clubs.

“It's really exciting,” says Ignacio González, a member of the Rotaract Club of Oriente de Talca in Chile. Until recently, Rotaractors have been considered Rotary program participants. “Now,” says González, who serves on the Elevate Rotaract Task Force, “we are a part of Rotary. It's a new era for Rotaract.”

Rotary programs include: Interact, Rotary Youth Exchange, Rotary Youth Leadership Awards, New Generations Service Exchange, Rotary Peace Fellowships, and Rotary Community Corps

Rotaract's elevated status within the organization was approved by Rotary's Council on Legislation in 2019 as part of an ongoing effort to make Rotary more appealing and welcoming to young professionals. “We keep telling Rotarians to find a way to bring in young people, when we have them already and we seem to forget them,” says 2018-19 Rotary President Barry Rassin. It was Rassin who formally proposed expanding the definition of Rotary membership to include both Rotary and Rotaract.

After the Council approved revising the RI Constitution and Bylaws to include Rotaract as a membership type, the Elevate Rotaract Task Force — made up of both Rotaractors and Rotarians — was formed and began surveying members to come up with policy recommendations for the transition. “We're hearing from Rotaractors all over the world,” says David D. Stovall, RI treasurer and chair of the task force.

On the advice of the task force, the RI Board of Directors in October approved several changes to Rotaract — the most notable being the removal of Rotaract's upper age limit. As of 1 July, members of Rotaract will no longer be required to leave their club when they turn 31. Clubs will still be able to set their own age limit, if they wish.

Rotaract clubs will be able to take advantage of products and services such as new leadership development resources from Toastmasters International, updated online goal-setting tools, and an improved online club administration experience.

Elyse Lin, a member of the Rotaract Club of Taipei Tin Harbour in Taiwan who is also on the task force, says the age limit was an obstacle for Rotaract members who wanted to stay involved with Rotary but either didn't feel ready for a traditional Rotary club or found the expense of joining one out of reach. "Once those members leave, it's very hard to get them back into the Rotary family," Lin notes. Although some Rotaract alumni continue to participate in Rotaract events, she says, they often no longer feel like a true part of the organization. With the rules change, she predicts some recent alumni will rejoin Rotaract.

Other changes: New Rotaract clubs won't have to rely on a Rotary club to sponsor them; they can now sponsor themselves or choose another Rotaract club as their sponsor. And Rotaractors are now eligible — and encouraged — to serve alongside Rotarians on district and RI committees. "Elevate Rotaract is really a call for a closer partnership between Rotary and Rotaract," explains Clement Chinaza Owuamalam, a member of the Rotaract Club of Apo, Nigeria, who serves on the task force.

Rotaract clubs will also gain more support from Rotary International, including access to administrative tools on My Rotary and the option to subscribe to the digital edition of The Rotarian magazine. As the transition from Rotary program to membership type gets underway, the Trustees of The Rotary Foundation also plan to discuss whether Rotaract clubs should be eligible to apply for Foundation grants.

Rotary has a new alliance with Toastmasters International, and Rotary's online learning center will host a curriculum created by Toastmasters that will help members improve their leadership and communication skills. To learn more, visit rotary.org/toastmasters.

One thing Rotaractors are looking for, says Ronald S. Kawaddwa, a member of the Rotary Club of Kasangati, Uganda, is more professional development opportunities. To meet this demand, a leadership training program Rotary is rolling out with Toastmasters will also be available to Rotaract members. "At age 30, you are launching your professional career," says Kawaddwa, who is on the task force. "If Rotaract provides a better package in terms of professional development, that adds value."

In 2022, annual dues of \$5 per person for university-based Rotaract clubs and \$8 for community-based clubs will be introduced to cover the cost of additional support for Rotaract clubs. RI will work to develop and promote alternative funding sources to help Rotaractors pay dues, including fundraising opportunities.

Kawaddwa says that shifting the public perception of Rotary is particularly important to attracting more young people in his region. "On the African continent, most of the population is below the age of 30," he says. "If Rotary remained the way it was, it would soon become irrelevant."

Letting Rotaract members stay in their clubs longer gives them more time to learn about Rotary, Kawaddwa adds. "We hope that these changes will produce stronger Rotarians, members who have served longer and gotten more experience and mentorship while in Rotaract."

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

Grant applications for projects will be accepted beginning on 1 July 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

More information about this new cause will be announced soon.

ROTARY CLUB OF TAGUM NORTH

Accomplishment Reports

July 1, 2019-April 30, 2019

A. Club Administration

1. Pres. Renie P. Siscon & Sec. Marluo P. Fulo attended PETS SETS: President-Elect and Secretary-Elect Training at Xenia Hotel, Clark.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president
Jean Sibelius, Finnish composer
Dr. Charles H. Mayo, co-founder of Mayo Clinic
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate
Thomas Mann, German novelist and Nobel laureate
Friedrich Bergius, German chemist and Nobel laureate
Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

MISSION AND VISION OF ROTARY

The Mission of Rotary International, a worldwide association of Rotary Clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.

The Vision of Rotary International is to be universally recognized for its commitment to Service Above Self to advance world understanding, goodwill and peace

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test
of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P420,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Kartene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program in D3850. The outbound team members include: Dr. Nanette Perdido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992. It is a continuing project that helps mangrove forest of Tagum City and areas. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Maguppo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Maguppo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P15,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

- **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).

- **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.

- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-asa Davao. Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USAm, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagopp Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main foci on disease prevention and management.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layfara and assemblies throughout Davao Region.

TOGETHER, WE

PROMOTE PEACE

Rotary  PEOPLE OF ACTION
