## EDITOR'S NOTE :

**ARNOLD M. NICOLAS, PHF +7**  
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

# EDITORIAL

July is Rotary's New Leadership Month. Congratulations to all the new Club Presidents!

Rotary has designated months to help clubs develop meeting agendas, projects, or public image campaigns based on these special occasions. The concept is to give all the clubs of the District a ready reckoner of the types of service projects, which could be indulged, during the year, and help plan the activities of the year, mostly based on the Rotary Calendar i.e. Rotary Designated Months.

## HOLGER KNAACK

President 2020-2021

**July 2020**

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

## Trustee chair's message

**K.R. Ravindran**

Trustee Chair 2020-21

July 2020

I believe that RI President Holger Knaack's theme, Rotary Opens Opportunities, fits the times so well. You might ask how that can be, given all of the turmoil happening around us today. The following story, paraphrased from British author Alan Watts' telling of a Taoist parable, helps explain why.

Once there was a farmer whose horse ran away. That evening, all of his neighbors came around to commiserate. They said, "We are so sorry to hear your horse has run away. This is most unfortunate." The farmer said, "Maybe."

The next day, the horse came back, bringing seven wild horses. In the evening, everybody said, "Isn't that lucky. What a great turn of events. You now have eight horses!" The farmer again said, "Maybe."

The following day, his son tried to break one of the horses, and while riding it, he was thrown and broke his leg. The neighbors said, "Oh dear, that's too bad." The farmer responded, "Maybe."

The next day, officers came around to conscript people into the army, and they rejected his son because he had a broken leg. Again all the neighbors said, "Isn't that great!" Again, the farmer said, "Maybe."

What we learn from this is that nature is immensely complex. It's impossible to tell whether anything that happens is good or bad, because you never know what the consequences will be. All we can know is that with every action and reaction, there is an opportunity — a chance to live our values, express our desires, and take action to make the world a bit closer to the way we want it to be.

The Rotary Foundation is our conduit to make those meaningful changes. Through the Foundation, we do our part to help rid the world of polio. In addition, we can help support important COVID-19 projects and prepare the world for the massive vaccination effort that will be needed soon. And we can help keep some continuity in service to people in need when so many regular services are being disrupted.

Will this be Rotary's great moment to become an even stronger organization in the 21st century? Maybe. Is this your great opportunity to live your values? Maybe! It's up to you and me.

## President's Corner

To the Honorable Mayor of Tagum City, Allan Rellon; to our distinguished District Governor of District 3860, Ronald Riezl Reyes; to our District RYLA Chair, Arnold Nicolas; to our Past Assistant Governors and Past Presidents present in this venue; and to my family, the Rotary Club of Tagum North; to my children and other guests present this afternoon...a pleasant New Rotary Year to all of us.

My exposure to Rotary Service goes back to the year my late husband, PP Saldy F. Dalisay, was inducted into membership in this prestigious Club, the Rotary Club of Tagum North in the year 2002. I started out as attending Club Meetings, meeting other Rotarians and their spouses and taking part in Club Projects. 2003 marked my most active participation in Rotary service projects, especially in the Medical Service. RCTN's Medical Service was not only restricted to schools and barangays in Tagum City, but we went as far as Asuncion, Agusan and Surigao. Tuesdays will never be completed without attending the Club Meeting and Fellowship at then, Pots & Grill. Every year, I look forward to the Yearly Strategic Planning of the Club where all the Rotarians and family get a chance to have fellowship and a 1-2 nights stay away from Tagum City. And every year, I look forward to attending the Induction of the Club President and Officers, where we see Rotarians in their best suits, and spouses looking elegant in gowns, and taking part in a Fellowship where only Rotary Club of Tagum North can offer...If you know what I mean! Rotary is indeed about Service and Family.

2014 was a sad year for me because as we all know, one of the most active RCTN members, my husband Saldy, died. It was also a sad time for me because as I said, I will not be attending the Tuesdays Club Meetings, fellowship, and Club service projects anymore. But then, on the same year, I was inducted as Honorary Member of this Club. I may have lost my husband, but I have gained in Rotary. I was looking forward to be inducted as honorary member of the Rotary Club of Tagum North every year...but in 2017, fate has destined me to stay in Rotary service and RCTN – where my heart belongs, for a challenge from the Rotary International to induct a female member to an all male club was accepted by this prestigious club. Thank you very much RCTN for accepting me...I am deeply honored!

Today marks a joyous event for me because Rotary Club of Tagum North has handed over to me a challenging task of being its 33rd Club President. I say "challenging" because for one, Rotary Club of Tagum North is one of the most outstanding clubs in the district. Keeping up with its track record may seem to be over-whelming, but I am very confident that with God's grace, wisdom and deliverance, and with each RCTN member's support, including the support of the spouses, Rotaractors, my two children, Aede and Seane and our Korean Sister Clubs, Godeok and Yesan,...I can do it! Rotary indeed has prepared us to be "leaders," and each one of us is destined to this position. The second reason why I say my leadership is "challenging" is because the world is presently facing the COVID 19 Pandemic. Seeking out Rotary service and delivery may seem difficult, but I know that each of us will look at this as a challenge to further make Rotary stronger, more adaptable, and to display ingenuity in devising solutions, and taking positive action.

This year's theme; "Rotary Opens Opportunities" encourages us to take with eagerness and decisiveness the endless opportunities that Rotary offers to enrich our lives and the lives of those we help through service projects.

So as we embark to another year of Rotary, let us hold each other's hands, and together let us face these challenges head-on and continue to make a difference for someone...somewhere. Let us continue to kindle the fire...the passion that our previous Club Presidents have lit before us, to pursue endless possibilities.

Long live Rotary Club of Tagum North! And as our Korean Sister Clubs say...Fighting!

## EXCERPTS FROM THE MESSAGE OF

# Guest Speaker Mayor Allan L. Rellon

“Visions are about ideals. They’re about hopes, dreams, and aspirations. They’re about the strong desire to achieve something great”.

A Tagumpay afternoon to everyone!

First of all, allow me to congratulate the newly elected set of officers of Rotary Club of Tagum North. Congratulations on your new roles and even sa mga nagpabilin sa ilang pwesto sa set of officers, congratulations for another opportunity for you to serve in the Rotary! And to the outgoing officers, thank you for the great contribution and congratulations also to the success of your leadership!

This afternoon, it is an honor for me to be given a chance to speak before you today in your simple but significant ceremony.

Before anything else, I would like to extend my deepest gratitude for the partnership and help you have extended to the City Government of Tagum, all for the benefit of our constituents.

Rotary, as a global network of friends, leaders and problem-solvers has touched not only its members’ lives but also those of their neighbors through “Service above Self.”

We have told stories of ordinary people who’ve made extraordinary things happen. They are from all over the globe, from all age groups and walks of life. They represent a wide variety of organizations-public and private, governmental and nongovernmental, high-tech and low-tech, small and large, educational and professional. Chances are you haven’t heard of most of them. They’re not public figures, celebrities, or megastars. They’re people who might live next door or work in the next cubicle over. They are people just like you.

We’ve focused on everyday leaders because leadership is not about position or title. It’s not about organizational power or authority. It’s not about fame or wealth. It’s not about the family you are born into. It’s not about CEO, president, general, or prime minister. And it’s definitely not about being a hero. Leadership is about relationships, about credibility, and about what you do. And everything you will ever do as a leader is based on one audacious assumption: that you matter.

- You have to believe that you can have a positive impact on others.
- You have to believe that what you count.
- You have to believe that the words can inspire and that your actions can move others.
- And you have to be able to convince others that the same is true for them.

Unceasingly, you have shared the responsibility with different stakeholders to take action on the society’s most persistent issues like peace and security, health and diseases, education and the welfare of women and children. That is why you have extended your help not only to Tagumenyos but to the world to help in the global eradication of polio. With this, you have caused lasting impact on people’s lives especially to the polio victims, strengthened by your professional experience and personal commitment as Rotarians.

In these turbulent times, there is no shortage of opportunities to lead, and the world needs more people who believe they can make a difference and who are willing to act on that belief.

One of the most inspiring leadership stories, Leadership through compassion- of Princess Diana shaking the hands of an Aids patient. (In the 1980's AIDS arrived on the world stage. It was a new, frightening disease with no cure and was rampaging through communities and countries, People believed that you could catch AIDS from touching someone who have it, or even sitting on the same toilet seat, and up to 50% of people polled in the US believed that those with AIDS should be quarantined.)

On the 19th April, 1987, Princess Diana, one of the famous people in the world opened the first unit in the UK dedicated to treating people with HIV and AIDS during her visit; she shook the hands of a patient without wearing gloves, and changed people's perceptions of the disease forever.

Our Leadership Challenge, if we keep relearning and reminding ourselves and others that leadership is everyone's business. The first place to look for leadership is within yourself. Accepting the leadership challenge requires practice, reflection, humility, and commitment to making a difference. And, in the end, we conclude that leadership is not an affair of the head. Leadership is an affair of the heart.

And today, for the new members, as you start to be a part of the Rotary Club and for the new officers, as you start with your significant roles, and to all members, as you continue with your significant cause, may you be equipped with the appropriate tools, references and support to take your involvement in the Rotary Club further and share your passion for community service.

Congratulations Rotarians! Surely, your dedication and service will bring in more TAGUMpays in your future endeavors.

Daghang Salamat!

## Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

### Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

### Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

### Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

### International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

### New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

## HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

### NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president  
Jean Sibelius, Finnish composer

## ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain: With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.

We shall all understand, while the good  
Lord is our guide.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.

# 3 principles we use to beat the pandemic

By Joe Otin, District Governor of Rotary District 9212

If ever in our lifetime there was a defining moment of earth-shattering proportions – this is it. The generation before us lived through World War II which universally altered the course of our destiny. From time immemorial our predecessors have faced seismic economic collapses, devastating armed conflict, climatic catastrophes, and other traumatic incidences that have led to desperation, death and destruction. These developments in turn have forced us to remodel personal behavior, restructure established institutions, and generally change our way of life.

The attack on humanity by the coronavirus is monumental. From the initial outbreak in China to today, the world has been jolted into action because the initial strides taken by governments to stop the spread of COVID-19 across the globe fell short, as the statistics have come to show. Here in East Africa, our governments took unprecedented action, closing borders, grounding national carriers, and suspending public meetings with the intention to halt its advance.

What distinguishes defining moments in our history is not the nature of the crisis, but rather the quality of the decisions that we make. In the wake of the drastic measures taken by our political leaders to address the outbreak we, as Rotary, have had our own decisions to make. These decisions are guided by three simple principles.

☒ The first one is that individual action has the greatest bearing on the disease, and this includes personal hygiene, social distancing, and other guidelines outlined by the World Health Organization. We must all take individual responsibility to stop the spread of coronavirus.

☒ The second is to support the government in its initiatives to flatten the curve as indeed it is the concerted effort by the private sector, public institutions, development organizations, and society as a whole that will stop this threat.

☒ Thirdly, it is in sharing messages of hope and reminding people that together we will prevail, and that the disruption in our lives is not only momentary but it is also a crucial part of continuity.

From a global perspective, Rotary International's Board of Directors has cancelled the international convention scheduled in June as the conditions amid the crisis are not projected to be favorable for hosting an event of this magnitude. This is the first time in history that the annual convention has been canceled altogether, and even through the World Wars the convention was convened, albeit smaller in scale. The Board has also decided to focus attention and assign resources to fight the pandemic. Funds from the reserves have been allocated to aid the disaster response initiatives across the world, and The Rotary Foundations has embarked on fundraising activities specific to this area. In District 9212, we have canceled our district conference and instructed all Rotarians to suspend physical meetings. Without missing a beat, they have adopted wholeheartedly to virtual meetings on popular video conferencing platforms. The executive committee has set up a response team to support national administrations in Kenya, Ethiopia, and South Sudan, and past governor Dr. Geeta Manek has raised more than \$20,000 in Kenya and Ethiopia.

The embodiment of Rotary clubs and their ultimate purpose is to embrace and support communities in need, and thus the world needs Rotary more now than ever before. Never in our lifetime has humanity been better equipped to crush a threat to our wellbeing of these dimensions. We have the technology to track it, the science to beat it, the media to coordinate our united action, and the heart to fight back.

It is through our determination and commitment that we give hope and healing to the world. About the author: Joe Otin is the 2019-20 Governor of Rotary District 9212, and the Rotary International Representative to UN Environment. He is also the CEO of The Collective, a digital advertising agency, the chairman of the Advertising Standards Board of Kenya, and a board member of WWF-Kenya.

# Rotary provides \$20 million to help communities worldwide respond to COVID-19

EVANSTON, Ill. (June 23, 2020) — Rotary members throughout the world are working safely and diligently to assess and provide for urgent community needs as they strive to respond and recover from the effects of COVID-19 coronavirus.

While following social-distancing and health guidelines, they are providing comfort and hope to those feeling the effects of isolation and fear, and focusing their resources and solutions toward supporting frontline health workers and first responders as they battle this disease and save lives.

“As leaders in virtually every community on earth, we bring a unique combination of local knowledge and access to a global network of expertise and resources,” said Mark Daniel Maloney, president of Rotary International. “In the face of uncertainty, we are adapting to shifting needs to offer immediate help to people at a rapid pace. And we’ll remain committed to recovering from this health crisis for as long as it takes.”

Rotary members are taking action to provide a range of solutions including hand-washing stations and food to those unable to social distance in Kenya, lifesaving information about preventing the spread of COVID-19 in India, ventilators and protective gear for overstretched hospitals in Italy and vital social connections to neighbors who live alone in Bethesda, Maryland.

The Rotary Foundation, Rotary’s charitable arm, has to date awarded \$20 million to support Rotary clubs worldwide in their immediate response to COVID-19 in their communities, and to long term recovery efforts.

About Rotary: Rotary brings together a global network of volunteer leaders dedicated to tackling the world’s most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world.

# Safety health tips to Prevent COVID-19

## **DISTRICT CHALLENGE ROTARY YEAR 2020-2021**

**This Rotary Year District Challenge will be based on Rotary International Strategic Priorities that form part of our Action Plan.**

### **Rotary's Vision (*People of Action*)**

**TOGETHER** we see a world where **PEOPLE** unite and take action to **CREATE** lasting **CHANGE** across the globe in our communities and in ourselves.

### **Rotary's Action Plan**

Rotary International have set four priorities that will direct our work over the next five years.

**ENHANCE PARTICIPANT ENGAGEMENT**  
**EXPAND OUR REACH**  
**INCREASE OUR IMPACT**  
**AND INCREASE OUR ABILITY TO ADAPT.**

As we stand on the end of eliminating polio, we find ourselves poised for our next challenge-moving towards realizing a new vision that brings more people together, increases our impact, and creates lasting change around the world.

## ENHANCE PARTICIPANT ENGAGEMENT

**People of Action strive to understand the needs of others.**

- *How can we make sure Rotarians find long-term value in their membership? Develop a participant-centered approach to deliver value*
- *What would improve the Rotary experience? Offer new opportunities for personal and professional connection*
- *What skills could people learn through Rotary? Provide leadership development and skills training*
- *How can we better develop our leaders? Support clubs to better engage their members, always consult your predecessors and involve your successors.*

*Our fellow members need to know that they are seen, heard and valued. This priority is aimed at making sure that we give our members meaningful opportunities to evolve and grow with us – personally and professionally– throughout their lives.*

*We want to improve the overall Rotary experience for anyone who affiliates with us. And we should take nothing for granted. We need to look at every encounter as an opportunity to show our people what Rotary can do for them—as individuals and as members of our communities.*

***Together, let's recommit to putting the needs, expectations, and growth of our participants at the center of all we do.***

- 2) The Club President and TRF Chair leading by example will be a Paul Harris Fellow or a Multiple Paul Harris Fellow.

**EXPAND OUR REACH**

***People of Action activate and inspire one another.***

*We have to expand our reach so that we can grow our capacity to make an impact.*

- *How can we share our values with new audiences?*

- Create new channels into Rotary*
- *How can we inspire more people to take action?*
  - *Increase Rotary's openness and appeal to the community*
  - *What new models can we test that bring people together to experience the power of Rotary?*
- Grow and diversify our membership and participation and build awareness of our impact and brand.*

*Let's start with those who have already shown an enthusiasm for Rotary. I'm talking about Rotaractors: they're energetic, passionate, and driven community-minded professionals. They're critical to the future of Rotary.*

*At the club level, we need to actively invest in bringing in more people from different backgrounds. There are so many ways to create new channels into Rotary—updating clubs' websites and social media pages*

*Together, let's build connections and opportunities that will allow people who share our drive to do the same.*

## **CHALLENGES**

### **Mandatory**

- Support Rotaractors to their:
  - PSETS - President and Secretary
  - DISTAS - 3 Rotaractors
  - DISCON - 5 Rotaractors

**Club Distinction Recognition: Net increase of 5 or more new members to the club**

## INCREASE OUR IMPACT

*People of Action are effective problem-solvers.*

*What will our legacy be?  
 Eradicate polio and leverage the legacy  
 How can we define and measure our impact?  
 Improve our ability to achieve and measure impact  
 How can we do more good in the world?  
 Focus our programs and projects that are needed by the project beneficiaries.*

*Rotarians are effective problem solvers who create solutions that last because we invest in relationships— “building social capital.”*

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

## MISSION AND VISION OF ROTARY

The Mission of Rotary International, a worldwide association of Rotary Clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.

The Vision of Rotary International is to be universally recognized for its commitment to Service Above Self to advance world understanding, goodwill and peace

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

**The Four Way Test**  
of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

# AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

## YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

## PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is in acknowledgement to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program in D3860. The outbound team members include: Dr. Nnette Perdido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

## THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

## ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree It is a continuing to rehabilitate the in the coastlines its neighboring Through funded by the 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

## EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

## AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magupgo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magupgo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipasan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

## COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

## HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extended its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

• **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).

• **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.

• **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-asa Davao. Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USAm, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagop Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main foci on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layora and assemblies throughout Davao Region.

# Avoid the Three C's

Be aware of different levels of risk in different settings.

World Health Organization  
Representative Office  
for the Philippines

There are certain places where COVID-19 spreads more easily:

## Crowded places

*with many people nearby*

## Close-contact settings

*Especially where people have close-range conversations*

## Confined and enclosed spaces

*with poor ventilation*

The risk is higher in places where these factors overlap.

**Even as restrictions are lifted, consider where you are going and #StaySafe by avoiding the Three C's.**

## WHAT SHOULD YOU DO?

Avoid crowded places and limit time in enclosed spaces

Maintain at least 1m distance from others

When possible, open windows and doors for ventilation

Keep hands clean and cover coughs and sneezes

Always wear a mask when you go outside your home

**If you are unwell, stay home unless to seek urgent medical care.**
