Rotary
Club

EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +7
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

EDITORIAL

Rotary, the World Health Organization, UNICEF and the Centers for Disease Control and Prevention launched the Global Polio Eradication Initiative in 1988. In 2007, the Bill & Melinda Gates Foundation joined Rotary in its commitment to ending polio.

Since 2013, the Gates Foundation has matched every \$1 Rotary commits to polio eradication 2-to-1, up to \$35 million per year. Rotary, with matching funds from the Gates Foundation, has contributed more than \$1.6 billion to end polio.

Since we started the fight against polio, we've reduced the number of polio cases by 99.9 percent and reached more than 2.5 billion children with the vaccine. There are fewer polio cases today than ever before, but we will not stop until we reach zero. If polio is not eradicated, hundreds of thousands of children could be paralyzed. Global health care costs would rise dramatically, and many children's quality of life would be drastically diminished.

Join us in the fight to end polio and help us save lives and give a child a chance at a prosperous future.

President 2020-2021

July 2020

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the next year but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

K.R. Ravindran
Trustee Chair 2020-21

July 2020

Trustee chair's message

I believe that RI President Holger Knaack's theme, Rotary Opens Opportunities, fits the times so well. You might ask how that can be, given all of the turmoil happening around us today. The following story, paraphrased from British author Alan Watts' telling of a Taoist parable, helps explain why.

Once there was a farmer whose horse ran away. That evening, all of his neighbors came around to commiserate. They said, "We are so sorry to hear your horse has run away. This is most unfortunate." The farmer said, "Maybe."

The next day, the horse came back, bringing seven wild horses. In the evening, everybody said, "Isn't that lucky. What a great turn of events. You now have eight horses!" The farmer again said, "Maybe."

The following day, his son tried to break one of the horses, and while riding it, he was thrown and broke his leg. The neighbors said, "Oh dear, that's too bad." The farmer responded, "Maybe."

The next day, officers came around to conscript people into the army, and they rejected his son because he had a broken leg. Again all the neighbors said, "Isn't that great!" Again, the farmer said, "Maybe."

What we learn from this is that nature is immensely complex. It's impossible to tell whether anything that happens is good or bad, because you never know what the consequences will be. All we can know is that with every action and reaction, there is an opportunity — a chance to live our values, express our desires, and take action to make the world a bit closer to the way we want it to be.

The Rotary Foundation is our conduit to make those meaningful changes. Through the Foundation, we do our part to help rid the world of polio. In addition, we can help support important COVID-19 projects and prepare the world for the massive vaccination effort that will be needed soon. And we can help keep some continuity in service to people in need when so many regular services are being disrupted.

Will this be Rotary's great moment to become an even stronger organization in the 21st century? Maybe. Is this your great opportunity to live your values? Maybe! It's up to you and me.

MAE T. DALISAY, PHF+4
Transforming President

President's Corner

Another Rotary week has passed filled with memorable activities. However, due to the restrictions that COVID 19 Pandemic has brought, only a few of our members are able to attend. But I know that every member are with us in "heart and spirit."

I started the week with a visit to the City Health Office to meet the key Coordinator and some members of the City Immunization Program last July 15, 2020. Together with PAG Arnold M. Nicolas, Rotary Club of Tagum North signified the donation of thirty (30) tarpaulins to be distributed to the Puroks and Barangays of Tagum City to support the City's up-coming "SabayangPatak Kontra Polio" for children 0-59 months of age on July 20- August 2, 2020. Turn-over of the tarpaulins occurred the next day at the City Information Office, New City Hall, Tagum City, where I also had the chance to participate in "Tagumpay Radio's" livestream, "Healthy Tagum' where I talked on the topic of Poliomyelitis and the Role of Rotary International. Rotary has been a long-time founding partner {since 1979} of the Global Polio Eradication Initiative. And it has been a multi-year project of Rotary to immunize more than six {6} million children in the Philippines.

On July 18, 2020, together with AG Neal Ararao, District RYLA Chair/PAG Arnold Nicolas, and IPP Renie "Dodz" Siscon, I attended the turn-over ceremony and Induction of Officers of the Rotary Club of Tagum Golden L.A.C.E.S. We were also able to meet "personally," and not "virtually" our District Governor Rodel Riezl S. Reyes, District Membership Chair Fortunato "Chi" Uy, District Secretary Cary Beatisula, and Past District Governor Art O.Tan and Spouse Len.

July 20, 2020 was the "kick-off" of the "SabayangPatak Kontra Polio" at Barangay Magugpo South Gymnasium. In attendance were the DOH Assistant Secretary Dr. Roy B. Ferrer and DOH Regional Director, Dr. Annabelle P. Yumang.

I would like to encourage all the members to join our Virtual Weekly Meeting through ZOOM. For it is said that "attendance to Rotary Meetings" is every Rotarian's Obligation.

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president
Jean Sibelius, Finnish composer
Dr. Charles H. Mayo, co-founder of Mayo Clinic
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate
Thomas Mann, German novelist and Nobel laureate
Friedrich Bergius, German chemist and Nobel laureate
Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut
Edgar A. Guest, American poet and journalist
Sir Harry Lauder, Scottish entertainer
Franz Lehár, Austrian composer
Lennart Nilsson, Swedish photographer
James Cash Penney, founder of JC Penney Co.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

ROTARY FACE MASK & HAND SANITIZER GUIDELINES

These guidelines are for clubs and their members who are interested in buying, designing, donating, or selling face masks, including Rotary-branded face masks, and buying, producing, donating, and selling hand sanitizer.

During this global pandemic, we need to be sensitive while meeting the needs of the community. Distributing face masks or hand sanitizer to the public that feature large or conspicuous Rotary logos may be seen as capitalizing on this health crisis to raise money or promote membership. For that reason, we'd like any face masks or hand sanitizer distributed or sold to the public by clubs to have a discreet design. If the design includes the Masterbrand Signature, Mark of Excellence, or another Rotary logo, the logo must be small and unobtrusive. Face masks designed specifically for club members' personal use may have a larger and more prominent Rotary logo.

There has been a renewed focus on proper hand washing and sanitizing practices in response to the COVID-19 pandemic. We know that many clubs have been donating and providing hand sanitizer as part of their community response. We encourage clubs to continue to share information from **Rotary's water, sanitation, and hygiene initiatives** to help keep people safe.

ROTARY FACE MASKS

BUYING OR DESIGNING FACE MASKS

Licensed vendors have begun to sell approved Rotary-branded face masks. Some licensees can also help clubs create their own designs. See a [current list of licensed vendors worldwide](#).

If you want to produce your own face mask design or have a face mask design manufactured or produced by an unlicensed vendor, submit a **release request** along with a sample design of the face mask.

When creating a custom design, include your club or program logo. (This is required if these face masks will be sold to the public and for certain donations, see below.) Visit brandcenter.rotary.org to create your club logo. If you decide to include your club or program logo, remember that it must be small and unobtrusive. Your custom design will be reviewed and, if approved, Rotary will grant authorization for production.

Questions about buying or designing a Rotary-branded face mask can be sent to rilicensingservices@rotary.org.

DONATING FACE MASKS TO THE COMMUNITY

If you are donating face masks to the public, consider using Rotary branding on the packaging instead of on the face mask itself. If the face mask is Rotary-branded, it should have a discreet design. If the design includes a Rotary logo, the logo must be small and unobtrusive.

You can obtain face masks from a **licensed vendor** or obtain permission to create custom-designed face masks through a **release request**. If your club wants to donate Rotary-branded face masks to the public, donated face masks must include a club logo or program logo unless you are donating stock masks purchased from a licensed vendor.

SELLING FACE MASKS TO THE COMMUNITY

If your club wants to sell Rotary-branded face masks to the public, it may do so on a limited basis through 30 June 2021. The face masks must be custom-designed to include your club logo or program logo. We would suggest your club give away the face masks in exchange for a donation to show #RotaryCares. Clubs do not need a license to sell face masks, as long as they use their club logo or program logo and the design has also been approved by RI through a **release request**.

All face masks offered for sale should include a disclaimer on the promotional materials such as: "Cloth face coverings are intended for personal use only. They are not intended for medical use and are not a replacement for medical-grade personal protective equipment."

ROTARY HAND SANITIZER

BUYING OR PRODUCING HAND SANITIZER

You may purchase hand sanitizer from licensed vendors. **See a current list of licensed vendors worldwide.** If you want to produce your own hand sanitizer or engage an unlicensed vendor to produce hand sanitizer with your club or program logo, you must abide by all applicable local, national, and international regulations and guidance, including labeling guidance and guidance or regulations adopted on a temporary basis during the COVID-19 pandemic. You must submit a **release request** along with a sample design. Nonbranded hand sanitizer is not subject to Rotary International review.

Questions about buying or producing hand sanitizer can be sent to rilicensingservices@rotary.org.

DONATING AND SELLING HAND SANITIZER TO THE COMMUNITY

If you want to donate or sell hand sanitizer with Rotary branding, you must include a discreet club or program logo, unless your donations were purchased from a **licensed vendor**.

While we don't encourage selling hand sanitizer, if your club chooses to do so, we would suggest your club provide it in exchange for a donation. Clubs do not need a license to sell hand sanitizer, and may sell on a limited basis through 30 June 2021, as long as they use their club logo or program logo and the design has also been approved by RI through a **release request**.

All hand sanitizer, alcohol-based or non-alcohol-based, offered for sale or donation must comply with all applicable local, national, and international regulations and guidance, including labeling guidance. Don't use statements like "effective at eliminating over 99.9 percent of germs and bacteria" or "kills flu or coronavirus" in conjunction with your distribution or sale.

INSURANCE AND RISK MITIGATION

The U.S. Rotary Club & District general liability policy is not intended to address the unique needs of clubs or districts that are selling, manufacturing, designing, or distributing face masks or hand sanitizer. This may also apply to club insurance policies outside of the United States. Any club or district that is engaged in the manufacturing or distribution of hand sanitizer or face masks should obtain separate product liability insurance to protect its interests.

Additionally, all clubs and districts should:

- Review contracts with vendors to ensure they do not assume risks or responsibilities beyond their control. For example, the seller of a product should not agree to assume responsibility for claims arising out of the manufacturing or design of a product.
- The indemnity provision in a vendor contract should spread the risk of loss to the parties who are actually responsible for that loss. Contracts with vendors should also include a provision requiring that all parties maintain adequate insurance.
- We recommend you consult an attorney to draft or review any vendor contracts.

+ Mateo Armando Tengco Caparas

By Loida Nicolas Lewis

On December 28, 2019, past Rotary International President Mat Caparas — the only Filipino to become president in RI's 115-year history — was honored with a tribute dinner in conjunction with his 96th birthday and his 60 years of Rotary service.

Rotary International started as the Rotary Club founded by a Chicago lawyer named Paul Harris in 1905 to develop friendships among businessmen, professionals, and entrepreneurs. Its primary motto is "Service Above Self," the secondary motto being "One Profits Most Who Serves Best."

Rotary groups spread rapidly to San Francisco, Oakland, Seattle, and Los Angeles. Before long, a Rotary Club was organized in Manitoba, Canada, followed by a Rotary Club in Dublin, Ireland and London. In 1915, a Rotary Club began in Cuba, in 1919 in the Philippines. By 1922, the name was changed to Rotary International.

Mateo Armando Tengco Caparas was born on December 28, 1923 at Cuyapo, Nueva Ecija. His father, a lawyer, settled the family in its farm in Moncada Tarlac. Mat's schooling at Bulacan High School was interrupted by World War II. He graduated from the UP College of Law in 1949 and received his Masters of Law degree from Harvard Law School in 1950.

He practiced in Caloocan specializing in labor law and tax cases. In 1960, he transferred his law practice to Manila when he was invited to join the Rotary Club. He rose from being District Governor in 1964-65 to being elected to the Board of Directors in 1979-80. That was the time Pope John Paul II publicly received Rotarians at the Vatican. Mother Teresa was a speaker at the Sao Paulo Rotary International Convention in 1981 when Mat and his wife Nita met her.

Mat and his wife Nita met with Pope John Paul II in late '70s, the first time the Pope publicly received Rotarians at the Vatican.

By 1985, Mat was elected RI president, the first Filipino to assume the post. He introduced the Community Corps program which was adopted by the Rotary Board of Directors in 1988. During his presidency, Rotary started the campaign to raise \$120 million to eradicate polio by 2005. The campaign was able to generate more than \$240 million in two years. The national immunization was started not only in the Philippines but also in Turkey, Peru, and India during his term. With the additional funding of \$200 million from the Melinda and Bill Gates Foundation, the polio virus is practically eradicated worldwide, except in Pakistan, Afghanistan and Nigeria, according to the World Health Organization announcement on World Polio Day, October 24, 2019.

Another important change Mat had introduced during his term as president was the admission of women in Rotary clubs in the United States and in all countries. The 1986 decision of the U.S. Supreme Court in the Duarte case ruled that it was against California's Civil Rights Act for Rotary International to terminate the membership of the Duarte Club in Los Angeles because it admitted three women as members, contrary to Rotary policy. The Supreme Court in its unanimous decision also stated that "women members would not prevent the club from carrying out its purpose." Although the decision pertained to the reinstatement of the Duarte Rotary Club, Mat and the Board of Directors enthusiastically adopted the resolution that all Rotary clubs in the U.S. and in all countries could invite and accept women members. He announced the amendment to the rules in the annual convention in Munich, Germany.

"It was met with great enthusiasm and applause," recalled Mat.

On January 27, 2013, Mat, a graduate of the UP College of Law 1949 was honored with a Humanitarian Award from the University of the Philippines Alumni Association of San Francisco. The award was given "in recognition of his dedicated years of service to his fellow men, distinguishing himself as a compassionate lawyer, his chairmanship of the Presidential Commission on Good Government, and being the only Filipino to be elected president of Rotary International, where he was instrumental in galvanizing the worldwide campaign to totally eradicate the crippling and fatally infectious polio virus from the face of the earth."

Now a widower, Mat has reached the blessed age of 96 years but his mind remains ever lucid and clear. He and his late wife Nita have three surviving children: Jorge, Matt, and Pilar; eight grandchildren; and two great granddaughters.

His is a purpose-driven life of service. God bless him!

Died on July 15, 2020 at the age of 96.

HETO ANG MGA PARAAN KUNG PAANO MAGING BIDA!

BAWAL WALANG MASK!

Magsuot ng face mask tuwing lalabas ng bahay:

- Suotin ito at tiyaking natatakpan ang iyong bibig at ilong
- Pagdating ng bahay, tanggalin ang iyong face mask mula sa likod nang hindi hinahawakan ang harap ng iyong mask
- Itapon o labhan ito kaagad

I-SANITIZE ANG KAMAY! IWAS HAWAK SA MGA BAGAY!

Hugasang mabuti ang mga kamay gamit ang tubig at sabon sa loob ng 20 segundo o linisin ang mga kamay gamit ang 70% isopropyl o 60% ethyl alcohol/alcogel:

- Paguwi mo sa bahay
- Kapag hinawakan mo ang mga common surfaces (Hal. hawakan ng pinto, upuan, pindutan ng elevator, ATM machine, atbp.)
- Bago at pagkatapos ilagay ang iyong face mask
- Bago ka kumain
- Pagkatapos gamitin ang banyo
- Bago at pagkatapos hawakan ang iyong mukha

Linisin at i-disinfect isang beses kada araw ang mga madalas na hinahawakang surfaces:

- Hawakan ng pinto
- Switch ng ilaw
- Remote control
- Cellphone
- Iba pa (isulat dito): _____

DUMISTANSYA NG ISANG METRO!

Ugaliing mag physical distancing kapag nasa labas ng bahay:

- Panatilihin ang 1 metro (2 dipa) o higit pang puwang mula sa iyo at sa ibang tao
- Limitahan ang pagpunta sa nakukulong at masikip na lugar

ALAMIN ANG TAMANG IMPORMASYON!

Magbasa at makinig lamang sa official sources. Isip-isip muna bago mag-share!

- Basahin at pakinggan ang balita nang maigi
- I-tsek kung galing sa official website or source (huwag maniwala sa finorward lamang!)
- Naayon ba ito sa official advice?

KUNG CHECK ANG LAHAT, I-SHARE NA!

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

MISSION AND VISION OF ROTARY

The Mission of Rotary International, a worldwide association of Rotary Clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.

The Vision of Rotary International is to be universally recognized for its commitment to Service Above Self to advance world understanding, goodwill and peace

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test
of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is in acknowledgement to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program in D3860. The outbound team members include: Dr. Nnette Perido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree It is a continuing to rehabilitate the in the coastlines its neighboring Through funded by the 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magupgo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magupgo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extended its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

• **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).

• **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.

• **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-asa Davao. Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USAm, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagop Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main foci on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layora and assemblies throughout Davao Region.
