## EDITOR'S NOTE :

**ARNOLD M. NICOLAS, PHF +7**  
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

## Celebrate Membership Month

August is Membership Month, which means it's time to celebrate your Rotary club, your members, and the good you do in your community and around the world.

There are many ways to join in the celebration, but here are a few activities to get you started:

- Say it loud, say it proud! Let everyone in your social network know that you are a proud member by changing your Twitter and Facebook profile to the I'm a Proud Member, I'm a Proud Rotaractor, or I'm a Proud Interactor graphic. Copy and save the graphic as your profile picture for August.

- Exchange ideas. Do you have successful membership strategies that have worked well in your community? Share them on the Membership Best Practices Discussion Group.

- Making a difference. Rotary clubs are known for the high-impact service projects they undertake locally and globally. Share stories about your service projects and how they improve lives on Rotary Showcase. Be sure to follow us on Facebook, Twitter, and Instagram to see what Rotary members around the world are doing to celebrate Membership Month.

- What does Rotary mean to you? Rotary members have pushed polio to the brink of eradication, delivered clean water to those in need, improved their local communities, provided scholarships to the next generation of peacemakers, and continued to do good in the world.

## **HOLGER KNAACK**

President 2020-2021

**August 2020**

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cell-phones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. Rotary Opens Opportunities — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values.

## Trustee Chair's Message

There is a world of difference between a problem and a challenge. If a honeybee faces a giant hornet alone, the bee has a problem. But if the honeybee faces the hornet with a swarm of other bees, then it is the hornet that has a problem.

This is true in nature, but it is also the human predicament. So when the situation I confront is greater than the resources I have, then it can be termed as a problem. However, if the resources I have are greater than the situation I am faced with, then it is just a challenge. Sometimes we overestimate our problems and underestimate our ability to overcome them.

The COVID-19 pandemic seemed like a situation that might overwhelm The Rotary Foundation. But as things have progressed, we have not allowed it to do so. As of 4 June, we have funded 208 disaster response grants for \$5.2 million and 169 new global grants at \$13.8 million — all in three months. We have leveraged individual Rotarians' generosity with Foundation funds and in many cases other corporate funds to make projects larger and more impactful.

We never allowed the pandemic to overpower us. Indeed, history shows that Rotarians are a curious breed. We are visionaries, an idealistic lot that dreams big dreams of a better world. At the same time, we are resilient and able to withstand challenges that others might succumb to.

We were not idle during the pandemic lockdowns. We raised funds and did projects just as we would have if there had been no lockdown. We remembered that it's the same business that we always do — reaching out to people in distress — except the methodology by which we did it changed.

Our process of preparing and delivering the projects changed. The way we communicated what we did changed.

The Rotary Foundation is more than 100 years old and has already weathered many storms — some of them mild and others devastating to the world. Thanks to the strength, sacrifice, and compassion of Rotarians and the level to which they have extended themselves, I believe the Foundation will continue to face the future with renewed hope and inspiration.

Our Foundation will emerge from this pandemic much stronger and more resilient as long as you continue to have trust and faith in it.

## President's Corner

**MAE T. DALISAY, PHF+4**  
Transforming President

Greetings to the Transforming Team, the Rotary Club of Tagum North.

In the past weeks, each one of us was reminded that we are living in a constantly changing world. And because of this, we must always be ready to listen and adapt, and to embrace change that will strengthen us. And for every plan and action that we make, we draw upon our core values of service and apply at all times our Rotary Guide, the "Four Way Test" to all aspects of our lives. Only then can we be prepared to lead at all times.

Rotary indeed has not stopped in spite of what COVID 19 Pandemic has brought into our lives. Each week, we are proving that Rotary is a flexible gathering that happens anywhere, and in any way. May it be in traditional meetings, on cellphones, and on computers.

On July 27, 2020, we had our 1st Area Committee Meeting of Area 2D at Mikos Brew presided by our Assistant Governor, Neal Ararao. In attendance were: District RYLA Chair/PAG Arnold M. Nicolas, Club Presidents and Club Secretaries. Discussions were focussed on complying the Club Obligations, the RI Challenges, and other activities where all the Clubs can collaborate.

Last July 29, 2020, turn-over of the thirty (30) BIDA, Solusyon sa COVID 19 Information Campaign tarpaulins was held at the City Health Office of Tagum City for all the Barangay Health Centers in Tagum City. With me was PAG Arnold Nicolas, Ms. Rae Katherine Apura of the CHO, and the Municipal Health Officers of the CHO: Dr. Princess Dyann Dumanagan and Dr. Dainah Fajardo. The launching of this campaign happened at the Atrium of the New City Hall of Tagum City last August 3, 2020 at 8:30 a.m. attended by several City Government Officials, headed by the Hon. Mayor Allan Rellon; DOH Officials: DOH Under-Secretary Dr. Abdullah Dumama, the Asst. Secretary of Health Dr. Roy Ferrer; and Medical Officers from the CHO headed by the City Health Officer of Tagum City, Dr. Arnel Floirendo.

Thank you for the successful 2nd Board Meeting of the RCTN which happened last July 31, 2020 at the Cosio Compound hosted by yours truly and the Familia Dalisay, Cosio, Diamante, Ancheta, and Bontuyan. It was well attended by the Board Members and Directors, with our guest, Spouse Lorena Lintuan. PAG Jose Alvic Suaybaguio and PN Revedor Pereyras attended by Virtual ZOOM. The Planning and discussions went very smoothly.

In partnership with the Office of the Honorable Councilor Joseph Cabrera, the "Livelihood Training for Tsinelas Making" was launched at the Tagum City Cultural and Trade Center last August 1, 2020. In attendance was the Hon. Vice-Mayor of Tagum City, Atty. Eva Lorraine Estabillo, myself and PAG Arnold M. Nicolas. The first batch of trainees was around 60.

With this, I end this message with my heartfelt gratitude for all the works that we have accomplished together. Indeed, Rotary is not only Service, but Family and Friendship.

## Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

### Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

### Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

### Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

### International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

### New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

## HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

### NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president  
Jean Sibelius, Finnish composer  
Dr. Charles H. Mayo, co-founder of Mayo Clinic  
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate  
Thomas Mann, German novelist and Nobel laureate  
Friedrich Bergius, German chemist and Nobel laureate  
Admiral Richard E. Byrd, American explorer  
Jan Masaryk, foreign minister of Czechoslovakia  
H.E. Soleiman Frangieh, president of Lebanon  
Dianne Feinstein, U.S. senator  
Manny Pacquiao, Filipino world-champion boxer and congressman  
Richard Lugar, U.S. senator  
Frank Borman, American astronaut  
Edgar A. Guest, American poet and journalist  
Sir Harry Lauder, Scottish entertainer  
Franz Lehár, Austrian composer  
Lennart Nilsson, Swedish photographer  
James Cash Penney, founder of JC Penney Co.

## ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain: With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.

We shall all understand, while the good  
Lord is our guide.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.

## 5 questions about Environmental projects

with  
Karen Kendrick-Hands  
Communications director, Environmental Sustainability Rotary Action  
Group (ESRAG)

### 1. How does the environment fit into Rotary's areas of focus?

Any project in any area of focus will benefit from having environmental sustainability as one of its watchwords. It's a lot harder to supply clean water to people if your watershed is compromised— if your river is full of industrial, human, and animal waste. Basic education and literacy is a challenge when kids are sick because the school well is contaminated. Health is affected when insects carrying diseases expand their geographic range due to changing climate patterns. Water wars and climate refugees will make achieving peace and conflict resolution more complicated. Economic development is slowed when there's not adequate energy. Rotary would do a huge service to the world if it moved every water project from a diesel pump to wind or solar. That's a project that's scalable.

### 2. Why did ESRAG publish a handbook with environmental project ideas?

A lot of people say they'd like to do an environmental project, but they don't know where to start. Or they may already be doing something in their community that they didn't even realize was an environmental project — like adopting a highway or organizing an electronic waste recycling drive — and the handbook, which we worked with the United Nations Environment Programme (UNEP) to create in 2019, helps educate them about the broad range of projects that help the environment. Other people say they need an idea that will inspire their clubs. I was astonished at the wide variety of project ideas we were able to gather and present in the handbook.

### 3. Can you describe some of the project suggestions?

We looked to address topics that we thought were important, topics that fit well with existing areas of focus, and topics that expanded Rotary clubs' reach into the UN Sustainable Development Goals. Six of the 17 goals don't currently fit under one of Rotary's areas of focus — things like affordable and clean energy, sustainable cities and communities, and responsible consumption and production. The back cover is a sample press release. It's a reminder that sharing our story builds the brand and creates momentum for more service.

### 4. What inspired ESRAG's collaboration with UNEP?

In 2018, Rotary Day at the United Nations was celebrated in Nairobi, Kenya, and UNEP, which is based there, helped host the event. Rotary and UNEP decided to work together to create a handbook for Rotary clubs that want to participate in World Environment Day, which is 5 June. ESRAG worked with UNEP on the handbook. It starts with a joint statement from former RI Presidents Barry Rassin and Mark Daniel Maloney. We were thrilled to have that endorsement and hope this can be the start of more collaboration between Rotary and UNEP.

### 5. Are Rotarians getting more involved in environmental projects?

I was invited by Rotary staff earlier this year to help put together a survey to gauge interest in environmental projects throughout the Rotary world. We had some input from the Climate Solutions Coalition, which is a youth movement within ESRAG. We sent out the survey link in a newsletter on 23 January. We had to get all the results in by 31 January. In that brief time, we got over 5,000 completed surveys back. I think that shows there is a lot of pent-up demand. People interested in environmental solutions could go out and work with other groups, and many Rotarians do. But what we're seeing is a real desire to do their environmental work within the Rotary framework. That's a valuable future asset for Rotary. We have no idea of the members it will attract, the purse strings that will be loosened. With the people who will be the next generation of Rotary, the future is clear.

# Rotary provides \$20 million to help communities worldwide respond to COVID-19

EVANSTON, Ill. (June 23, 2020) — Rotary members throughout the world are working safely and diligently to assess and provide for urgent community needs as they strive to respond and recover from the effects of COVID-19 coronavirus.

While following social-distancing and health guidelines, they are providing comfort and hope to those feeling the effects of isolation and fear, and focusing their resources and solutions toward supporting frontline health workers and first responders as they battle this disease and save lives.

“As leaders in virtually every community on earth, we bring a unique combination of local knowledge and access to a global network of expertise and resources,” said Mark Daniel Maloney, president of Rotary International. “In the face of uncertainty, we are adapting to shifting needs to offer immediate help to people at a rapid pace. And we’ll remain committed to recovering from this health crisis for as long as it takes.”

Rotary members are taking action to provide a range of solutions including handwashing stations and food to those unable to social distance in Kenya, lifesaving information about preventing the spread of COVID-19 in India, ventilators and protective gear for overstretched hospitals in Italy and vital social connections to neighbors who live alone in Bethesda, Maryland.

The Rotary Foundation, Rotary’s charitable arm, has to date awarded \$20 million to support Rotary clubs worldwide in their immediate response to COVID-19 in their communities, and to long term recovery efforts.

About Rotary: Rotary brings together a global network of volunteer leaders dedicated to tackling the world’s most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world.

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST:

The development of acquaintance as an opportunity for service;

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# Rotary Code of Conduct

## As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

## Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

## Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

# AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a PPh240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

## YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time D3860. The outbound team was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

## PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program D3860. The outbound team members include: Dr. Nanette Perido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

## THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

## ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992, project that helps rehabilitate the in the coastlines its neighboring areas. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

## EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

## AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magugpo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated PPh 5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

## COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

## HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its inception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

• **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).

• **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.

• **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-Asa Davao. Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USA, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagop Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main focus on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layora and assemblies throughout Davao Region.
