

THE OFFICIAL PUBLICATION OF THE ROTARY CLUB OF TAGUM NORTH
VOLUME 33 | NO. 10 | September 03, 2020

GOLDEN ROTA NEWS

Tagum North
Rotary
Club

EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +7
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

Editorial Board

Editor-in-Chief	PAG Arnold M. Nicolas
Associate Editor	Rtn. Norman Adlawan
Lay-Out Artist	John Quirante
Contributor's	Sec. Marlou P. Fulo Pres. Mae T. Dalisay

The Golden ROTAnews is the official weekly magazine of the Rotary Club of Tagum North. It is regularly distributed during clubs weekly meetings and posted in Rotary Club of Tagum North Fun page. Members are encouraged to compose and submit articles , stories, features, and digital photographs. Correspondence can be addressed by email to amn_1309@yahoo.com on or before Friday of each week. The manuscript shall observe copyright laws. Excerpts shall recognize and the Golden ROTAnews as the original source.

The Cover

The cover of the Golden ROTAnews, features pupil of Tapayanon Elementary School ,Sitio Tapayanon is a geographically isolated Ata Manobo village that lies along the benches of Pantaron Mountain Range in the boundaries of Bukidnon, Davao del Norte, and Agusan del Sur. currently, it has 98 households with 110 families of around 600 individuals, most of whom are children. RCTN provided school bags and supplies of the said school.

EDITORIAL

OUR IMPACT ON EDUCATION

The Rotary Foundation supports education through scholarships, donations, and service projects around the world. Rotary members make amazing things happen, like:

Opening schools: In Afghanistan, Rotary members opened a girls' school to break the cycle of poverty and social imbalance.

Teaching adults to read: Rotary members in the United States partnered with ProLiteracy Detroit to recruit and train tutors after a study showed that more than half of the local adult population was functionally illiterate.

New teaching methods: The SOUNDS program in South Africa, Puerto Rico and the United States teaches educators how to improve literacy by teaching children to recognize letters by sounds instead of names.

Making schools healthy: Rotarians are providing clean, fresh water to every public school in Lebanon so students can be healthier and get a better education.

Enhancing educational systems: In Kenya, Rotary clubs are working with the Global Partnership for Education and local and national governments to advance life-long learning opportunities for poor and marginalized children.

" When you teach somebody how to read, they have that for a lifetime. It ripples through the community, one by one. "

Prayer :

Almighty God, we invoke a blessing upon this occasion of Rotary fellowship. Make us aware of the deeper significance of our meeting as we develop our friendships as the source of Rotary service~service radiating from this community to the wider community beyond. Amen. Our Father who art in Heaven, may we, from the memories of this hour, derive inspiration that will be helpful to us individuals and as members of Rotary, and may it go with us in our daily walks of life and make us worthy of Thy blessing. We as in Thy Name. Amen.

Trustee Chair's Message

In late 1914, Europe was divided by hundreds of miles of trenches. British and French forces on one side were within shouting distance of German troops on the other. The pope made a plea for a Christmas truce, but the shooting continued.

Then, on Christmas Eve, soldiers from behind British lines heard an unexpected sound — not gunfire, but singing. Next, they heard a single voice shout out, "English soldier, merry Christmas!" followed by "English soldier, come out to join us!"

Both sides cautiously emerged over the parapet into the no man's land between the trenches. Before long, the soldiers realized that it was a real truce. They fraternized, singing Christmas carols, exchanging souvenirs and whiskey, and even taking up a friendly soccer match.

The cease-fire continued only two days before the troops returned to their trenches, resuming bloodshed for nearly four long years. But the story of the Christmas truce reminds us that peace is possible, if we choose to accept it. If peace can last a few days, could it not also last months or years? And how do we prevent conflict in the first place?

In his Nobel Peace Prize lecture in 1964, American civil rights leader Martin Luther King Jr. said, "We must concentrate not merely on the negative expulsion of war, but on the positive affirmation of peace."

With Positive Peace, our society's structures, policies, and everyday attitudes and actions promote justice at all levels, sustaining a peaceful coexistence. It's an answer to the calls for justice and peace we have heard on the streets in protests from Minneapolis to Paris this year.

Positive Peace, studied at our Rotary Peace Centers around the world, is not just an academic idea for the Rotary Peace Fellows. Through Rotary's partnership with the Institute for Economics and Peace, the Rotary Positive Peace Academy offers free training to every Rotary member on how to wage Positive Peace in every project we do at the grassroots level, including Foundation grants.

Positive Peace resonates at all levels of The Rotary Foundation. Our literacy projects help children gain equal access to literacy, so opposing sides on an issue can understand each other better. Through our Foundation grants that provide clean water, communities gain stability, as more children stay in school rather than fetching water for hours on end.

Our role as civil society leaders who wage Positive Peace will continue to expand, not only through partnerships and more grants, but also through our hearts, minds, and hands as we offer our gifts to make the world a better place.

K.R. Ravindran
Trustee Chair 2020-21

HOLGER KNAACK

President 2020-2021

September 2020

Rotary youth exchange — one of the many programs for youths and young adults that we celebrate this month — was my path into true engagement in Rotary. My wife, Susanne, and I began hosting exchange students soon after I joined, and the experience helped me go from simply being a member of my Rotary club to being a true Rotarian. Now Rotary Youth Exchange is a family tradition, and a strong one: Over the past 24 years, we have hosted 43 students!

From the start, we loved it so much that, in addition to hosting students in our home, we became involved with the program by helping to organize student summer camps. During one such camp, I met Christine Lichtin, who was a German high school student at the time and whose father is a past president of my Rotary club. To try something new during this year of embracing change, I am turning this space, normally reserved for the president of Rotary, over to Christine so she can share her story.

My first contact with Rotaract was about 13 years ago, when I was with Susanne and Holger at a barbecue for the summer youth camp. Holger turned to me and said: "Why don't you visit a Rotaract club? You'll meet a lot of great young people who come together to have fun and to make a difference."

A few years later, when I was at Trier University, his words came back to me and I decided to give it a try. That was more than eight years ago, and I'm still at it. Once you are in Rotaract, you just don't want to get out. Rotaract has accompanied me everywhere, starting with the Trier club and then on to a club in Bologna, Italy, during the year I studied there. When I was in Kiel for my master's degree, I got involved with Rotaract there before landing at the Rotaract Club of Hamburg-Alstertal as I began my career. Each of those clubs has its own identity and focus, but all have the same intrinsic motivation.

I am now taking on a senior advisory role in my Rotaract club, which I really enjoy. I carry Rotaract in my heart, and it shapes my values, even as my interests evolve. One day, as if she had sensed this evolution, Susanne knocked on my door, wanting to introduce me to a young, modern Rotary club located between Hamburg and Mölln, my hometown. The E-Club of Hamburg-Connect, which Susanne helped charter, holds e-meetings, all of them very relaxed and personal. With members of different ages, everything just seemed to fit, so I thought, why not try it out? After all, time is precious and should be filled with fun whenever possible; the rest happens by itself.

Now I am in both worlds — a proud member of Rotaract and a Rotarian. And my small personal goal is to build a bridge between these two parallel worlds. All of us have very similar reasons for being part of the Rotary family.

It took some persistence to persuade Christine to become a member of Rotary, but it was well worth the effort. It is our duty to put in this kind of effort with youth program participants and Rotaractors so we can keep them in the family of Rotary. I hope you were inspired by her story. It's up to each of us to ensure that more young people like Christine can experience the many ways Rotary Opens Opportunities for us and for the people we serve.

President's Corner

One of the most fulfilling undertaking in my life is joining Rotary which offers countless opportunities to give back to the communities that we serve, and beyond, in ways that we may not know of.

The challenges that we face at the moment may be unsettling, but we always remember the strength that Rotary binds us so that we begin to find solutions through our creativity, resources, network, and our unending dedication.

Through the Rotary Guiding Principles which was developed to provide Rotarians with a strong common purpose and direction, our relationship with each other becomes more secure as we further take actions that will open doors of opportunities to people in our community.

Hence, last August 27, 2020, we had our 2nd Area Coordination Meeting

(ARCOM) at 129 Café, Big 8 Corporate Hotel attended by all the Cub Presidents and Secretaries in Area 2D, AG Neal Ararao and District RYLA Chair/ PAG Arnold Nicolas. We presented the different Club projects that were accomplished and the up-coming projects that will take place in the next month. We further discussed the plans for the Tree Planting and Mangrove Planting which our District will hold together. Indeed, the Rotary Clubs in our District are working together to deliver projects that may be beneficial to our community in this time of Pandemic.

I would like to take this opportunity to announce the upcoming District 3860 Membership Training Seminar via ZOOM Meeting on September 19, 2020 starting at 12 noon to be attended by the Club President, Secretary, Club Membership Team and the District Officers.

Also, in behalf of all the members of our Club, I would like to greet IPP Dodz Siscon a Happy Birthday. May God grant you good health and happiness always.

Thank you for your dedication to Rotary Service, and for keeping your promise to support me as President of this Club.

MAE T. DALISAY, PHF+5
Transforming President

ROTARY'S CORE VALUES

THIS IS WHAT WE ARE ALL ABOUT.

Rotary PEOPLE OF ACTION

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president
Jean Sibelius, Finnish composer
Dr. Charles H. Mayo, co-founder of Mayo Clinic
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate
Thomas Mann, German novelist and Nobel laureate
Friedrich Bergius, German chemist and Nobel laureate
Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut
Edgar A. Guest, American poet and journalist
Sir Harry Lauder, Scottish entertainer
Franz Lehár, Austrian composer
Lennart Nilsson, Swedish photographer
James Cash Penney, founder of JC Penney Co.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

Rotary congratulates African region on becoming wild poliovirus-free

FIVE OUT OF SIX WORLD HEALTH ORGANIZATION REGIONS ARE NOW WILD POLIO-FREE

EVANSTON, Ill. (June 23, 2020) — Rotary and its partners in the Global Polio Eradication Initiative (GPEI) are proud to announce an historic public health achievement as the World Health Organization's African region is now certified wild poliovirus-free.

The milestone comes four years after Nigeria – the last polio-endemic country in Africa – recorded its final case of wild poliovirus following decades of effort from GPEI partners, local and national leaders, and health workers throughout the African region. Over the course of the effort, 9 billion doses of oral polio vaccine have been administered, hundreds of millions of children have been immunized, and 1.8 million cases of wild poliovirus have been averted throughout the region.

Today's announcement is in part a result of the cumulative actions of Rotary and its members, who have contributed nearly US\$890 million—and countless volunteer hours—to eliminate polio in the African region. "In the face of a pandemic, the world has had very little good news to celebrate in global health this year, and the challenges ahead are formidable," said Rotary International President Holger Knaack. "That is why we must recognize this great achievement and commend all of the people who played important roles in eradicating wild polio in the African region. It took tremendous effort and partnership over many years. I'm particularly grateful for the Rotary members throughout Africa and around the world who have dedicated themselves to making polio a disease of the past."

The road to the African region's wild poliovirus-free certification has been paved by the dedication of health workers—mainly women—who traveled by every form of transportation imaginable to reach children with the polio vaccine; those who found solutions for reaching children in regions rife with conflict and insecurity; those leading surveillance activities to test cases of paralysis and check sewage for the virus, and the leadership of all 47 countries in the African region.

Polio vaccination efforts throughout the African region must continue, and routine immunization must be strengthened to keep immunity levels high so the wild poliovirus does not return and to protect children against rare occurrences of circulating vaccine-derived poliovirus. The wild virus continues to circulate in Afghanistan and Pakistan, and as long as it circulates anywhere, all children are at risk.

Rotary's nearly 32,000 members in Africa have played a critical role in helping the region achieve its wild polio-free status by holding events to raise funds and awareness for polio, and working with world governments and national and local leaders to secure funding and support for polio eradication. Rotary members around the world have donated their time and money to supporting polio eradication, the organization's top priority.

About Rotary

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. We connect 1.2 million members from more than 36,000 Rotary clubs in almost every country in the world. Their service improves lives both locally and internationally, from helping those in need in their own communities to working toward a polio-free world.

About Rotary and Polio

Rotary has contributed more than \$2.1 billion to fight polio, and countless volunteer hours since launching its polio eradication program, PolioPlus, in 1985. In 1988, Rotary formed the GPEI with the World Health Organization, UNICEF, and the U.S. Centers for Disease Control and Prevention. The Gates Foundation, and Gavi, the Vaccine Alliance later joined. When the initiative launched, there were 350,000 cases of polio every year. Today the incidence of polio has plummeted by more than 99.9 percent. Visit Rotary.org and endpolio.org for more about Rotary and its efforts to eradicate polio.

African region free of wild poliovirus

by Ryan Hyland

Rotary and its GPEI partners celebrate a monumental achievement, say global eradication of wild polio is possible with the continued dedication and persistence of Rotarians

The World Health Organization (WHO) on 25 August announced that transmission of the wild poliovirus has officially been stopped in all 47 countries of its African region. This is a historic and vital step toward global eradication of polio, which is Rotary's top priority.

After decades of hard won gains in the region, Rotary and its partners in the Global Polio Eradication Initiative (GPEI) — WHO, U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and Gavi, the vaccine alliance — are proclaiming the milestone an achievement in public health. They offer it as proof that strong commitment, coordination, and perseverance can rid the world of polio.

The certification that the African region is free of wild poliovirus comes after the independent Africa Regional Certification Commission (ARCC) conducted thorough field verifications that confirmed no new cases and analyzed documentation of polio surveillance, immunization, and laboratory capacity by Cameroon, Central African Republic, Nigeria, and South Sudan. The commission had already accepted the documentation of the other 43 countries in the region.

The last cases of polio caused by the wild virus in the African region were recorded in Nigeria's northern state of Borno in August 2016, after two years with no cases. Conflict, along with challenges in reaching mobile populations, had hampered efforts to immunize children there.

Now that the African region is free of wild poliovirus, five of WHO's six regions, representing more than 90 percent of the world's population, are now free of the disease. Polio caused by the wild virus is still endemic in Afghanistan and Pakistan, in the WHO's Eastern Mediterranean region.

The African region's wild polio-free certification was celebrated during a livestream event. Speakers included Nigerian President Muhammadu Buhari, Bill Gates, Rotary International President Holger Knaack, Nigeria PolioPlus chair Dr. Tunji Funsho, and representatives of other GPEI partners. The celebration was followed by a press conference.

In the program, Knaack spoke about people needing good news during the ongoing COVID-19 pandemic. "The challenges ahead are formidable," Knaack said. "That's why we must recognize this great achievement and commend all the people who played important roles in reaching this milestone. It took tremendous effort over many years."

An achievement decades in the making

Not detecting any wild poliovirus in Africa is in stark contrast to the situation in 1996, when 75,000 children there were paralyzed by the disease. That year, at a meeting of the Organization of African Unity in Cameroon, African heads of state committed to eradicating the disease from the continent.

To bolster the effort, also in 1996, Rotary, its GPEI partners, and South African President Nelson Mandela launched the Kick Polio Out of Africa campaign. Using soccer matches and celebrity endorsements, the campaign raised awareness of polio and helped more than 30 African countries to hold their first National Immunization Days. Mandela's call to action helped mobilize leaders across the continent to increase their efforts to reach every child with polio vaccine.

Since 1996, countless Rotary members from across Africa and around the world have raised funds, immunized children, and promoted vaccinations, enabling the GPEI to respond to and stop polio outbreaks. More than 9 billion doses of oral polio vaccine have been provided throughout the region, preventing an estimated 1.8 million cases of paralysis. Each year, about 2 million volunteers help vaccinate 220 million children against polio multiple times in the African region.

Rotary members have contributed nearly \$890 million toward polio eradication efforts in the African region. The funds have allowed Rotary to issue PolioPlus grants to fund polio surveillance, transportation, awareness campaigns, and National Immunization Days.

Dr. Tunji Funsho, chair of Rotary's Nigeria PolioPlus committee, noted Rotarians' tremendous contributions to polio eradication efforts in Africa: "From raising funds and immunizing children, to providing 'polio plusses,' such as soap and health kits, Rotary members have shown resilience and steadfast dedication to our top priority of ending polio."

Rotary members have helped build extensive polio infrastructure that has been used to respond to COVID-19 and, in 2014, the Ebola crisis, as well as to protect communities from yellow fever and bird flu.

Challenges still ahead

The GPEI's challenge now is to eradicate wild poliovirus in the two countries where the disease has never been stopped: Afghanistan and Pakistan. Additionally, routine immunization in Africa must also be strengthened to keep the wild poliovirus from returning and to protect children against circulating vaccine-derived poliovirus, which is rare but continues to infect people in parts of the African region.

To eradicate polio, multiple high-quality immunization campaigns must continue to be given priority. Even during the COVID-19 pandemic, it's necessary to keep children vaccinated against polio while also protecting health workers from COVID-19 and making sure they don't contribute to its transmission.

Global health officials and experts say that sustained fundraising and advocacy are still crucial, not only to protect gains in Africa, but to reach the ultimate goal of a world without polio. Rotary members still have a critical role to play in keeping the African region free of wild poliovirus and eliminating the virus in the two countries where polio remains endemic.

As Knaack said, "This is a big step in our journey to a polio-free world, but the fight is not over yet. We still need the support of our Rotary members, donors, and heroic effort of health care workers to finish the job."

We're free from Polio

HETO ANG MGA PARAAN KUNG PAANO MAGING BIDA!

BAWAL WALANG MASK!

Magsuot ng face mask tuwing lalabas ng bahay:

- Suotin ito at tiyaking natatakpan ang iyong bibig at ilong
- Pagdating ng bahay, tanggalin ang iyong face mask mula sa likod nang hindi hinahawakan ang harap ng iyong mask
- Itapon o labhan ito kaagad

I-SANITIZE ANG KAMAY! IWAS HAWAK SA MGA BAGAY!

Hugasang mabuti ang mga kamay gamit ang tubig at sabon sa loob ng 20 segundo o linisin ang mga kamay gamit ang 70% isopropyl o 60% ethyl alcohol/alcogel:

- Paguwi mo sa bahay
- Kapag hinawakan mo ang mga common surfaces (Hal. hawakan ng pinto, upuan, pindutan ng elevator, ATM machine, atbp.)
- Bago at pagkatapos ilagay ang iyong face mask
- Bago ka kumain
- Pagkatapos gamitin ang banyo
- Bago at pagkatapos hawakan ang iyong mukha

Linisin at i-disinfect isang beses kada araw ang mga madalas na hinahawakang surfaces:

- Hawakan ng pinto
- Switch ng ilaw
- Remote control
- Cellphone
- Iba pa (isulat dito): _____

DUMISTANSYA NG ISANG METRO!

Ugaliing mag physical distancing kapag nasa labas ng bahay:

- Panatilihin ang 1 metro (2 dipa) o higit pang puwang mula sa iyo at sa ibang tao
- Limitahan ang pagpunta sa nakukulong at masikip na lugar

ALAMIN ANG TAMANG IMPORMASYON!

Magbasa at makinig lamang sa official sources. Isip-isip muna bago mag-share!

- Basahin at pakinggan ang balita nang maigi
- I-tsek kung galing sa official website or source (huwag maniwala sa finorward lamang!)
- Naayon ba ito sa official advice?

KUNG CHECK ANG LAHAT, I-SHARE NA!

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

Founded: 28 October 1962

Rotary Community Corps is a group of people who share our commitment to changing the world through service projects. Rotary Community Corps members plan and carry out projects in their communities and support local Rotary club projects but are not members of a Rotary club

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC Waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program D3860. The outbound team members include: Dr. Nanette Perido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992, a project that helps rehabilitate the mangrove forest of Tagum City and its neighboring areas. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magugpo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its inception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

- **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).

- **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.

- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-Asa Davao.

Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan. The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USA, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagop Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main focus on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layora and assemblies throughout Davao Region.
