GOLDEN **ROTA**NEWS

EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

DISTRICT GOVERNOR'S OFFICIAL VISIT

District Governor's Visit Protocol Once a year, the District Governor makes an official visit to each club in the district, between July 1st and December 31st.

The purpose of the visit:

To allow the District Governor to communicate directly with all Rotarians in our District.

To listen to the Club Leadership and gain better understanding of their club.

To provide helpful and friendly advice to club officers as requested and to answer questions about Rotary International and the District.

To serve as a catalyst to help strengthen the programs of Rotary.

To meet the requirements that Rotary International sets for serving in the office of District Governor.

Process:

Prior to the District Governor's visit (preferably prior to July 1st), Assistant Governors (AGs) will meet with the club officers to review the club's Summary of the Club Plans and Objectives (see Official Visits by AG's below). The AG will meet with District Governor prior to his/her official visit to each club in that area. Additionally, the Assistant Governor for the area will work with the club leadership to confirm the meeting and accommodation arrangements.

Viewing your community and projects:

Please schedule a short tour for the District Governor and spouse of your community to include Rotary Projects.

Meeting Procedures:

The District Governor, while serving as District Governor Elect, attends a week long training seminar and has the opportunity to receive information from the RI President Elect. Values, vision and programs are reviewed at this time. During the Official Visit, the District Governor is required to share with all clubs in the district, the programs and their purpose. ☑ The District Governor and spouse are guests of your club for the Rotary meeting. You are encouraged to include the spouses of the members at this special meeting, or perhaps have an evening meeting which will include them. ☑ The Governor's presentation is the program for the club meeting and it is not appropriate to schedule any other program that day. You should allow the DG a minimum of 30 minutes for the presentation.

The Governor's visit is a very special occasion and an opportunity for potential members, and members of the family of Rotary to learn more about Rotary. You are encouraged to invite spouses or other business leaders. ☑ Encourage members to plan arriving early for the meeting and staying late in order to meet with the District Governor. Presentations of Paul Harris Fellowships, inductions of new members and other honours are especially appropriate during the District Governor's visit and the District Governor should be asked to participate in such events.

The District Governor will wish to meet with the Club Board and Committee Chairs before the Club meeting. This meeting usually takes place the morning of, or evening before the Club Meeting. The meeting is open to any member of the Club who wishes to attend. Please allow up to two hours for this meeting.

September 2020

Rotary youth exchange — one of the many programs for youths and young adults that we celebrate this month — was my path into true engagement in Rotary. My wife, Susanne, and I began hosting exchange students soon after I joined, and the experience helped me go from simply being a member of my Rotary club to being a true Rotarian. Now Rotary Youth Exchange is a family tradition, and a strong one: Over the past 24 years, we have hosted 43 students!

From the start, we loved it so much that, in addition to hosting students in our home, we became involved with the program by helping to organize student summer camps. During one such camp, I met Christine Lichtin, who was a German high school student at the time and whose father is a past president of my Rotary club. To try something new during this year of embracing change, I am turning this space, normally reserved for the president of Rotary, over to Christine so she can share her story.

My first contact with Rotaract was about 13 years ago, when I was with Susanne and Holger at a barbecue for the summer youth camp. Holger turned to me and said: "Why don't you visit a Rotaract club? You'll meet a lot of great young people who come together to have fun and to make a difference."

A few years later, when I was at Trier University, his words came back to me and I decided to give it a try. That was more than eight years ago, and I'm still at it. Once you are in Rotaract, you just don't want to get out. Rotaract has accompanied me everywhere, starting with the Trier club and then on to a club in Bologna, Italy, during the year I studied there. When I was in Kiel for my master's degree, I got involved with Rotaract there before landing at the Rotaract Club of Hamburg-Alstertal as I began my career. Each of those clubs has its own identity and focus, but all have the same intrinsic motivation.

I am now taking on a senior advisory role in my Rotaract club, which I really enjoy. I carry Rotaract in my heart, and it shapes my values, even as my interests evolve. One day, as if she had sensed this evolution, Susanne knocked on my door, wanting to introduce me to a young, modern Rotary club located between Hamburg and Mölln, my hometown. The E-Club of Hamburg-Connect, which Susanne helped charter, holds e-meetings, all of them very relaxed and personal. With members of different ages, everything just seemed to fit, so I thought, why not try it out? After all, time is precious and should be filled with fun whenever possible; the rest happens by itself.

Now I am in both worlds — a proud member of Rotaract and a Rotarian. And my small personal goal is to build a bridge between these two parallel worlds. All of us have very similar reasons for being part of the Rotary family.

It took some persistence to persuade Christine to become a member of Rotary, but it was well worth the effort. It is our duty to put in this kind of effort with youth program participants and Rotaractors so we can keep them in the family of Rotary. I hope you were inspired by her story. It's up to each of us to ensure that more young people like Christine can experience the many ways Rotary Opens Opportunities for us and for the people we serve.

Trustee Chair's Message

In late 1914, Europe was divided by hundreds of miles of trenches. British and French forces on one side were within shouting distance of German troops on the other. The pope made a plea for a Christmas truce, but the shooting continued.

Then, on Christmas Eve, soldiers from behind British lines heard an unexpected sound — not gunfire, but singing. Next, they heard a single voice shout out, "English soldier, merry Christmas!" followed by "English soldier, come out to join us!"

Both sides cautiously emerged over the parapet into the no man's land between the trenches. Before long, the soldiers realized that it was a real truce. They fraternized, singing Christmas carols, exchanging souvenirs and whiskey, and even taking up a friendly soccer match.

The cease-fire continued only two days before the troops returned to their trenches, resuming bloodshed for nearly four long years. But the story of the Christmas truce reminds us that peace is possible, if we choose to accept it. If peace can last a few days, could it not also last months or years? And how do we prevent conflict in the first place?

In his Nobel Peace Prize lecture in 1964, American civil rights leader Martin Luther King Jr. said, "We must concentrate not merely on the negative expulsion of war, but on the positive affirmation of peace."

With Positive Peace, our society's structures, policies, and everyday attitudes and actions promote justice at all levels, sustaining a peaceful coexistence. It's an answer to the calls for justice and peace we have heard on the streets in protests from Minneapolis to Paris this year.

Positive Peace, studied at our Rotary Peace Centers around the world, is not just an academic idea for the Rotary Peace Fellows. Through Rotary's partnership with the Institute for Economics and Peace, the Rotary Positive Peace Academy offers free training to every Rotary member on how to wage Positive Peace in every project we do at the grassroots level, including Foundation grants.

Positive Peace resonates at all levels of The Rotary Foundation. Our literacy projects help children gain equal access to literacy, so opposing sides on an issue can understand each other better. Through our Foundation grants that provide clean water, communities gain stability, as more children stay in school rather than fetching water for hours on end.

Our role as civil society leaders who wage Positive Peace will continue to expand, not only through partnerships and more grants, but also through our hearts, minds, and hands as we offer our gifts to make the world a better place.

President's Corner

MAE T. DALISAY, PHF+5
Transforming President

Greetings to our Honorable District Governor Rodel Riezl S. Reyes and his Team; and to my dear Fellow Rotarians of the Rotary Club of Tagum North!

September is another challenging month filled with activities whether be it by Virtual technology, which were attended by a few of our members because of poor internet connections or difficulty in managing how to properly use the technology; and "face-to-face," which were only attended by a few of our members due to the restrictions set by present COVID-19 Pandemic. However difficult it may seem, I am sure that we are "ONE" in mind and spirit that these projects and activities be delivered to our communities successfully.

Rotary Club of Tagum North continues to be an active member of the Council of PINK TAGUM since 2016. This is a Breast Cancer Advocacy Program which started in 2013, and is hosted by the Living Hope Cancer Survivors' Club in collaboration with the City Government of Tagum. It aims to increase breast cancer awareness not only amongst Tagumeños, but the neighboring provinces, that there is Life and Hope after Breast Cancer and that early detection is the best prevention. RCTN actively participated in the planning of the event done in the entire period of August 2020; and September 2020 was spent on advertising the said event through a series of Radio and TV guestings in the Provincial Information Office and City Information Office. Virtual Recordings of some of the activities for the event were also done in various locations. PINK TAGUM has dubbed this year's event as "#PINK ENCOUNTERS." And so this coming October, we have prepared a series of virtual activities e.g. Stories of Hope, Consultation on Air, Virtual Veggie Cooking, Virtual Pink N Fit Zumba, and Video Making Contest.

Rotary Club of Tagum North also actively participated in the recent Area 2D Mangrove Planting led by the Rotary Club of Central Panabo City last September 25, 2020 in Panabo City. This was attended by our DG Rodel Riezl S. Reyes and DS Cary H. Beatisula, AG Neal M. Ararao and Rotarians in Area 2D (Rotary Club of Tagum, Rotary Club of Tagum North, Rotary Club of Golden L.A.C.E.S., and Rotary Club of Central Panabo City). Indeed, it was an enjoyable event where we get to work together for a common goal: reduction of shoreline erosion and protection of coastal communities against coastal flooding, high winds and waves, and tsunamis.

On the same day, we also had our 3rd Area Coordination Meeting (ARCOM) presided by AG Neal M. Ararao, and attended by the Area 2D Club Presidents and Club Secretaries, District Awards Chair/PAG Arlene J. Adlawan and District RYLA Chair/PAG Arnold M. Nicolas.

COVID-19 Pandemic did not hinder Rotary to deliver help to our communities and nearby provinces. It has taught us adapt, to be more creative and resilient in meeting this challenge. Crisis presents a convergence of both danger and opportunity. Connectivity facilitates access to opportunity. Let us continue to keep Rotary a beacon of hope to humanity. Also, we turn-over 210 pcs. of KN95 Respiratory mask at Davao Regional Medical Center last September 24, 2020.

The District Governor's Profile

RODEL RIEZL S. REYES believes that the opportunity to lead the District is an honor and a privilege to give back to Rotary what he has achieved in his 22 years of dedicated and committed service in doing good with the community.

A third generation Rotarian, he was destined to serve the District drawing inspiration from his father, the late Roberto C. Reyes, past president of the Rotary Club of South Davao. His journey as a Rotarian began when he was inducted as member of the Rotary Club of Metropolitan Davao in September 1998, with his friends in the same line of business. In August 2001, he joined the Rotary Club of East Davao and ascended the club leadership ladder to become its 41st President in RY 2005-06. Throughout his 16 years in Rotary, he displayed admirable leadership skills that paved the way for him to be appointed various key positions within and beyond the club level having served as conference and training chair, resource speaker and district officer that enriched his knowledge in Rotary and honed him to lead us in this coming Rotary year.

He then continued to serve Rotary beyond the club level as twice Assistant Governor in RY 2006-2008. A Senior Assistant Governor for Operations in RY 2012 -13 and for Administration in RY 2014 -15. He also handled various district committees such as membership chair, Annual Programs and Polio Fund Chair, World Community Service (WCS) district officer and the Group Study Exchange Chair.

For District 3860 to thrive, DGE Riz believes that Rotarians must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, commitment."

His top priority is to increase membership, which he believes as the bedrock of Rotary. The campaign on membership has to continue with focus on the younger generation, the lifeblood of Rotary. He is also looking at the opportunity to attract and entice former Rotarians back into the folds of Rotary service.

A TRF Major Donor and Paul Harris Society member, he will continue to work on increasing members' contribution to The Rotary Foundation and ensure that all the 98 clubs contribute to the Annual Programs Fund and Polio fund.

He envisions District 3860 boldly and creatively engaging the community to proactively participate in END POLIO NOW campaign.

His passion for everything and anything in Rotary that spanned for 22 years of his life earned him several recognitions from his club as twice Rotarian of the Year; consistent Presidential Leadership awardee; and has maintained his perfect attendance for the past 20 years.

He is also a recipient of several Rotary International recognitions such as the Four Avenues of Service award, TRF Distinguished Service Award and the TRF Meritorious Service Award.

He is also involved in various charitable organization and socio-civic organization like the Maharlika Charity Foundation as VP- Operations, Smile Train Philippines as Davao City coordinator, The Most Worshipful Grand Lodge of Free and Accepted Mason as DDGM in 2008, and a Past Grand Master of the Supreme Council Order of DeMolay.

Professionally, he joined SGV & Company based in Makati right after his graduation in 1983. In the same year, he passed the Certified Public Accountancy Board Examination. He is a proud graduate of San Beda College. In 1986 he was engaged by San Miguel Corporation Audit and Finance group. In 1990, a call for family duty brought him back to Davao to take care of the family business.

He is happily married to Anne Marie C. Lopez, a daughter of former Davao City Mayor Elias B. Lopez. Blessed with an only son Roberto Elias who is currently working in Manila.

He believes that District 3860 will adapt to a rapidly changing world by embracing innovation within the guidelines of our tradition and values. By aggressively embracing new technologies, social media and new opportunities, individual and businesses will see that Rotary helps promote a good civic and public image while adding credibility.

As Rotarians we are still Blessed to take on leadership at this wonderful but very challenging moment of our organization. Let us together embrace the new year as Rotary Opens Opportunities.

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

Rotary

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL
& BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL
to all concerned?

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
