421 LIVING HOPE

THE OFFICIAL PUBLICATION OF THE ROTARY CLUB OF TAGUM NORTH
VOLUME 33 | NO. 16 | October 13, 2020

GOLDEN ROTANEWS

EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

The Golden ROTAnews is the official weekly magazine of the Rotary Club of Tagum North. It is regularly distributed during clubs weekly meetings and posted in Rotary Club of Tagum North Fun page. Members are encouraged to compose and submit articles , stories, features, and digital photographs. Correspondence can be addressed by email to amn_1309@yahoo.com on or before Friday of each week. The manuscript shall observe copyright laws. Excerpts shall recognize and the Golden ROTAnews as the original source.

The Cover

The cover of the Golden ROTAnews, Our cover features Pink Tagum Cake. The Pink Tagum is a breast cancer advocacy program hosted by the Living Hope Cancer Survivor's Club in collaboration with City Government of Tagum, Rotary Club of Tagum North, Davao Regional Medical Center, and Philippine Society of Medical Oncology.

EDITORIAL

October (Breast Cancer Awareness Month)

October is Breast Cancer Awareness Month, which aims to improve public awareness regarding this deadly disease. According to the World Health Organization, breast cancer is the leading cause of death in women, after skin cancer, worldwide.

Breast Cancer Awareness Month is a campaign held annually in October, usually organized by major breast cancer charities, to raise awareness about the disease and to raise fund for treatments, prevention and research. These days, government organizations and corporations have also started getting very involved in this cause.

In many countries around the world, breast cancer is the most common form of cancer among women, and as such, it's really important that everyone has this information on their fingertips. In Philippines itself, there were 24,798 new cases of breast cancer diagnosed in 2018*.

* Based on statistics from The Global Cancer Observatory

Breast cancer charities and health organizations are not just wanting to push the statistics related to the disease, but more importantly, send the message that early detection is the best way to deal with it. Mammography screenings are the most effective, but regular self-examinations can be very useful too.

Wearing the Pink Ribbon

Since the 1990s, the Pink Ribbon has been used as a symbol for breast cancer awareness. You might have seen your friends wear this ribbon over the years – they might be survivors or have been affected by the disease. People also wear the pink ribbon just to show support, so consider wearing one this month too to show your solidarity. By doing this, you will help raise awareness on the importance of early detection to battle breast cancer.

President 2020-2021

October 2020

During a recent Zoom meeting with Rotarians and Rotaractors, I looked at the smiling faces on my screen and realized how much our organization has changed in a short period. It is clear that there is no going back to the "old normal" in Rotary — and I see that as an exciting opportunity!

Innovation and change are happening at so many levels as we rethink and remake Rotary. Rotary's new flexibility is blending with digital culture to drive change in ways that many of us have never seen before. We can learn a lot from Rotarians like Rebecca Fry — who, at age 31, already has 15 years of Rotary experience. I see Rotary as a phenomenal platform to change the world. I believe I can have the greatest influence by empowering others to create the change they wish to see in the world. I've gained leadership insights through my experiences in RYLA and Rotaract, and now, as charter president of the Rotary Social Impact Network, a new e-club.

Engaging Rotary program alumni is key in forming new clubs. Our club is proof that Rotaractors and other alumni want to join Rotary — but sometimes they can't find the Rotary club that's right for them. Our club has 31 members, all between the ages of 23 and 41, and almost all of them are alumni of Rotary programs. We need to be able to integrate and align Rotary with the other personal and professional goals we're pursuing. In chartering this club, we set out to design a personalized model of Rotary that is focused on added value for our members. We have also sought to leverage connections — through Rotary Fellowships, Rotary Action Groups, and other international partnerships — in order to elevate our members' experiences beyond the club.

Our club meets and manages most of its projects online, using Microsoft Teams to engage 24/7 in topics that interest our members. This also means our club is not geographically bound to any one location: Although many of us are in Australia, we also have members in Germany, Italy, Mexico, Tanzania, and the United States.

Also key for our club is measuring the impact of our projects. For Plastic Free July this year, we created an awareness campaign promoting ways that individuals could reduce their use of plastics, and we reached more than 6,000 people. It's a project with a tangible impact that anyone can take part in wherever they are. I'm proud that, through our club, we are bringing people together for a new type of Rotary experience. I am excited for our future.

All Rotary clubs have the opportunity to be innovative clubs, just like Bec's club. Let's trust those clubs, learn from them, and lend them our support. Change in Rotary happens at the grassroots level, as clubs lead the charge, defining what this new Rotary can be.

Change is constant, and we have more work to do in many areas. It is important that we celebrate the contributions of people of all backgrounds and promote people from underrepresented groups so that they have greater opportunities to participate as members and leaders in Rotary.

The tools to make Rotary more inclusive, more relevant, and more fun for everyone are at our fingertips. Let's use them now, and we will see how Rotary Opens Opportunities for ourselves and for those yet to discover us.

Trustee Chair's Message

In the early 1990s, polio was still a concern in my country. As the Sri Lanka Polio-Plus Committee chair, I was part of a task force of Rotarians, government officials, and UNICEF representatives that drove all polio eradication efforts, including National Immunization Days (NIDs).

But those were difficult days; civil war was raging in Sri Lanka. The government said NIDs could happen only outside conflict zones. This meant one-third of the country's children would not be vaccinated — an unacceptable proposition.

Rotary stepped in with UNICEF to engineer a cease-fire. Establishing contact with one of the world's most feared and elusive rebel leaders was not easy, and we were careful to maintain Rotary's good name during negotiations.

A few weeks later, my secretary delivered a letter to my office, her hands shaking. Signed by the rebel leader himself, it read: "Dear Mr. Ravindran: If you can persuade your government to stop the war for two days, then we are willing to lay down our guns for two days too, for our war is not with children."

Soon the NID was on, and vehicles bearing the Rotary emblem traveled to the vaccination booths in the areas occupied by insurgents, receiving the same respect and courtesy as the Red Cross.

Obstacles can seem insurmountable until we overcome them.

In March 2020, the polio program made the tough decision to temporarily suspend polio immunizations while the polio infrastructure that Rotary members had helped build was used for COVID-19 response. But with the wild poliovirus now banished from the African region and circulating in just two remaining countries, we continue to move forward. Our history shows that we can overcome even the most difficult situations. But we can't do it without your help.

World Polio Day is 24 October, and it's the greatest opportunity we have to raise funds and awareness for Rotary's polio eradication efforts. Visit endpolio.org/worldpolioday to get tools for planning virtual events and fundraisers, and to register your club's event.

Please consider making a donation to End Polio Now, to be matched 2-to-1 by the Bill & Melinda Gates Foundation. In the face of a pandemic, there is a serious risk of further spread of polio. Your support is more important than ever, and it will ensure that together we can tackle the remaining obstacles and achieve a polio-free world.

K.R. Ravindran
Trustee Chair 2020-21

October 2020

President's Corner

Greetings to my fellow Rotarians!

" Doing what you like is Freedom; Liking what you do is Happiness."

- Anonymous

The past week was another fulfilling week for the Rotary Club of Tagum North. First and foremost, we were able to reach out to a number of people in terms of donating Life Skills Curriculum Modules for Tagumpay Palengskwelahan Learning Center and donation of face masks to the Tagumpay Korean Language Center both in Bgy. West, Tagum City, Davao del Norte.

Also, we had another Rotary Service Caravan, an hour's ride through rough roads and mountainous terrain in Sitio Talos, Barangay San Jose, Municipality of Sto. Tomas, Davao del Norte. We donated face masks, alcohol and face shields; school supplies; hygiene kits, and used clothing to a closely 100 students and residents. I would like to thank the generous hearts of those who contributed to this noble endeavor: AG Neal Ararao, PP Charles Aldwin Carpio, PP Ramel Lintuan, Rotarian Rommel Gomito; and to the Rotarians who were physically present during the activity: AG Neal Ararao, myself, PAG/ PP Arnold M. Nicolas, Sec. Marlou Fulo, PP Renie Sison, PP Charles Aldwin Carpio and spouse Odessa, Director Kevin Ahn and spouse Malou. I would also like to extend my heartfelt thanks to our GSE Alumnus, Dr. Melther Fe H. Perdido who donated 100 pcs. of toothbrushes. Her donation was timely as we celebrate "Rotary Reconnect Week."

Together with the Living Hope Cancer Survivors' Club and the City Government of Tagum, and RCTN, PINK TAGUM, a Breast Cancer Awareness Program, celebrated the second week of the Breast Cancer Awareness Month with two activities through Virtual Technology: 1. "Journey of Hope," where Breast Cancer Patients and Survivors shared their experiences on how they went through the Diagnosis and Treatment of their Breast Cancer, and how they dealt with their disease; 2. "Dibdibang Usapan" was another activity prepared by PINK TAGUM where anybody can throw questions regarding Breast Cancer to our expert Oncologist, Dr. Jenecar Erfe, through its FB web page.

As Rotarians, we abide by our motto: Service Above Self." We shall continue to deliver what is best for the people in our community amidst this pandemic ,and always take into consideration to abide by the strict rules that the Health officials has set to keep us always safe.

Keep safe everyone!

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

Organizer

October 2020

- 01 Pink Encounters, 12:30NN, 4th Floor, New City Hall
- 03 Rotary Service Caravan at Sitio Milako & Basak, Brgy. Sto Nino, Mun. of Talaigod
- 05-11 Rotary Alumni Reconnect Week
- 06 Turn-Over Modules at Tagumpay Palengskwelahan Learning Center
- 06 Turn-Over Surgical mask Korean Language Center
- 06 RC Compostela Club Visit, 1PM
- 06 15th Regular Weekly Meeting, F2F
- 08 Journey of Hope, 8:30-10:30Pm, 4th Floor AVR

- 26 Launching of Measles and Rubella Vaccination
- 27 18th Regular Weekly Meeting and 4th Regular Monthly Board Meeting

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president
Jean Sibelius, Finnish composer
Dr. Charles H. Mayo, co-founder of Mayo Clinic
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate
Thomas Mann, German novelist and Nobel laureate
Friedrich Bergius, German chemist and Nobel laureate
Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut
Edgar A. Guest, American poet and journalist
Sir Harry Lauder, Scottish entertainer
Franz Lehár, Austrian composer
Lennart Nilsson, Swedish photographer
James Cash Penney, founder of JC Penney Co.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

2020 RECONNECT WEEK

GET READY FOR RECONNECT WEEK 2020!

We are getting ready for Reconnect Week 2020. All around the world, Rotarians and alumni will gather to share their experiences, network with each other, and exchange ideas for staying involved in Rotary. As October 5-11 nears, we will continue to update this site. So keep checking back. Look at some of the posts below to inspire your next event to welcome your local alumni back to Rotary.

CELEBRATE ROTARY ALUMNI!

RECONNECT WEEK 5-11 OCTOBER, 2020

During this celebration, Rotary invites former Rotaractors, Interactors, Rotary Peace Fellows, Group Study Exchange, Rotary Scholars, Youth Exchange students, and other Rotary program alumni to renew their connection to Rotary.

Past program participants who have lost their active connection to Rotary can refresh their ties by visiting club meetings, helping with projects, and engaging online. By doing so, they can experience again how Rotary reshapes lives locally and globally.

Satellite Club FAQ

What is a satellite club?

Satellite clubs provide another option for creating Rotary clubs. A satellite club functions as a short-term, transitional step on the way to becoming a full, independent Rotary club.

This allows interested persons to become Rotarians without meeting the requirement of having at least 20 persons to organize a separate Rotary club. Rotarians who are absent from regular Rotary club meetings can make these up by attending satellite club meetings.

STARTING A CLUB

How does a club apply to have a satellite club?

The sponsor club president sends an [application](#) to [Club and District Support](#).

Is there a minimum or maximum number of members for a satellite club?

New satellite clubs must have at least 8 members at the time they form in order to satisfy the requirements of Article 13, Section 6(b) of the Standard Rotary Club Constitution. There is no maximum number of members.

Is there a minimum number of members for the sponsor club?

No. Clubs with fewer than 20 members can form a satellite club.

Is a satellite club sponsor the same as a new club sponsor?

No. The role and responsibilities of a new club sponsor are different.

Can a weak club convert to a satellite club and retain its charter and history?

If the members of a weak Rotary club want to become a satellite club, they must first resign their charter. They would then be free to form a satellite club and become members of the sponsor club. However, satellite clubs are not intended to strengthen weak clubs. If a club needs extra guidance and support, a district governor may assign a stronger club or a special representative to mentor the weak club.

Can Rotaract clubs be converted into satellite clubs as a transition to becoming a full Rotary club?

Yes. Some or all of the members of a Rotaract club may form or join a satellite club.

How are satellite clubs named?

Satellite clubs have the same name as the sponsor club plus a qualifier that distinguishes it from the sponsor, for example:

If the sponsor and satellite clubs meet at different times

Sponsor:	Rotary Club of Bangkok North
Satellite:	Rotary Satellite Club of Bangkok North Evening

If the sponsor and satellite clubs have different meeting locations

Sponsor: Rotary Club of Chicago Lakeview

Satellite: Rotary Satellite Club of Chicago Lakeview Broadway

How do satellite clubs change their names?

The sponsor or satellite club should contact [Club and District Support](#). The CDS representative will confirm the name change in writing with the sponsor club president and satellite club chair. No change will be made unless they are in agreement.

BOARD AND GOVERNANCE

Can satellite clubs create a separate board with a different set of officers from the sponsor club?

Satellite clubs set up their own board and have their own officers. However, instead of a president, a satellite club has a chair.

If there are two boards, how are disagreements handled?

The board of the sponsor club has the final authority when there are disagreements.

Does the leadership of the satellite club have a position on the sponsor club's board?

This is not required, but is highly recommended.

Can a satellite club have separate bylaws?

Yes. The satellite club determines its own bylaws in collaboration with its sponsor club.

Who decides where and when the satellite club meets?

The satellite club determines its meeting place and time in consultation with its sponsor club.

Does the satellite club meet together with the sponsor club?

The satellite club should have a separate meeting, although it may meet jointly with the sponsor club from time to time.

Can satellite clubs sponsor Interact or Rotaract clubs?

No. But if the satellite's sponsor club sponsors an Interact or Rotaract club, it may appoint a satellite club member to serve as the Rotarian contact and mentor for the Interact or Rotaract club.

Do satellite clubs need to set goals? Can they set goals in Rotary Club Central?

All clubs, including satellite clubs, are strongly encouraged to set goals to achieve success. However, Rotary Club Central can't accommodate satellite club goals at this time.

Does someone who has only served as the chair of a satellite club meet the qualifications for district governor-nominee?

No, only Rotary club presidents can be nominated for district governor. However, the district can ask the Rotary International president to waive this requirement.

MEMBERSHIP AND DUES

Are satellite club members Rotarians?

Yes, they are members of the sponsor club.

Does the sponsor club need to approve new satellite club members?

The sponsor and satellite clubs should work out a process for adding new satellite club members at the time the satellite is being formed. The sponsor club should also add that process to its bylaws. If a conflict arises with satellite club membership, the sponsor club has the final say. As members of the sponsor club, satellite club members are ultimately subject to the authority of the sponsor club's board.

Do satellite club members pay Rotary dues?

Yes. Satellite club members are Rotarians and pay the same Rotary dues as the sponsor club's members.

Do satellite clubs receive a dues invoice?

No. The satellite club members are included on the sponsor club's dues invoice.

Can a satellite club have a separate dues structure?

Yes. The satellite club determines its dues structure in collaboration with its sponsor club.

CHANGES IN CLUB STATUS AND SPONSORSHIP

How long can a satellite club exist?

Satellite clubs are intended as a temporary step on the way to becoming a full, independent Rotary club. However, there is no time limit on the life of a satellite club.

How does a satellite club apply to become a new, independent Rotary club?

The satellite club works with the sponsor club and district governor to complete Rotary's new club application.

Can a satellite club transfer to a different sponsor club?

No. The sponsor and satellite clubs are permanently linked. The satellite club would need to be terminated and the members would have to start a new satellite club with a different sponsor club.

How does a sponsor club terminate a satellite club?

The sponsor club president or secretary terminates each satellite club member as provided for in Article 15 of the Standard Rotary Club Constitution. Next, the sponsor president or secretary removes the terminated members from the sponsor club roster, either in My Rotary or by emailing Data Services (data@rotary.org). Finally, the sponsor club president notifies [Club and District Support](#). The CDS representative will confirm that the satellite club no longer has any members, request termination, and notify the sponsor club president when the process is complete.

How does a sponsor club resign?

The sponsor or satellite club should contact [Club and District Support](#). The CDS representative will confirm the resignation in writing with the sponsor club president and satellite club chair. No change will be made unless they are in agreement.

If the sponsor club is terminated, can the satellite club continue on its own?

No, the satellite club is terminated with the sponsor club.

If an existing weak club becomes a satellite club, can it revert to autonomous club status?

Satellite clubs are a new way to start a Rotary club. When a satellite club is ready, it may apply to become a full Rotary club.

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Design and Layout by Robert D. Jones - Rotary Club of

Rotary:

Rotary International is an international service organization whose stated purpose is to bring together business and professional leaders in order to provide humanitarian service and to advance goodwill and peace around the world. Wikipedia

President: Mark Daniel Maloney (July 2019 - Present)

Motto: Service Above Self

Membership: 1.22 million

Publication: The Rotarian

Founder: Paul P. Harris

Founded: 23 February 1905, Unity Building, Chicago, Illinois, United States

Rotaract originally began as a Rotary International youth program in 1968 at Charlotte North Rotary Club in Charlotte, North Carolina, United States, and has grown into a major Rotary-sponsored organization of over 10,904 clubs spread around the world and 250,792 members in 184 countries. Wikipedia

Motto: Self Development - Fellowship Through Service

Membership: 291,006

Focus: Fellowship and Service

Origins: The Rotary International Family

Founded: 13 March 1968

Headquarters: Evanston, Illinois, United States

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. Find out how serious leadership can be seriously fun.

Founder: Rotary International

Founded: 28 October 1962

Rotary Community Corps is a group of people who share our commitment to changing the world through service projects. Rotary Community Corps members plan and carry out projects in their communities and support local Rotary club projects but are not members of a Rotary club

Rotary

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL
& BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL
to all concerned?

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was D3860. The outbound team was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC Waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program D3860. The outbound team members include: Dr. Nanette Perido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992, project that helps rehabilitate the in the coastlines its neighboring areas. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magugpo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its inception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.

- **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects and this Community Service presentation (PPT).
- **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

The RC Tagum North has established its reputation in the district. It has likewise established linkages with other clubs in the local and international Rotary community by forging a Sisterhood Agreement with the Rotary Clubs of Acreage, Florida, USA; Port St. Lucie, Florida, USA; Nilai, Malaysia; Loyola Heights, Quezon City; Downtown Olongapo; Waling-Waling Davao, San Francisco and Pag-Asa Davao. Recently, through the efforts of PP Arnold Nicolas, Tagum North is again expanding its horizon by building bonds of friendship with the Rotary Club of Tomioka, Japan.

The club received a manifold of matching grant projects and assistance from the various sponsoring international sister Rotary clubs of RC of Marine Sunrise, California, USA, and from the RC of Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of Hemodialysis Machines which were donated to the Davao Regional Hospital, at tertiary Government Hospital in Tagum City. Through the assistance of the Rotaplan Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at the Davao Regional Hospital.

The club embarked on the Vitamin A Plus Seminar for Mindanao Rotary Clubs. Likewise, activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing at the Sagop Palad Foundation, Inc., Gloria Christi Regis Centers (homes for street and abandoned children), and at the Rizal Elementary School had been the main focus on disease prevention and management program.

Since 1998, the RCTN actively participated in the Anti-Drug Abuse Program for the youth through information dissemination and awareness campaign in layora and assemblies throughout Davao Region.
