EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

World Interact Week

World Interact Week is celebrated every year during the week of 5 November to commemorate the founding of the first Interact club in 1962.

To mark this occasion with Interactors and Rotarians around the world, Interact clubs, in partnership with their sponsor Rotary clubs, are encouraged to participate in joint projects during World Interact Week.

World Interact Week is an excellent opportunity for clubs to publicize, promote, and inform the community about the great work accomplished by its members. Clubs should encourage community members to get involved with Interact projects.

In the past, RI required Interact clubs to successfully complete four specific activities in order to receive recognition for World Interact Week. Now, Interact clubs and their sponsor Rotary clubs have the opportunity to explore a variety of ways to participate in World Interact Week.

Rotarians and Interactors will be able to decide the best way to celebrate World Interact Week. This may include completing one, two or an entire week's worth of activities. After the club has completed their activities, the Rotary club or district Interact chair can download and fill out the Certificate of Recognition for presentation.

Here are some examples of activities Interact clubs can do for recognition:

- Conduct a joint project with a Rotary club.
- Plan a literacy day during World Interact Week.
- Invite Interactors to Rotary club meetings and vice versa.
- Give a presentation about Interact to a Rotary club that does not sponsor an Interact club.
- Publicize Interact projects to local media.
- Conduct a fundraiser for Rotary's US\$200 Million Challenge.
- Encourage cross-promotion between Interact, Rotary Youth Exchange, RYLA, Rotaract, and other community youth organizations.
- Partner with international Interact clubs.
- Establish mentoring programs between Rotaractors and Interactors.
- Introduce potential members to Interact by inviting them to a meeting or a project.

We encourage clubs and districts to hold a Certificate of Recognition ceremony for participating Interact and sponsoring Rotary clubs.

We all know Rotary's tremendous power to transform our communities and ourselves. However, in every community, people have been left out, and we have not made a strong enough effort to reach them.

The RI Board of Directors is taking action to make Rotary more welcoming and diverse. We formed a task force to promote diversity, equity, and inclusion to help clubs attract new members regardless of gender, race, religion, age, or other factors. This will help us speed up the change we all want and need. The selection of Jennifer E. Jones as Rotary president for 2022-23 — the first woman to lead our organization — is another step in this direction.

At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multidistrict Information Organization and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

I still remember the relief I felt as a RYLA participant four years ago. I had finally found my people: people who cared as much as I did. All over the world, Rotary has the same heart. We serve our communities and take action where others feel paralyzed by the size and scope of a problem.

Let's continue that spirit, especially when the conversation is difficult. Racism, prejudice, and discrimination take on different forms but exist in every country, in every city, and in every person. How do we root it out?

As a diversity, equity, and inclusion consultant, I help organizations create a culture that empowers and attracts everyone using the power of empathy. When we feel with others as if they were ourselves, we cannot hold prejudice in our hearts. When every child reminds you of your own child, when every woman or man reminds you of your mother or brother, you start seeing the world differently.

We can apply The Four-Way Test through the lens of empathy. Are we building goodwill and friendship with everyone in our area, including women? Are things fair and beneficial to people of all ages? Who has to make choices that you don't have to make?

I made a heartbreaking choice between Rotary and my religion when a Rotary convention was held during Ramadan. I wondered: When we ask if this is fair and beneficial to all concerned, did that not include me as a Muslim? Would the convention ever be held over Easter? Only by asking difficult questions can we begin the work of creating a more inclusive and diverse Rotary.

We already connect so many people across the world. Imagine the possibilities when we bring even more people along for the ride. That's the future of Rotary I want to see: one where we are unstoppable in our service, relentless in our kindness, and intentional in the change we want to see.

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. Rotary Opens Opportunities through diversity.

Trustee Chair's Message

In the early 1870s, a genius toiled in his laboratory, driven by a vision to improve life through technology. After many failed attempts, by 1880 Thomas Edison had perfected a new light bulb that could be produced on a mass scale.

When someone pointed out to him that he had tried and failed 10,000 times before succeeding, he responded that he had merely found 10,000 ways it wouldn't work!

Just like Edison, The Rotary Foundation is driven by a vision for a better world. And we, too, remain determined and creative in the face of setbacks.

Earlier this year, our vital polio immunization activities had to be temporarily paused to ensure that the polio eradication program did not contribute to the COVID-19 pandemic. And so we adapted: The polio-fighting infrastructure that Rotary helped build was enlisted to assist in the response to COVID-19 in many vulnerable countries, as we had done before during outbreaks of Ebola, yellow fever, and avian flu.

Thankfully, we resumed polio immunization activities in July, having first taken all precautions to protect frontline workers and communities.

During these challenging days, our business — reaching out to people in distress — is not business as usual. The way we prepare and deliver projects and the methodology we use need to change. And the way we communicate what we do also must change.

The success of our global grants model is unmistakable. At its introduction in 2013-14, the Foundation awarded 868 grants worth over \$47 million. By 2019-20, the number of approved grants had risen to 1,350, worth over \$100 million. While the number of grants shot up by more than 50 percent, and funding by 123 percent, corresponding Annual Fund contributions showed only a 5 percent increase, and that's troubling.

To reach those who need us, to spread the love that our Foundation brings, we will need to rise to this challenge and work together to meet our funding needs.

Mother Teresa once said that if we want a message of love to be heard, it has to be sent out. To keep a lamp burning, we have to keep putting oil in it.

The Rotary Foundation offers the best opportunity I know for us to invest in a better future for communities around the world. Your generosity today and throughout this year is the oil that keeps our grants burning bright, reaching the ones who need us most.

President's Corner

The World of Rotary is indeed a place where people unite and take action to create a lasting change in our communities, and in ourselves. And hence the past week was another week where Rotary Club of Tagum North gathered for a quick visit to the City Health Office to turn-over T-Shirts for the Health Workers for the Measles-Rubella Supplemental Immunization and Polio Immunization, 200 pcs KN95 face masks and 100pcs face-shields. Present in the said activity were: PAG Arnold Nicolas, IPP Dodz Siscon, Rotarian Eduardo Dinglasan Jr.. On the other side, we also had Rotarian Mervin Jay Z. Suaybaguio promoting the Measles-Rubella Supplemental Immunization Activity of the Tagum City Health Office which will run from November 3 - 26 , 2020 at PTV 48 and 91.1 Radyo ng Bayan through the segment," Kasamtangang Kati-karan Sa Kalambuan."

At this point, I would like to congratulate Rotary Club of Tagum North for the total contribution of \$ 8,820.00 to the Rotary Foundation as of November 6, 2020: \$3,520.00 Donation to Polio Fund; \$4,300 Annual Fund; \$1,000 Endowment Fund.

My congratulations also to the Rotaract Club Tagum North, Palm City Chapter, headed by the incoming President, Bryan Sulasula, for their Virtual Induction of Officers on November 14, 2020.

Rotary continues to educate Rotarians through Seminars which run every Rotary Year. And so, on November 7, 2020, Rotary District 3860 hosted a Public Image Seminar through Virtual ZOOM Meeting. In attendance were myself, PAG Arnold Nicolas, IPP Dodz Siscon, PP Ronald Bordios, Sec. Marluo Fulo, and Rotarian Eduardo Dinglasan Jr. It was indeed a very informative seminar which lasted for 7 hours, with resource speakers who expertly tackled discussions on the topic assigned to them.

To end my message, I would like to encourage everyone to continue to make a difference and connect by being open to all opportunities that we see around us.

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

What I've learned as a member of Toastmasters and Rotary

Mark Burchill

By Mark Burchill, DTM, past president of the Rotary Club of Santa Rosa, California, USA, and founder and chair of the Rotary Means Business Fellowship

Leadership challenges are invigorating. I have launched or led four businesses, a Toastmasters club, a Rotary club, a Rotary International Fellowship, and more. As a Rotarian and a Toastmaster, I can tell you that both organizations transform lives, although in different ways. And both have had an impact on my life, starting many years ago.

When I was tapped to serve as president of the Rotary Club of Santa Rosa, California, USA, I knew I needed to step up my game. I wanted a higher level of skill and self-confidence in order to lead my club and represent Rotary in the community. Coincidentally, my wife had been a Toastmaster for a year, and I had visited her club a few times to watch her speak. She had really begun to blossom. This program could help me!

I was right. Hours before a Rotary meeting, our speaker canceled. I gave a half-hour speech about my recent journey to the Rotary International Convention with just two hours of preparation. My talk was well received.

Shortly after I joined Toastmasters, I founded the [Rotary Means Business Fellowship](#), which provides a business networking opportunities for Rotarians. I was now responsible for leading an international network of members. I've given presentations about the fellowship at three Rotary International conventions and to Rotarians all over the world. In every one of those situations, my experience as a Toastmaster and Rotarian helped me feel confident in my ability to share my message in front of hundreds of people. The founding and nurturing of the Rotary Means Business Fellowship is one of my most fulfilling personal achievements.

For 30 years I owned a business with two dozen employees. As the boss, you tell an employee to do something, and they do it. In a volunteer organization though, you have to motivate people to want to do something, or it won't get done. Holding multiple officer positions in both Toastmasters and Rotary helped me be a more effective leader.

I've watched the alliance between Rotary and Toastmasters spark new learning and leadership opportunities. For example, Rotarians are enthusiastically enrolling in [the communication and leadership development courses](#) Toastmasters created for Rotary members. Rotarians are practicing their public speaking skills at Toastmasters clubs. Toastmasters members are honing their skills outside the club setting by speaking at Rotary meetings.

Rotary's alliance with Toastmasters allows both our organizations to offer more opportunities to enhance our leadership and speaking skills. Learn more about [Rotary's partnership with Toastmasters](#).

2. Use my vocational experience and talents to serve Rotary

4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.

Rotary

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL
& BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL
to all concerned?

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
