## EDITOR'S NOTE :

**ARNOLD M. NICOLAS, PHF +8**  
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

December is Disease Prevention and Treatment Month

The work of Rotary begins in the community, and every community has its own unique needs and concerns. The Rotary Foundation has focused its efforts in six key areas to maximize our impact. These areas encompass some of the world's most critical and widespread humanitarian needs, and we have a proven record of success in addressing them. One of them is Disease Prevention and Treatment.

Rotary's top priority is the eradication of polio, but our members take on far greater responsibilities to fight disease. We set up health camps and training facilities in undeveloped countries and in communities struggling with HIV/AIDS and malaria. We design and build the infrastructure for doctors, nurses, governments, and partners to reach the one in six people in the world who can't afford to pay for health care.

Disease prevention and treatment takes on many forms, from supporting studies to helping immunize people to improving drinking water and the sanitation infrastructure. The world relies on Rotary to tackle these global challenges, and to set an example for others to follow.

## HOLGER KNAACK

President 2020-2021

**December 2020**

As I look back on 2020, I reflect on how our lives have changed. The global COVID-19 pandemic brought pain and loss to many of us. And for almost all of us, our daily lives, family time, and work also changed this year. But we've made it to the end of this difficult year, not on our own but by reaching out to one another, as we always do in Rotary. With each passing year, I become prouder of our organization.

I will choose to remember 2020 as a year of great change and strength for us; Rotary didn't stop, despite the pandemic. We removed obstacles, found new ways to connect, and embraced new approaches to service, such as online projects and virtual fundraising. I have invited two Rotarians to share their stories about how Rotary grew stronger this year.

When the pandemic shut everything down, our emerging e-club was already providing digital service, including internationally. Fourteen U.S. women and I, members of multiple Rotary clubs, were using WhatsApp to mentor women entrepreneurs in rural Costa Rica, helping them to grow their ecotourism business, RETUS Tours [the subject of the magazine's May cover story, "Nature & Nurture"]. The project has grown, with 30 Rotarians now providing consulting and help with the RETUS website and social media. Most importantly, we continue building relationships and empowering these women to transform their own lives, and we are doing it online. I've even helped one of the women, Rosa, prepare a presentation in English for an online international conference. While our engagement with the Costa Rican women still requires some hands-on activity, the most transformative impacts haven't had to be in person.

— Liza Larson, Rotary E-Club Engage and Rotary Club of Plano East, Texas

I was president of my club when COVID-19 hit, and many members didn't yet have Zoom. Only 10 of our 53 members participated in the first Zoom meeting during the pandemic. I thought that reaching out and getting guest speakers from around the world to engage our members would help. Many Rotary leaders, a Rotary Peace Fellow, and even RI President Holger Knaack visited virtually and spoke to our club. Meeting attendance improved, while we reduced running costs by cutting out meals. Some members who worked outside our city and had missed our meetings even rejoined us. Registering our online meetings on My Rotary enhanced contacts with clubs across the world, and the joint meeting addressed by Holger attracted more than 300 visitors. We also raised more funds as members and visitors contributed to our projects. To continue being flexible for all, we are now offering hybrid meetings. For me, 2020 has been the best year in Rotary as I've made many new friends.

— Blessing Michael, Rotary Club of Port Harcourt North, Nigeria

These stories should give us all reasons to be optimistic about Rotary in the year ahead. We are not just surviving; we are gaining strength. We are discovering how resilient our organization truly is. We are seeing for ourselves how Rotary Opens Opportunities — even during pandemics — to grow, connect, and engage our members and the communities we serve.

From our home in Ratzeburg to yours, Susanne and I would like to bid you and your family the warmest of season's greetings. We can't wait to see the good things that 2021 will bring.

## Trustee Chair's Message

**K.R. Ravindran**  
Trustee Chair 2020-21

December 2020

On a foggy Christmas Eve in Victorian London, the old miser sits at his desk.

Bitter and disillusioned with the world, Ebenezer Scrooge has only one interest: his bottom line. He declines his nephew's invitation to Christmas dinner, refuses to support the poor and deprived, and reluctantly grants his underpaid clerk, Bob Cratchit, time off for Christmas Day.

After he arrives home, strange things begin to happen. Jacob Marley, his deceased business partner, appears as a ghost tethered to a chain, telling Scrooge to change his self-centered ways, lest he meet the same fate.

That is the premise of A Christmas Carol, Charles Dickens' classic tale of a man's transformation from hardened recluse to generous humanitarian. To me, it offers valuable lessons for all, regardless of belief or time of year.

In one of my favorite passages, a spirit magically transports Scrooge to the Cratchit household. There, he sees his clerk from a new vantage point, observing a humble but heartfelt holiday gathering. Scrooge then understands that gifts like friendship, family, and gratitude can't be recorded into any ledger. By the end of the story, Scrooge has learned the most important lesson of all: that as long as we are still alive, it's not too late to devote ourselves to serving humankind.

The year-end holidays are upon us. It is a time of giving and sharing, but it is not limited to our loved ones. It is also for the people we have never met and will never see, for those who are not so fortunate as we and could use a helping hand. The miracle of giving that Scrooge discovered on Christmas Eve is exactly what The Rotary Foundation does 365 days a year.

Our Foundation serves simultaneously as charity and performer in the field; Rotarians are on the ground, volunteering their skills and business expertise in support of grants that are funded by you. In this way, we carry out some of Rotary's most important work, such as protecting mothers and their babies and helping communities recover from the shocks of COVID-19.

Please remember The Rotary Foundation during this season of generosity. Remember that your gifts to the Foundation amplify our work in all areas of focus. They are perpetuated, not just today but long after we are gone. And the Foundation will continue to work its miracles in service to others tomorrow as long as we keep supporting it today. On behalf of The Rotary Foundation Trustees, I thank you for sending your generous contribution before 31 December.

Thank you also to our prospective Rotarian, Major Jovito Coderis, Chief of Police of Pantukan, who facilitated and joined us in our visit to the Municipalities of Maco, Mabini, and Pantukan. ### Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

#### Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

#### Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

#### Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

#### International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

#### New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

## HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

## ROTARY HYMN

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain: With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.

We shall all understand, while the good  
Lord is our guide.

Refrain: With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

## Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

## Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

# AVENUES OF SERVICE

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Magdum, Tagum Davao. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Compostela Valley, the "Water For Life" became the Club's Centennial Project. It is a continuing project, which aims to install 100 water pumps these communities. To date, RCTN has installed a total of 81 pumps and one Water Reservoir.

The Club was a recipient of the Rotary Foundation 3-H Grant that provided the opportunity to launch the "Kasama Project" 2002. It has afforded a P240,000.00 soft loan to local residents that help develop and modernize and indigent-family's farm in Asuncion, Davao.

Its commitment to hasten the productivity of the local farming industry, the "Cable-Lift" project in 2004 has provided an ingeniously cable cart system used to transport farmers and convey their produce from one side to another side of the river in Asuncion, Davao del Norte.

Another community development project that RCTN took part includes "Oplan Flip Flops para sa Indigenous People" which provided 148 pairs of slippers in Barangay San Jose, Municipality of Sto. Tomas.

## YOUTH PROJECTS

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this received the "Hall of Fame-Outstanding Club" award. The club President during that time was Arnold Nicolas who later garnered the honor of "Hall of Fame-Outstanding President" in RY 1993-94. Another Outstanding President of the club, Karlene Lariosa and Cyril Muring, also became DRR. Recently, the Rotaract Club of Tagum North co-hosted with RC Waling-waling & Pag-Asa Davao during the Mindanao Finals of the Voice of our Youth Impromptu Speaking Contest held at UM Davao City.

## PROMOTION OF INTERNATIONAL UNDERSTANDING AND GOODWILL

The RCTN is acknowledge to have endorsed the most number of sponsored representatives of Zone 2-D to the Group Study Exchange program D3860. The outbound team members include: Dr. Nanette Perido (Florida, USA in 2000-01), Maricar Zamora Apsay (Canada and USA in 2001-2002), Lorenzo Mendoza (Kentucky, USA 2006-07), Dr. Glenn A. Pono (Virginia, USA in 2007-08), Mr. Stephen Manangan (Washington, USA in 2008-09) and Dr. Alvin Concha (British Columbia, Canada in 2009-2010). Atty. Rucel Cayetano Sydney, Australia 2010-2011.

In 2000, Marjorie Osorio was the RCTN's endorsed delegate who qualified for the Out-Bound ROTEX exchange student, in exchange with In-Bound ROTEX student, in Samantha Gordin of West Palm Beach, Florida, USA.

## THE ROTARY FOUNDATION CONTRIBUTIONS

In 1999, the club achieved a 100% Paul Harris Fellow Rotary Foundation Sustaining Member Club and 2012 the club achieved 100% all Paul Harris Fellow Club. The club is proud to have (12) Multiple Paul Harris Fellows, (32) Paul Harris Fellows and thirty-five (35) Rotary Foundation is one of the Rotary clubs acknowledged by the Rotary Rotarian Every Year (REY) program. Tagum North has stood the test of time, remained strong, vibrant, and proud. The North will continue to dream and reach for greater heights. There is no doubt North is up!

## ENVIRONMENT AND SANITATION PROJECTS

In harmony with the preservation of the countryside environment and natural resources, the club ventured on Mangrove Tree Planting in 1992, a project that helps rehabilitate the mangrove forest of Tagum City and its neighboring areas. Through the project grant funded by the WCS from District 2790 Chiba, Japan, the club initiated the program on "Tutok Kubeta" in order to facilitate empowerment and self-reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Compostela Valley provinces. To date, the club handed out more than 6,000 units to these areas.

## EDUCATIONAL PROGRAMS AND LITERACY DEVELOPMENT

The club has been supportive in promoting educational and skills development programs in the area. From the initiation of its Scholarship Program in 1999, the RCTN has administered Vocational Course Scholarship grants to at least 140 graduates at the Tagum National Trade School. The program has expanded into giving High School Scholarship grants to 10 students at the St. Augustine High School in 2002. The "Adopt-A-School" Program was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education its unstoppable as its extended its coverage to 65 learners both out of school youths and young adults at Barangay New Balamban, Tagum City when the Alternative Learning System (ALS) was conceived in 2008.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for "Differently-Abled" individuals; Cellular Phone, Radio and TV Repair and Basic Carpentry for the out-of-school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and Basic Baking in 2008.

## AVENUES OF SERVICE

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.

Providing avenues of learning started to be the prime commitment in its literacy program. In 1999, the club's generosity was measured when it donated, through the help of the WCS Project, from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda SPED School. The compassion was contagious when RCTN further initiated and provided a brand new computer unit with printer to the Nueva Fuerza Elementary School and Magugpo Pilot ALS, Tagum City; assorted Math & Physics books for the Pipisan Maug National High School, Tagum City; and a Library, Tagum City. The club also donated P5,000.00 for the "Lakbay Aral para sa mga batang Lumad ng Talaingod".

## COMMUNITY DEVELOPMENT

The club has dedicated numerous innovative services to help develop and improve the conditions of its nearby communities. As a first club project of RCTN in 1988, the construction of the Rotary Landmark structure at the corner of Pioneer and Rizal Streets has repeatedly caught the attention of anybody who comes to visit Tagum City for the first time or just pass by at one of the busiest junctions of the city.

## HEALTH CARE PROGRAMS

The projects dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its inception, the RCTN has incessantly conducted innumerable Surgical/ Medical Dental and Optical Missions to the less privileged members of the Tagum community, to the nearby underprivileged prisoners/ parolees, and even to its farthest neighborhood communities in Davao del Norte, Compostela Valley and Agusan del Sur Provinces. The club has established a program on "Botica sa Barangay" in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

In 1998, the club proudly launched the "Operation New Look" program. On its 14th year as a continuing project funded by Jerome Foundation, Inc., the program has generously provided sixty-nine (69) free cleft lip and cleft palate surgeries in addition to the previous indigent 600 patients.

"Hot Lunch Plus", a feeding program for malnourished elementary school pupils at the Rizal Elementary School II that was initiated in 1999, is another continuing project of the Club that became the recipient of United Nationals Millennium Development Award given by UNICEF in RY 2006-07. This year the program has extend its services to giving free medical consultation and PPD testing to the undernourished beneficiaries.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Hospital and the City Government of Tagum City in carrying out the project - "Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte Province.

The "Renal Care Foundation", another continuing program of the RCTN since 2003 enables indigent patients to avail of hemodialysis treatment at a very low and affordable cost of only PHP500.00 (~US 10.00) per session. Presently, the program is taking care of 15 End-Stage-Kidney Disease patients at the Davao Regional Hospital.
