EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

President 2020-2021

February 2021

In Rotary, 23 February is our anniversary, and February is also the month when we focus on promoting peace. There is a reason for this: Contributing to peace and international understanding has been a high priority for us since our earliest days.

We are often asked: “How can we get involved in peace now?” There are many paths to peace in Rotary. Our youth programs point us in the direction of Positive Peace, as does the work of intercountry committees and the Rotary Action Group for Peace.

Another path is the Rotarian Peace Projects Incubator (RPPI), an inspirational collaboration among Rotarians, Rotaractors, and Rotary Peace Fellows and alumni. Led by Rotarians in Switzerland and Liechtenstein, RPPI has designed 48 global projects that any club can support, either directly or through Rotary Foundation global grants. Nino Lotishvili and Matthew Johnsen, alumni of the Rotary Peace Center at Chulalongkorn University in Bangkok, Thailand, are two of the many volunteers.

During my Rotary peace journey, I have learned how personal resilience helps build inner peace and create sustainable outer peace. This was the inspiration behind the Women Peace Ambassadors for the South Caucasus project, which is based on my field research in Georgia. The RPPI team of Rotarians and peace fellows recognized the incredible potential of women from mixed-ethnicity families who live on borderlands to be role models for peace within and beyond their communities. Through workshops on building inner and outer peace that draw on the power of storytelling, 40 participants will be sharing their stories and reaching around 400 extended family and community members. These inspiring but marginalized women will reclaim their inner strength as peacebuilders at the grassroots level. In this way, we will take steps toward the sustainable, peaceful society we need so much, not only in our region, but throughout the world. — Nino Lotishvili

I was excited to join the peace incubator project and to further strengthen my ties with Rotary’s peace community by working with past and current peace fellows to develop these proposals. My team wrote five proposals — three in Bangladesh, one in Iraq, and one in Poland — that focus on the arts and on education to generate dialogue across religious divisions and avert the radicalization of young people. I was inspired by how, despite the pandemic, we came together via technology with a vision to develop, test, and strengthen ideas and to produce workable solutions that clubs across the world can support to advance peace. I am excited to work with Rotary’s peace community to transform these visions into reality. — Matthew Johnsen

Here is further proof that in Rotary, we prefer action to words. This is Rotary at its best. I encourage you to visit rppi.ch to explore the projects and support them.

We have lasted 116 years because of our strong ethics, our passion for Service Above Self, and our unique approach to problem-solving. One of our greatest strengths is how we reach across our communities and across national, ethnic, religious, and political divisions to unite people of all backgrounds and to help others. This month, let’s celebrate our history and the many ways that Rotary Opens Opportunities to advance world understanding, goodwill, and peace, our ultimate mission.

Trustee Chair's Message

K.R. Ravindran
Trustee Chair 2020-21

February 2021

Giving is more than an activity. It is a way of life and a beacon in the search for hope in troubled times. There is great turmoil today, but these are not unusual times, not in the span of human history. The wisdom of the ages is especially important to help us set our path and purpose.

Such wisdom comes from the 12th-century philosopher known as Maimonides. Born in Córdoba, Spain, he and his family went into exile in Morocco to escape religious persecution. As a young man, he mastered Aristotle, astronomy, and later medicine. After moving to Cairo, Maimonides became known as the city's greatest rabbi, producing tomes of commentary on the Torah, and he lived out his final days as a renowned doctor.

But his greatest gift to humanity captured his thoughts about giving itself. His Eight Levels of Charity is a masterpiece that teaches us about what giving means and what motivates us to do it.

The bottom rung of Maimonides' ladder is giving out of pity or grudgingly. The next step up is giving less than one should, but doing so cheerfully. Climb up to the fifth rung and you are giving before being asked. Further up the ladder is giving in a way that the receiver does not know who the giver is. The eighth and highest level of charity is to anticipate distress and giving to avoid or prevent it.

When we immunize children against polio, we are anticipating potential illness. We do so with other efforts, such as Rotary projects that reduce the incidence of malaria or cervical cancer.

When we teach someone a profession that enables them to earn a living, we apply the eighth step. From microfinance to education, The Rotary Foundation helps us give the gift of self-reliance.

All of this good work awaits us, as does the work of supporting newborns, cleaning water sources, recovering from the COVID-19 pandemic, and countless other efforts we lead.

I am proud to say that many Rotary members climb to the top of Maimonides' ladder. Many of them do so anonymously. Whoever they are and for whatever reason they share their gifts with the Foundation, I thank them.

As an organization, Rotary climbs that ladder as well. Every one of your donations helps us reach higher levels. As we climb this ladder as one, we gain a wider perspective. We see all those who need to be uplifted as well as the countless opportunities we have to help them in Rotary. And as we do so, we find our own meaning and purpose.

President's Corner

MAE T. DALISAY, PHF+5
Transforming President

Every day in a Rotarian's life begins with thanksgiving for good health and safety. Next comes the question on what we can do to help improve other people's life, and what we can do to improve ourselves. Although our Club have almost, if not, completed the challenges that our RI President has set at the start of the Rotary Year, yet we never stop to continue to make plans what we can do next for our community. Hence, last January 26, 2021, we had our joint 29th Regular Weekly Meeting and 8th Board Meeting through virtual ZOOM. Discussions centered on:

1. Membership - which we have maintained and Club Invoice in the amount of \$1,196 was paid in full last January 12, 2021.
2. Club Administration - In January 30, 2021 at 4pm through virtual meeting, the PE/SE Rotary 101 took place in the residence of In-coming Assistant Governor Charles Aldwin Carpio. Also in attendance is PE Revedor Pereyras and Secretary Elect/GML Editor Arnold Nicolas.
3. Rotary Foundation -
 - a. Club TRF New District Grant Application - Plans for the Multi-Purpose Hall at Sitio Mondol, Bgy. Gupitan, Kapalong, Davao del Norte was already submitted last January 31, 2021.
 - b. Club TRF Annual Fund Donation - \$ 5,443.50
 - c. Club TRF Polio Plus Donation - \$ 3,682.00
 - d. Endowment Fund - \$ 1,000.00
4. Service Project -
 - a. Rotary Village Housing Project at the Municipality of Magsaysay funded by our sister club, Rotary Club of Godeok, District 3620, South Korea. However, due to the increase of the project cost, our Club needs to raise the amount of P24,000.00.
 - b. New Water for Life Project - Also funded by the Rotary Club of Godeok, South Korea, was turned over to the community in Pk. 7, Bgy. La Filipina, Tagum City, Davao del Norte last January 19, 2021.
5. New Generation - Plans for the up- coming RYLA on March 2021 which our Club will be hosting, and chaired by PAG Arnold Nicolas have been submitted for approval.

Fellowship through Biking of some of our members still occur regularly " when the weather is clear" and " the work is either completed or doing great." On the same note, a post Valentine fellowship through biking and breakfast with the other members and spouses will be scheduled on February 16, 2021 in Talaingod, Davao del Norte.

Before I end, let me remind everyone of our coming activity this February 4, 2021 at 6pm-8pm through Virtual Meeting. Rotary Club of Tagum North will be co-hosting with Rotary Club of Makati McKinley " Borderless Opportunities in 2021: Global Market Outlook & Philippine Business Prospects."

Thank you to all of you...indeed I am proud to be "amongst the best."

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

Dear Rotarians, Rotaractors, and friends,

By now we have sadly grown accustomed to hearing of the need to shift major public events to being held virtually rather than face to face. Unfortunately, the Rotary Board of Directors was compelled to again make the difficult decision to celebrate this year's International Convention as a virtual event. While this may not be an unexpected decision, it is still a deeply disappointing one — for us and for our friends in Taiwan who have been planning an exceptional event. I want to thank the Host Committee for the admirable job they did building support for what surely would have been one of Rotary's finest events.

We had hoped that a combination of vaccine uptake and public health measures would have brought the COVID-19 pandemic under control. We all know that in many parts of the world the pandemic is still raging and we must maintain our vigilance and patience before resuming major public gatherings. Taiwan has done an admirable job managing the pandemic — and local Rotarians were still eager to host and celebrate with us. Under the guidance of the World Health Organization and the local public health organization in Taiwan, it became clear that an event of this scale would be impossible to host safely.

While we are disappointed that we could not have a traditional convention, we are excited about the virtual event being planned for all Rotarians worldwide. Last year's convention attracted significant viewership during its weeklong program. This year, we will channel all we have learned about staging the very best in virtual events into a program that promises to open new opportunities for you to be entertained, enlightened and energized. We will share more details about the 2021 Virtual Convention soon.

Convention, pre-convention, and ticket refunds We will automatically cancel and refund all existing registrations. This includes purchases made for the Rotaract and Youth Exchange and the Intercountry Committees pre-convention events, and ticketed meal events. We kindly ask that you do not contact RI Registration to inquire about your registration, ticket, or housing cancellations as we work diligently to inform all attendees and process cancellations and refunds. For those who had already canceled prior to today, you will also receive a refund of the \$50 processing fee.

Host Organization Committee (HOC) ticketed event registrations The HOC event ticket fees will be refunded by the Taipei HOC. For more information, please visit rotarytaipei2021.org.

Hotel rooms If you have secured accommodations within Rotary's official housing block, no action will be required on your end. Maritz, Rotary's official housing partner, will contact you with the details of your cancellation.

If you have secured a group room block and made a full or partial payment, you will receive a follow-up communication and instructions on receiving a refund.

I want to thank all Rotarians and Rotaractors around the world for your understanding and your continued willingness to learn and adapt. We are becoming a stronger, more nimble organization because of this, and our Virtual Convention will be a reflection of this new Rotary.

Please be safe and take care of each other. Kindest regards,

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
