EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

On Feb. 23, 1905, Paul P. Harris, Gustavus Loehr, Silvester Schiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting. Harris's desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship. Read about each of the first four Rotarians below, and about Harry L. Ruggles, who is often called the "fifth Rotarian."

EDITORIAL

On 23 February 1905, Paul Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office, Room 711 of the Unity Building in downtown Chicago, for what would later be known as the first Rotary club meeting.

For the 1980 Rotary International Convention in Chicago, local Rotarians rented that same space and used period furnishings to re-create an early-20th-century office. When the Unity Building was set to be demolished in 1989, they dismantled Room 711 and arranged to rebuild it later at Rotary International World Headquarters just north of Chicago in Evanston, Illinois, USA. Today, guests who tour the building can still visit the room

In Rotary, 23 February is our anniversary, and February is also the month when we focus on promoting peace. There is a reason for this: Contributing to peace and international understanding has been a high priority for us since our earliest days.

We are often asked: “How can we get involved in peace now?” There are many paths to peace in Rotary. Our youth programs point us in the direction of Positive Peace, as does the work of intercountry committees and the Rotary Action Group for Peace.

Another path is the Rotarian Peace Projects Incubator (RPPI), an inspirational collaboration among Rotarians, Rotaractors, and Rotary Peace Fellows and alumni. Led by Rotarians in Switzerland and Liechtenstein, RPPI has designed 48 global projects that any club can support, either directly or through Rotary Foundation global grants. Nino Lotishvili and Matthew Johnsen, alumni of the Rotary Peace Center at Chulalongkorn University in Bangkok, Thailand, are two of the many volunteers.

During my Rotary peace journey, I have learned how personal resilience helps build inner peace and create sustainable outer peace. This was the inspiration behind the Women Peace Ambassadors for the South Caucasus project, which is based on my field research in Georgia. The RPPI team of Rotarians and peace fellows recognized the incredible potential of women from mixed-ethnicity families who live on borderlands to be role models for peace within and beyond their communities. Through workshops on building inner and outer peace that draw on the power of storytelling, 40 participants will be sharing their stories and reaching around 400 extended family and community members. These inspiring but marginalized women will reclaim their inner strength as peacebuilders at the grassroots level. In this way, we will take steps toward the sustainable, peaceful society we need so much, not only in our region, but throughout the world. — Nino Lotishvili

I was excited to join the peace incubator project and to further strengthen my ties with Rotary’s peace community by working with past and current peace fellows to develop these proposals. My team wrote five proposals — three in Bangladesh, one in Iraq, and one in Poland — that focus on the arts and on education to generate dialogue across religious divisions and avert the radicalization of young people. I was inspired by how, despite the pandemic, we came together via technology with a vision to develop, test, and strengthen ideas and to produce workable solutions that clubs across the world can support to advance peace. I am excited to work with Rotary’s peace community to transform these visions into reality. — Matthew Johnsen

Here is further proof that in Rotary, we prefer action to words. This is Rotary at its best. I encourage you to visit rppi.ch to explore the projects and support them.

We have lasted 116 years because of our strong ethics, our passion for Service Above Self, and our unique approach to problem-solving. One of our greatest strengths is how we reach across our communities and across national, ethnic, religious, and political divisions to unite people of all backgrounds and to help others. This month, let’s celebrate our history and the many ways that Rotary Opens Opportunities to advance world understanding, goodwill, and peace, our ultimate mission.

Trustee Chair's Message

K.R. Ravindran
Trustee Chair 2020-21

February 2021

Giving is more than an activity. It is a way of life and a beacon in the search for hope in troubled times. There is great turmoil today, but these are not unusual times, not in the span of human history. The wisdom of the ages is especially important to help us set our path and purpose.

Such wisdom comes from the 12th-century philosopher known as Maimonides. Born in Córdoba, Spain, he and his family went into exile in Morocco to escape religious persecution. As a young man, he mastered Aristotle, astronomy, and later medicine. After moving to Cairo, Maimonides became known as the city's greatest rabbi, producing tomes of commentary on the Torah, and he lived out his final days as a renowned doctor.

But his greatest gift to humanity captured his thoughts about giving itself. His Eight Levels of Charity is a masterpiece that teaches us about what giving means and what motivates us to do it.

The bottom rung of Maimonides' ladder is giving out of pity or grudgingly. The next step up is giving less than one should, but doing so cheerfully. Climb up to the fifth rung and you are giving before being asked. Further up the ladder is giving in a way that the receiver does not know who the giver is. The eighth and highest level of charity is to anticipate distress and giving to avoid or prevent it.

When we immunize children against polio, we are anticipating potential illness. We do so with other efforts, such as Rotary projects that reduce the incidence of malaria or cervical cancer.

When we teach someone a profession that enables them to earn a living, we apply the eighth step. From microfinance to education, The Rotary Foundation helps us give the gift of self-reliance.

All of this good work awaits us, as does the work of supporting newborns, cleaning water sources, recovering from the COVID-19 pandemic, and countless other efforts we lead.

I am proud to say that many Rotary members climb to the top of Maimonides' ladder. Many of them do so anonymously. Whoever they are and for whatever reason they share their gifts with the Foundation, I thank them.

As an organization, Rotary climbs that ladder as well. Every one of your donations helps us reach higher levels. As we climb this ladder as one, we gain a wider perspective. We see all those who need to be uplifted as well as the countless opportunities we have to help them in Rotary. And as we do so, we find our own meaning and purpose.

Happy 116th Rotary Birthday – World Understanding and Peace Day to All!

The week before was packed with Virtual Learnings amongst the Rotarians. We started with the Info Session on COVID 19 Vaccination hosted by the City Health Office [CHO] in preparation for the City's upcoming COVID 19 Vaccination activity. The session was held last February 17-18, 2021 and attended by participants from both the private and public sectors in the city. Rotary Club of Tagum North was among the first group of attendees. Resource Speakers include Dr. Bernard Chiew, a well-known Adult Cardiologist in Region XI and an advocate of COVID 19 vaccination, and Medical Officers coming from the City Health Office. The host believe that proper information dissemination to the public is the key for the proper implementation of COVID 19 deployment and vaccination; and to ensure a faster and effective drive.

In the afternoon of February 17, 2021, District 3860, hosted by RC Downtown Davao, held a Virtual Meeting on "Peace & Conflict Prevention/Resolution Forum. Guest Speakers included: PGen Vicente D. Danao Jr., Regional Director, National Capital Region Police Office; PGen Filmore Bondilles Escobal, Regional Director, Police Regional Office 11; and PCol Kirby John Brion Kraft, City Director, Davao City Police Office. This was attended by some of the Rotarians coming from the twenty-two [22] Rotary Clubs in the District. Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace un-
furled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished
goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to
divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
