EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

 March 2021

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fund-raise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.

Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.

That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

Trustee Chair's Message

K.R. Ravindran
Trustee Chair 2020-21

March 2021

One year ago this month, the World Health Organization declared COVID-19 a pandemic. As I write these words, the coronavirus continues to wreak havoc: taking lives, choking economies, and changing our societies in myriad ways. It has disproportionately hurt the poor and worsened inequalities.

Even as some countries have done better than others in controlling this deadly disease, the rapid development of vaccines is bringing us closer to the end of our strange new reality of social isolation.

This dark chapter in our history is also an opportunity for Rotary, because it reminds us of the impact we can have through The Rotary Foundation if we commit to helping others and live up to our highest ideals. It reminds us of the truly international spirit that we must embody to recover from this moment.

During the COVID-19 pandemic, we have witnessed compassion and sacrifice, friendship and resilient good humor. I am reminded of that famous insight popularized by John F. Kennedy: "When written in Chinese, the word crisis is composed of two characters: One represents danger, and one represents opportunity."

Working together, we have done so much to adapt to the COVID-19 pandemic, to care for our communities, and to seize the opportunity to be a part of perhaps the most complex task ever undertaken in history — vaccinating 7 billion people.

This does not mean we will deviate in any way from our avowed commitment to eradicating polio, which remains our highest priority and will continue to be our only corporate program.

On the contrary, while continuing polio vaccinations and surveillance, we can apply all our experience in fighting polio to counter COVID-19. We all have a part to play in combating the growing force of vaccine resistance and misinformation. Our advocacy in our communities will be critical — we need to spread the message about the power of vaccines to save lives. We need to work closely with governments and support them in the vaccination drive. We need to add to the more than 3,000 projects already registered on Rotary Showcase to raise awareness, deliver critical personal protective equipment, and support frontline health workers.

As Aristotle said, human beings are social animals, and while COVID-19 has cruelly deprived us of our natural or habitual environment, it does not prevent us from finding connections and helping others in new ways. As you will see in the coming months, Rotary members are already finding the means to channel their humanitarian spirit through the Foundation, which is constantly adapting to address the world's challenges. Every Rotarian has a role in this effort, and you will find that however you choose to help others and make lasting change, you are not alone.

President's Corner

Greetings to All Rotarians!

Let us thank and give praise to our Heavenly Father, for another day and week that we are alive to again serve Him. We continue to ask Him to go before us as we make our crooked paths straight, our bodies strong and healthy, and our cups running over with hope and joy unspeakable and full of glory. May he dispatch angels to guide and protect us, and we thank Him for keeping us covered with the Blood of Jesus as we continue to serve our community through our Rotary activities.

On March 8-14,2021, we celebrated the 53rd World Rotaract Week to commemorate the success and importance of Rotaract in communities around the world. I would like to invite Rotarians and Rotaractors to join leaders by registering to the 2021 Rotaract Preconvention on June 11-12, 2021 to be able to build and establish a network worldwide, and increase Rotaract knowledge, and gain new professional skills. Also, I would like to congratulate our 11 Rotaractors and 1 Rotarian registered and participated the virtual 17th Asia Pacific Regional Rotaract Conference headed by PAG Arnold M. Nicolas, Pres. Bryan Sulasula of RAC Tagum North-Palm City Chapter and Pres. Angela Joyce A. Siscon of RAC Tagum North-UM Tagum Chapter.

Last March 9, 2021, the Rotary Club of Tagum North celebrated the birthday of PP Darwin Ravelo through a Bike Fellowship in Bonhomie Leisure & Resort, Davao Oriental. We also held our 35th Regular Club Meeting in the same place. Attendees include myself, PAG Arnold Nicolas, Incoming AG Charles Aldwin Carpio, PE Revedor Pereyras, our celebrant PP Darwin Ravelo, PP Renie Siscon Rtn. Yays Coderis and Rtn. Michael Bryan Briones. Joining us in this celebration are spouses Erelie Pereyras, Odessa Carpio, and Gina Siscon.

On the same day, Rotary Club of Tagum North delivered to the Tagum City Health Office tarpaulins & 100 botton pins to support the "RESBAKUNA, KASANGGA NG BIDA" in support to the Tagum City COVID 19 Vaccination.

On March 11, 2021, Rotary Club of Tagum North was one of the stakeholders who witnessed the kick off ceremony of the COVID 19 Vaccination among the Medical Health Workers at the Emergency Operations Center in Barangay Canocotan. Honorable Mayor Allan Rellon, City Mayor of Tagum City was in attendance, along with the Department of Health Region XI team headed by Regional Director Dr. Annabel Yumang; and Medical Officers from the Provincial and City Health Office, headed by Dr. Arnel Florendo, the City Health Officer of Tagum City. I am proud to say that I was the first medical frontliner to receive the vaccine during the kick off ceremony.

Last March 13, 2021, District 3860 held the Virtual PETS/ SETS 2021, an introduction of the Club Presidents and Secretaries for RY 2021-2022. In attendance were PE Revedor Pereyras, SE Arnold Nicolas. Joining them was our very own PP Charles Aldwin Carpio, the in-coming Assistant Governor for RY 2021-2022.

Lastly, let me remind you my fellow Rotarians of our up-coming activity to be hosted by our Club, the Rotary Youth Leadership Award 2021 (RYLA) which will be held by Virtual Conference on April 9, 2021 at 0800 Singapore. Let us spread the word..."Join Learners, Exchange Ideas, and Take Action"

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

OUR COMMUNITY'S CHALLENGE

Climate challenges are drastically affecting the natural ecosystem of New Providence. Storm damage and coastline erosion are threatening the shores of our Island. As this happens, tide levels will rise, and low-lying countries, such as the Bahamas, will suffer.

HOW WE TOOK ACTION

In December 2017, our club, along with other local Rotary members, joined forces with Bahamas National Trust to plant mangrove seedlings to strengthen and preserve the mangrove system at Bonefish Pond National Park in New Providence. Mangroves play a crucial role in maintaining a healthy environment for sea life. They also protect the island from weather-related destruction and shoreline loss.

On 7 April 2018, over 200 Rotarians visiting on a cruise came to East Nassau to participate in Barry Rassin Community Service Day. We did eight service projects in one day. This gave us an additional 45 Rotarians to help clean up and plant seedlings. Rotaractors also helped with the hands-on work.

USING THE CAMPAIGN

We created print and social media ads that feature photographs taken while we volunteered at the park. We posted them on our club's social media pages — and had our members post them on their own social media pages — to promote the project and Rotary's presence on New Providence.

We are now working to secure placements for the print ads and exploring all options for outdoor advertising within our market.

Learn more about the Mangrove Project and the Rotary Club of East Nassau at rcen.org.

OUR COMMUNITY'S CHALLENGE

More than 11,000 people experience homelessness in Seattle. Many live in tents, under bridges, or on the streets in miserable, unsanitary, and unsafe conditions.

HOW WE TOOK ACTION

Volunteers from our club, which is located 7 miles (about 11 km) east of Seattle, coordinated with the Low Income Housing Institute to build 10 tiny houses. Each wooden house is waterproof and has electricity, lighting, a heater, and a lock. Each cluster of tiny houses has kitchen and laundry facilities, restrooms and showers, and a counseling office. Residents live in a safe community that offers medical care, job training, employment, and friendship.

On 24 and 26 May 2018, volunteers from our club, District 5030, and other local groups constructed 30 tiny houses, helping many individuals and families begin to transition out of homelessness. These tiny houses and communities are a crucial, intermediate step toward housing when the alternative is to live on the streets, without shelter.

USING THE CAMPAIGN

We created print and social media ads using photos from our project site. We posted our "Together, We Transform" ad on our social media pages to promote the Tiny Houses Project and our club. We're seeking placements for our print ads and plan to hand them out at meetings and events, too. For non-Rotarians, we hope the ads will create greater interest and awareness of Rotary in the Seattle area.

PEOPLE OF ACTION: WHO WE ARE

Club: Rotary Club of Cheonan-Dosol

Location: Chungcheongnam, Korea

Project: Rose of Sharon planting to promote peace

Status: Complete

OUR COMMUNITY'S CHALLENGE

Since the division of Korea in 1945, Koreans have been longing for peace. As the hope for unity continues, we must promote peace and inspire others to do the same, near and far.

HOW WE TOOK ACTION

Our club and other Rotarians in the area of Cheonan came together to promote peace at the Independence Hall of Korea, a history museum. We did this by planting mugunghwa bulbs in the museum's Garden of Unification Desire, which is a public place dedicated to promoting the peaceful reunification of Korea.

These bulbs will one day grow into beautiful mugunghwa flowers, also known as the "rose of Sharon." The mugunghwa is the national flower of Korea and a symbol for peace. By planting these flowers, we hope to promote a more peaceful world and inspire visitors to do the same, no matter where they call home.

USING THE CAMPAIGN

We used photographs from our project to create print ads and social media images. This was the most effective (and economical) way to promote our message of peace and unity in Korea. We hope to share these ads and images through other media channels wherever opportunities arise.

PEOPLE OF ACTION: WHO WE ARE

Club: Rotary Club of Curitiba-Cidade Industrial

Location: Paraná, Brazil

Project: Improving Life for Residents at Light and Life Senior Home

Status: Ongoing

OUR COMMUNITY'S CHALLENGE

Senior citizens with low-income and special needs lack proper care due to minimal resources and familial support. Many families leave the area to find work or can't afford to care for their loved ones, so the elderly must rely on a local senior home for personal care and housing.

Unfortunately, due to a lack of funding, the Light and Life Senior Home is limited to what it can offer each resident; leaving most of them feeling lonely – lacking one of humanity's most basic need: social interaction.

HOW WE TOOK ACTION

After learning about this issue, our club members were inspired to make a difference in the lives of the seniors, as well as the place they call home. We began volunteering at the senior home to provide assistance wherever it was needed; making small repairs to maintain the property, serve meals, and interact with the residents.

This project quickly became a regular routine thanks to the relationships we've built with the residents and staff. We now host on-site events during holidays like Mother's Day, Father's Day, and Christmas. Whether it's sharing a meal, having a conversation or showing affection with a hug, we're happy to give the residents a reason to smile again.

USING THE CAMPAIGN

Our club created print and social media ads using photos that highlight our interactions with the residents. We felt these type of assets can relate to those who are capable of offering community service. We also placed the print ads in our regional magazine, Rotario Brasil, and held a People of Action week, calling for more submissions of club examples of People of Action stories and ads.

RYLA PRIMER

WHAT IS ROTARY INTERNATIONAL?

Rotary International is an international service organization that is over 116 years old. It is organized into local clubs in more than 150 countries, which work to fulfill the goals and objectives of Rotary International. Membership in local clubs is comprised of men and women from various occupations and professions. Rotary has a strong emphasis on promoting high ethical standards among its members and working across the globe for world understanding and peace. The RYLA program is a key element of Rotary's program and is designed to equip outstanding young people to become effective future leaders.

WHERE DID THE RYLA PROGRAM ORIGINATE?

RYLA began in Australia in the 1960s as a program to identify and develop those young people with leadership skills. These young people become very positive influences and role models once they return to their schools.

PURPOSE

Provide outstanding student leaders an opportunity to expand and develop their leadership skills at a virtual scholarship training.

OBJECTIVE

- Provide an atmosphere where future leaders will experience learning situations that will aid them in developing sound values.
- Promote an environment that will provide each individual with a basis of insight and understanding for intelligent leadership.
- Promote involvement that encourages the participants to think through appropriate actions based on values and ethics.
- Encourage students through cooperative activities and group dynamics to develop leadership skills that can be carried back to their individual schools and modeled

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
