Rotary Opens Opportunities

EDITOR'S NOTE :

ARNOLD M. NICOLAS, PHF +8
EDITOR-IN-CHIEF

Rotary Opens Opportunities: this rotary years theme aims to lead and live as an inspiration to humanities. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendship, and above all, take action to change the world.

The ROTAnews of Rotary Club of Tagum North provides information and activities of the club. This is also one of our avenue to provide latest information to people of the different activities and information about Rotary.

Similarly, in the human society, civilization can evolve only if people with the right thought and right action pool in their resources together to move towards the right direction. When an engineer take care of the construction of the new cellphone tower, he needs the cooperation of the associate engineers, product suppliers, transporters, people in the vicinity of the tower and of course, his friends and family. Once again, we are talking about togetherness making a difference.

When people come together for the right purpose and under the right leadership, what results is sheer magic. Right values are necessary if togetherness or unity is to yield the right results.

Water, Sanitation, and Hygiene

Support local, sustainable solutions that bring clean water, sanitation, and hygiene to more people every day.

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.

March 2021

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fund-raise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.

Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.

That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

This joint message of Rotary International President Holger Knaack and Pilipinas Rotaract MDIO Chair Louie De Real for March 2021 in celebration of the World Rotaract Week was published at My Rotary and The Rotary Magazine and was sent to more than 1.4 million Rotarians and Rotaractors worldwide.

Trustee Chair's Message

K.R. Ravindran
Trustee Chair 2020-21
March 2021

One year ago this month, the World Health Organization declared COVID-19 a pandemic. As I write these words, the coronavirus continues to wreak havoc: taking lives, choking economies, and changing our societies in myriad ways. It has disproportionately hurt the poor and worsened inequalities.

Even as some countries have done better than others in controlling this deadly disease, the rapid development of vaccines is bringing us closer to the end of our strange new reality of social isolation.

This dark chapter in our history is also an opportunity for Rotary, because it reminds us of the impact we can have through The Rotary Foundation if we commit to helping others and live up to our highest ideals. It reminds us of the truly international spirit that we must embody to recover from this moment.

During the COVID-19 pandemic, we have witnessed compassion and sacrifice, friendship and resilient good humor. I am reminded of that famous insight popularized by John F. Kennedy: "When written in Chinese, the word crisis is composed of two characters: One represents danger, and one represents opportunity."

Working together, we have done so much to adapt to the COVID-19 pandemic, to care for our communities, and to seize the opportunity to be a part of perhaps the most complex task ever undertaken in history — vaccinating 7 billion people.

This does not mean we will deviate in any way from our avowed commitment to eradicating polio, which remains our highest priority and will continue to be our only corporate program.

On the contrary, while continuing polio vaccinations and surveillance, we can apply all our experience in fighting polio to counter COVID-19. We all have a part to play in combating the growing force of vaccine resistance and misinformation. Our advocacy in our communities will be critical — we need to spread the message about the power of vaccines to save lives. We need to work closely with governments and support them in the vaccination drive. We need to add to the more than 3,000 projects already registered on Rotary Showcase to raise awareness, deliver critical personal protective equipment, and support frontline health workers.

As Aristotle said, human beings are social animals, and while COVID-19 has cruelly deprived us of our natural or habitual environment, it does not prevent us from finding connections and helping others in new ways. As you will see in the coming months, Rotary members are already finding the means to channel their humanitarian spirit through the Foundation, which is constantly adapting to address the world's challenges. Every Rotarian has a role in this effort, and you will find that however you choose to help others and make lasting change, you are not alone.

Five Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the five Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

**TRANSFORMING CLUB PRESIDENTS
AND SECRETARIES**

Dear Sir/Maam:

Greetings!

We hope and pray that you, the rest of your Club members and your respective families are all safe and well right now while confronting this very challenging times.

District 3860 will be holding our District Conference on **June 4 to 6, 2021** with the theme **DISCON 2021: "Opening Opportunities to a Whole New World"**.

The Venue of the DISCON is not Davao City, rather it would appear District wide as we will be embarking in a virtual technology. We are therefore inviting you and your esteemed club members to be a part of the "inter-active conference platform" that we are organizing. We need your help to make this inaugural digital conference successful.

We assume that you missed your fellow Rotarians since last year as we are restricted from gathering hence this is an opportunity for you to somehow watch in the comfort of your home what's happening with the other clubs in the District. Some of this activities will be presented during the parade of clubs in the opening ceremonies. Everyone, including your families will be able to see what happens in a DISCON.

We are providing you herewith a list of items that we encourage you to submit to us **not later than April 30, 2021**. Our District Governor Rodel Riezl S. Reyes is requesting everyone to participate.

The success of DISCON 2021 will be because of you.

Thank you and GOD speed!

Yours in Rotary
ROTARY CLUB OF EAST DAVAO:

PP ALVIN B. ORTEZA
Discon 2021 Chairman

2. On the Parade of Clubs

During the Opening ceremonies, it is customary to honor each Club with the Parade. On the virtual platform, we will create an Audio-Video Presentation (AVP) to achieve this. The same Items/pictures for the yearbook will be used for the DISCON Parade of clubs AVP, so give us the best.

Club President: Please send us a 5 to 10 second video of you (optional: and your spouse in the picture) greeting the Discon participants in your own native dialect. Please send us a "symbol"/Logo that represent your area example: Davao = Eagle. After we show your club's credentials, we will show the world where your club is located in the District Map (using the "symbol").

3. On the "Island"

- a. The concept for the DISCON is similar to that of an Archipelago. Though we are separated geographically, we will come together as One District.
- b. To make this happen during the convention period of 4-6 June, we encourage you to organize your own gathering (following strictly safety and health protocols mandated by the LGU). Pick a venue convenient for ALL to gather safely to hook-up/view/connect into the convention goings-on.

- c. In your venue ("island"), please set-up a link to the DISCON. The idea is for your members to gather and be part of the activities. Maybe a Large Monitor/screen and a computer connected to the internet.
- d. During some of the activities, like the fellowship, we will put the "spotlight" on your club and flash it on screen for the rest of the district to see (when we do this, please make as much noise as possible).
- e. The "island" is a chance to fellowship.

4. For the fellowship night

- a. We encourage you to gather as many of your members as can be permitted.
- b. Connect to the DISCON (Audio & Video). And be ready to be "Spotlighted"
- c. Your Club's Participation- Initial Plan:

 - c.2 It must have at least 3 Rotarians participating.
 - c.3 No more than 2 Minutes long.
- d. Top 10 winners will be shown during the fellowship night. Other submissions will be shown during the course of the convention (in-between activities).

5. Pre-Convention Events

7. Plenary Sessions

- a. We've allotted the 2nd day for our Plenary Sessions. We have invited some speakers to share with us their take on "Opening Opportunities to a Whole New World".

8. Solicitations

- a. All Clubs / areas are encouraged to set-up the "island". As such, please expect that there will be some expenses that the club might incur. So Clubs/Areas/Zones are encouraged to raise their own funds.

As what I have learned in our Seminar, As Rotarian, it will not be good enough to give only what we have left over or what we can spare, but we must truly give of ourselves with new vigor in support of the ideals of Rotary. Let us lead the way as Rotary shares its legacy of "Service Above Self".

A True Rotarian

Listening to the speakers was like charging my phone. As I looked back at why I joined Rotary and what held me in the club for the last 33 years, I must admit that I joined because of the pressure exerted by my peers in the Business Sector. I helped the club with whatever assignment I had. Once, I invited a group of ophthalmologists to our city, leading patients who could barely see the Operating Room Door. The next day, the doctor took off the eye patch of the first patient for her post-operative exam, and after regaining sight, I was the first person she saw. The old woman stood up and hugged me, crying and saying that she could not pay, and that she would gladly give me bananas and root crops instead. I wanted to tell her that I was not a doctor but I didn't want to stop her outburst of emotion. As she sobbed, I felt something that no amount of cash could buy. And I thought, "So this is what the motto of Service Above Self is". This experience brought me to serve with passion as a Rotarian. If we are passionate, we innovate. We innovate, we achieve excellence. We achieve excellence, we succeed.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
