EDITORIAL

SEPTEMBER Is Basic Education and Literacy Month

Literacy is at the heart of basic education for all, and essential for eradicating poverty, reducing child mortality, curbing population growth, achieving gender equality and ensuring sustainable development, peace and democracy. Literacy is a significant and specific goal for Rotary. It is so important that it is one of the 6 areas of focus for The Rotary Foundations Future Vision – basic education and literacy. Such importance has been placed on literacy that Rotary International has created a “Rotary Literacy Month” that takes place during the month of September.

Everyone has the right to learn to read, write and enjoy the power, pleasures and independence of being literate. For some the journey will be easy, for others it will take much hard work and unfortunately for approximately 18 percent of today's world population it will never happen.

How you can help our Club to reduce this statistic:

- Join our Club and contribute to one of the many worldwide literacy programs
- Contribute funds to support existing literacy programs and projects
- Volunteer to collect books to donate to remote schools around Australia and the world via Donations in Kind
- Plan a project that focuses on, and rekindles a passion for literacy and numeracy, and promotes the ideal of a basic education for all
- Report any literacy developments and projects you may be undertaking
- Read to children every day.

Rotary Quotes:

Rotary members are doing everything in their power to ensure success during this final phase. We will work from dusk to dawn to make sure that every child under the age of five is immunized, ... The goal of ending polio and its devastating consequences is within reach. We must continue to build on improvements achieved in 2005, and deliver the polio vaccine to each and every child, including the most vulnerable and hardest-to-reach children.—Bruce Howard

Shekhar Mehta President Message September 2021

I am sure you are having an enriching experience as you Serve to Change Lives. One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education, there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward boys, the cost of missed economic opportunity is more than \$1 billion per year.

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can Serve to Change Lives through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

Literacy is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."

John F. Germ
Trustee Chair Message
September 2021

Malala Yousafzai is a young Pakistani activist for the education of girls and women. As a teenager, Malala, whom the world knows by her first name, courageously spoke out for the rights of girls to learn. Extremists in her country disagreed with Malala, and she was shot by a Taliban gunman on her way home from school.

But the attack didn't dissuade her; it made her more determined. As soon as she recuperated, she resumed her mission of education activism. Today the Malala Fund supports education through projects around the world. Not only is Malala an inspiration for Rotary members, we also have some commonalities: a drive to do what is right, a passion for literacy, and the power to transform dreams into reality.

One of my life mottos is: If you can dream it, you can do it. This applies to everything Rotarians do, particularly with The Rotary Foundation. We literally make our dreams happen.

Like Malala, we know that literacy is, for many, the first step out of poverty. To put our vision into action, we first understand a community and the unique problems of its members, and then form a partnership with them. Next we join forces with others — exchanging ideas with clubs in other districts, and working with people and organizations outside of Rotary.

Our solution, in the form of a district grant or global grant, will be tailored for that community. And if it's a Rotary grant, you can bet it will be well-planned, strategic, and most of all, sustainable. We want that gift of literacy to not be a one-time book donation but a plan to transform a community over time.

Over the years, I have seen countless literacy efforts in Rotary, from national programs to local projects. When the global COVID-19 pandemic hit last year, many clubs took action to help communities adjust to online schooling, including providing laptop computers. Rotary's solutions are endless, our volunteers tireless. And if I know Rotarians, I know that more solutions are being created as I write these words.

Rotary's passion for literacy and education projects is well-known. So is our commitment to make them happen. You, through Rotary, are a big part of helping people take their first step out of illiteracy, out of poverty, and into something much better. Remember, if you can dream it, you can do it — just like Malala.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

Composed by: George Canseco
Commissioned by PDG Jess Tabora

I want to be, A Rotarian for the world

Make the Rotary flag, be the flag of peace unfurled

I will serve my community

Help to seek international unity

Thru Rotary, I will dedicate my all

World understanding shall be my
cherished goal

Refrain : With the Four Way Test

I'll pursue my quest

And I in a way help obtain

Peace in the world

Then I won't have lived in vain.

I'll observe Service Above Self

Lend a hand to all who'll need my help

I'll get my spouse to involve in Rotary

And in Rotary ways, I will train my family

(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth

Strengthened by nothing but the truth

Let's join our hands, there's no reason to divide

We shall all understand, while the good Lord is
our guide

(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved

So we won't have lived in vain.

Award winners: Rotaract projects take honors

Meet the winners of the 2020-21 Rotaract Outstanding Project Awards

The winners of the 2020-21 Rotaract Outstanding Project Awards were announced in April and celebrated during the virtual Rotaract Preconvention in June. Rotaract clubs and districts in 63 countries nominated a record 675 service projects, which were evaluated by RI staff and Rotaract Committee members on criteria including sustainability, community assessment, promotion, impact within Rotary's areas of focus, involvement of multiple Rotaract clubs, and collaboration with Rotarians and local experts. Two projects were chosen as international awardees and six as regional awardees.

For more than 25 years, the Rotaract Outstanding Project Awards program has been an opportunity for Rotaract clubs to share their success with the global Rotary community and to inspire other clubs to develop sustainable and innovative projects. Because the nomination form is modeled after The Rotary Foundation's global grant application, the process also helps prepare Rotaract clubs to apply for global grants, which they will be allowed to do starting 1 July. Learn more about Rotaract.

International award recipients

Single club: Rotaract Club of University of Moratuwa, Sri Lanka, for creating and sustaining Sri Lanka's largest educational audiobook library, as well as designing audio-based vocational training lessons to benefit visually impaired students.

Multiclub: Rotaract clubs in Southeast Asia for their You Are Not Alone mental health initiative, which reached more than 50,000 people with an approach that included local outreach and virtual educational workshops on suicide, cyberbullying, trauma, and depression.

Rotaractors in Southeast Asia created digital posters to spread awareness of their multiclub mental health initiative.

Regional award recipients

Africa: Rotaract Club of Kololo, Uganda, for empowering women from five communities by donating sewing machines, providing financial training, and creating an investment club to pool resources and savings.

Asia-Pacific: Rotaract Club of Zamboanga City West, Philippines, for a project that introduced hydroponic gardening to an association of women farmers to help them increase their food security and generate income.

An association of women farmers in the Philippines received hands-on training in hydroponic gardening from members of the Rotaract Club of Zamboanga City West.

Canada, Caribbean, and United States: Rotaract Club of Tortola, British Virgin Islands, for helping install in a local park an artificial tree that uses solar power to charge electronic devices, raising awareness of the benefits of alternative energy.

Central Asia, Europe, and Middle East: Rotaract Club of Tunis-Ennasr, Tunisia, for leading a nine-club project that collected donations of hair in order to provide customized wigs to children undergoing chemotherapy. In the process, the clubs highlighted the psychological impact of cancer and combated cultural myths about hair.

Latin America: Rotaract Club of Itabuna Universitários, Brazil, for supporting a neighborhood that had no access to drinking water or basic sanitation by distributing ceramic filters, educating residents about water treatment methods, and getting public health authorities involved.

South Asia: Rotaract Club of Islamabad, Bangladesh, for Project Beacon, in which members renovated a Rotary-sponsored school and provided tutoring, guidance, and educational materials to students facing challenges during the COVID-19 pandemic.
