The development of acquaintance as an opportunity for service;

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;

President Message
October 2021

A quarter of the Rotary year is now behind us. I am sure you are helping Rotary to grow more and do more. And I hope you have already done your part for the Each One, Bring One initiative by introducing one person to Rotary.

Do you ever think about your earliest days as a Rotarian? I often do — because those first moments of discovering the power of service shaped who I am today. When I joined my Rotary club, our efforts focused on India's rural communities, where people were living without toilets, getting their drinking water from the same pond they bathed in, and sending their children to outdoor classrooms set up under a tree. The nearest health care provider often was miles away — and the services were inadequate. But after Rotary clubs carried out some service projects, the villages had toilets, clean drinking water, a classroom for early learning, and a nearby health care center.

The spark that Rotary kindled within me forced me to look beyond myself and embrace humanity. It made service a way of life and led me to a guiding principle I still stand by: Service is the rent I pay for the space I occupy on Earth.

If you feel the need to reignite the spark of service in yourself or your club, October — Community Economic Development Month — is a great time to do so. When we work to improve the lives of people in underserved communities — through, for example, projects that provide vocational training and access to financial resources — we help build and sustain local economic growth.

The need is great. According to the United Nations, 9 percent of the world's population — that's 700 million people, a majority of them in sub-Saharan Africa — live on less than \$1.90 a day. By supporting strong community development as well as entrepreneurs, we can help improve conditions for people in that region and others. Your club can also promote economic development in your own community by expanding vocational training opportunities through local schools and community colleges, partnering with lenders to improve access to financial services, or working with a nonprofit that provides resources to entrepreneurs and connects them with the business community.

Of course, developing strong communities is impossible without strong public health. On 24 October, World Polio Day, we'll celebrate our tremendous progress in the effort to eradicate polio. But we also know the fight is not over. We still need your help raising funds and awareness to ensure that all children are immunized against polio. Please don't forget to activate your clubs on that important day and encourage them to donate here: endpolio.org/world-polio-day.

Service has been rewarding for me throughout my life. I know the same is true for many of you. Join me this month in becoming a good tenant of our planet by helping others to better themselves and their communities. Together, we can Serve to Change Lives.

John F. Germ
Trustee Chair Message
October 2021

When Rotary courageously stepped up to pursue the dream of a polio-free world, we knew realizing our dream wouldn't be easy. But since 1988, working with our partners, we've brought worldwide case counts down by 99.9 percent.

However, it's not over 'til it's over. It will take courage. We're going to keep up the funding and keep on the pressure until this fight is finished, and no child ever again has to experience the devastating effects of polio.

As we mark World Polio Day on 24 October, we can take heart; we continue to make progress, and with the current low transmission rates of wild poliovirus in Afghanistan and Pakistan, we have a unique opportunity to interrupt transmission. We also have a new strategy and vaccine that will bolster our eradication efforts.

To eradicate wild poliovirus and stop outbreaks of circulating vaccine-derived poliovirus (cVDPV), the Global Polio Eradication Initiative's new strategy centers around several key areas: political advocacy to create greater urgency and accountability in the endemic and outbreak countries, improved engagement with high-risk communities, improved operations and polio surveillance, and the inclusion of polio immunization in broader health programs. (For more on the new polio eradication strategy, see page 30.)

Along with our new strategy, Rotary and its partners are using a new tool, novel oral polio vaccine (nOPV2), to help address outbreaks of type 2 cVDPV. This new vaccine has been deployed in a growing list of countries and is a promising development in our quest to end polio once and for all. But there is still much work to be done. In particular, we need to remain strongly committed to our goals in the face of recent events in Afghanistan. As a nonpolitical organization, Rotary will continue to do the work that is necessary to protect the health of children everywhere.

After all the progress we've made in our decades-long fight, the worst thing we could do is to become complacent, so here's where you come in.

Let's raise awareness of Rotary's role in polio eradication. And let's double down on our commitment and keep raising \$50 million each year for polio. Remember: Thanks to the Bill & Melinda Gates Foundation, any contribution you or your Rotary or Rotaract club makes will be matched 2 to 1. In Rotary, when we dream, we get behind our dream with everything we can muster. We have always risen to challenges — and now it is more important than ever for us to rise again, with courage, to defeat polio.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

Composed by: George Canseco
Commissioned by PDG Jess Tabora

I want to be, A Rotarian for the world

Make the Rotary flag, be the flag of peace unfurled

I will serve my community

Help to seek international unity

Thru Rotary, I will dedicate my all

World understanding shall be my cherished goal

Refrain : With the Four Way Test

I'll pursue my quest

And I in a way help obtain

Peace in the world

Then I won't have lived in vain.

I'll observe Service Above Self

Lend a hand to all who'll need my help

I'll get my spouse to involve in Rotary

And in Rotary ways, I will train my family

(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth

Strengthened by nothing but the truth

Let's join our hands, there's no reason to divide

We shall all understand, while the good Lord is our guide

(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved

So we won't have lived in vain.

One Rotary, One Mangrove Planting

100 Mangrove Propagules were planted at Barangay Bincungan, Tagum City headed by AG Charles Aldwin M. Carpio and Pres. Revedor R. Pereyras in partnership with Tagum CENRO. The event were attended by Rotarians and Rotaractors from Area 2D composed of the Rotary Clubs of Tagum, Tagum Golden LACES, Davao de Oro , Central Panabo City and Rotary Club Tagum North as led club.

Mangroves provide essential habitat for thousands of species. They also stabilize shorelines, preventing erosion and protecting the land — and the people who live there — from waves and storms.

ROTARY DAY OF SERVICE One Rotary, One Tree Planting

Area 2D Narra Tree Planting at Compostela , Davao de Oro.

Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Many species of wildlife depend on trees for habitat.
