OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

EDITORIAL

'Disease Prevention and Treatment

Help us stop the spread of life-threatening diseases around the world like polio, HIV/AIDS, and malaria.

Rotary believes good health care is everyone's right. Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Rotary makes amazing things happen, like:

- Providing more than 80 percent of Ghana's people with clean water to fight Guinea worm disease.
- Helping Liberian women get tested for HIV early in their pregnancies, reducing new HIV infections in children by 95 percent over two years.
- Rotary's efforts have not only ended polio in 122 countries but also created a system for tackling myriad other health priorities, such as Ebola.

Public health is on everyone's mind due to the global pandemic that still threatens the safety of ourselves and our loved ones. In a sense, COVID-19 has made all of us much more aware of the roles and responsibilities of medical professionals than we were before we had to wear masks and maintain social distance. In addition, while moving through this pandemic, we have also learned about the role we can play in keeping others safe.

December is Disease Prevention and Treatment Month in Rotary. The pandemic unfortunately has schooled most people on the toll that disease takes on our communities. But fighting disease is something that Rotarians around the world have been doing for decades. In fact, it is one of Rotary's seven areas of focus.

As Rotarians, we believe that good health and well-being is a human right — even though 400 million people across the globe do not have access to essential health services. The work we do in establishing clinics, eye hospitals, and blood banks, as well as in building infrastructure for medical facilities in underserved communities, all returns to a central belief that access, prevention, and education are the keys to stopping deadly outbreaks that harm the most vulnerable.

My exposure to health work began with my Rotary club, Calcutta-Mahanagar. There, among other things, I helped pioneer a program called Saving Little Hearts that over the years has provided more than 2,500 free heart surgeries for children from India, Pakistan, Bangladesh, Nepal, and Africa. Before the program went international, it started locally with the goal of performing just six surgeries within our community. Today, our goal is to complete another 20,000 surgeries over the next five years.

The world relies on Rotary to tackle challenges like these and to set an example for others. Over the past decade, medical professionals and government workers have provided free health services to 2.5 million people in 10 countries during Family Health Days, which are organized by Rotarians around the world. Similar health camps in India also provide thousands of surgeries to those in need. Medical missions from India to Africa each year are an excellent example of hands-on service in disease prevention and treatment. Rotary members can also get involved at a local level; clubs in the United States and Mexico, for example, fund a free health clinic in Guerrero, a small town in Mexico.

And of course, our effort to eradicate polio is by far the best story in civil-society health care.

This month, think about how your club can focus on preventing and fighting disease. This is the time to take a bigger, better, bolder approach through both club and district projects that can impact more people. Re-evaluate where you are with your goals. Create strategies that can sustain change over years, not months.

Everyone deserves a long, healthy life. When you Serve to Change Lives, your actions today can help extend the lives of others.

Shekhar Mehta

President Message

December 2021

December marks a special time of year. It's a time of holiday gatherings and family reunions (COVID-19 permitting). It's also the half-way point of the Rotary year, when we look back on our goals, reflecting on the what and the why of our work.

First, the what. This year, to stay on course to reach our goal, we need to raise \$50 million for PolioPlus, with a 2-to-1 match by the Bill & Melinda Gates Foundation bringing the total to \$150 million. To keep our Rotary Foundation programs running strong, we set a goal to raise \$125 million for the Annual Fund. We also aim to raise \$95 million for the Endowment Fund in outright gifts and new commitments, and a further \$40 million for other outright gifts.

So how do we reach our grand total of \$410 million? We must remember that in all great endeavors, including Rotary, we are part of a TEAM: Together, Everyone Achieves More.

You can't have a great team without great PEOPLE. P stands for pride in our organization, our achievements, and our potential. E is our empathy for others, which we transform into service. O has two parts: the tremendous opportunities to make a difference that Rotary has granted us, and an obligation to pull others up and to increase our ranks. Our second P is for perseverance, helping us stick to our goals, like polio eradication, when the going gets tough. L stands for leadership, and E for enthusiasm — the fuel of Rotary.

While we are revisiting our goals, we also need to remember the why. For me, this needs little explanation. Why wouldn't you help expectant mothers and their children survive and thrive by supporting a Rotary Foundation grant? And why wouldn't you initiate programs to help preserve the environment, our cherished home? The pandemic has only renewed my conviction that life is precious, and we must seize every opportunity to enhance the lives of others.

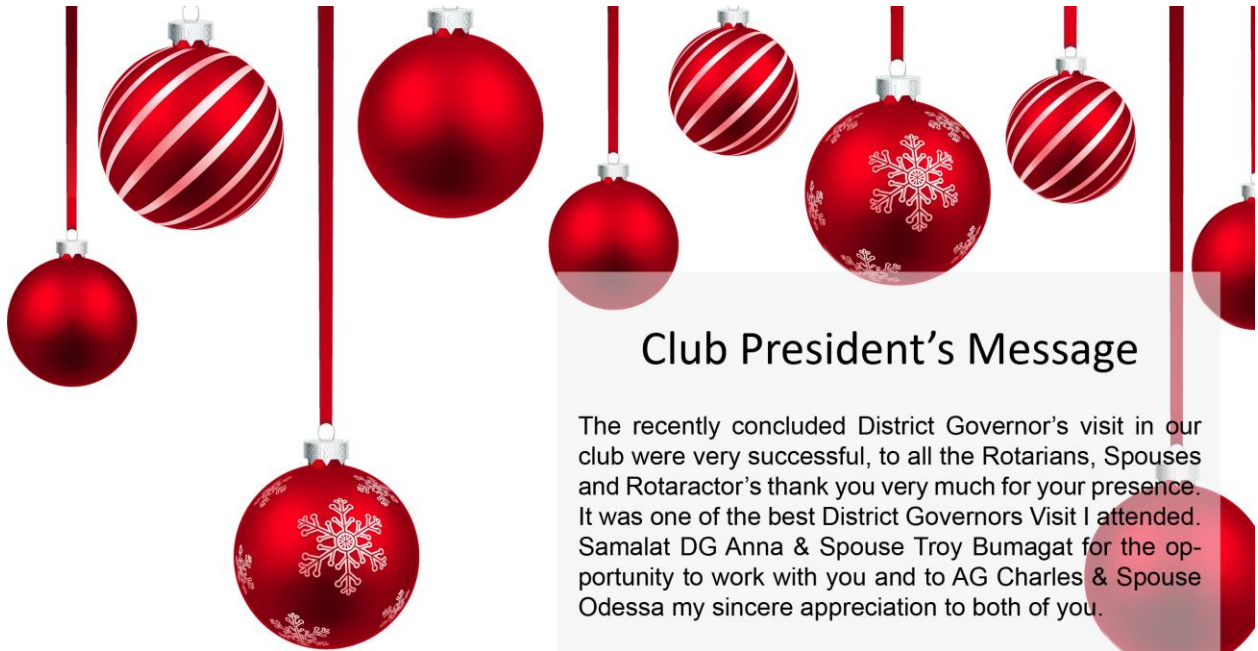

You are one of the PEOPLE on our TEAM. I encourage you this month to join other leaders who participate in Rotary's strong tradition of philanthropy by making a gift to The Rotary Foundation. It is the season of giving, and every gift counts. Please contribute any amount that feels right by 31 December, and your gift will keep on giving in 2022 and for years to come. There are many ways to give, as a club or an individual — why not set up a giving plan?

The Rotary Foundation offers us countless opportunities to help make a difference in the world. Let us never squander those opportunities, nor take our Foundation for granted.

Judy and I wish you the happiest of holidays.

I'm optimistic that the 2021-2022 Rotary year will be one to truly remember. I'd like to extend a special thanks to all of our Charter Members for building our club on such a solid foundation. Thirty Three years later and we're thriving as an organization.

Some of our continuing goals for this Rotary Year:

- To do things that truly make a difference.
- To have more fun!
- To help as many people as we can.
- To be the model club in our Rotary District.

To our new leaders to be elected tonight, good luck to everyone!

Happy 33rd Charter Anniversary and Merry Christmas to everyone.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
