OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

EDITORIAL

Rotary International's new monthly theme for April is Maternal and Child Health! Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, Rotary provides immunizations and antibiotics to babies, improves access to essential medical services, and supports trained health care providers for mothers and their children.

Rotary's projects ensure sustainability by empowering the local community to take ownership of health care training programs. Maternal and Child Health Care is also recognized as one of Rotary's Seven Areas of Focus.

Prayer:

It is good to recognize how different we are. Our talents, our dreams, our backgrounds, our occupations. And it is good to know that when You created each of us, You broke the mold. No one is exactly like anyone else. Even our thumbprint and our voice track tell us how unique we are. Yet, we thank You that we can take these differences and mobilize them for the good of Rotary and our community. In our differences we can think the same thoughts and move together toward a common goal. Bless us as we meet together. Thank You for our individuality and also for our common bond of Rotary. Amen.

Shekhar Mehta President Message April 2022

Friends, one of my mantras in Rotary has been do more, grow more. I am sure you are adopting this mantra. Do more, as in bigger and impactful service projects, and grow more, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our members after far too much time apart.

As we grow more, we will have so much more opportunity to do more. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to do more.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries across the world are showing great enthusiasm for this plan.

Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals.

This is a very exciting time in Rotary, a time when the world needs us most. As we Serve to Change Lives, remember that we are also changing ourselves. We are becoming the world's great change-makers and peacebuilders.

The world is ready for us. It's time to rise to that call.

John F. Germ

Trustee Chair Message

April 2022

What's your Rotary moment — a time that strengthened your dedication to Rotary and confirmed you would be a lifetime Rotarian? I have had many such moments over the years, and they all had one thing in common: They showed me Rotary's tangible power of turning our dreams of a better world into reality.

Rotary members are exceptional at it. I see that power in my own club in Chattanooga, Tennessee, and now, as Rotary Foundation trustee chair, in clubs and districts around the world.

Rotary members from Austria, Germany, Nigeria, and Switzerland are realizing their dream to help mothers and children in Nigeria. In partnership with several organizations, they have launched a multiyear, large-scale project to reduce unwanted births and drive down rates of maternal and child mortality. This project, once a vision of a few members but now the recipient of Foundation global grants, is training doctors, nurses, and midwives throughout all 36 states of Nigeria.

Every great project begins in the minds of our members. You are the ones who see schools where adolescent girls have stopped attending because of the lack of private bathrooms. You are the ones who see families facing food shortages, the children who can't read, and the communities with health problems caused by mosquitoes. You not only see these things, but because you are in Rotary, you also do something about them.

And because of that engagement, over the past decade, the amount of money the Foundation has awarded for global grants has grown by more than 100 percent. As more and more Rotarians have become involved, to keep our grants going we have had to adjust and stretch those funds by reducing overhead and by other means. The reason is simple: While the need for these projects is increasing and grant participation is also on the rise, annual giving from Rotary members has stayed relatively static for years.

Quite simply, we need more clubs and individuals to give to the Annual Fund to help keep our district and global grants thriving. This year, we set a goal of raising \$125 million for the Annual Fund. We can't realize your Rotary dreams or those of your fellow members without everyone's support.

Remember: It's not about the money, but about what our money can do. I am a firm believer that when we all give what we can, both as clubs and individuals, to the Foundation every year, we take another step toward making the world a better place.

Imagine the Rotary dreams we could make real if every member and every club got together and made a gift to our Foundation today. That would be quite a Rotary moment — for all of us.

REVEDOR R. PEREYRAS, PHF+4

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

Composed by: George Canseco
Commissioned by PDG Jess Tabora

I want to be, A Rotarian for the world

Make the Rotary flag, be the flag of peace unfurled

I will serve my community

Help to seek international unity

Thru Rotary, I will dedicate my all

World understanding shall be my
cherished goal

Refrain : With the Four Way Test

I'll pursue my quest

And I in a way help obtain

Peace in the world

Then I won't have lived in vain.

I'll observe Service Above Self

Lend a hand to all who'll need my help

I'll get my spouse to involve in Rotary

And in Rotary ways, I will train my family

(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth

Strengthened by nothing but the truth

Let's join our hands, there's no reason to divide

We shall all understand, while the good Lord is
our guide

(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved

So we won't have lived in vain.

Bhichai Rattakul, a past Rotary International president and an accomplished businessperson and politician, died on 28 February 2022. He was 95.

Rattakul, who was Rotary's first president from Thailand, achieved success in business and government. Known for his modesty, integrity, and diplomatic skills, he rose from humble beginnings, which shaped his outlook on life. He joined Rotary in 1958 as a charter member of the Rotary Club of Dhonburi, Thailand's second club and the first to conduct its business in Thai. As 2002-03 RI president, Rattakul encouraged Rotary members to determine their own goals and programs, saying that grassroots members know what's best for their own clubs and communities.

Prior to becoming RI president, Rattakul had a distinguished career in government, serving as Thailand's deputy prime minister twice, from 1983 to 1990 and from 1997 to 2000, and as foreign minister. He was a member of the Thai parliament for nine terms and held the posts of speaker of the House of Representatives and president of the National Assembly. He retired from government in 2000.

During his years in politics, he served as head of Thailand's Democratic Party. He led a number of Thai delegations to the United Nations, and he was decorated by heads of state including the king of Thailand, the emperor of Japan, and presidents of Austria, Italy, Korea, Nicaragua, the Philippines, and Venezuela. He held honorary degrees in law and political science from universities in Korea, Thailand, and the United States.

As chair of the organizing committee for the 13th Asian Games in 1998, Rattakul served as a mediator, bringing together several fractious groups to organize and host the competition in Bangkok. In recognition, the International Olympic Committee honored him with the Olympic Order, the committee's highest honor for individuals, in 1999.

Rattakul, who was the president of a pharmaceuticals manufacturing company in Bangkok, also served as president of the Thai Pharmaceuticals Manufacturers Association for more than 10 years. Rattakul and his wife, Charoye, were Rotary Foundation Major Donors and Benefactors. He received the Rotary Foundation Citation for Meritorious Service and Distinguished Service Award. He is survived by two sons and one daughter.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

TOGETHER, WE

SAVE LIVES
