IMAGINE
ROTARY

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

Editorial

September is Basic Education and Literacy month. This is a cause that is absolutely vital in bridging the gaping divide for those less privileged, especially the children. Education is fundamental to their ability to surmount challenges in the future.

In Rotary year 2019 Basic Education and Literacy ranked as the third highest area of focus with funding of over US\$12.5 million to support projects worldwide. The video Rotary Supports Education describes how grants from The Rotary Foundation help alleviate the plight of the seventeen percent of the world's adult population who are illiterate:

"Education has the power to lift families up, make real change, modify behaviour, create healthy habits and open minds. It creates security and safety in families so that they can support, provide and make informed and empowered decisions."

Contributions to The Rotary Foundation impact lives all around the world. For people who would otherwise have been isolated by their educational disadvantage, it provides a path to connect to the world.

Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as “Tía Jennifer.” On the third day, after visiting Patzún in the mountainous western highlands, we set out for Lake Atitlán, which we needed to reach by nightfall. If we took a back road we could get there faster. Locals told us it had just been repaved and assured us, “You’ll have no problem.”

At first, it was a breeze. We wound through misty-green coffee and corn fields covering the hillside like a patchwork quilt. But at a river crossing, we found a bridge washed away. The only way to continue would be to ford the river in our small bus. There were a few tense moments, but we decided to give it a try and, thankfully, we made it across safely.

This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two, sometimes you have to take uncomfortable chances to reach important goals.

Every day, I am honored to learn from our Rotary family. Every lesson is an opportunity to grow, and each story adds a chapter to our collective Imagine Rotary year.

Jennifer Jones
President Message
September 2022

One of my favorite books, *A Short History of Nearly Everything* by Bill Bryson, muses on the creation of the universe and how a tiny speck of it we call Earth went from being a fiery ball with seas of molten rock to the lush green-and-blue home we know today. Bryson's argument is that it is a miracle that we — our planet and our species — have survived. "We enjoy not only the privilege of existence," Bryson writes, "but also the singular ability to appreciate it and even, in a multitude of ways, to make it better."

We are fortunate to be able to read his words or any others. And we are fortunate to be part of an organization that is making our world a better place by helping those who can't read them. There are an estimated 773 million illiterate adults — most of them women — who can't read these words or write their own name. They are at a clear disadvantage in life, with limited opportunities to work. And this situation isn't their fault.

Rotary has not forgotten them. In September, let's celebrate Basic Education and Literacy Month by looking at the long-term impact Rotary and The Rotary Foundation are making and how we are finding ways to lend a hand in the effort.

Last year alone, The Rotary Foundation approved 104 global grants totaling \$6.3 million for basic education and literacy projects, according to preliminary figures. This is on top of decades of work in our clubs and districts. As an Australian, I'm especially proud of the work of Dick Walker, a past district governor from Queensland, who used a Foundation matching grant to develop the concentrated language encounter method that has been adopted by educational leaders around the world.

At the community level, our clubs are well known for book drives that have changed the lives of so many children. But when we gather many clubs and districts together and work on large-scale Rotary Foundation projects, we have the potential to impact entire communities for generations.

The opportunities for Rotary to make a difference in literacy are boundless. Once basic reading and writing is achieved, it opens a path to other types of literacy, such as numerical literacy, digital literacy, and financial literacy.

Let's not squander our opportunity to improve our corner of the universe. I encourage you to think big about literacy and education and change the world — this month and beyond.

Ian H.S. Riseley Trustee Chair Message September 2022

Club President's Message

Pres. Jess M. Osorio, PHF

Last September 5, 2022, our club was delighted to welcome our District Governor Lilo Alino. We had laid out our club service initiatives and performance reports, and we were happy to share the TRF as one of our objective accomplishments. Although it's still early, she expressed great satisfaction with our performances and referred to our club as a "5 star" club. She went on to describe how the TRF is so beautiful and how it actually benefits both global society and our local recipients. She gave us more encouragement to give to our Rotary Foundation. With our TRF chair PP Darwin Ravelo, we promised to double the TRF donations already been received.

Being a CADAC member, our Club took part in the opening of the CADAC Community-Based Rehabilitation Program (CBRP) on September 16, 2022, with the theme "LUYO SA DAG-OM KAHAYAG ANG TANAN." Energy Park in Barangay Apokon, Tagum City, served as the venue for this activity. Nearly 700 beneficiaries of CADAC (drug surrenderees, drug offenders under parole and probation, reformist under CBRP) attended this event.

Last Saturday, September 17, 2022, Rotary District 3860 held a simultaneous tree- and mangrove-planting day. Our club, along with the other four clubs in area 2d, organized a tree-planting event in Barangay Linda, Nabuturan. 300 seedlings were successfully planted in the mountain by our team. Although we already took part in the group planting activity with area 2D, we also intend to plant our own mangroves on September 24, 2022.

As we promised to support the DEPED balik eskwela program, we RC Tagum North donated outdoor sound system to La Filipina National High School. The item was delivered on 17th of September and shall be officially transferred over to the school administration on Sept 19, 2022. We're hoping that, in our little way, we can improve students' ability to learn.

Basic Education & Literacy

By: PP Ramel A. Lintuan, Service Project Chair

SEPTEMBER Is Basic Education and Literacy Month

Literacy is at the heart of basic education for all, and essential for eradicating poverty, reducing child mortality, curbing population growth, achieving gender equality and ensuring sustainable development, peace and democracy. Literacy is a significant and specific goal for Rotary. It is so important that it is one of the 6 areas of focus for The Rotary Foundations Future Vision – basic education and literacy. Such importance has been placed on literacy that Rotary International has created a “Rotary Literacy Month” that takes place during the month of September.

Everyone has the right to learn to read, write and enjoy the power, pleasures and independence of being literate. For some the journey will be easy, for others it will take much hard work and unfortunately for approximately 18 percent of today’s world population it will never happen.

How you can help our Club to reduce this statistic:

- Join our Club and contribute to one of the many worldwide literacy programs
- Contribute funds to support existing literacy programs and projects
- Volunteer to collect books to donate to remote schools around Australia and the world via Donations in Kind
- Plan a project that focuses on, and rekindles a passion for literacy and numeracy, and promotes the ideal of a basic education for all
- Report any literacy developments and projects you may be undertaking
- Read to children every day.

City of Evanston celebrates 68 years as home to Rotary International World Headquarters

EVANSTON, Ill. (Aug. 23, 2022) — With ten commemorative signs posted throughout Evanston this week, the city proudly marks its 68th year as home to Rotary International World Headquarters, where a diverse global team of 700+ professionals support the work of Rotary's 46,000 clubs worldwide to strengthen communities and improve lives.

"Rotary has been an economic anchor for decades, not only as one of our largest employers, but surprising to some, one of the largest property taxpayers in our city," said Paul Zalmezak, City of Evanston's Economic Development Manager. "Rotary's reach goes beyond corporate staff shopping and dining at local businesses. With its global membership, Rotary contributes over \$1 million to our local economy with more than 2,000 international visits annually. We are proud to house an organization that is transforming communities and positively impacting lives around the world."

The commemorative signs are located on the east side of the Sheridan Road curve and the intersections at Dempster and McCormick; Sheridan and Lake; Sheridan and Ridge; Howard and Ridge; Howard and Chicago; Golf and McCormick; Golf and Crawford; and near the Metra and CTA hubs at Davis and Church.

"We are honored to have our world headquarters recognized by the City of Evanston," said John Hewko, Rotary International CEO. "We hope these signs will make it easier for people to find us and engage those who may be curious about our organization. Evanston has been a great place to call home and our visitors are always impressed with its stunning lake views and small-town atmosphere."

On display in the lobby of One Rotary Center, located at 1560 Sherman Ave., are exhibits that are open to the public from 9 a.m. – 5 p.m., Mon.-Fri. and 8 a.m. – 12 p.m. Saturday, except on major U.S. holidays, that showcase Rotary's causes, including promoting peace, fighting disease, providing safe water and sanitation, supporting education, saving mothers and children, growing local economies, and protecting the environment.

Rotary's top priority is the global eradication of polio. Rotary launched its polio immunization program, PolioPlus, in 1985 and in 1988 became a leading partner in the Global Polio Eradication Initiative.

One Rotary Center is open to tours by appointment and conference rooms offering fully-equipped, state of the art spaces and capabilities for a wide variety of safe, COVID-compliant gatherings and meetings, events, seminars, panel discussions, corporate gatherings and more are available. Contact visitors@rotary.org to learn more about hosting an event at One Rotary Center.

About Rotary: Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.4 million members of more than 46,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world. For more information, visit Rotary.org.

For 117 years, Rotary members have been addressing challenges around the world. It started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on Feb. 23, 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities. Rotary's name came from the group's early practice of rotating meetings among the offices of its members. Rotary first came to Evanston in 1954, when its original building was erected on 1600 Ridge Ave.

About the City of Evanston: The City of Evanston is home to approximately 75,000 residents and is located just north of Chicago. Bordering Lake Michigan and home to Northwestern University and Rotary International, Evanston's unique beauty and character delights visitors and residents of all ages. With a vision to create the most livable city in America, Evanston celebrates the diversity of its opportunities and residents.

The Past President's Logo

TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanan in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on "Botica sa Barangay" last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the "Operation New Look" program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-"Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Conducted Oral Polio Vaccination & free-tigdas and german measles annually at Tagum City Health Center in partnership with Tagum City Health Office .

Conducted Schistosomiasis Mass Treatment in Municipalities of Asuncion , New Corella, B. Dujali and Kapalong, Davao del Norte in partnership with UP Manila and DOH.

Conducted free Breast Scan every year in partnership with Clinica ng Masa.

The club also donated more than two million pesos worth of Personal Protective Equipment (PPE's) during the Covid-19 response in partnership with different Municipal and City Health Centers of Davao del Norte, Davao de Oro and Davao City.

Maternal & Child Care

"Hot Lunch Plus" a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte , NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and "would be pregnant" mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on “Oplan Tutok Kubeta” in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a “Spring Water Impounding System” (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the “Water for Life” became the Club’s Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea .

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on “Coral Reef, Mangrove & Tree Planting” in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

Donation of six (6) units 18 footer Fiberglass Motorized Banca to Liganon Fishermen Association, courtesy of RC Littehampton, RC Seaford, RC Bognor, RC Steyning&Henfield and RC Shoreham & Southwick, United Kingdom, District 1250.

Regular Job Fair in Partnership with Tagum City Public Employment Services Office (PEESO). Job Fair is quarterly event. Closely coordinated with the Department of Labor and Employment, also opens opportunities for job-seekers to avail of services from government agencies such as the Professional Regulations Commission, the Social Security System, Phil Health, National Statistics Office, Department of Foreign Affairs among others.

Supported the Sari-sari Store Training and Access to Resources (STAR) for more than 2000 women. A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Coca-Cola funded the program while Tesda gave the training to selected COW 10 delegates as future trainer's, delegates re-echo barangays; RCTN facilitates transportation of trainer's to the barangays to re-echo the STAR program in their areas.

2004-05- "Cable-Lift" project. An ingenious cable cart system used to transport farmers and their produce from one side to another side of the river in Asuncion, Davao del Norte.

Donation of 12 Unit weeing scale in Bugasan sa Kapurokan in partnership with LGU Tagum City.

Funded the IP's Sari-sari Store Negosyo Package at Sitio Tawinian, Barangay Gupitan, Municipality of Kapalong, Davao del Norte.

Also, donated 2 housing units at Rotary Village Magsaysay, Davao Del Sur funded by Rotary Club of Godeok, District 3620, Republic of Korea and SUP Corporation.

Basic Education & Literacy

The club has been supportive in promoting educational skills development programs in the area. The "Adopt A School program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unstoppable when it extended its coverage to 44 learners both out of school youths and young adults at Barangay East, Tagum City when the Alternative Learning System (ALS Palengskwelahan) was conceived in 2008. Since 2012 the club take care of the construction, rehabilitation and maintenance of the school.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for Differently-able individuals; Cellular Phone, Radio and TV repair and Basic Carpentry for out of school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and basic Baking in 2008.

Providing avenues of learning started to be the prime commitment in its literacy program, in 1999, the club's generosity was measured when it donated through the help of the WCS project from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda Elementary School Sped Center.

Rehabilitation of Three (3) Classroom Building at Mangayon National High School, Davao de Oro. The school rehabilitation project is funded by RC Littlehampton, United Kingdom, District 1250 in partnership with DSWD and Office of Rep. Maria Carmen S. Zamora.

Construction of 1 Unit School Building at Brgy. Imelda, Laak, Davao de Oro funded by RC Oxted & Limsfield, United Kingdom in partnership with the Provincial Government of Davao de Oro.

Construction of Reading Center at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Construction of School Canteen at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Rehabilitation of three (3) classroom Units at Camansa Elem. School at Barangay Camansa, Municipality of Asuncion.

Construction of three (3) classrooms Units at Madrasaton Nor Al Islamia at Municipality of Asuncion, Davao del Norte.

Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapitalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapitalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapitalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapitalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

Group Study Exchange Program (GSE) & Rotary Exchange (ROTEX)
 The first club in the zone to send an Out-Bound ROTEX exchange student, Marjorie Osorio, exchanged with In-Bound ROTEX student Samantha Gordon of West Palm Beach, Florida, USA.

In 2000-01- Dr. Nanette Perdido Out-Bound GSE to Florida, USA.
 2001-02- Maricar S. Zamora Out-Bound GSE to Canada and USA.
 Dr. Lorenzo Mendoza Out-bound GSE Kentucky, USA
 Dr. Glen Pono Out-bound GSE Virginia, Dr. Concha, Out-bound British Columbia, Canada, and Atty. Russell J. Cayetano, Sydney, Australia.

Youth Service

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this area. Hosted the 13th, 22nd, 28th and 31st Rotaract & Interact District Conference and the 2005 & 2008, Rotaract & Interact District Assembly. Also, the club regularly sent delegates to 3rd, 4th, 6th, 8th, 9th, 11th Asia Pacific Regional Rotaract Conference in Tagaytay, Malaysia, Singapore, Subic, Bangkok and Hongkong respectively and Bangkok and Seoul Rotaract Pre Convention Meetings.

Tagum North has stood the test of time, remained strong, vibrant, and proud, Tagum North will continue to dream and reach for greater heights. There is no doubt North is up!

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

TOGETHER, WE

TRANSFORM
