## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

## THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

## DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

# Editorial

## What is polio?

Polio, or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. The virus spreads from person to person, typically through contaminated water. It can then attack the nervous system.

## Our Goal

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the Global Polio Eradication Initiative, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

In August, I was proud to visit Pakistan and highlight Rotary's top goal, eradicating polio. It was also a tremendous opportunity to spotlight female health workers who are playing a critical role in protecting children from this vaccine-preventable disease.

This month, as we celebrate World Polio Day, we are shining a spotlight on our more than 30-year effort to lead the first global polio eradication campaign and our success in forming partnerships capable of completing this massive goal. We all know that this is one of the most ambitious global health initiatives in history and that we've reduced polio cases by more than 99.9 percent worldwide.

Pakistan is one of only two countries in the world where wild poliovirus remains endemic. (The other is neighboring Afghanistan.) I was able to witness and take part in vaccination campaigns in Pakistan, and soon after I left, a monumental nationwide immunization campaign took place, focused on 43 million children under the age of 5. I saw the incredible work of Rotary members on the ground. More than 60 percent of vaccinators in Pakistan are women, and they are doing a remarkable job building trust and convincing mothers to vaccinate their children.

Seeing it all firsthand, I know that the will exists across the Rotary world to end polio, and I'm confident that we have the strategy. The Pakistani media has been very supportive of our efforts as well, and this is making a difference. This month, a new global pledging moment at the World Health Summit in Berlin promises to pull together more resources to fund these time-sensitive eradication efforts. Now it is up to us to do our part and raise \$50 million this year to earn the full 2-to-1 match from the Bill & Melinda Gates Foundation.

There's great cause for optimism on the polio front — but also some staggering new events that have further raised the stakes. Over the past few months, new polio outbreaks have occurred in Israel, the United Kingdom and, most recently, in the New York City area. These stories are frightening, but in every case, the response is clear — vaccines work, and if polio is spreading, we need to make sure the most at-risk people have kept their vaccinations up to date.

Most importantly, we need to eradicate this virus now. If polio exists anywhere, it can spread everywhere. What I saw in Pakistan convinced me that we can and must finish the job, but it will only happen if we remain committed to a strategy that's working and back it with all necessary resources.

Through our commitment, generosity, and sheer determination, we will #EndPolio.

## **Jennifer Jones** President Message October 2022

Who are your Rotary heroes? One of mine was Clem Renouf, 1978-79 RI president. I related to Sir Clem, who died in 2020, in many ways. We shared the same profession and Australian nationality and a passion for polio eradication. It was Clem's leadership that first put us on track to embrace the cause, mobilizing what is today a global partnership that has led us to the cusp of eradicating a human disease for only the second time in history.

What Rotary and its partners have achieved is nothing short of remarkable. We have helped reduce polio cases by 99.9 percent worldwide, immunizing more than 2 billion children across 122 countries. Last year alone, more than 370 million children were vaccinated across 30 countries, using more than 1 billion doses of oral polio vaccine. As a result, we are seeing near historic lows in the number of cases. In August 2020, the World Health Organization African region was certified free of wild poliovirus, an incredible achievement for Rotary members and a huge step on the road to eradication.

But remember that as long as polio exists anywhere, it is a threat to people everywhere, especially to young children. You may have heard about importations of the disease to Malawi and Mozambique, detection of poliovirus in sewage in the UK, and a recent case in the U.S.

To stay agile, Rotary and its partners are deploying a new polio vaccine, novel oral polio vaccine type 2 (nOPV2), to fight outbreaks of circulating vaccine-derived poliovirus, also known as variant poliovirus, which continues to threaten children in Africa, as well as several countries in Asia and the Middle East, including Afghanistan and Pakistan.

Rotary is as active as ever. We are calling on every member to take action and be part of this historic fight. Take the fight to your clubs and communities on World Polio Day, 24 October. Keep raising awareness of the importance of polio eradication and Rotary's critical role in that effort by holding events and fundraisers. Don't forget that contributions toward the goal of \$50 million per year for polio eradication will be matched 2-to-1 by our generous partner, the Bill & Melinda Gates Foundation.

Like Sir Clem, we can all be Rotary heroes, each playing a part in our organization's great legacy. Through giving, raising awareness and funds, and providing hands-on service, each of us brings Rotary a step closer to fulfilling our promise to the children of the world by eradicating polio for good.

**Ian H.S. Riseley**  
Trustee Chair Message  
October 2022

# Club President's Message

**Pres. Jess M. Osorio, PHF**

The Rotary organization nationwide, if not internationally, scheduled a synchronized tree- and mangrove-planting activity two weeks ago, on September 17, 2022. However, because RC Tagum North had already scheduled this event as a regular movement, we actually held our mangrove planting on September 24 in collaboration with Rotaract and successfully planted 50 seedlings.

In association with the City of Tagum, Tagum Tourism, Davao Regional Medical Center, City Health Office, Living Hope, Robinsons Tagum, TARA, Rotary Club of Tagum North, Rotary Club of Tagum, Rotary Club of Tagum Golden LACES, and R.C. The participants from Davao de Oro, Central Panabo City, and all other participants gathered on September 30 in Rotary Park with the intention of supporting this essential campaign to raise public awareness of breast cancer.

Throughout the rest of October, there will be more programs and events promoting breast cancer awareness. The Rotary Club participated in an event at the local television and radio station PT DavNor in Tagum on Wednesday, October 5, 2022, with the subject "Kapihan sa DavNor," along with other guests, stakeholders, and the LGU. The impact of this activity was greater in terms of spreading information about breast cancer, informing people who haven't yet been diagnosed, preventing it, and providing preventative measures.

On October 22, there will be additional activities to support this cause, including a free clinic, a forum called "Dibdibanf Usapan," and cooking classes with chef Edward. These events will begin with a motorcade in the morning. The day after, October 23 will be our End Polio Now Fun Bike & Family Day at Energy Park with our local 2D Clubs from RC Tagum LACES, RC Tagum, RC Panabo, & RC Davao de Oro. and on October 24th, we will administer our oral polio vaccination.

Let us join together to give our mother, our wife, our sisters, our daughters and love ones a better fighting chance against this killer Breast Cancer. But can we do action? "YES!! We can increase a woman's chance of survival if we enlighten our loved ones about the disease and encourage them to get regular checkups for early identification and treatment.

# Register now for World Polio Day 2022

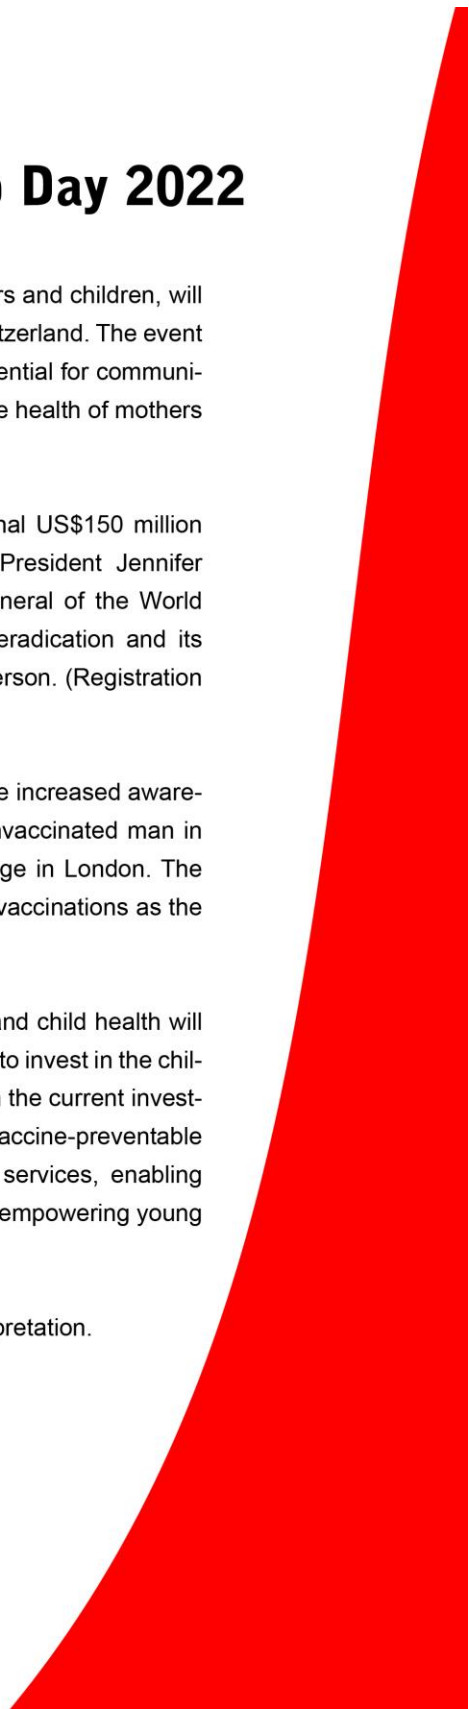

World Polio Day 2022 and Beyond: A healthier future for mothers and children, will be held virtually and in-person on 21-22 October in Geneva, Switzerland. The event will highlight the status of polio eradication and address the potential for community-based solutions that go beyond immunizations to enhance the health of mothers and their children.

Following the announcement of Rotary's pledge of an additional US\$150 million toward future polio eradication efforts, Rotary International President Jennifer Jones will join Dr. Tedros Adhanom Ghebreyesus, director-general of the World Health Organization (WHO) in discussing the state of polio eradication and its broader relevance to global health. Register now to attend in-person. (Registration not required to take part virtually)

The recent detections of the poliovirus in New York and UK have increased awareness of the disease's continued threat. Earlier this year, an unvaccinated man in New York was paralyzed and poliovirus was detected in sewage in London. The moment presents an opportunity to highlight the importance of vaccinations as the only form of protection against polio and many other diseases.

At the Geneva event, experts in polio, vaccines and maternal and child health will also discuss the benefits of going "beyond" immunization efforts to invest in the children protected by these vaccines and their mothers. Building on the current investments will ensure that the mothers and children saved from vaccine-preventable diseases can benefit from other preventative and life-saving services, enabling mothers to have a positive experience with their pregnancy and empowering young children to achieve their full potential.

The event will be held in English with French and Spanish interpretation.

**Rotary:**

Rotary International is an international service organization whose stated purpose is to bring together business and professional leaders in order to provide humanitarian service and to advance goodwill and peace around the world. Wikipedia

President: Mark Daniel Maloney (July 2019 - Present)

Motto: Service Above Self

Membership: 1.22 million

Publication: The Rotarian

Founder: Paul P. Harris

Founded: 23 February 1905, Unity Building, Chicago, Illinois, United States

Rotaract originally began as a Rotary International youth program in 1968 at Charlotte North Rotary Club in Charlotte, North Carolina, United States, and has grown into a major Rotary-sponsored organization of over 10,904 clubs spread around the world and 250,792 members in 184 countries. Wikipedia

Motto: Self Development - Fellowship Through Service

Membership: 291,006

Focus: Fellowship and Service

Origins: The Rotary International Family

Founded: 13 March 1968

Headquarters: Evanston, Illinois, United States

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. Find out how serious leadership can be seriously fun.

Founder: Rotary International

Founded: 28 October 1962

Rotary Community Corps is a group of people who share our commitment to changing the world through service projects. Rotary Community Corps members plan and carry out projects in their communities and support local Rotary club projects but are not members of a Rotary club

# TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanang in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

### Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception, the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on "Botica sa Barangay" last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the "Operation New Look" program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-"Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Conducted Oral Polio Vaccination & free-tigdas and german measles annually at Tagum City Health Center in partnership with Tagum City Health Office .

Conducted Schistosomiasis Mass Treatment in Municipalities of Asuncion , New Corella, B. Dujali and Kapalong, Davao del Norte in partnership with UP Manila and DOH.

Conducted free Breast Scan every year in partnership with Clinica ng Masa.

The club also donated more than two million pesos worth of Personal Protective Equipment (PPE's) during the Covid-19 reponse in partnership with different Municipal and City Health Centers of Davao del Norte, Davao de Oro and Davao City.

### Maternal & Child Care

"Hot Lunch Plus" a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte , NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and "would be pregnant" mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

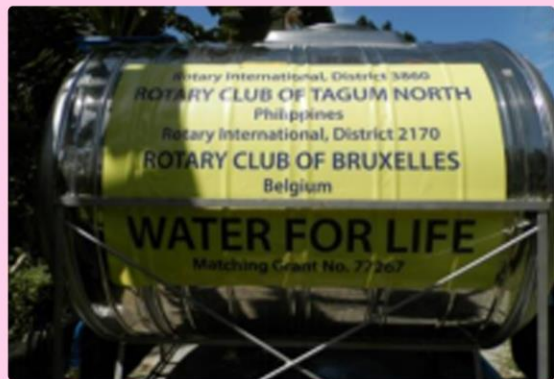

### Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on “Oplan Tutok Kubeta” in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a “Spring Water Impounding System” (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the “Water for Life” became the Club’s Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea.

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

### Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on “Coral Reef, Mangrove & Tree Planting” in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

Donation of six (6) units 18 footer Fiberglass Motorized Banca to Liganon Fishers Association, courtesy of RC Littehampton, RC Seaford, RC Bognor, RC Steyning&Henfield and RC Shoreham & Southwick, United Kingdom, District 1250.

Regular Job Fair in Partnership with Tagum City Public Employment Services Office (PEESO). Job Fair is quarterly event. Closely coordinated with the Department of Labor and Employment, also opens opportunities for job-seekers to avail of services from government agencies such as the Professional Regulations Commission, the Social Security System, Phil Health, National Statistics Office, Department of Foreign Affairs among others.

Supported the Sari-sari Store Training and Access to Resources (STAR) for more than 2000 women. A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Coca-Cola funded the program while Tesda gave the training to selected COW 10 delegates as future trainer's, delegates re-echo barangays; RCTN facilitates transportation of trainer's to the barangays to re-echo the STAR program in their areas.

2004-05- "Cable-Lift" project. An ingenious cable cart system used to transport farmers and their produce from one side to another side of the river in Asuncion, Davao del Norte.

Donation of 12 Unit weeing scale in Bugasan sa Kapurokan in partnership with LGU Tagum City.

Funded the IP's Sari-sari Store Negosyo Package at Sitio Tawinian, Barangay Gupitan, Municipality of Kapalong, Davao del Norte.

Also, donated 2 housing units at Rotary Village Magsaysay, Davao Del Sur funded by Rotary Club of Godeok, District 3620, Republic of Korea and SUP Corporation.

### Basic Education & Literacy

The club has been supportive in promoting educational skills development programs in the area. The "Adopt A School program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unstoppable when it extended its coverage to 44 learners both out of school youths and young adults at Barangay East, Tagum City when the Alternative Learning System (ALS Palengskwelahan) was conceived in 2008. Since 2012 the club take care of the construction, rehabilitation and maintenance of the school.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for Differently-able individuals; Cellular Phone, Radio and TV repair and Basic Carpentry for out of school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and basic Baking in 2008.

Providing avenues of learning started to be the prime commitment in its literacy program, in 1999, the club's generosity was measured when it donated through the help of the WCS project from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda Elementary School Sped Center.

Rehabilitation of Three (3) Classroom Building at Mangayon National High School, Davao de Oro. The school rehabilitation project is funded by RC Littlehampton, United Kingdom, District 1250 in partnership with DSWD and Office of Rep. Maria Carmen S. Zamora.

Construction of 1 Unit School Building at Brgy. Imelda, Laak, Davao de Oro funded by RC Oxted & Limsfield, United Kingdom in partnership with the Provincial Government of Davao de Oro.

Construction of Reading Center at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Construction of School Canteen at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Rehabilitation of three (3) classroom Units at Camansa Elem. School at Barangay Camansa, Municipality of Asuncion.

Construction of three (3) classrooms Units at Madrasaton Nor Al Islamia at Municipality of Asuncion, Davao del Norte.

Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

Learning Peace in School and Community project in partnership with Office of Presidential Adviser of Peace Process (OPAPP)

**The Rotary Foundation**

Group Study Exchange Program (GSE) & Rotary Exchange (ROTEX)  
 The first club in the zone to send an Out-Bound ROTEX exchange student, Marjorie Osorio, exchanged with In-Bound ROTEX student Samantha Gordon of West Palm Beach, Florida, USA.

In 2000-01- Dr. Nanette Perdido Out-Bound GSE to Florida, USA.  
 2001-02- Maricar S. Zamora Out-Bound GSE to Canada and USA.  
 Dr. Lorenzo Mendoza Out-bound GSE Kentucky, USA  
 Dr. Glen Pono Out-bound GSE Virginia, Dr. Concha, Out-bound British Columbia, Canada, and Atty. Russell J. Cayetano, Sydney, Australia.

**Youth Service**

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this area. Hosted the 13th, 22nd, 28th and 31st Rotaract & Interact District Conference and the 2005 & 2008, Rotaract & Interact District Assembly. Also, the club regularly sent delegates to 3rd, 4th, 6th, 8th, 9th, 11th Asia Pacific Regional Rotaract Conference in Tagaytay, Malaysia, Singapore, Subic, Bangkok and Hongkong respectively and Bangkok and Seoul Rotaract Pre Convention Meetings.

Tagum North has stood the test of time, remained strong, vibrant, and proud, Tagum North will continue to dream and reach for greater heights. There is no doubt North is up!

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

## Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

## Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

TOGETHER, WE

INSPIRE
