## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### FIRST:

The development of acquaintance as an opportunity for service;

### SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

### FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

## THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

## DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

# Editorial

## December is Disease Prevention and Treatment Month

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

## HOW ROTARY MAKES HELP HAPPEN

We educate and equip communities to stop the spread of life-threatening diseases. Rotary members have hundreds of health projects underway around the world at any given time.

## OUR IMPACT ON DISEASE

The Rotary Foundation is changing the world by providing grants for projects and activities around the globe and in your own backyard.

Rotary makes amazing things happen, like:

**Providing clean water:** Rotary has worked with partners to provide more than 80 percent of Ghana's people with clean water to fight Guinea worm disease.  
**Reducing HIV infection:** In Liberia, Rotary members are helping women get tested for HIV early in their pregnancies. They used prenatal care to reduce new HIV infections in children by 95 percent over two years.

**Ending polio:** Rotary members have played a key role in bringing the world to the brink of polio eradication. Their efforts have not only ended polio in 122 countries but also created a system for tackling myriad other health priorities, such as Ebola.

## Program

### ROTARY CLUB OF TAGUM NORTH 4th Club Assembly 34th Charter Anniversary Celebration and Christmas Party

December 08, 2022, 6:00PM,

## Jennifer Jones President Message December 2022

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: "How many of you have ever had malaria?" Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son's bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son's legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. "I lost my son, I lost my son," he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary's first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

We all make hundreds if not thousands of decisions daily. Whenever I need to make an important decision, I remember the words of Roy Disney, who co-founded what became the Walt Disney Co.: "It's easy to make decisions when you know what your values are."

Each of us brings a set of personal values into our clubs. Rotary also unites by a set of core values — service, fellowship, diversity, integrity, and leadership — that guide our decisions and galvanize us to take action and, by doing so, change the world. Another value is inextricable to Rotary: our giving spirit. From the club members who volunteer their time for service projects to the Rotary leaders in the Arch Klumph Society who sustain our Foundation, Rotary members are among the most generous people I have ever met. Combining our personal generosity with the countless ways Rotary affords us to give back makes us a global force for good.

In Rotary, we take it a step further. We also value good stewardship, planning, and sustainability. Not only do we give, but in Rotary we also give smart. We know that building sustainability into our projects means their impact will be felt over the long term.

In short, through the Foundation, your gifts keep on giving. This is why donating to The Rotary Foundation is one of the most intelligent decisions you can make. You know that your gift will align with those values you hold dear and that it will be administered by your fellow Rotarians, who share those values.

It is quite an understatement to say that in giving to Rotary, we also receive. As someone who has been privileged to visit hundreds of Foundation projects around the world, I can tell you that the gift we get in return is priceless.

I hope you, too, will be as lucky I have been, to see the look of amazement on the face of a person at an eye clinic in Chennai, India, who now sees clearly. The proud smiles of Guatemalan children who learned to read thanks to Rotary. Or the grateful tears of a parent in Pakistan whose child has received two drops of polio vaccine. Then you will understand what I'm talking about. We are so fortunate to be able to serve humanity by supporting our Foundation.

During this season of giving, I thank you for your generosity to The Rotary Foundation and for all the ways you give to our great organization. Juliet and I extend our warmest holiday greetings to you all.

**Ian H.S. Riseley**  
Trustee Chair Message  
December 2022

# Club President's Message

**Pres. Jess M. Osorio, PHF+1**

Please accept my sincere congratulations on the Rotary Club of Tagum North's 34th anniversary. Being recognized as one of the leading clubs in the district and achieving this standard of selfless service are actually outstanding accomplishments. I believe that by seeing how resilient and strong we are, other Rotarians will be inspired to be proud of their club membership. I raise my glass on this particular occasion in recognition of a job well done. Charter night is a moment to honor our previous successes, to reflect on those endeavors and everyone involved—especially those who are no longer with us to experience the occasion—and to look forward to our future services.

With our courageous humanitarian gesture toward our less fortunate brothers and sisters, whose Tapayanon village was recently discovered from the untamed mountains and gladly relocated to the new community in Sitio Mondol. We are quite delighted to lend our assistance in our own little way. For those who don't know, we already supported this village by giving them a basic tool for cultivating their land, sanitary bowls, medical missions, food, even educational materials, and many other things they most needed. We had previously built them a tribal hall through our district grant in partnership with Gov. Jubahib & Mayor Timbol. Together with our LGU partner from the Municipality of Kapalong, we recently installed solar electricity to electrify their newly constructed school. That reflects our unwavering support and how grateful we are of this neighborhood. R.C. Tagum North, I salute you.

Just recently we received an award of recognition from the HQ of 60th Infantry (Mediator) Battalion in grateful recognition of its invaluable contribution to the overall accomplishment of the Battalion's mission in helping establishing a peaceful and conflict resilient communities in its areas of responsibilities.

With our continuous support to our future generations, we visited Tagum City Senior high to assess some of the fundamental educational needs we can address as part of our ongoing commitment to our future generations. According to our assessment, they urgently needed household cleaning and cosmetic care items, as well as a working table for their EPAS, to improve their learning. Recently, we generously gave a sound system to the La-Filipina High School with the help of our sister club, The Rotary Club of Godeok, District 3620, Republic of Korea.

Christmas is now around the corner. Perhaps it shall be celebrated daily to feel the love of Almighty through his only son Jesus Christ. Let's take some time to be grateful for what we have, and may God grant each of us more love to share with the people we care about and the communities that need it. Merry Christmas to all!

## HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

### NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Warren G. Harding, U.S. president  
Jean Sibelius, Finnish composer  
Dr. Charles H. Mayo, co-founder of Mayo Clinic  
Guglielmo Marconi, Italian inventor of the wireless radio and Nobel laureate  
Thomas Mann, German novelist and Nobel laureate  
Friedrich Bergius, German chemist and Nobel laureate  
Admiral Richard E. Byrd, American explorer  
Jan Masaryk, foreign minister of Czechoslovakia  
H.E. Soleiman Frangieh, president of Lebanon  
Dianne Feinstein, U.S. senator  
Manny Pacquiao, Filipino world-champion boxer and congressman  
Richard Lugar, U.S. senator  
Frank Borman, American astronaut  
Edgar A. Guest, American poet and journalist  
Sir Harry Lauder, Scottish entertainer  
Franz Lehár, Austrian composer  
Lennart Nilsson, Swedish photographer  
James Cash Penney, founder of JC Penney Co.

## ROTARY HYMN

Composed by: George Canseco  
Commissioned by PDG Jess Tabora

I want to be, A Rotarian for the world

Make the Rotary flag, be the flag of peace unfurled

I will serve my community

Help to seek international unity

Thru Rotary, I will dedicate my all

World understanding shall be my

cherished goal

Refrain : With the Four Way Test

I'll pursue my quest

And I in a way help obtain

Peace in the world

Then I won't have lived in vain.

I'll observe Service Above Self

Lend a hand to all who'll need my help

I'll get my spouse to involve in Rotary

And in Rotary ways, I will train my family

(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth

Strengthened by nothing but the truth

Let's join our hands, there's no reason to divide

We shall all understand, while the good Lord is our guide

(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved

So we won't have lived in vain.

# TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanan in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

### Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on "Botica sa Barangay" last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the "Operation New Look" program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-"Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Conducted Oral Polio Vaccination & free-tigdas and german measles annually at Tagum City Health Center in partnership with Tagum City Health Office .

Conducted Schistosomiasis Mass Treatment in Municipalities of Asuncion , New Corella, B. Dujali and Kapalong, Davao del Norte in partnership with UP Manila and DOH.

Conducted free Breast Scan every year in partnership with Clinica ng Masa.

The club also donated more than two million pesos worth of Personal Protective Equipment (PPE's) during the Covid-19 response in partnership with different Municipal and City Health Centers of Davao del Norte, Davao de Oro and Davao City.

### Maternal & Child Care

"Hot Lunch Plus" a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte , NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and "would be pregnant" mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

### Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on “Oplan Tutok Kubeta” in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a “Spring Water Impounding System” (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the “Water for Life” became the Club’s Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea .

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

### Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on “Coral Reef, Mangrove & Tree Planting” in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

Donation of six (6) units 18 footer Fiberglass Motorized Banca to Liganon Fisherfolks Association, courtesy of RC Littehampton, RC Seaford, RC Bognor, RC Steyning&Henfield and RC Shoreham & Southwick, United Kingdom, District 1250.

Regular Job Fair in Partnership with Tagum City Public Employment Services Office (PEESO). Job Fair is quarterly event. Closely coordinated with the Department of Labor and Employment, also opens opportunities for job-seekers to avail of services from government agencies such as the Professional Regulations Commission, the Social Security System, Phil Health, National Statistics Office, Department of Foreign Affairs among others.

Supported the Sari-sari Store Training and Access to Resources (STAR) for more than 2000 women. A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Coca-Cola funded the program while Tesda gave the training to selected COW 10 delegates as future trainer's, delegates re-echo barangays; RCTN facilitates transportation of trainer's to the barangays to re-echo the STAR program in their areas.

2004-05- "Cable-Lift" project. An ingenious cable cart system used to transport farmers and their produce from one side to another side of the river in Asuncion, Davao del Norte.

Donation of 12 Unit weeing scale in Bugasan sa Kapurokan in partnership with LGU Tagum City.

Funded the IP's Sari-sari Store Negosyo Package at Sitio Tawinian, Barangay Gupitan, Municipality of Kapalong, Davao del Norte.

Also, donated 2 housing units at Rotary Village Magsaysay, Davao Del Sur funded by Rotary Club of Godeok, District 3620, Republic of Korea and SUP Corporation.

### Basic Education & Literacy

The club has been supportive in promoting educational skills development programs in the area. The "Adopt A School program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unstoppable when it extended its coverage to 44 learners both out of school youths and young adults at Barangay East, Tagum City when the Alternative Learning System (ALS Palengskwelahan) was conceived in 2008. Since 2012 the club take care of the construction, rehabilitation and maintenance of the school.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for Differently-able individuals; Cellular Phone, Radio and TV repair and Basic Carpentry for out of school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and basic Baking in 2008.

Providing avenues of learning started to be the prime commitment in its literacy program, in 1999, the club's generosity was measured when it donated through the help of the WCS project from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda Elementary School Sped Center.

Rehabilitation of Three (3) Classroom Building at Mangayon National High School, Davao de Oro. The school rehabilitation project is funded by RC Littlehampton, United Kingdom, District 1250 in partnership with DSWD and Office of Rep. Maria Carmen S. Zamora.

Construction of 1 Unit School Building at Brgy. Imelda, Laak, Davao de Oro funded by RC Oxted & Limsfield, United Kingdom in partnership with the Provincial Government of Davao de Oro.

Construction of Reading Center at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Construction of School Canteen at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Rehabilitation of three (3) classroom Units at Camansa Elem. School at Barangay Camansa, Municipality of Asuncion.

Construction of three (3) classrooms Units at Madrasaton Nor Al Islamia at Municipality of Asuncion, Davao del Norte.

Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapitalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapitalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapitalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapitalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

Learning Peace in School and Community project in partnership with Office of Presidential Adviser of Peace Process (OPAPP)

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

## Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

## Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
