ROTARY

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

FEBRUARY: WORLD UNDERSTANDING MONTH

The Rotary Theme for the Month of February is "World Understanding."

"The month of February is very special in the Rotary calendar since it is designated World Understanding Month. The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated World Understanding and Peace Day... World Understanding Month is a chance for every club to pause, plan and promote the Fourth Avenue of Service-Rotary's continued quest for goodwill, peace and understanding among people of the world."

Jennifer Jones President Message February 2023

Recently, I spent time in the Nakivale refugee settlement in Uganda. As the "settlement" in its name suggests, the people living there are free to move around and integrate as best they can — one thing that makes the place unique.

I had a chance to play soccer with boys and girls from about a dozen nations and talk with women who had fled areas of conflict. It was a tapestry of human experience shared through both laughter and tears.

As I walked across a school campus at the settlement with a teacher, she shared with me the dire statistics on girls' education. Most don't get through grade school. Many are sold into child marriage to pay for food for their families. As I looked around at these young girls, I was gutted.

Our work with empowering girls and women is much more than creating equity — sometimes, it's about health or education. Other times it's about providing safety. Regardless of the path, it's always about basic human rights.

We can do more to empower girls and women, and we can expand how we share the progress Rotary members and our partners have made toward this goal.

There is no shortage of inspiring examples of our work, from interest-free microcredit loans for women in Nigeria, to projects in India that provide girls menstrual hygiene products. Hundreds of projects are taking place across all Rotary areas of focus and are making a meaningful and often lifesaving difference.

Together, we can address the needs and inequities that girls throughout the world face daily. But we must also monitor the impact of these projects and create awareness of Rotary resources and subject matter experts, including Rotary Action Groups, The Rotary Foundation Cadre of Technical Advisers, Rotary Peace Fellows, and others.

It is especially important that we tell the stories of our initiatives that have a positive impact on the lives of women and girls. This last point is near and dear to my heart. This means sharing our stories on social media, through local news outlets, in this magazine, and wherever we can inspire others.

As you do so, it's important to provide information that helps our Rotary family connect with others who are implementing activities in their regions, as well as across the world. Let's share our successes and learn from one another — then proudly tell our stories to a larger audience.

These are exciting times in Rotary, and the world is taking notice. As we work to empower women and girls to step into their full potential, we create new pathways for membership growth and greater collaboration with partners to create positive, lasting change. Thank you for your continued action in this vital effort.

One of the fascinating things about Rotary is that we are many things at once. We are a service organization based on action. We are also a professional and community networking group, not to mention a place to find friendship and fun.

And, when you stop to think about it, you and I are also part of a peace organization. I saw this in 2013 when I represented Rotary at an international symposium on advancing a peaceful democratic transition for Myanmar. Despite recent setbacks, the fact that Rotary was at the table demonstrates that the world sees us as peacebuilders who are not deterred by the most difficult issues.

How did we earn this reputation? Through literacy projects that help people expand their minds and viewpoints. And through water, sanitation, and hygiene projects that create common ground for communities in conflict. The Rotary Action Group for Peace promotes hands-on service projects, and our annual international conventions unite thousands in a celebration of global harmony.

Perhaps the most visible face of this cause is the Rotary Peace Centers program, now in its 21st year. Today, more than 1,600 Rotary Peace Fellows are advancing the cause of peace in more than 140 countries. On 1 February, we open applications for the next generation of peace fellows. Encourage your local peacebuilders to learn about Rotary and apply for this unique fellowship.

And soon, we'll be recruiting fellows for a new peace center in the Middle East and North Africa region as we begin working this year with a recently selected partner university. Made possible by a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation, the addition of this center furthers Rotary's vision of peacemaking in action.

As we celebrate Rotary's 118th anniversary and Peacebuilding and Conflict Prevention Month, we can be proud of the many ways Rotary promotes peace. Without The Rotary Foundation, and your support of it, none of that would be possible.

You can directly support this work through the Foundation by visiting rotary.org/donate and selecting the peacebuilding and conflict prevention area of focus. I also encourage you to contribute to the Ian and Juliet Riseley Endowed Fund in The Rotary Foundation to support peace projects.

If Paul Harris could see us now, he would be amazed by the astonishing growth of the little club he founded in 1905 and the global force for good — and peace — that Rotary is today.

Club President's Message

Pres. Jess M. Osorio, PHF+1

Rotary works to promote a global cause. Beyond the borders of our own nation, we stand united with one another around the globe. To those brothers and sisters who are in the most need throughout the universe, we distribute our blessings and offer our assistance.

With this program, we are delighted to collaborate with our sister club Godeok Rotary Club of District 3620 from Republic of Korea, who has been very generous in sponsoring various projects for our own countrymen. To name a few, are the water project that helps many of our brothers and sisters in areas without access to water systems, sound systems for the schools of our young children, educational supports, and other necessities like mosquito repellent are donated.

Through our friendship exchange program, both of our clubs visit to one other's areas once a year to explore the other's culture. This will help in strengthening bonds that go beyond friendships among Rotarians and promote intercultural understanding.

Today, let's extend a warm greeting, inviting them to visit some of our projects in our communities, and let us join together to celebrate this bond with a fellowship. We are happy to have them despite though they have very hectic schedules and can only visit us for couple of days.

Welcome Godeok Rotary Club!!

Mabuhay!!

로타리는 글로벌 대의를 증진하기 위해 노력합니다. 우리 나라의 경계를 넘어 전 세계에서 우리는 서로 단합되어 있습니다. 온 우주에서 가장 도움이 필요한 형제자매들에게 우리는 축복을 나누어주고 도움을 줍니다. 이 프로그램을 통해 우리는 자국민을 위한 다양한 프로젝트를 후원해 온 대한민국의 3620 지구 고덕 로타리클럽 자매 클럽과 협력하게 된 것을 기쁘게 생각합니다. 몇 가지 예를 들자면, 상수도 시스템, 학교 매점, 텔레비전, 태권도 유니폼, San Agustin 초등학교의 학교 독서 센터, 우리 젊은이들의 학교를 위한 사운드 시스템에 접근할 수 없는 지역에 있는 많은 형제 자매들을 돕는 수자원 프로젝트입니다. 어린이, 교육 지원 및 안개 기계와 같은 기타 필수품이 기부됩니다. 우정교류 프로그램을 통해 두 동아리는 1년에 한 번씩 서로의 문화를 탐구하기 위해 서로의 지역을 방문합니다. 이것은 로타리안들 사이의 우정을 넘어 문화 간 이해를 증진하는 결속력을 강화하는 데 도움이 될 것입니다. 오늘 따뜻한 인사를 전하고 지역 사회의 일부 프로젝트를 방문하도록 초대하고 친교와 함께 이 유대를 축하하기 위해 함께 참여합시다. 그들이 매우 바쁜 일정을 가지고 있고 며칠 동안만 우리를 방문할 수 있음에도 불구하고 우리는 그들이 있어 기쁩니다. 고덕 로타리클럽을 환영합니다!! 마부하이!!

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

Composed by: George Canseco
Commissioned by PDG Jess Tabora

I want to be, A Rotarian for the world

Make the Rotary flag, be the flag of peace unfurled

I will serve my community

Help to seek international unity

Thru Rotary, I will dedicate my all

World understanding shall be my cherished goal

Refrain : With the Four Way Test

I'll pursue my quest

And I in a way help obtain

Peace in the world

Then I won't have lived in vain.

I'll observe Service Above Self

Lend a hand to all who'll need my help

I'll get my spouse to involve in Rotary

And in Rotary ways, I will train my family

(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth

Strengthened by nothing but the truth

Let's join our hands, there's no reason to divide

We shall all understand, while the good Lord is our guide

(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved

So we won't have lived in vain.

TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanang in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on “Botica sa Barangay” last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the “Operation New Look” program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-“Bantay Dengue Tagum”, a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Annual Buntis Congress, seeks to promote greater awareness among pregnant and “would be pregnant” mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on “Oplan Tutok Kubeta” in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a “Spring Water Impounding System” (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the “Water for Life” became the Club’s Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea.

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.
