OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

Editorial

The month of February is very special in the Rotary calendar because it includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated as the World Understanding and Peace Day.

Of the 60 million people displaced by armed conflict or persecution, 90% are civilians. Half of those civilians are children. That's millions of reasons why Rotary is so engaged in service projects, fellowships, and other Rotary-sponsored campaigns in pursuit of peace in our world.

How Rotary makes help happen

We train adults and young leaders to prevent and mediate conflict. We aid refugees who have fled dangerous areas. Rotarians also address the underlying structural causes of conflict by relieving millions of people suffering from poverty, inequality, ethnic tensions, lack of access to education and unequal distribution of resources.

In yet another program to achieve worldwide peace, up to 100 Rotary Peace Fellows are selected to attend Rotary Peace Centers to participate in master's degree programs at one of the partner universities. Rotary Peace Fellows study subjects related to the root causes of conflict and explore innovative solutions that address real-world needs. There are more than 1,000 peace fellowship alumni are working in over 100 countries.

Jennifer Jones President Message February 2023

Recently, I spent time in the Nakivale refugee settlement in Uganda. As the "settlement" in its name suggests, the people living there are free to move around and integrate as best they can — one thing that makes the place unique.

I had a chance to play soccer with boys and girls from about a dozen nations and talk with women who had fled areas of conflict. It was a tapestry of human experience shared through both laughter and tears.

As I walked across a school campus at the settlement with a teacher, she shared with me the dire statistics on girls' education. Most don't get through grade school. Many are sold into child marriage to pay for food for their families. As I looked around at these young girls, I was gutted.

Our work with empowering girls and women is much more than creating equity — sometimes, it's about health or education. Other times it's about providing safety. Regardless of the path, it's always about basic human rights.

We can do more to empower girls and women, and we can expand how we share the progress Rotary members and our partners have made toward this goal.

There is no shortage of inspiring examples of our work, from interest-free microcredit loans for women in Nigeria, to projects in India that provide girls menstrual hygiene products. Hundreds of projects are taking place across all Rotary areas of focus and are making a meaningful and often lifesaving difference.

Together, we can address the needs and inequities that girls throughout the world face daily. But we must also monitor the impact of these projects and create awareness of Rotary resources and subject matter experts, including Rotary Action Groups, The Rotary Foundation Cadre of Technical Advisers, Rotary Peace Fellows, and others.

It is especially important that we tell the stories of our initiatives that have a positive impact on the lives of women and girls. This last point is near and dear to my heart. This means sharing our stories on social media, through local news outlets, in this magazine, and wherever we can inspire others.

As you do so, it's important to provide information that helps our Rotary family connect with others who are implementing activities in their regions, as well as across the world. Let's share our successes and learn from one another — then proudly tell our stories to a larger audience.

These are exciting times in Rotary, and the world is taking notice. As we work to empower women and girls to step into their full potential, we create new pathways for membership growth and greater collaboration with partners to create positive, lasting change. Thank you for your continued action in this vital effort.

One of the fascinating things about Rotary is that we are many things at once. We are a service organization based on action. We are also a professional and community networking group, not to mention a place to find friendship and fun.

And, when you stop to think about it, you and I are also part of a peace organization. I saw this in 2013 when I represented Rotary at an international symposium on advancing a peaceful democratic transition for Myanmar. Despite recent setbacks, the fact that Rotary was at the table demonstrates that the world sees us as peacebuilders who are not deterred by the most difficult issues.

How did we earn this reputation? Through literacy projects that help people expand their minds and viewpoints. And through water, sanitation, and hygiene projects that create common ground for communities in conflict. The Rotary Action Group for Peace promotes hands-on service projects, and our annual international conventions unite thousands in a celebration of global harmony.

Perhaps the most visible face of this cause is the Rotary Peace Centers program, now in its 21st year. Today, more than 1,600 Rotary Peace Fellows are advancing the cause of peace in more than 140 countries. On 1 February, we open applications for the next generation of peace fellows. Encourage your local peacebuilders to learn about Rotary and apply for this unique fellowship.

And soon, we'll be recruiting fellows for a new peace center in the Middle East and North Africa region as we begin working this year with a recently selected partner university. Made possible by a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation, the addition of this center furthers Rotary's vision of peacemaking in action.

As we celebrate Rotary's 118th anniversary and Peacebuilding and Conflict Prevention Month, we can be proud of the many ways Rotary promotes peace. Without The Rotary Foundation, and your support of it, none of that would be possible.

You can directly support this work through the Foundation by visiting rotary.org/donate and selecting the peacebuilding and conflict prevention area of focus. I also encourage you to contribute to the Ian and Juliet Riseley Endowed Fund in The Rotary Foundation to support peace projects.

If Paul Harris could see us now, he would be amazed by the astonishing growth of the little club he founded in 1905 and the global force for good — and peace — that Rotary is today.

Club President's Message

"Youth are the hope of our future generation."

There is never enough time to fulfill all of our hopes and aspirations as we continue to live our earthly existence. Many unfulfilled ambitions and dreams seem difficult to accomplish or realize within our lifetimes. Perhaps it is real that we have several and enormous ambitions and dreams that we will never be able to realize in our lifetimes.

Pres. Jess M. Osorio, PHF+1

We are empowering our youth during this month since they are the future of our society. We support them and help them become ready for the world they will live in. For the purpose of educating and preparing young people for the world, our Rotary Club has organized numerous activities around the globe with kids as the primary participants. The RYLA is a Rotary project of ours.

Rotary Youth Leadership Awards (RYLA) is an intensive leadership experience organized by Rotary clubs and districts where you develop your skills as a leader while having fun and making connections.

What are the benefits they can earn?

- ☑Connect with leaders in your community and around the world to:
- oBuild communication and problem-solving skills
- oDiscover strategies for becoming a dynamic leader in your school or community
- oLearn from community leaders, inspirational speakers, and peer mentors
- oUnlock your potential to turn motivation into action
- oHave fun and form lasting friendships

We do not know what the future holds, thus it is up to the youth to decide when they reach adulthood. We can only empower them through leadership development programs and inspirational campaigns by sharing the lessons we have acquired from our forefathers once we were what we would now term young. The world is getting more and more difficult in many aspects. Give our children the tools they need today to overcome the challenges they will encounter tomorrow.

And I'm hoping that young people will start preparing now for the future.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

NOTABLE ROTARIANS

Rotarians are your neighbors, your community leaders and some of the world's greatest history-makers:

Admiral Richard E. Byrd, American explorer
Jan Masaryk, foreign minister of Czechoslovakia
H.E. Soleiman Frangieh, president of Lebanon
Dianne Feinstein, U.S. senator
Manny Pacquiao, Filipino world-champion boxer and congressman
Richard Lugar, U.S. senator
Frank Borman, American astronaut
Edgar A. Guest, American poet and journalist
Sir Harry Lauder, Scottish entertainer
Franz Lehár, Austrian composer
Lennart Nilsson, Swedish photographer
James Cash Penney, founder of JC Penney Co.

ROTARY HYMN

Composed by: George Canseco
Commissioned by PDG Jess Tabora

I want to be, A Rotarian for the world

Make the Rotary flag, be the flag of peace unfurled

I will serve my community

Help to seek international unity

Thru Rotary, I will dedicate my all

World understanding shall be my cherished goal

Refrain : With the Four Way Test

I'll pursue my quest

And I in a way help obtain

Peace in the world

Then I won't have lived in vain.

I'll observe Service Above Self

Lend a hand to all who'll need my help

I'll get my spouse to involve in Rotary

And in Rotary ways, I will train my family

(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth

Strengthened by nothing but the truth

Let's join our hands, there's no reason to divide

We shall all understand, while the good Lord is our guide

(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved

So we won't have lived in vain.

TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanan in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on “Botica sa Barangay” last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the “Operation New Look” program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-“Bantay Dengue Tagum”, a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Conducted Oral Polio Vaccination & free-tigdas and german measles annually at Tagum City Health Center in partnership with Tagum City Health Office .

Conducted Schistosomiasis Mass Treatment in Municipalities of Asuncion , New Corella, B. Dujali and Kapalong, Davao del Norte in partnership with UP Manila and DOH.

Conducted free Breast Scan every year in partnership with Clinica ng Masa.

The club also donated more than two million pesos worth of Personal Protective Equipment (PPE's) during the Covid-19 response in partnership with different Municipal and City Health Centers of Davao del Norte, Davao de Oro and Davao City.

Maternal & Child Care

“Hot Lunch Plus” a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte , NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and “would be pregnant” mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on “Oplan Tutok Kubeta” in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a “Spring Water Impounding System” (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the “Water for Life” became the Club’s Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea.

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on “Coral Reef, Mangrove & Tree Planting” in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

Donation of six (6) units 18 footer Fiberglass Motorized Banca to Liboganon Fisherfolks Association, courtesy of RC Littehampton, RC Seaford, RC Bognor, RC Steyning&Henfield and RC Shoreham & Southwick, United Kingdom, District 1250.

Regular Job Fair in Partnership with Tagum City Public Employment Services Office (PEESO). Job Fair is quarterly event. Closely coordinated with the Department of Labor and Employment, also opens opportunities for job-seekers to avail of services from government agencies such as the Professional Regulations Commission, the Social Security System, Phil Health, National Statistics Office, Department of Foreign Affairs among others.

Supported the Sari-sari Store Training and Access to Resources (STAR) for more than 2000 women. A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Coca-Cola funded the program while Tesda gave the training to selected COW 10 delegates as future trainer's, delegates re-echo barangays; RCTN facilitates transportation of trainer's to the barangays to re-echo the STAR program in their areas.

2004-05- "Cable-Lift" project. An ingenious cable cart system used to transport farmers and their produce from one side to another side of the river in Asuncion, Davao del Norte.

Donation of 12 Unit weeing scale in Bugasan sa Kapurokan in partnership with LGU Tagum City.

Funded the IP's Sari-sari Store Negosyo Package at Sitio Tawinian, Barangay Gupitan, Municipality of Kapalong, Davao del Norte.

Also, donated 2 housing units at Rotary Village Magsaysay, Davao Del Sur funded by Rotary Club of Godeok, District 3620, Republic of Korea and SUP Corporation.

Basic Education & Literacy

The club has been supportive in promoting educational skills development programs in the area. The "Adopt A School program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unstoppable when it extended its coverage to 44 learners both out of school youths and young adults at Barangay East, Tagum City when the Alternative Learning System (ALS Palengskwelahan) was conceived in 2008. Since 2012 the club take care of the construction, rehabilitation and maintenance of the school.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for Differently-able individuals; Cellular Phone, Radio and TV repair and Basic Carpentry for out of school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and basic Baking in 2008.

Providing avenues of learning started to be the prime commitment in its literacy program, in 1999, the club's generosity was measured when it donated through the help of the WCS project from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda Elementary School Sped Center.

Rehabilitation of Three (3) Classroom Building at Mangayon National High School, Davao de Oro. The school rehabilitation project is funded by RC Littlehampton, United Kingdom, District 1250 in partnership with DSWD and Office of Rep. Maria Carmen S. Zamora.

Construction of 1 Unit School Building at Brgy. Imelda, Laak, Davao de Oro funded by RC Oxted & Limsfield, United Kingdom in partnership with the Provincial Government of Davao de Oro.

Construction of Reading Center at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Construction of School Canteen at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Rehabilitation of three (3) classroom Units at Camansa Elem. School at Barangay Camansa, Municipality of Asuncion.

Construction of three (3) classrooms Units at Madrasaton Nor Al Islamia at Municipality of Asuncion, Davao del Norte.

Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
