8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

Message

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

Message

I love Rotary for many reasons, perhaps most of all for the impact we make when we work together. There is really no other group like us.

In the last five years, The Rotary Foundation has helped 100 million beneficiaries. That is staggering.

But the need is great. There are countless more we could be reaching and supporting right now if we had the resources. We could reach twice as many in the next five years. And your fellow Rotaractors and Rotarians are ready to help. They're hungry for more grants to help more people who need us.

That's why, this year, The Rotary Foundation Trustees have set an ambitious goal for giving of \$500 million, our highest ever. This breaks down to \$150 million for the Annual Fund to help fund grants and \$50 million for polio eradication, to be matched by \$100 million from the Bill & Melinda Gates Foundation. For the Endowment Fund and our future, we are targeting \$60 million in outright giving and \$80 million in commitments, totaling \$140 million. And we want to collect \$60 million in other contributions, such as direct giving, cash for global grants, and Disaster Response Fund donations.

To make this happen, we need all of you — each and every Rotarian and Rotaractor.

Did you know that over 80 percent of Rotary members make no contributions to PolioPlus, or that over 60 percent make no donation at all to The Rotary Foundation? For an organization of 1.4 million members, that means that nearly 1 million of us are not contributing each year.

Imagine the tremendous difference it would make if each of those 1 million could contribute just \$25 a year. That would be \$25 million we wouldn't need to raise from our best donors.

We can all give something. That's why I am asking each of you to set a goal to give what you can to The Rotary Foundation this year.

Never have we set such an audacious goal, but I believe that you, who make up Rotary, always respond to a challenge, especially when you see the difference we can make with those funds. We are part of an audacious organization, one that dreams big and makes our dreams a reality.

Let's think bigger and differently this year, so we can meet our goal and do more to Create Hope in the World. In this way, we will make the Rotary year ahead an unforgettable one, not just for ourselves, but most importantly, for those whose lives we will soon touch.

Message

Greetings!

Congratulations to the Club Officers of the Rotary Club of Tagum North for the Hope-Creating Rotary Year 2023-2024.

As we embark on a new Rotary Year, we will be energized by a renewed spirit to sound in the world. We have set our District Goals as guided by the Rotary Citation.

We emphasized some innovations, such as updating our Club Constitution and By-laws to improve the basis of our Governance in the Club. With a uniform set of rules as suggested by Rotary International, we will be confident that it is attuned to the intent of our highest governing body.

Another new program is our service project on mental awareness entitled, Breaking the Stigma. In a world full of complex things, primarily upon the influence and interventions of social media, our members would be vulnerable to information overload that are sometimes inadequately processed. These may even result in a disturbed mind. As a response, our Rotary International President, R Gordon R McNally, suggests putting awareness on mental health awareness at the Club level and treating it like any other disorder, which accordingly may be rightfully addressed if anticipated and detected.

There are a lot more of these innovations. Still, our organization, Rotary International, has always trusted our Club leaders to do what they think is appropriate regarding culture and environment. We Filipinos have this natural talent to understand and address things surrounding us.

So as we begin with a new set of Club leaders, it is always in my prayers that success will always be the guiding word as we embark on our volunteer work of serving above ourselves.

I wish the new Club Officers the best of luck and always be mindful that your District is always here to support you with all you do.

HISTORY OF ROTARY INTERNATIONAL

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date , its membership strength of 38 Rotarians.

In 1988 , the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its “father” PP Filemon Maloles, the Special Governor’s Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng “Danny” Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: “Put Life into Rotary-Your Life (RY 1988-89)”. As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories),. Seven of the club’s past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario “Bong” Bermudez and PP Samuel “Sammy” Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001 , 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila , Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanan in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on "Botica sa Barangay" last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the "Operation New Look" program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-"Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Maternal & Child Care

"Hot Lunch Plus" a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing, Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey, Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte, NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and "would be pregnant" mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on “Oplan Tutok Kubeta” in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a “Spring Water Impounding System” (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the “Water for Life” became the Club’s Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea.

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on “Coral Reef, Mangrove & Tree Planting” in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even The Rotarian changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in The Rotarian that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.
