Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

CREATE HOPE
in the WORLD

September is Basic Education and Literacy month. This is a cause that is absolutely vital in bridging the gaping divide for those less privileged, especially the children. Education is fundamental to their ability to surmount challenges in the future.

In Rotary year 2019 Basic Education and Literacy ranked as the third highest area of focus with funding of over US\$12.5 million to support projects worldwide. The video Rotary Supports Education describes how grants from The Rotary Foundation help alleviate the plight of the seventeen percent of the world's adult population who are illiterate:

"Education has the power to lift families up, make real change, modify behaviour, create healthy habits and open minds. It creates security and safety in families so that they can support, provide and make informed and empowered decisions."

Contributions to The Rotary Foundation impact lives all around the world. For people who would otherwise have been isolated by their educational disadvantage, it provides a path to connect to the world.

Message

The International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to Create Hope in the World, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.

In March 2020, about 50 Rotary members from Pakistan met about 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honors Guru Nanak, the founder of Sikhism, a religion practiced in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims to the Kartarpur Sahib shrine, but Pakistani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step. Let's see where it takes us.

Message

When was your Rotary moment? It's when you realize that being part of Rotary means more than just showing up for a meeting, when you discover you are part of something that changes the lives of others as it changes yours.

I will never forget the moment when I learned about Daniel, a Haitian child. Rotary Foundation Trustee Greg Podd, who at the time was serving with me on an RI committee, had been trying to get Daniel on a plane for urgent heart surgery through the Gift of Life program. But Daniel couldn't get the visa to travel, and doctors had given him only months to live.

When Greg told me this, I remembered that Gift of Life was operating in Haiti and we could do the surgery there. This was on a Wednesday. Greg helped get ahold of Daniel's medical records. The Gift of Life surgeon I knew — who visited only once or twice every month — happened to be in Haiti. By Thursday, the surgeon had looked over the medical charts and told us that he could repair Daniel's heart but said he was traveling soon. We had to get Daniel to a medical facility by Friday morning.

Daniel and his parents rode 90 minutes on a scooter through the bumpy roads of rural Haiti to get to the facility, and the surgeon successfully performed the procedure. Thankful, Greg and I moved on to other projects.

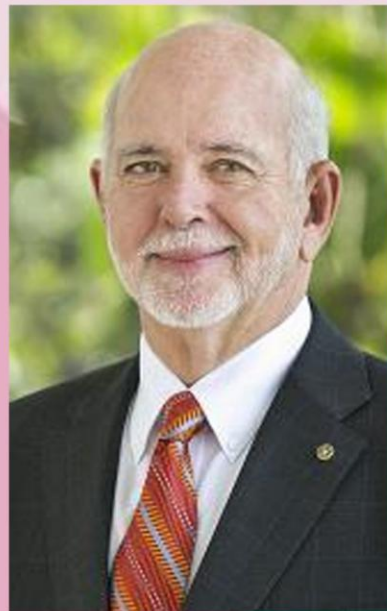

A few months later, I got an email with a picture of Daniel. I will never forget his smiling face, despite the foot-long scar running down his chest, and what he wrote: "I know you helped me. You saved my life. Thank you."

On behalf of Daniel and countless others, I am passing along that gratitude to all Rotary members who have helped or will help this year.

The beauty of Rotary, especially with The Rotary Foundation, is that we can create these Rotary moments anytime. Just reach out to others in Rotary and discuss our work. Our caring network, our dedicated volunteers, and available resources will take care of the rest.

If two people can make such a difference, imagine what we can accomplish by working together in larger groups through The Rotary Foundation. Picture the impact of clubs within a district joining forces for a Foundation district grant to boost literacy, or two districts from different parts of the world transforming a community through a water, sanitation, and hygiene global grant.

If you haven't discovered your Rotary moment yet, keep searching. Serving Rotary through our Foundation is a great place to find it, and it will change your life.

Trustee Chair 2023-24

Message

September is Basic Education and Literacy month. This is a cause that is absolutely vital in bridging the gaping divide for those less privileged, especially the children. Education is fundamental to their ability to surmount challenges in the future.

Last Friday we visited the Mankilam Elem. School our school beneficiary for our project Reading Center to be funded by District Grant. Also on that date we turnover school supplies and paints for Magugpo Pilot Central Elementary School Alternative Learning System (ALS) ; Magugpo Pilot Imelda Elem. School Sped Center (ALS) and Tagum National Trade School (ALS) at Principal's Office of Magugpo Pilot Central Elementary School attended by Tagum City Division School Supervisors and Principal of Tagum National Trade School and Magugpo Pilot Central Elementary School respectively.

Also, yesterday we organized the Interact Club of Tagum North-UM Tagum Junior High School. Thank you very much to all the Rotarians attended the said event.

Tomorrow will be the turnover of service project activity at Dugayan Elementary School located in Barangay Gupitan, Municipality of Kapalong, Davao del Norte, encourage everyone to join. Just a reminder only 4x4 vehicles can reach the area .

In the last consecutive meetings that we had, six names of prospective Rotarians were properly floated and announced to the members for comments and eventually, all of them passed. Last August 29, 2023 during the 3rd Regular Monthly Board meeting, the membership committee announced additional new prospective member in the name of Ingrid Zabala Yanong with proposed classification of Banana Exporter a native from Maragusan, Davao de Oro sponsored by Pres. Rommel B. Gomito.

THE CLUB EXPERIENCE MATTERS

UNDERSTANDING THE DATA

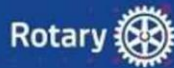

Photo 1: Three people smiling directly at the camera, wearing matching Rotary t-shirts. Standing in a field during a project. Photo 2: Someone from the back carrying a ceramic water jug. Wearing a Rotary t-shirt which says "People of Action."

To: District governors, district governors-elect, assistant governors, Rotary coordinators, assistant Rotary coordinators, district membership chairs, club presidents, club presidents-elect, club membership chairs, and Rotaract club presidents

Dear club and district leaders,

Rotary is a membership organization. That means that the unique skills and contributions of our members are the driving force behind everything we do. When Rotary's membership is strong, our clubs are more vibrant, Rotary is more visible, and our members have more resources to help communities flourish.

To accomplish everything we want to do, we need our club, district, and zone leaders to commit to growing Rotary and Rotaract. That's why growing our membership is one of our top priorities.

Register now for the upcoming webinar *The Club Experience Matters: Understanding the Data*, on Thursday, 21 September, at 11:00 Chicago time (UTC-5). [Click here](#) to see the event details in your time zone. A recording will be available to everyone who registers.

During this 45-minute webinar, we will:

- Review the current state of our membership as of [1 July 2023](#)
- Discuss the research findings from the 2022 all-member survey
- Share ideas about how club and district leaders (YOU!) are improving the club experience for members. All ideas generated will be shared with everyone who registers.

We look forward to hearing your thoughts and questions.

Sincerely,
The Membership Development Team

TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanan in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on "Botica sa Barangay" last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the "Operation New Look" program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-"Bantay Dengue Tagum", a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplast Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Conducted Oral Polio Vaccination & free-tigdas and german measles annually at Tagum City Health Center in partnership with Tagum City Health Office .

Conducted Schistosomiasis Mass Treatment in Municipalities of Asuncion , New Corella, B. Dujali and Kapalong, Davao del Norte in partnership with UP Manila and DOH.

Conducted free Breast Scan every year in partnership with Clinica ng Masa.

The club also donated more than two million pesos worth of Personal Protective Equipment (PPE's) during the Covid-19 response in partnership with different Municipal and City Health Centers of Davao del Norte, Davao de Oro and Davao City.

Maternal & Child Care

"Hot Lunch Plus" a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte , NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and "would be pregnant" mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on "Oplan Tutok Kubeta" in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the "Water for Life" became the Club's Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea.

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on "Coral Reef, Mangrove & Tree Planting" in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

Donation of six (6) units 18 footer Fiberglass Motorized Banca to Liboganon Fisherfolks Association, courtesy of RC Littehampton, RC Seaford, RC Bognor, RC Steyning&Henfield and RC Shoreham & Southwick, United Kingdom, District 1250.

Regular Job Fair in Partnership with Tagum City Public Employment Services Office (PEESO). Job Fair is quarterly event. Closely coordinated with the Department of Labor and Employment, also opens opportunities for job-seekers to avail of services from government agencies such as the Professional Regulations Commission, the Social Security System, Phil Health, National Statistics Office, Department of Foreign Affairs among others.

Supported the Sari-sari Store Training and Access to Resources (STAR) for more than 2000 women. A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Coca-Cola funded the program while Tesda gave the training to selected COW 10 delegates as future trainer's, delegates re-echo barangays; RCTN facilitates transportation of trainer's to the barangays to re-echo the STAR program in their areas.

Also, donated 2 housing units at Rotary Village Magsaysay, Davao Del Sur funded by Rotary Club of Godeok, District 3620, Republic of Korea and SUP Corporation.

Basic Education & Literacy

The club has been supportive in promoting educational skills development programs in the area. The "Adopt A School program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unstoppable when it extended its coverage to 44 learners both out of school youths and young adults at Barangay East, Tagum City when the Alternative Learning System (ALS Palengskwelahan) was conceived in 2008. Since 2012 the club take care of the construction, rehabilitation and maintenance of the school.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for Differently-able individuals; Cellular Phone, Radio and TV repair and Basic Carpentry for out of school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and basic Baking in 2008.

Providing avenues of learning started to be the prime commitment in its literacy program, in 1999, the club's generosity was measured when it donated through the help of the WCS project from Chiba, Japan, a Braille Typewriter to the Maguppo Pilot Imelda Elementary School Sped Center.

Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

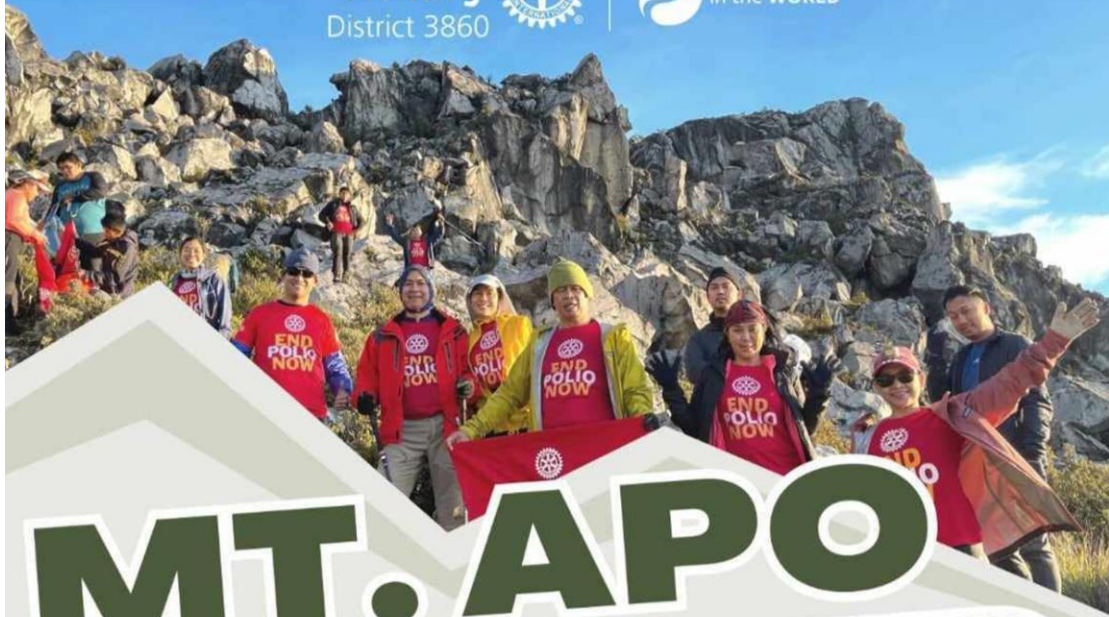

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.
