## Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

### DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### FIRST:

The development of acquaintance as an opportunity for service;

### SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

### FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

# Editorial

## Disease Prevention and Treatment

Help us stop the spread of life-threatening diseases around the world like polio, HIV/AIDS, and malaria.

Rotary believes good health care is everyone's right. Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Rotary makes amazing things happen, like:

Providing more than 80 percent of Ghana's people with clean water to fight Guinea worm disease.

Helping Liberian women get tested for HIV early in their pregnancies, reducing new HIV infections in children by 95 percent over two years.

# Message

In December, I will attend the United Nations COP28 climate change summit in Dubai, United Arab Emirates. There, I will speak about the convergence of two global crises: climate and mental health. As the World Health Organization has noted, climate change worsens risk factors — such as disruptions to homes and livelihoods — for mental health problems. The emotional distress of a disaster also makes it difficult for people to recover and rebuild.

Rotary partner ShelterBox is an international disaster relief charity that has helped more than 2.5 million displaced people in approximately 100 countries with emergency shelter, essential household items, and technical support. I wish to share this month's column with their CEO, Sanj Srikanthan, who explains that the words we choose to describe disasters matter.

— Gordon McInally

The term "natural" disaster has long been used to describe tropical storms, floods, earthquakes, and volcanic eruptions, but there needs to be an urgent shift in the language we use. While the term may seem harmless, and we've not always gotten it right, we've learned through our work with disaster-affected communities how it perpetuates a dangerous myth that nothing could have been done to prevent people being so badly affected. This misleading and harmful narrative can lead to a lack of action to help people who need it.

The language we use matters. When we frame disasters as natural, we fail to acknowledge the complex interplay between nature and the role of human actions and how they impact communities around the world.

Earthquakes, tsunamis, volcanic eruptions, and extreme storms, drought, and flooding occur because of natural processes on Earth. But it is how these events affect people or the environment that has the potential to make them a disaster — outcomes influenced by human factors like where people live, what types of homes they have, political instability, and the lack of proactive measures to protect vulnerable communities. A disaster is the result of systemic inequalities in access to resources and power. Where we live and how much money we have often determines our ability to recover. The people worst affected are those living in poverty, with the least means to protect themselves and few resources to withstand the next event.

By framing these events as natural, we undermine the need for proactive measures to protect vulnerable communities, masking the underlying social, economic, and political instability that makes marginalized and disadvantaged communities disproportionately affected. Our teams see firsthand how issues like inequality, poverty, urbanization, deforestation, and the climate crisis can make communities more vulnerable.

At ShelterBox, we simply say "disaster" or are more specific, describing the extreme weather, earthquake, tsunami, or volcanic eruption. I urge everyone to help us in breaking this cycle by committing to language that accurately reflects why people are affected so badly.

Only then does it pave the way to address the underlying causes of vulnerability and work toward a more just and equitable future for all, with the necessary investment, resources, and proactive measures to help protect affected communities.

Disasters are not natural. Let's stop saying they are.

Sanj Srikanthan  
CEO, ShelterBox

# Message

“So this is Christmas / And what have you done?” sang John Lennon in the holiday classic “Happy Xmas (War Is Over),” released in 1971 with Yoko Ono.

The holidays are a time of warmth and togetherness but also of reflection. Above all, the season is a time of generosity, especially to those less fortunate.

During your holiday giving, remember that gifts to The Rotary Foundation may not fit nicely in a present box, yet they keep on giving throughout the year.

December is also Disease Prevention and Treatment Month. Just think of all the Rotary efforts that would not be possible without the generosity of you, our Rotary family. Consider the incredible progress we have achieved in our fight to end polio — the countless lives we’ve saved and the hope we’ve restored. Think of all the clinics around the world Rotary has equipped and the medical professionals trained through Foundation grants, helping fight heart disease and Guinea worm disease.

Your gifts to the Foundation also help make health care accessible to underserved communities in a big way through Programs of Scale. Right now, those grant recipients are working to end malaria in Zambia, reduce the mortality rate of mothers and their infants in Nigeria, and eliminate cervical cancer in Egypt.

Of course, our reach extends far beyond disease prevention and treatment. During times of disaster, we must act swiftly to alleviate suffering and offer support. In response to the devastating earthquake in Morocco in September, The Rotary Foundation Trustees established the Morocco Earthquake Response Fund to support immediate relief efforts led by Rotary members on the ground. You can contribute directly, and your districts can apply for grants from the fund until 21 September 2024 or until the funds are fully allocated. Anyone can initiate a fundraiser for the Morocco fund on Raise for Rotary, opening further avenues for your generosity.

We truly have the gift of giving. There are no limits to the opportunities to give and make a difference through Rotary.

As we approach the end of the year, I invite you to make your gifts before 31 December. Your generosity will have a profound impact on many — people who you may never meet, but whose lives you will change just the same.

On behalf of Esther and myself, we wish you all a joyful holiday season. Thank you for your continued support, dedication, and unwavering commitment to The Rotary Foundation and to what Rotary is all about: helping others.

# One Day

Matisyahu - One Day Lyrics

Sometimes I lay  
Under the moon  
And thank god I'm breathin'  
Then I pray  
Don't take me soon  
'Cause I am here for a reason

Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know some day it'll all turn around

Because  
All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day x6

It's not about  
Win or lose  
'Cause we all lose

When they feed on  
The souls of the innocent  
Blood drenched pavement  
Keep on moving though the waters stay  
ragin'

In this maze you can lose your way (your  
way)  
It might drive you crazy  
But don't let it faze you no way (no way)

Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know some day it'll all turn around

Because  
All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day x6

One day this all will change  
Treat people the same  
Stop with the violence  
Down with the hate  
One day we'll all be free  
And proud to be  
Under the same sun  
Singing songs of freedom like...

All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There'll be no more wars  
And our children will play  
One day x6

## Experience different cultures and build international friendships through Rotary Friendship Exchange

Tagum City, Philippines

Godeok, South Korea

### What is Friendship Exchange?

Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs. Participants may travel as individuals, couples, families, or groups, and may be Rotary members or not.

### Benefits of an exchange

- Broaden international understanding
- Explore a profession or job in a different context
- Build enduring friendships
- Establish a foundation for peace and service
- Gain opportunities for active project involvement and support
- Learn about a region's people, food, languages, customs, and history
- Find partners for grants

### Choose a destination

Explore our Exchange Finder Map to view current exchange locations and the districts that serve them. Connect with the district's Rotary Friendship Exchange chair for help finding potential international hosts and planning your itinerary.

### Define your purpose

Friendship exchanges are organized around at least one of three themes: culture, service, and vocation.

### Fund your exchange

All exchanges are paid for by the participants or their districts. Hosts are not expected to assume a significant financial burden. Club or district funds may be available to offset the costs of exchanges that have a vocational emphasis.

### Share your story

After your trip, submit a report to your district, as well as to [rotary.service@rotary.org](mailto:rotary.service@rotary.org). It's your chance to tell us about your experience, make suggestions, and share what you learned.

## To ‘the children of the world’: Glenna Goodacre’s sculpture celebrates Rotary’s battle against polio

At One Rotary Center in downtown Evanston stands a figurative sculpture by well-known artist Glenna Maxey Goodacre (1939-2020). Not one but two plaques accompany the statue, which is highly unusual for public art and more typical for a museum.

Titled Polioplus, the sculpture, which was installed in 1991 in front of Rotary International World Headquarters at 1560 Sherman Ave., was a private gift to Rotary International and dedicated by Rotary to “the children of the world.” The second plaque begins, “The monument was made possible by the creativity, time and talent of the artist Glenna Goodacre.”

The sculpture is a traditional grouping, one that might remind us of a Norman Rockwell illustration, with a boy and a girl looking admiringly at a kindly physician as he cradles a baby in his arms, administering the polio vaccine. The figures are slightly larger than life size.

The sculpture takes its name from “PolioPlus,” the title of Rotary’s most notable global project: the eradication of polio. It is done in the roughly textured style that the great sculptor Rodin used.

Rotary, a worldwide service organization, is justifiably proud of its great accomplishment in reducing global polio cases by 99.9% through its worldwide support of the poliomyelitis vaccine and partner programs in the Global Polio Eradication Initiative. The program was launched in 1985 and, at present, Afghanistan and Pakistan are the only two countries where “wild” polio remains endemic.

Goodacre, a Texas-born American artist, worked out of Santa Fe, New Mexico. She graduated from Colorado College and studied at the Art Students League of New York, beginning as a painter. At the time, she was one of few women creating large, commemorative sculptures. Early in her career, she signed her work “G. Goodacre” out of concern that people would not buy art made by a woman.

Her works, including paintings, have been exhibited across the United States and are in collections in more than 40 countries. Her best-known public artwork is the Vietnam Women’s Memorial on the National Mall in Washington, D.C. In 1997, Goodacre won an international competition to create the Irish Memorial at Penn’s Landing in Philadelphia, an ambitious group of 35 life-size figures documenting the immigration of survivors of the Irish potato famine to the United States.

Goodacre’s other large-scale public monuments in bronze include *After the Ride*, a larger-than-life statue of Ronald Reagan installed in 1998 at the Reagan Presidential Library in Simi Valley, California. The 8-foot-high bronze Reagan is shown in casual wear – jeans, denim jacket and cowboy boots, with Stetson hat in hand.

Goodacre’s work also appears on the Sacagawea Golden Dollar coin, which bears a portrait of a young Native American woman. The coin was introduced in 2000 and issued between 2000 and 2008. Despite its name and appearance, it’s not really made of gold; it has an outer layer of manganese brass, giving it its golden color.

# TIPS ON HOW TO BE CYBERSAFE

## 01 SECURE YOUR GADGETS

Make sure to keep your gadgets in a safe area. Beware of possible theft of information when using your gadgets in public areas. Keep your gadgets in a secure area and be mindful when using them in public to avoid any possible theft of information. Always enable auto-lock.

02

## USE TRUSTED SOFTWARE

Only download software from trusted sites. Do not use pirated software to avoid your gadgets from being infected by malware. Always update to the latest version.

03

## INSTALL ANTI-MALWARE SOFTWARE ON YOUR DEVICES

Make sure you have a security program that also provides both malware and firewall protection on your device to prevent virus, malware, ransomware and other cyber threats intrusion.

05

## DO NOT USE PUBLIC WI-FI FOR IMPORTANT TRANSACTIONS

As much as possible, do not use UNSECURED free wifi or public wifi access. Use your own data plan if you want to be more secure. Connecting to unsecured public wifi is strongly discouraged, especially for the purpose of accessing your bank accounts and similar types of highly important and sensitive data. If there is a need to access public wifi, use VPN.

04

## MAKE SURE TO ALWAYS LOG-OFF WHEN USING A PUBLIC COMPUTER

If you can, do not use a public computer to access content that requires security profiles and other login credentials. (ex. bank account, company files, etc.) Clear all the history and cookies after you finish using a public computer.

06

## BEWARE OF ONLINE SCAMMERS THAT USE EMAIL PHISHING AND ONLINE ADS

BEWARE of online scammers. Do not fall for online ads that offer rewards and prizes that pop-up on your browser, as well as games and apps that require you to give your personal data. This applies also to unsolicited text messages, that say you've won a certain prize and you have to call or text the sender, or a certain number or individual.

Beware of phishing or email scams that ask you to provide your username and password on a link that looks like a legitimate institution or company (like your bank or online shopping portal) but is actually a link to the scammer's portal.

07

## USE A STRONG PASSWORD

Use a strong password (password that has at least 8 digits, one special character, one capital letter and one number) to make it difficult for hackers and hacking software. NEVER share your password with anyone. The stronger your password is, the harder it will be to hack. Example: Q@UxEOsD19

08

## PROTECT YOURSELF BY COVERING UP YOUR DEVICE'S CAMERA WHEN NOT IN USE

Always check your camera's status before entering or engaging in a video chat. Turn it on only when you're ready to show yourself online. NEVER allow remote access to your webcam to anyone online, and ensure that you never send sensitive and 'private' videos to anyone. There are ways to activate a webcam without you activating it nor lighting up the "activity" light of the unit. The best protection is always to have a cover for your device.

09

## BACK UP YOUR DATA

If possible, always backup your data on a regular basis. Daily is preferred so that if something happens, the worst case scenario is only one day of data loss.

10

## UPDATE YOURSELF ON CYBERSECURITY INFORMATION

Read about the latest cybersecurity threats to be informed about what's happening in cyberspace especially about the latest trends in cybersecurity. For information on courses offered by the DICT on and user cyber security training, please regularly check [dict.gov.ph](http://dict.gov.ph)

#CyberSafeKaBa

## Give the gift of Rotary

You can make a difference in this world by helping others in need — from supplying a vaccine to protect a child from polio to training peacebuilders in conflict resolution to help build a more peaceful future. With your help, The Rotary Foundation can make lives better in your community and around the world.

Arnold,

When you give the gift of Rotary, your donation will make a difference in this world by helping people in need — from supplying vaccine drops that protect a child from polio to training peacebuilders who'll strive for a future with less conflict.

The Rotary Foundation funds the work of Rotary members who provide sustainable solutions to their communities' most pressing needs, but we need your help.

With a gift today, we can make lives better in your community and around the world. Please consider giving the gift of Rotary so together we can keep Doing Good in the World.

WORLD  
AIDS DAY

1 DECEMBER 2019

COMMUNITIES

*make the difference*

## COMMUNITIES MAKE THE DIFFERENCE

The theme of this year's World AIDS Day is "Communities make the difference".

The commemoration of World AIDS Day, which will take place on 1 December 2019, is an important opportunity to recognize the essential role that communities have played and continue to play in the AIDS response at the international, national and local levels.

Communities contribute to the AIDS response in many different ways. Their leadership and advocacy ensure that the response remains relevant and grounded, keeping people at the centre and leaving no one behind. Communities include peer educators, networks of people living with or affected by HIV, such as gay men and other men who have sex with men, people who inject drugs and sex workers, women and young people, counsellors, community health workers, door-to-door service providers, civil society organizations and grass-roots activists.

World AIDS Day offers an important platform to highlight the role of communities at a time when reduced funding and a shrinking space for civil society are putting the sustainability of services and advocacy efforts in jeopardy. Greater mobilization of communities is urgently required to address the barriers that stop communities delivering services, including restrictions on registration and an absence of social contracting modalities. The strong advocacy role played by communities is needed more than ever to ensure that AIDS remains on the political agenda, that human rights are respected and that decision-makers and implementers are held accountable.

**GLOBALLY,  
35 MILLION PEOPLE

# ROTARY HISTORY

## The first four Rotarians

*The first four Rotarians. From left: GustavusLoehr, SilvesterSchiele, Hiram E. Shorey, Paul P. Harris.*

On 23 February 1905, Paul P. Harris, GustavusLoehr, SilvesterSchiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting.

Harris' desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship.

Each of the first four Rotarians, and Harry L. Ruggles, who is often called the "fifth Rotarian," brought different professional perspectives to the organization.

*Paul Harris, age 28, in 1896. Hiram E. Shorey as a young man.*

*Rotary's founder, Harris, was born in Racine, Wisconsin, USA, on 19 April 1868. He was raised by his paternal grandparents in Vermont and attended the University of Vermont, Princeton, and the University of Iowa. Harris, a lawyer, was Rotary president from 1910 to 1912 and a member of the Rotary Club of Chicago until his death on 27 January 1947.*

*Loehr, a mining engineer, was born on 18 October 1864 in Carlinville, Illinois, USA. He was a Rotarian for only a few years, never holding office at the club or international level. But that first Rotary meeting was held in his office, Room 711 of the Unity Building in downtown Chicago. He died in Chicago on 23 May 1918.*

*Shorey, a merchant tailor, served as recording secretary during the club's first year. He was a Rotarian for only a few years, too. He was born in Maine, USA, in August 1862 and died in March 1944.*

Silvester Schiele. Before December 1945. Harry L. Ruggles, October 1912.

Schiele, a coal dealer, served as the Chicago club's first president in 1905 and Rotary International's treasurer from July to December 1945. Born in Terre Haute, Indiana, USA, in June 1870, Schiele attended Terre Haute Business College and served in the U.S. Army during the Spanish-American War. He was president of the Schiele Coal Company from 1902 until his retirement in 1939. He and Harris became lifelong friends and lived near each other on the South Side of Chicago. Schiele died on 17 December 1945 and is buried near Harris at Mount Hope Cemetery.

Originally from Michigan, Ruggles was a graduate of Northwestern University in Evanston, Illinois, and joined Rotary at its second meeting. He was treasurer of the Chicago club during its first year, club president from 1908 to 1910, and a Rotary director from 1912 to 1913. He is known for having introduced singing to Rotary club meetings. His printing company, H.L. Ruggles & Co., printed the first issue of *The National Rotarian* and the first Rotary songbook. He died on 23 October 1959, an honorary member of seven clubs in addition to his home club, the Rotary Club of Chicago.

## The Past President's

# TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanang in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

### Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on “Botica sa Barangay” last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the “Operation New Look” program. It is a continuing project, funded by Jerome Foundation, Inc. that has generously provided free cleft lip and cleft palate surgeries to more than 1,000 indigent patients coming as far as Zamboanga del Norte, Cotabato City, Surigao City, Agusan del Norte, Butuan City and Lanao del Norte.

In 2001, the RCTN coordinated with the Pediatrics Department of Davao Regional Medical Center and the City Government of Tagum in carrying out the project-“Bantay Dengue Tagum”, a dengue awareness and prevention campaign program that curbed the unprecedented and scaring rise of dengue cases in Davao del Norte. In 2019 the club received through Rotary Club of Godeok, Republic of Korea, District 3620 11 units of Dengue Misting Sprayer with 3 years supply of anti dengue chemicals and two (2) units fogging machine.

The club received grant projects and assistance from various sponsoring international sister clubs of RC Marine Sunrise, California, USA, and from RC Port St. Lucie, Florida, USA. From these sister clubs, the RCTN received two (2) units of Neonatal Incubators and seven (7) units of dialysis machine which were donated to Davao Regional Medical Center, a tertiary government hospital in Tagum City. Also, through the assistance of the Rotaplant Foundation of the Rotary Club of Novato, California, USA, two (2) patients were successful beneficiaries of the Kidney Transplant Operations at DRMC.

Conducted Oral Polio Vaccination & free-tigdas and german measles annually at Tagum City Health Center in partnership with Tagum City Health Office .

Conducted Schistosomiasis Mass Treatment in Municipalities of Asuncion , New Corella, B. Dujali and Kapalong, Davao del Norte in partnership with UP Manila and DOH.

Conducted free Breast Scan every year in partnership with Clinica ng Masa.

The club also donated more than two million pesos worth of Personal Protective Equipment (PPE's) during the Covid-19 reponse in partnership with different Municipal and City Health Centers of Davao del Norte, Davao de Oro and Davao City.

### Maternal & Child Care

“Hot Lunch Plus” a feeding program for the undernourished elementary school pupils that became the recipient of United Nations Millennium Development Award given by UNICEF in RY 2006-2007, is a continuing club project that prioritizes 92 wasted pupils of Magugpo Pilot Imelda Elementary School SPED Center. The Club embarks on activities such as the Free Osteoporosis Screening Program, TB Screening by PPD Mantoux Testing , Deworming, Iron Supplementation and advocacy for Malaria Control and Schistosomiasis Program.

In partnership with RC Harvey , Australia the club donated 50 units of children wheelchair in Davao del Norte, Davao de Oro, Davao City and Agusan del Norte.

Pink Tagum, a Breast Cancer Awareness Campaign Program in partnership with the City Government of Tagum, Icanserve Foundation, Living Hope, GAD Tagum, PTV 48, PIA Davao del Norte , NCCC Mall, City Mall and Robinson's Place Tagum .

Annual Buntis Congress, seeks to promote greater awareness among pregnant and “would be pregnant” mothers on maternal and infant health.

The club is now focusing not only on the well-being of our women, but also on the health and nutrition of the mothers, the newborn and the children, pregnant women learned about the proper health and nutrition during and after pregnancy. They also gained knowledge on the importance of giving birth in accredited health facilities, being made aware of the risks of giving birth at home or in unlicensed facilities, among other requirements.

Supported the Sari-sari Store Training and Access to Resources (STAR) for more than 2000 women. A joint undertaking of the Technical Education and Skills Development Authority (TESDA), Tagum City Council of Women and Coca-Cola Philippines, the STAR Program aims to economically empower women retailers by providing them access to business and life skills training; access to financing and assets; and access to peer mentoring support. Women retailers are initially engaged on a 12-week Basic Entrepreneurship and Gender Sensitivity Training before they are introduced to access to resources, where women who successfully graduate from the training are given the chance to apply for micro financing from STAR Program partners and merchandising support from Coca-Cola Philippines. Coca-Cola funded the program while Tesda gave the training to selected COW 10 delegates as future trainer's, delegates re-echo barangays; RCTN facilitates transportation of trainer's to the barangays to re-echo the STAR program in their areas.

2004-05- "Cable-Lift" project. An ingenious cable cart system used to transport farmers and their produce from one side to another side of the river in Asuncion, Davao del Norte.

Donation of 12 Unit weeing scale in Bugasan sa Kapurokan in partnership with LGU Tagum City.

Funded the IP's Sari-sari Store Negosyo Package at Sitio Tawinian, Barangay Gupitan, Municipality of Kapalong, Davao del Norte.

Also, donated 2 housing units at Rotary Village Magsaysay, Davao Del Sur funded by Rotary Club of Godeok, District 3620, Republic of Korea and SUP Corporation.

### Basic Education & Literacy

The club has been supportive in promoting educational skills development programs in the area. The "Adopt A School program" was commenced in 2008; identifying Rizal Elementary School as its beneficiary.

Its compassion for education is unstoppable when it extended its coverage to 44 learners both out of school youths and young adults at Barangay East, Tagum City when the Alternative Learning System (ALS Palengskwelahan) was conceived in 2008. Since 2012 the club take care of the construction, rehabilitation and maintenance of the school.

Since 1998, RCTN helped in the promotion of a reliable livelihood program in Tagum City. The club organized its Basic Skills Training Program promoting Basic Electronics for Differently-able individuals; Cellular Phone, Radio and TV repair and Basic Carpentry for out of school youth. The club stretched its program to the women sector by conducting Livelihood Trainings in Meat Processing, Pillow Case and Curtain Making, Cosmetology and basic Baking in 2008.

Providing avenues of learning started to be the prime commitment in its literacy program, in 1999, the club's generosity was measured when it donated through the help of the WCS project from Chiba, Japan, a Braille Typewriter to the Magugpo Pilot Imelda Elementary School Sped Center.

Rehabilitation of Three (3) Classroom Building at Mangayon National High School, Davao de Oro. The school rehabilitation project is funded by RC Littlehampton, United Kingdom, District 1250 in partnership with DSWD and Office of Rep. Maria Carmen S. Zamora.

Construction of 1 Unit School Building at Brgy. Imelda, Laak, Davao de Oro funded by RC Oxted & Limsfield, United Kingdom in partnership with the Provincial Government of Davao de Oro.

Construction of Reading Center at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Construction of School Canteen at San Agustin Elem. School, Tagum City funded by RC Godeok, District 3620, Republic of Korea.

Rehabilitation of three (3) classroom Units at Camansa Elem. School at Barangay Camansa, Municipality of Asuncion.

Construction of three (3) classrooms Units at Madrasaton Nor Al Islamia at Municipality of Asuncion, Davao del Norte.

#### Peace & Conflict Prevention & Treatment

##### A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

Learning Peace in School and Community project in partnership with Office of Presidential Adviser of Peace Process (OPAPP)

**The Rotary Foundation**

Group Study Exchange Program (GSE) & Rotary Exchange (ROTEX)  
 The first club in the zone to send an Out-Bound ROTEX exchange student, Marjorie Osorio, exchanged with In-Bound ROTEX student Samantha Gordon of West Palm Beach, Florida, USA.

In 2000-01- Dr. Nanette Perdido Out-Bound GSE to Florida, USA.  
 2001-02- Maricar S. Zamora Out-Bound GSE to Canada and USA.  
 Dr. Lorenzo Mendoza Out-bound GSE Kentucky, USA  
 Dr. Glen Pono Out-bound GSE Virginia, Dr. Concha, Out-bound British Columbia, Canada, and Atty. Russell J. Cayetano, Sydney, Australia.

**Youth Service**

The RCTN has constantly helped many schools and universities organize the Rotaract and Interact clubs in this area. Hosted the 13th, 22nd, 28th and 31st Rotaract & Interact District Conference and the 2005 & 2008, Rotaract & Interact District Assembly. Also, the club regularly sent delegates to 3rd, 4th, 6th, 8th, 9th, 11th Asia Pacific Regional Rotaract Conference in Tagaytay, Malaysia, Singapore, Subic, Bangkok and Hongkong respectively and Bangkok and Seoul Rotaract Pre Convention Meetings.

Tagum North has stood the test of time, remained strong, vibrant, and proud, Tagum North will continue to dream and reach for greater heights. There is no doubt North is up!

# WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

## Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

## Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community's diversity with regard to professional and business classifications, gender, age, religion, and ethnicity is a club with the key ingredients to its successful future.

### Water and Sanitation

Through the project grant funded by WCS from District 2790, Chiba Japan and District Grant Project, the club initiated the program on "Oplan Tutok Kubeta" in order to facilitate empowerment and self reliance in producing locally made water-sealed toilet bowls among the less fortunate families in Davao del Norte and Davao de Oro. To date, the club handed out more than 7,000 units to these areas.

The RCTN has continuously lived its zeal to make water as a natural resource accessible to everyone. It all first started with a simple water pump project, which later expanded into a "Spring Water Impounding System" (SWIS) in Barangay Magdum, Tagum City. In its unending passion to provide potable water for indigent families in the remote barangays of Davao del Norte and Davao de Oro, the "Water for Life" became the Club's Centennial Project. It is a continuing project which has installed a total 91 pumps, three (8) units Water Tank for Rainwater Storage, two (2) Water Reservoir, four (4) Artesian Well with 1.5 horsepower submersible pump and 2,000 liters stainless storage tank funded by Matching Grant with RC Bruxelles, Belgium as International Partner and RC Duksan, RC Kodeok, RC Yesan-Neugkeum, RC Shinrewon and RC Yesan of District 3620. This year, the clubs aims to construct/install additional Two (2) units of Artesian Well with 1.5 horsepower submersible pump and 1,000 liters stainless storage tank funded by RC Godeok, D3620, Republic of Korea.

This year the Rotary Club of Tagum North donated 1 unit brand new water tank truck to District 3860 Disaster Management, Inc funded by PP Darwin B. Ravelo.

### Economic & Community Development

In harmony with the preservation of the countryside environment and natural resources, the club ventured on "Coral Reef, Mangrove & Tree Planting" in 1992. It is a continuing project that helps to rehabilitate the mangrove forest in the coastlines of Tagum City and its neighboring areas.

Donation of six (6) units 18 footer Fiberglass Motorized Banca to Liganon Fisherfolks Association, courtesy of RC Littehampton, RC Seaford, RC Bognor, RC Steyning&Henfield and RC Shoreham & Southwick, United Kingdom, District 1250.

Regular Job Fair in Partnership with Tagum City Public Employment Services Office (PEESO). Job Fair is quarterly event. Closely coordinated with the Department of Labor and Employment, also opens opportunities for job-seekers to avail of services from government agencies such as the Professional Regulations Commission, the Social Security System, Phil Health, National Statistics Office, Department of Foreign Affairs among others.
