Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

I am enthused and encouraged by your embrace of mental health initiatives throughout the Rotary world. More than 1,000 of you have responded so far to an ongoing survey by the Rotary Action Group on Mental Health Initiatives, offering your feedback on what Rotary can do to improve the personal well-being of members.

The top suggestions are illuminating. Rotary members are asking for more fellowship, camaraderie, conversation, cohesiveness, and connection. They also want more recognition, validation, and integration. They are seeking more service opportunities, and they want more wellness activities, including mental health speakers, awareness efforts, and education.

Our members not only appreciate the greater focus on mental health, but they also believe that making more of the Rotary experience will materially improve their lives. I find it interesting that members are not asking anything dramatically new of their club — rather they want more of what we do best. For example, connection can be improved during meetings simply by assigning seating once each month to encourage people to speak with someone new.

Here are some great ways that we can help achieve these results and make Rotary more appealing to those considering membership. First, we need to acknowledge the importance of increasing belonging in our clubs and to encourage Rotary members to make the most of every opportunity for new and stronger connections. Public health experts worldwide are concerned about increasing levels of loneliness — the U.S. surgeon general has even declared it an epidemic. Mental health experts agree that finding groups and clubs around common hobbies and interests is a strong way to create greater connectedness. This is what Rotary is all about. We need to make sure all of our members are fully engaged and that our communities are better aware of this inherent strength.

Second, if your club has found new ways to build connection, please share your stories with us at mindhealth@rotary.org so we can make them more broadly known within the Rotary world. Your good ideas might inspire others. Post your service project stories on Rotary Showcase.

And finally, I encourage you to share feedback from surveys like this with your club and bring forward your own ideas to improve your club experience and meet your peers' expectations. The journey we have begun is about more than mental health. It is about taking advantage of the full strength of our wonderful organization and helping all members feel that they are part of a community that cares deeply about their personal well-being.

Everything you do to strengthen connections in Rotary, with each other and the people we serve, also helps improve mental health. And everything we do to improve mental health helps strengthen those connections. Let's continue this virtuous cycle.

Following the news is challenging these days. Stories of war and violence are deeply discouraging. It breaks my heart when I hear about innocent bystanders, particularly women and children, who are caught in the crossfire of conflict.

Is there anything we can do about it? We certainly can't turn away from the problem. I think in these times, we need to shift our focus from what we can't change to what we can do. We can also support what we know works.

February is Rotary's Peacebuilding and Conflict Prevention Month. It is one of our areas of focus because peace is central to everything we do in Rotary. Even though most of us aren't diplomats at the negotiating table or peacebuilders working on active conflicts, in Rotary's singular way, what we do works to promote peace and prevent conflict somewhere, every day.

Every Rotary member should remember this during the month of February: When you support any of the areas of focus of The Rotary Foundation, you are contributing to peace. Foundation grants that address fundamental issues — such as a global grant focused on enhancing basic literacy in a community — will cultivate a better understanding of the world and lead to greater economic stability, laying the groundwork for peace.

You can say the same for all the areas of focus, from the environment to economic development. They help stabilize communities, lift families out of poverty, and foster the pursuit of education.

Peace is and always has been interwoven into the fabric of Rotary beyond our projects, too. In 1999, when we established the Rotary Peace Centers through a visionary initiative of our Foundation, we reaffirmed this commitment. This month, we are once again renewing that vision, with Bahçeşehir University in Istanbul, our host partner for the newest Rotary Peace Center, as it takes its first steps to prepare for the initial cohort of students arriving in early 2025.

All along the way, as Rotary has evolved into a global force for good, it has championed peace and understanding in countless ways, and our Foundation remains the great driving force behind that vision. It will be part of Rotary's eternal legacy.

And by supporting our work, you will be able to say that you are a part of that legacy. You can directly support it by visiting rotary.org/donate and selecting peacebuilding and conflict prevention as the area of focus.

So, yes, there is a lot you can do to support peace and prevent conflict. The next step is up to you.

Trustee Chair 2023-24

“Youth are the hope of our future generation.”

There is never enough time to fulfill all of our hopes and aspirations as we continue to live our earthly existence. Many unfulfilled ambitions and dreams seem difficult to accomplish or realize within our lifetimes. Perhaps it is real that we have several and enormous ambitions and dreams that we will never be able to realize in our lifetimes.

We are empowering our youth during this month since they are the future of our society. We support them and help them become ready for the world they will live in. For the purpose of educating and preparing young people for the world, our Rotary Club has organized numerous activities around the globe with kids as the primary participants. The RYLA is a Rotary project of ours.

Rotary Youth Leadership Awards (RYLA) on March 23-24, 2024 at Alta Cebu Village Garden Resort, Cordova, Mactan, Cebu is an intensive leadership experience organized by Rotary districts where you develop your skills as a leader while having fun and making connections. Rotaractors, Interactors and Student Leaders, 15-20 yrs old are invited to participate in this event.

What are the benefits they can earn?

Connect with leaders in your community and around the world to:

1. Build communication and problem-solving skills
2. Discover strategies for becoming a dynamic leader in your school or community
3. Learn from community leaders, inspirational speakers, and peer mentors
4. Unlock your potential to turn motivation into action
5. Have fun and form lasting friendships

We do not know what the future holds, thus it is up to the youth to decide when they reach adulthood. We can only empower them through leadership development programs and inspirational campaigns by sharing the lessons we have acquired from our forefathers once we were what we would now term young. The world is getting more and more difficult in many aspects. Give our children the tools they need today to overcome the challenges they will encounter tomorrow.

And I'm hoping that young people will start preparing now for the future.

Congratulations also to the winners of the Voice of Our Youth Oratorical Contest conducted on February 19, 2024. The Top 5 will compete in the Mindanao Leg on February 24, 2024 at Abreeza Mall in Davao City. Also gudluck to our participants during the Empowering Girls On the Spot Poster Making Contest on February 22, 2024, 1PM at City Mall of Tagum.

Minneapolis-St. Paul set to host Rotary's 120th international convention in 2029

The largest convention Minneapolis will host in 2029

EVANSTON, Ill. (Feb. 5, 2024) — Rotary International today announced Minneapolis-St. Paul as the winner of the provisional bid to hold its annual international convention at the Minneapolis Convention Center, May 26-30, 2029.

More than 15,000 Rotary members and participants from around the world will gather in the Twin Cities to connect, learn from each other and various experts, and share ideas for bringing positive, lasting change to communities across the globe. The event is expected to inject an estimated \$30.4 million in both direct and indirect business sales, and will utilize hotels in Minneapolis, Bloomington, and St. Paul, as well as most of the Minneapolis Convention Center.

"I am excited to welcome Rotary members from across the globe to the Twin Cities and the State of Minnesota for their international convention in 2029," said Minnesota Gov. Tim Walz. "Rotary members do incredibly important work to improve lives and strengthen communities here and throughout the world."

"Minneapolis is the right city to host the 120th Rotary International Convention and Rotary is a fabulous organization to welcome," said Minneapolis Mayor Jacob Frey. "With more than 15,000 attendees and strong values of service, diversity, and leadership — this event will have an enormous impact on our community and we look forward to showing off our world-class city."

The winning bid was led by Rotary clubs in Minnesota and Iowa. "We're thrilled that Minneapolis will once again host Rotary's biggest gathering," said Tom Gump, Chair, Host Operating Committee, 2029 Rotary International. "We look forward to working with Meet Minneapolis Tourism Bureau, the Cities of Minneapolis, St. Paul and Bloomington and the State of Minnesota to plan the largest Rotary event in Minneapolis since the last convention we hosted in 1974."

"Abundant in fresh water, nature, and cultural diversity, Minneapolis — the City of Lakes, is the ideal location for our members and participants to connect and celebrate our friendships, cultures, and shared commitment to making a positive difference in the world," said Rotary International President Gordon McInally.

Rotary members throughout the world develop and implement sustainable, community-driven projects that fight **disease**, promote **peace**, provide **clean water**, support **education**, save **mothers and children**, grow local **economies** and protect the environment. More than US\$5.5 billion has been awarded through The Rotary Foundation—Rotary's charitable arm that helps clubs work together to perform meaningful, impactful service—to support these and other initiatives over the last 100 years.

ROTARY HISTORY

The first four Rotarians

The first four Rotarians. From left: GustavusLoehr, SilvesterSchiele, Hiram E. Shorey, Paul P. Harris.

On 23 February 1905, Paul P. Harris, GustavusLoehr, SilvesterSchiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting.

Harris' desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship.

Each of the first four Rotarians, and Harry L. Ruggles, who is often called the "fifth Rotarian," brought different professional perspectives to the organization.

Paul Harris, age 28, in 1896. Hiram E. Shorey as a young man.

Rotary's founder, Harris, was born in Racine, Wisconsin, USA, on 19 April 1868. He was raised by his paternal grandparents in Vermont and attended the University of Vermont, Princeton, and the University of Iowa. Harris, a lawyer, was Rotary president from 1910 to 1912 and a member of the Rotary Club of Chicago until his death on 27 January 1947.

Loehr, a mining engineer, was born on 18 October 1864 in Carlinville, Illinois, USA. He was a Rotarian for only a few years, never holding office at the club or international level. But that first Rotary meeting was held in his office, Room 711 of the Unity Building in downtown Chicago. He died in Chicago on 23 May 1918.

Shorey, a merchant tailor, served as recording secretary during the club's first year. He was a Rotarian for only a few years, too. He was born in Maine, USA, in August 1862 and died in March 1944.

Silvester Schiele. Before December 1945. Harry L. Ruggles, October 1912.

Schiele, a coal dealer, served as the Chicago club's first president in 1905 and Rotary International's treasurer from July to December 1945. Born in Terre Haute, Indiana, USA, in June 1870, Schiele attended Terre Haute Business College and served in the U.S. Army during the Spanish-American War. He was president of the Schiele Coal Company from 1902 until his retirement in 1939. He and Harris became lifelong friends and lived near each other on the South Side of Chicago. Schiele died on 17 December 1945 and is buried near Harris at Mount Hope Cemetery.

Originally from Michigan, Ruggles was a graduate of Northwestern University in Evanston, Illinois, and joined Rotary at its second meeting. He was treasurer of the Chicago club during its first year, club president from 1908 to 1910, and a Rotary director from 1912 to 1913. He is known for having introduced singing to Rotary club meetings. His printing company, H.L. Ruggles & Co., printed the first issue of *The National Rotarian* and the first Rotary songbook. He died on 23 October 1959, an honorary member of seven clubs in addition to his home club, the Rotary Club of Chicago.

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris, circa 1905-12.

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

ROTARY HYMN

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.

We shall all understand, while the good
Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

The Past President's

TAGUM NORTH is UP

by: PAG Arnold M. Nicolas , PAG Jim M. Osorio & PAG Glenn A. Pono

At 35, The Rotary Club of Tagum North (RCTN) stands strong and proud. Like a grown-up man, it has gained so much confidence, beaming, and always ready to face new challenges.

The Rotary Club of Tagum North is Club No. 26110 of Rotary International, District 3860, Area 2D. It is the second Rotary Club in Tagum City, Davao del Norte. To date, its membership strength of 38 Rotarians.

In 1988, the Rotary Club of Tagum, led by Pres. Arrel Olano, organized the Rotary Club of Tagum North. Barely three months from its first organizational meeting, the club was chartered on December 9, 1988. The club was nurtured under the caring hands of its "father" PP Filemon Maloles, the Special Governor's Representative to District Governor Cesar Estalilla. Among the 27 charter members, the late Sing Beng "Danny" Lee was the elected charter president. Two of the charter members, namely PP Cock Chang F. Soo and PP Antonio Inguillo remain to be part of the current active members of RCTN.

There are three Rotary Clubs in Tagum City. Being the first club extension, the Rotary Club of Tagum North brought in a new dimension of dynamism and aggressiveness of the Rotary Community in Tagum City. It rallied behind its birth-year Rotary theme: "Put Life into Rotary-Your Life (RY 1988-89)". As a young club, it supported the call to expand the Rotary Community and organized the Rotary Club of Tagum Golden L.A.C.E.S. (Ladies in Action Committed to Effective Service) in RY 1992-93.

The district formally recognized 20 of the 34 past presidents, as Outstanding Presidents (in different awarding categories). Seven of the club's past presidents earned high positions in the district leadership structure. Just like any other volunteer organization, the club experienced not only its splendor in success, but also its share of low moments as well. During the RY 1997-98 the club experienced a severe membership crisis that almost brought its dissolution. During the terms of PP Macario "Bong" Bermudez and PP Samuel "Sammy" Raymundo the club bounced back from its moribund state through numerous fellowship activities coupled with aggressive recruitment of young members.

Gradually, the club earned its name not only in its locality but in the whole District as well. The District granted the opportunity for RCTN to host Membership Development Forum both in RY 1993-94 and RY 2008-09. Likewise, the District recognized the RCTN as the host of the 27th District Assembly on May 1-2, 2001, 32nd District Assembly on May 5-6, 2006 and co-hosts 2017 District Training Assembly on May 26-27, 2017.

Thanks to the relentless support of its members, the club reached its peak when it earned the highest honor of distinction for a Club (Most Outstanding Club Award in RY 2005-06) in RI District 3860, during the term of PP Marty D. Briguez and RY 2017-2018 during the term of PP Ramel A. Lintuan. Worth mentioning among the other prestigious awards received by the club were: 2008 Most Outstanding NGO Award given by the Armed Forces of the Philippines in Manila, Most Outstanding NGO of Davao del Norte in 2008, 2016 Tagumpay Excellence Awardee for Community Service Category of Tagum City and United Nations Development Millennium Award for Hot Lunch Plus program given by UNICEF in Malacanan in 2007. Also, PAG Arnold Nicolas 2017 Rotary Avenue of Service Citation for Individual Rotarian given by RI President John F. Germs. Oozing with enthusiasm, the club remains very sensitive to the needs of the community alongside its role of providing its members the opportunity for fellowship thereby widening its circle of friends.

The implementation of laudable community projects serves as the life-blood of the club. It brings more attendance to the club meetings. It develops new club leaders and provides instant fellowship as well.

In RY 2011-2012 the club became 100% Paul Harris Fellow Club with a Total All-Time Foundation Giving of \$ 111,692.00 as of June 30, 2022 with Four Major Donors Level 1.

Disease, Prevention & Treatment

The project dedicated to Community Service brought the club an overwhelming recognition and praise from its neighborhood communities. Since its conception the RCTN has incessantly conducted innumerable Surgical, Medical, Dental and Optical Missions to the less privileged members of the Tagum City community, to the nearby underprivileged prisoners/parolees and even to its farthest neighborhood communities in Davao del Norte, Davao de Oro and Surigao del Norte Provinces. The club has established a program on “Botica sa Barangay” last 2000 in Asuncion, Davao del Norte that helped a total of 26 remote barangays access to cheap but effective medicines.

The club proudly launched the “Operation New Look” program. Peace & Conflict Prevention & Treatment

A Silver Lining at the Crossroad of Conflict

Situated along with the benches of the Pantaron mountain ranges and at the crossroads of Bukidnon, Agusan del Norte, and Davao del Norte, Sitio Tapayanon in Barangay Gupitan, Kapalong Davao del Norte is a remote and internally displaced indigenous people community. The area has limited access to basic education and literacy, health, sanitation, and maternal and child health care. Sitio Tapayanon was eventually relieved as the insurgents' strategic shelter spot and place of retreat in these regions after being explored and identified by forces from the 60th Infantry Battalion in 2019.

The "Tapayanons" of Mindanao's Ata-Manobo tribe endured a simple, modest way of life while preserving vibrant culture and tradition, attributed to their ingenuity and persistence. Although the community is now peaceful and thriving, problems continue to emerge as the community struggle to transform into a sustainable and developed rural community. Because the area is only accessible by helicopter, there are no essential services available. Provision of basic education and literacy are neglected due to a lack of resources and services. Through the initiative of the Provincial Government of Davao del Norte and the Local Government Unit of Kapalong, residents of Sitio Tapayanon are now relocated into Sitio Mondol, Barangay Gupitan in Kapalong, Davao del Norte that can be accessed by land transportation.

The Rotary Club of Tagum North has continued to be the "light of hope" in every Tapayanon child's goal of having access to basic education and literacy, thanks to a District Grant from The Rotary Foundation. The building of Sitio Mondol Multi-Purpose Hall, which may also be utilized for children's educational activities, The project were supported by the Provincial Government of Davao del Norte and the LGU of Kapalong. This humanitarian initiative will benefit around 98 households, totaling almost 700 residents, most of whom are children. Basic education opens up a world of possibilities for every "Tapayanon" child, from community development to nation-building. Tagum North Rotarians are more than motivated to "Serve to Change Lives" by teaching one child at a time, even in the most distant and inaccessible locations.

WHY THE ROTARY YEAR BEGINS 1 JULY?

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.
