Victoria C. Heyrana
Club Secretary

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service

SECOND. High ethical standard in business and profession; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR – WAY TEST
of the things we think, say or do:

1. Is it the **TRUTH**?
2. IS it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

INVOCATION

Father, As we gather here today, we thank you for the gift of fellowship and family. We ask that you strengthen us, restore us, and inspire us with your love. Let our discussions be charitable and our conclusions fruitful. Help us to strive with all our hearts to know what is pleasing to you. When we know your will, make us determined to do it. May the work that we do and the way we do it bring hope, life and courage to all Amen!

President's Message
RI President Mehta
RY 2021-2022

November 2021

I first discovered the value of service when I saw how a few simple acts can immeasurably change lives. It began when I joined others in my club for a project to bring toilets and clean drinking water to rural villages near our city. It moved forward when we promoted sanitation and provided opportunities for education across the country, thanks to generous gifts from supporters who believed in our projects as much as those of us on the ground did.

There is no better time of the year to be reminded of that generosity than November, which is Rotary Foundation Month.

As the charitable arm of Rotary International, The Rotary Foundation is the engine that powers so many Rotary projects throughout the world. The Foundation transforms your gifts into projects that change lives. It is the Foundation that helps us to get closer to our goal of eradicating polio, to show more people how we promote peace through tangible actions, and to demonstrate the impact our projects have in our areas of focus.

Consider some recent projects that were made possible by the Foundation:

- The Rotary clubs of Guatemala La Reforma, Guatemala, and Calgary, Alberta, received an \$80,000 global grant to organize a comprehensive plan to train nurses and rural health care workers to prevent and treat cervical cancer and to implement a sustainable system of referrals in seven regions of Guatemala.
- More than two dozen hospitals in Honduras received personal protective equipment for their medical staff thanks to a \$169,347 global grant sponsored by the Rotary clubs of Villa Real de Tegucigalpa, Honduras, and Waldo Brookside-Kansas City, Missouri.
- The Rotary clubs of Cotonou Le Nautile, Benin, and Tournai Haut-Escaut, Belgium, received a \$39,390 global grant to provide agricultural training at an ecologically responsible permaculture mini-farm connected to a center for children in Sowé, Benin. This will help a new generation of farmers become economically self-sufficient.

I like comparing The Rotary Foundation to the Taj Mahal, a monument of one man's love for a woman. The Foundation is a dynamic monument of our love for all of humanity.

This month I am asking all Rotary clubs to bring attention to the Foundation. It is what connects all Rotarians worldwide and transforms our collective passions into projects that change lives. Visit rotary.org/donate; once there, you will have an opportunity to give directly to the program you're most passionate about.

Thank you for giving your all to Rotary. You are the reason that Rotary is able to *do more* and *grow more*. Let's continue to represent that important legacy this month, this year, and beyond as we *Serve to Change Lives*.

"Rotary Hymn"

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of
peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my
cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my
family.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason
to divide..

We shall all understand, while the good
Lord is our guide

Peace be achieved, so we won't have lived in vain

Laugh Line

Joke no. 1

Teacher: Pedro, kung ako'y may 5 anak
sa unang asawa, 10 naman sa
pangalawa, at 3 sa pangatlo; meron
akong?

Pedro: Kalandian! Isa kang karengkeng
Ma'am!

Joke no. 2

Ako: Ayo, palit kog sigarilyo.

Tindera: Unsa nga sigarilyo?

Ako: Hope. Kay basin naa pa mi pag-asa
nga magbalik.

Tindera: Bagay sa imo More.

Ako: Kay?

Joke no. 3

In a classroom....

Titser: Class, what are the different
colors of bananas?

Juan: Mam, green, yellow and brown.

Titser: Gago jud ka, naa bay brown nga
saging?

Juan: Gaga sad ka! Kanang nilung-ag
diay? FAKE na?

ROTARY INFORMATION

DEFINITION OF ROTARY

How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities. In 1976 the Rotary International Board of Directors was interested in creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relations Committee and requested that a one-sentence definition of Rotary be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

EDITORIAL – Ranked last again (The Phil. Star)

For the third consecutive month, the Philippines has ranked last among the world's 53 largest economies in terms of resilience to the COVID-19 pandemic.

In its November Resilience Ranking, titled "The Best and Worst Places to be as Winter Meets Omicron," Bloomberg gave the Philippines a score of 43.1 – a slight improvement from last October's 40.5, but still behind other Southeast Asian countries Malaysia, Vietnam and Indonesia.

Bloomberg based the rankings on vaccination coverage, mortality throughout the pandemic, quality of healthcare, virus containment, severity of lockdowns and progress in restarting travel. The two economies at the bottom of the list, Bloomberg noted, had given out fewer than 100 shots per 100 people: Indonesia had administered 87.3 doses per 100 and the Philippines 73.2.

The Philippine government had previously blamed the country's poor ranking on the scarcity of vaccines. With the country now offering pediatric jabs as well as boosters to all adults, however, the problem is clearly more complicated than mere vaccine supply. In some areas, vaccines have expired because of logistics problems and the failure of local government units to deal with residents' vaccine hesitancy.

The just concluded three-day National Vaccination Day, extended for another two days in some areas, boosted the vaccination rate and could improve the country's ranking in the next Bloomberg ranking this month. The government has maintained that it will continue managing pandemic health risks while providing an environment conducive to economic growth.

But the emergence of the latest COVID variant of concern, called Omicron, will test the pandemic responses of all countries. The Philippines continues to have weak capability for contact tracing, and COVID testing remains so costly people continue to fake test results or else avoid testing until it is too late to contain infection.

Bloomberg, in its report, emphasized the importance of an effective system of contact tracing and testing. It also stressed the role of health education, which helped socialize basic safety protocols such as hand hygiene and wearing of face masks in the consistent best performing economies.

Philippine officials find it unfair for the country to be compared with advanced economies. The ranking, however, covers the world's biggest economies including Southeast Asian neighbors at similar levels of economic development. In terms of pandemic response, it is better to be compared with the best performers. The ranking is a challenge for the Philippines to do better.
