JENNIFER JONES

PRESIDENT 2022-2023

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable

stories about our great organization - the one we will know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream doctor's offices,

coffee shops, or anywhere else people sit, wait and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over

PRESIDENTIAL MESSAGE

the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable and scalable Rotary projects from our areas of focus on what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but

but have not yet realized they can do it through Rotary.

But there was another important issue to consider - our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories - we will be tweeting, posting, and "going live" to anyone who will listen. We must consider our environment, and a part of that means not always travelling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you can consider your own

Imagine Impact efforts - your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

14TH INDUCTION AND HANDOVER CEREMONIES

The Rotary Club of Tubigon successfully held its 14th Induction and Handover Ceremonies last July 24, 2022 at Jyra's Resort, Guiwanon, Tubigon, Bohol. Three new members, Ria Lamanilao, Analili Nacorda, and Luv Uy, were successfully inducted as full-fledged Rotarians of RC-Tubigon.

The Assistant Governor of Area 1-F, RC Tubigon's very own Haydee Cabasan, inducted the new president, Rotarian Maribel Sumayang, who then conducted the oath of office of her fellow Imaginative Officers.

The valedictory address of Immediate Past President Delia Lasco recounted the tragic yet fulfilling memories of the RY 2021-2022, marked with the ravaging effects of the pandemic and Super Typhoon Odette, which the club had successfully overcome with the help of the Rotary International and other sponsoring clubs. Lasco's speech was filled with gratitude and pride for having victoriously won a battle despite all odds.

Nonetheless, the acceptance speech of Imaginative President gave a flavor of hope and optimism and a toast for the club's prosperity in better serving the society as the team imagines Rotary to contribute to positive social transformation.

RC Tubigon's Imaginative Team welcomed the new Rotary Year with enthusiasm and readiness to serve!
