Dear God,

We pray that as we face a new day, we may reflect Your love in the things that we say and do.

We pray that You will give us the love that is in Your heart so that we may give Your love to others.

We pray that You will give us Your wisdom so that we may help and encourage those with whom we come in contact today.

We pray that You will give us Your patience, so that we may show the same grace and mercy towards those that are in difficulty or discouraged.

We pray that You will grant us Your grace so that we may be equipped to forgive the insults or carelessness of others towards us.

We pray that all in things, You may be seen in us.

Amen

Editor's Note ...

A continuation from last week's issue regarding attendance to our club meetings...

A sad face from club secretary PP Baby 😞

Only 13 members attended the meeting last 29 August and including make-ups, we only had 73% average attendance. A far cry from our usual RCWWD meetings.

A refresher.... Charging of would be Rotarian ...

Membership to Rotary is an honor and privilege and like any honorable privilege, it involves corresponding duties and obligations.

You are a Rotarian because of your classification and when you fail to attend the meeting of your club, you are not being fair to yourself, to the members of the club and to the person whom you deprived of the privilege of becoming a member because of you're having been elected one.

Only circumstances, which cannot be reasonably controlled, are accepted justification for your absence in our regular weekly meetings.

Being busy does not excuse you because all Rotarians are busy people.

Here are some helpful suggestions from PP Malou as make up of perennial absentees :

- *submit articles for bloomscoop (It should be about **your personal experience first hand as a Rotarian**, not some copy pasted thingy from some Rotary articles)
Ergo : copy pasted articles sent will not be considered !!*
- *Send materials for possible community projects - like crochet materials, cross-stitch, books, used clothing, cash donations, etc - which we can then hand over to the beneficiaries.
Maybe we can do one simple community project turn-over a month, to cover the absences of the normal absentees*
- *Hold meetings in the workplace of those always absent (if possible once a month?)*

It maybe is hard for some members to attend meetings, but even if Rotary is voluntary, it also entails a promise to contribute our time, talent & resources for a successful Rotary club.

Let us continue to take the road less taken for that is where our commitment to Rotary is better manifested.

Stay beautiful y'all... blessed be !

SEPTEMBER is Basic Education and Literacy Month and what better way to show that the Rotary Club of Waling-Waling Davao puts a premium on basic education and literacy, was the completion of the Duha Daycare Center New Building which is scheduled to be formally turned over this month to our partner in service, the Davao City' Social Services Development Office which supervises Daycare Centers.

The Day Care Center also has 2 toilets for boys and girls and handwashing facilities which is now a basic requirement for all schools.

We also participated in the culmination programme of the Nutrition Month in the end of August at our RCWWD Day Care Center in Tibungco wherein some of our members stood as judges during the different contests giving cash prizes to the winners.

To cater to the burgeoning enrollees in our Tibungco Day Care, the club donated 20 school chairs.

Likewise, discussion had started on the possibility of converting our Tibungco Rotary Friendship Center into our 2ND RCWWD Tibungco Daycare Center to accommodate the growing population each year. This year, we presently have 115 students .

A sad news .. last August 28, Davao City experienced severe flooding on its low lying area near the Talomo and Matina Rivers.

RCWWD Members again demonstrated its readiness to be of service to help the affected families in Barangay Bangkal which was hit the most of the flooding waters.

Special thanks to PP Remie who immediately spear-headed and moved into action, asking for contributions both cash and in kind making it possible for us to be in one of the evacuation centers last Friday .. August 30 bringing pails, basins, detergent and hand soaps, clothes, blankets and other necessities.

Thank you to PPs Marivic, Che, Remie and Baby, who accompanied me to distribute the items ourselves. Our thanks also to PP Malou who lent her driver Lito and vehicle to deliver and help in the distribution.

My appreciation goes to all who donated even at a short notice and to the members who went with me and selflessly sacrificed their precious time to join in the activity.

Let us continue to share and do good works no matter how insignificant they maybe, not born out of necessity but out of LOVE because God sees the intentions of our hearts.

T. Yñiguez

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honored to serve as the "Popcorn King," the master of ceremonies for the day's events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family's traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many family-friendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of

What is Rotary Literacy Month?

Rotary Literacy Month highlights literacy and education issues around the world.

Rotary Literacy Month is an excellent opportunity for Rotary clubs and districts to raise awareness about literacy, launch new literacy initiatives and projects, and recognize literacy accomplishments from the past year. Rotarians everywhere are encouraged to participate in Rotary Literacy Month by engaging in service or activities that specifically address literacy and education issues either in their communities or abroad.

Some ideas for Rotary Literacy Month activities include:

Raising awareness about literacy and education

- ♥ Invite local literacy or education experts like teachers, school administrators, government education officers, and university professors, to speak at your club's meeting about local, regional, or international literacy and education issues.
- ♥ Arrange for club members to visit local schools, universities, libraries, and tutoring centers to learn about your community's literacy and education resources.
- ♥ Facilitate a discussion session at your club's meeting about literacy and education in your community.

Take action for literacy

- ♥ Launch a new literacy project during Rotary Literacy Month
- ♥ Work with existing literacy providers to plan a literacy project
- ♥ Arrange for club members to volunteer at a tutoring center
- ♥ Begin a student mentoring program
- ♥ Encourage local businesses to offer education opportunities for employees
- ♥ Start an adult education program at a local school or community center
- ♥ Conduct a teacher training event for your district
- ♥ Conduct a literacy awareness campaign in your community
- ♥ Donate books for a community library, school supplies for under privileged students, or teaching materials for underprivileged schools

Celebrate literacy

- ♥ Arrange a community award to recognize contributions to literacy and education
- ♥ Hold a literacy ball to raise money for literacy programs in your community
- ♥ Conduct an essay contest to encourage writing among students in your community
- ♥ Arrange a literacy fair and invite local bookstores to participate, local authors to read about literacy, and local government agencies to display information about literacy and education programs

For many years, Rotarians have been active in efforts to reduce illiteracy, from building schools and paying salaries of teachers to serving as tutors to collecting and distributing books and audio visual materials to libraries.

Rotarians are working with governments to create large-scale replicable literacy projects in the developing world.

By the Way...

In 1985, Rotary declared basic literacy to be a pre-condition to the development of peace. Through this organizational emphasis, more than half the world's nearly 33,000 Rotary clubs address the full range of literacy and mathematical challenges for primary, vocational, and adult learners as well as teacher training. Many Rotary club members promote what is called "lighthouse" literacy projects – those that can be replicated easily, thereby increasing the scope of their impact.

How Rotary makes help happen

(www.rotary.org)

Basic education and literacy is one of Rotary's six areas of focus.

We know that basic education and literacy are essential for reducing poverty, improving health, encouraging community and economic development, and promoting peace.

Consider these facts:

If all women completed primary education, there would be 66% fewer maternal deaths.

A child born to a mother who can read is 50% more likely to survive past the age of five.

If all students in low-income countries left school with basic reading skills, 171 million people could be lifted out of poverty, which would be equivalent to a 12% cut in world poverty.

The world is making good progress in this area. According to a United Nations Millennium Development Goals progress report, literacy rates among adults and youths are on the rise and the gender gap in literacy is narrowing.

But pressing global needs remain:

- 58 million children worldwide are out of school.
- Even after four years of primary schooling, as many as 250 million children cannot read and write.
- More than 775 million people over the age of 15 are illiterate.
That's 17 percent of the world's adult population.

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

Teacher training

We share our knowledge and experience with educators and other professionals who work with vulnerable populations.

Rotary scholarships

Rotary members invest in the future by giving scholarships to students who have the potential to change our communities.

Adult literacy

Rotary members fight adult illiteracy by working with local advocates to offer community literacy programs.

Changing the World through Literacy Education

IPP Marilou Baarde
malou64@gmail.com

Having a mindset of an educator leads to becoming a change maker in the aspect of nurturing people's thinking of having to understand the world in which we live in. To achieve a level a competence that would allow people to contribute to society and to attain personal growth.

The basic skills of reading, writing, social awareness and critical reflection are powerful tools to make positive changes. We put forward our agenda of educating young people to bring about a more equitable society.

Literacy is ever-changing and ever-fulfilling. We need to inculcate the importance of acquiring education so we may continue to uplift our way of life and be equipped to meet the challenges of a developing world. It is the best way for society to cope with the rapid transformation we are dealing at present.

Rotary has advocated in assisting communities around the globe in allowing children to acquire the needed skills in literacy education.

Donation of books, school materials and equipment has been the most prevalent act of goodwill.

Teacher training was also given emphasis as it became essential that we also provide support to increase knowledge and skills among educators. And with the advent of technology, Rotarians were implementing the use of various educational applications developed for use in teaching children in different grade levels. The free reading program by Rotary Club of Scarborough in Toronto, Canada aimed to help raise the literacy levels in communities around the world. This can be accessed by clicking <https://www.freereadingprogram.com>.

These resources were made available to all Rotary Clubs around the world to bring literacy initiatives to children in need. Empowering communities by fighting adult illiteracy was also given focus.

Rotary scholarships were offered to students who have the potential to make positive changes in their own community.

We also ventured into educating refugees in Nigeria to give children opportunity to learn despite their struggles. Rotary also got into the mentoring program matching student participants with Rotarians who are in their respective professional field that will share with them related experiences, job accomplishments and in how they achieved their goals.

Not only that their Mentor-Rotarians provide them with actual experiences on their chosen field but also to help them realize what they really wanted to embark in the future.

We also strive to attain peace through education

Remarkable as it is, Rotary endeavor to help in sustaining development in many communities by supporting programs in the area of basic education and literacy.

The needs of society differs in many ways and we acknowledge the fact that every community is unique and that it is important to set the stage by doing a thorough assessment to identify these needs before we can come up with a program to implement.

Again, we emphasize on sustainability.

Partnering with key stakeholders in the community, school administrators, teachers, school staff, parents of students, students, and local community members and members of the department of education will ensure success of the project.

Resources that can be found in www.rotary.org help in giving guidance on the step-by-step procedure to ensure proper protocol.

The service that we do for literacy education is the best contribution we can give to society and a lasting impact in the lives of many. ~

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SIX AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
