### Being a Rotary Foundation Sustaining Member

What can you get for US\$100 dollars these days?  
A pair of shoes, a nice dinner for two or a stove for a needy family in rural Guatemala,  
A contribution of US\$100 to the Annual Fund will make you a Sustaining Member of The Rotary Foundation but it also provides life-changing opportunities for those in need.

When you choose to support our Rotary Foundation you are making a difference in two ways: you are changing lives and you are literally saving lives.  
What an amazing thing to be able to say!

### What US\$100 can do

It is as simple as having a notebook, pencil and glue.  
In Pavas, a poor district in San Jose, Costa Rica a packet of educational materials means the difference between an education and working on the street. Most public schools in Costa Rica are under funded and lack many basic supplies, so the Rohmoser Rotary Club, Costa Rica developed a packet of teaching materials for students and partnered with the Vancouver Rotary Club, Canada to distribute 777 packets to children in five very poor elementary schools. US\$100 buys 15 packets.  
Without this project many students would not be able to continue their education and would be forced to drop out of school.

When Every Rotarian, Every Year participates, our foundation is able to continue to build a brighter future for the children of the world.

# PresScoop

The 6.6 magnitude earthquake that struck Davao City and most parts of Mindanao on the morning of October 29 and the aftershocks that followed afterwards left a lot of people homeless, some even lost their loved ones especially in North Cotabato.

We condole and sympathize with the affected families.

The last two weeks of October have brought most of us to suffer Post Traumatic Stress Disorder (PTSD).

However, we Filipinos are a loving and caring people particularly during times like these and once again our generosity and helpfulness even with what little we can share, have somehow eased the pain of those greatly affected by this calamity. Some of our members, families and friends have managed to send help in their own personal capacity.

Let us continue to help and pray for these people as they try to rise above their present circumstances.

On a lighter note, the Rotary Club of Waling-Waling Davao's preparation for the fundraising event, the Kublai Art Exhibit in collaboration with Marco Polo Hotel finally paid off when we had a successful formal opening last November 5 and to date has already sold a total of 12 paintings. The proceeds of this activity will be used to support the House of Hope Foundation for Kids with Cancer, Rotary's End Polio Now Campaign and the renovation of the Palliative and Hospice Care to patient unit of Southern Philippines Medical Center.

From the bottom of my heart, I wish to express my deepest appreciation to the following people who made all these possible: PP Mae Dolendo for coming up with this project, famous Davao-based artist Kublai Millan for having such generous heart to share with us his beautiful art works INA ANAK SERIES, Marie Anatha Chua for regaling the audience with her awesome performance during the event, Kublai Fundraising Committee Chairperson PP Lorna Llamas with RCWWD members PPs Che Gomez, Baby Vilela, Remie Calaguas, Marivic Jimenez, Malou Jacinto, PE Gigi Espiritu and Dir Luna Gaviola.

My sincerest admiration also goes to our own RCWWD members and friends who bought the paintings and to those who took turns in manning the exhibit at Marco Polo Hotel.

**DAGHANG SALAMAT SA INYONG TANAN !**

Today, we are honoured and privileged to be visited by our District 3860 Governor Philip Tan and Area 2B Assistant Governor Amelio Batoanan.

Let us give Governor Philip our utmost attention by listening to what he has in store for us.

May the Lord continue to bless and guide us in all our endeavors to make this world a better place to live in.

## Dr. Philip N. Tan, Ph.d, T.M. H.C., F.I.C.D.

District Governor  
Rotary District 3860

Our District Governor's becoming a Rotarian is one for the books.

Upon the invitation of a drinking buddy, he unknowingly accepted with his innocence that drinks and food are free during Rotary meetings.

That was in 2000 and the rest they say is history.

Convinced of the ideals and principles of Rotary, he became **CONNECTED** as an active member and eventually became the 45th President of the Rotary Club of Cebu West, seven years after his induction.

His stint as President gave honor to his Club with the following recognitions:

- Area 1-C Most outstanding Club President
- and Highest TRF Contribution, District's Outstanding Club
- Secretary and
- the most prestigious Rotary International Presidential Citation.

Through the years, he has transcended his leadership from the Club to the District level, serving Rotary in various major positions, amongst others as Assistant Governor, District Trainer, District Secretary, District Finance Chair, Paul Harris Fundraising Chair and the latest Chairmanship of District Rotary Foundation Committee (DRFC).

He also put his money where his mouth is -- He is a Paul Harris Society member and a Major Donor. He believes that this financial contribution demonstrates his commitment to serve others

Aside from being a Rotarian, he is also actively involved in other socio-civic and religious organizations.

He is currently the Vice Chair - Visayas of Philippine Business for Social Progress (PBSP); Board of Regents of Cebu Technological University (CTU), a certified Fellow of the Institute of Corporate Directors (ICD), Past President of the Mandaue Chamber (MCCI) and eleven other prestigious civic, religious and nongovernmental organizations, both local and national.

His dedication to serve the country was twice recognized by former President Gloria Macapagal Arroyo, for promoting productivity and innovations in his advocacy and contributions that benefited businesses groups, government agencies, LGU's and particularly, the Department of Labor and Employment.

In 2014, former President Benigno Aquino III appointed him as one of the Management Representative to the Regional Tripartite Wages and Productivity Board of DOLE Region 7.

In 2016, SGV / Ernst and Young awarded him INNOVATION ENTREPRENEUR OF THE YEAR in the Philippines. He was conferred the honorary degree as Doctor of Philosophy in Technology Management by Cebu Technological University, with concurrence by the Commission on Higher Education (CHED) for strengthening Vocational Technology education.

As an entrepreneur, he started his micro business from scratch with limited financial resources and no formal education in Engineering. Slowly but surely, he brought his company to success without sacrificing the betterment of his employees, which includes PWD's. He is the founding Chairman, President & Chief Executive Officer of Wellmade Motors & Development Corporation, an ISO-9001:2015 international certification in respect for its quality management system, manufacturing and metalworking technologies, with subsidiary companies, joint ventures and franchisees in the Philippines and South East Asia

A servant leader, he is happily married to spouse Judith, raising four children and with their first newly born 4th generation grandson.

His eldest son, Jeffrey, is also an awarded Rotarian and an active member of the Rotary Club of Cebu Port Center.

The Rotary Foundation grants program has been extensively revised and streamlined through the concepts supporting Future Vision. This new structure is both more efficient and sustainable and allows Rotary to have a greater impact around the globe. At the core of the grants are the **Six Areas of Focus**.

There are three primary grant types - **District, Global and Packaged**.

**District grants** offer clubs and districts flexibility in carrying out activities supporting the **Foundation Mission**.

Districts are encouraged to distribute these grant funds for relatively short-term activities, either local or international. While not required, clubs are encouraged to support the **Six Areas of Focus** in their grant project selection.

Districts can request up to 50% of their **District Designated Fund (DDF)** in one annual block grant. The **District SHARE Committee** determines the allocation of District Grant Funds between:

- **Humanitarian Grants**  
Local and international humanitarian projects
- **Scholar Grants**  
Scholarship awards and programs
- **Vocational Training Teams**  
Vocational training opportunities

**3860 DGrant: Construction of DUHA Daycare Center, Ma-a Davao City**

**Global grants** support large international activities with two imp. characteristics, i.e.,

**sustainable and measurable** outcomes in one or more of the **Six Areas of Focus**.

Global grants are funded with a combination of District Designated-Funds or cash contributions and matching funds from The Rotary Foundation's World Fund.

**Global grants encompass:**

- **Humanitarian Grants**  
Humanitarian projects supporting the goals of one or more of the Six Areas of Focus
- **Scholar Grants**  
Scholarships for graduate-level academic studies that relate to one or more of the Six Areas of Focus
- **Vocational Training Team Grants**  
Vocational training teams, which are groups of professionals traveling abroad either to learn more about their profession or teach local professionals about a particular field within the Six Areas of Focus

Disease Prevention and Treatment

Economic and Community Development

Peace and Conflict Resolution/Prevention

## Rotary's Six Areas of Focus

Basic Education and Literacy

Maternal and Child Health

Water and Sanitation

**Packaged grants** have been predesigned by Rotary and our strategic partners.

The activities they fund are similar to those funded by Global Grants in many ways — they support the **Six Areas of Focus** and can include humanitarian, scholarships, and vocational training — but designing the activity's framework has been done.

You can direct your Annual Fund gift to SHARE, the World Fund, or an area of focus fund. This allows Rotarians to focus their talents and energies on bringing the project to life. With a packaged grant, the club's role may include:

- Assessing community needs and identifying those who could benefit from a project
- Selecting and mentoring scholars
- Assembling teams of professionals for peer-based training
- Providing technical expertise or direct service
- Promoting and publicizing activities  
Monitoring and evaluating the project

## November is foundation month – The ROTARY FOUNDATION

*The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary International, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace.*

*Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.*

*Strong financial oversight, a stellar charity rating, and a unique funding model mean that we make the very most of your contribution. The collective leadership and expertise of our 1.2 million members helps us tackle some of the world's biggest challenges, locally and globally. We are united by common values and vision for the future as*

### GUIDING PRINCIPLES

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand. The Four-Way Test, Object of Rotary, and the Avenues of Service express our commitment to service, fellowship, diversity, integrity, and leadership.

### AREAS OF FOCUS

We direct our efforts in six areas to enhance our local and global impact. Our most successful and sustainable projects and activities tend to fall within the following areas:

- Promoting peace
- Fighting disease
- Providing clean water
- Saving mothers and children
- Supporting education
- Growing local economies

### HISTORY:

**At the 1917 convention**, outgoing RI President Arch C. Klumph proposed to set up an endowment  
*"for the purpose of doing good in the world."*

**In 1928**, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

**1947:** The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

**1965-66:** Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

**1978:** Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

**1985:** The PolioPlus program was launched to eradicate polio worldwide.

**1987-88:** The first peace forums were held, leading to Rotary Peace Fellowships.

**2013:** New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totalling more than \$1 billion.

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### **THE FOUR-WAY TEST**

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

### **THE OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SIX AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
