VOLUME °28 / ISSUE 31

Father, thank you for every seat that has been filled here, today.

For each mind and heart that fills the presence of this room, we thank You.

Only You truly know what we are setting out to accomplish today.

We have an idea, a vision, hints, and daily instructions.

We have talents, abilities, and time to work.

However, only You can see in perfect detail the end of every beginning.

Every project, every season, every life, nothing is ever in vain, for even mistakes and missteps are used for good.

Your righteousness transcends all our efforts and understanding. Forgive us for our pride.

The pride that puffs us up and the pride that threatens to unqualify us.

Strengthen our confidence in who You made us to be. Set us free from comparison in order to work together efficiently

Bless this meeting today, all of us present, as well as the lives of those we will encounter afterward. Ready us to make every moment count.

In Your Name we pray, Amen

(contributed by PP Jannette Valderosa)

Dear fellow Rotarians,

The health and safety of our members are our top priorities.

We are closely monitoring the outbreak of COVID-19 (coronavirus disease) and continuously assessing its potential impact on our operations, meetings, trainings, and other events.

Due to the rapidly changing nature of this situation, I encourage you to use your discretion when it comes to club and district meetings and events, and Rotary programs and activities.

Canceling or postponing meetings or Rotary-related travel might be appropriate.

Even if events are held as scheduled, some people may choose not to take part. And, of course, if the World Health Organization and your national, regional, or local health authorities discourage or prohibit gathering or traveling because of the risk of spreading COVID-19, follow their recommendations.

Check My Rotary for our latest information on COVID-19 and any updates to our travel guidance.

I encourage you, as leaders in your community, to provide whatever assistance your community needs at this time. Contact your local health authorities to learn what your Rotary club can do to help prepare for and respond to the COVID-19 outbreak.

Please accept my best wishes for the health and safety of your family and of all the members of the Rotary family in your area.

Kindest regards,

**Mark Daniel Maloney**

## PresScoop

The classification Talk of Rotarian Chona Lamparas during the 30th Regular Meeting last Thursday was truly inspiring and interesting.

Although her Rotary Classification is Party Needs Supplier, Rotarian Chona is also into several other business ventures such as Rentable Commercial Spaces, Lending and Real Estate, to name a few.

Hardworking and generous, she has involved herself in community service even before joining our club by supporting the establishment of a Day Care Center in a far flung area in Sitio Magwawa, Marilog District, Davao City with about sixty children beneficiaries.

In the same occasion, we have given Certificates of Recognition to three esteemed members: PP Remedios Calaguas, PP Fe Boiser and PP Jannette Valderoza in grateful appreciation for their untiring support in sponsoring five new membership Growth and Development.

During March, Rotary Water and Sanitation month, we celebrate our commitment to create healthier communities by supplying clean water and sanitation facilities and teaching proper hygiene to prevent the spread of infectious diseases.

When people, especially children, have access to clean water, improved sanitation facilities and better hygiene habits, they lead healthier and more successful lives.

Towards this end, our club has accomplished three Water Sanitation and Hygiene (WASH) Projects in three Day Care Centers in Davao City, namely: DUHA Day Care Center, DIHO Day Care Center and Gotameo Day Care Center which have greatly benefited a large number of school children.

In addition to this, our club through PP Zony Reyes, in collaboration with Rotary Club of Narashino Chiba, Japan is also zealously working on a Global Grant Application to fund the construction of about eleven (11) Day Care Centers in Davao City that need toilets and handwashing stations.

*tyñiguez*

During the 30th Regular Meeting of the Rotary Club of Waling waling Davao, new member Rtn. Chona Lamparas gave her Classification talk, at a very young age,

Chona is into a lot of business ventures including real estate. For several years now, Rtn. Chona is supporting a Day care center and a children's Foundation with almost 200 beneficiaries somewhere in Calinan District. Truly a Rotarian!

As part of the Rotary International Presidential citation and District Governor's challenge is the club's membership Growth and Development...to achieve a net gain of at least (1) rotarian.

Today RCWWD recognizes members for their relentless recruitment initiatives of new members contributing to the club's membership development.

**Goal 6: Ensure access to water and sanitation for all**

Clean, accessible water for all is an essential part of the world we want to live in. There is sufficient fresh water on the planet to achieve this. But due to bad economics or poor infrastructure, every year millions of people, most of them children, die from diseases associated with inadequate water supply, sanitation and hygiene.

Water scarcity, poor water quality and inadequate sanitation negatively impact food security, livelihood choices and educational opportunities for poor families across the world. Drought afflicts some of the world's poorest countries, worsening hunger and malnutrition.

By 2050, at least one in four people is likely to live in a country affected by chronic or recurring

**Facts & Figures**

- 2.6 billion people have gained access to improved drinking water sources since 1990, but 663 million people are still without
- At least 1.8 billion people globally use a source of drinking water that is fecally contaminated
- Between 1990 and 2015, the proportion of the global population using an improved drinking water source has increased from 76 per cent to 91 per cent
- But water scarcity affects more than 40 per cent of the global population and is projected to rise. Over 1.7 billion people are currently living in river basins where water use exceeds recharge
- 2.4 billion people lack access to basic sanitation services, such as toilets or latrines
- More than 80 per cent of wastewater resulting from human activities is discharged into rivers or sea without any pollution removal
- Each day, nearly 1,000 children die due to preventable water and sanitation-related diarrhoeal diseases
- Hydropower is the most important and widely-used renewable source of energy and as of 2011, represented 16 per cent of total electricity production worldwide
- Approximately 70 per cent of all water abstracted from rivers, lakes and aquifers is used for irrigation
- Floods and other water-related disasters account for 70 per cent of all deaths related to natural disasters

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### **THE FOUR-WAY TEST**

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

### **THE OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SIX AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
