VOLUME °29 / ISSUE 06
06 AUGUST 2020

Oh loving Father in heaven, our Rotary club has been blessed with members who have been with us for many years and we are grateful, Father, for You continue to bless us with new members who will also be with us for many years.

We thank You for enabling each one of us to maintain our affiliation with Rotary. Our voluntary service is a selfless act and it is the epitome of a true Rotarian. There is no big or small contribution, because every effort comes from love, which You, Father, has poured upon us to give to others.

We lift to You our club activities that foster better relationship with each member, so that our fellowship and camaraderie will bring joy at work.

All these, we humbly pray.

AMEN

(contributed by PP Zony Reyes)

gigiespiritu@gmail.com

It is now the month of August. A month has passed by and it seems I have not been that busy.

Usually the busiest month for our club is the month of July.

But because of unavoidable circumstances we are experiencing right now, we could not do our usual community projects like our medical- dental activities at our Tibungco Day Care, Annual Bloodletting program and our NDPR activities.

We went instead to the Children’s Village of Davao City at Bago Gallera. We donated books for their library which we solicited from various individuals, our PP’s Lorna,

Vegloure, Malou and Fe, Dir Luchie and her friends, Dir Teri and residents of Monteritz, myself and the Rotaractors of RMC.

The book giving was a project in partnership with the RMC ROTARACT.

The facility has 104 youth residents. They have been in locked down since March. Even their parents cannot come to visit them.

We are now brainstorming as to how we could help these children spiritually, emotionally and physically.

Aside from the books, we gave soap for them to use for handwashing. Posters for correct handwashing and the basic preventive measures against covid-19 was given to the administration for them to put on their walls to serve as a reminder for all.

As to our limitations to physical presence, our club is trying its best to accomplish what has to be done for our communities in need .

I thank PP Remie for a well prepared financial report, She has done a lot during the quarantine period for the House of Hope.

She spearheaded the “Pamalengke para sa HOH” project and we are still sustaining it up to now.

The PPE’s project for our frontliners. Even if she was isolated in her residence she has accomplished a lot .

That is how resilient the Ladies in Red are.

As we move forward, may we continue to connect in meaningful ways to one another and with our communities and with people who needs our help., may we continue to connect in meaningful ways to one another and with our communities and with people who needs our help.

our guest speaker

He joined Rotary in RY 2012 with the classification of General Merchandise Distributorship.

He became club secretary for Rotary Club of Central Davao of Area 2C for Rotary Year 2013-2014.

In RY 2016-2017, he was elected as Club President with the Year Theme **Rotary: Serving Humanity.**

In RY 2017-2018, he was surprised to be appointed by PDG Art Tan as the District Secretary of D-3860 for the Year Theme: Rotary: Making A Difference

In RY 2018-2019, PDG Benjamin Garcia appointed him as the Deputy District Governor for Operations Mindanao for the Year Theme Rotary: Be The Inspiration

In RY 2019-2020, he was appointed the daunting task of being the District Membership Chair by IPDG Philip Tan for the Year Theme Rotary: Connects the World.

This position will be in effect for 3 consecutive years, under the joint agreement of the current Governor and the two succeeding Governors.

Starting RY 2019-2020 under his term, then RY 2020-2021 under District Governor Riezl Reyes for the Year Theme Rotary: Opens Opportunities, until RY 2021-2022 under District Governor-Elect Anna Bumagat.

He is fondly called as "CHI" - Chinese for Money.

AUGUST – Membership Month

Rotary club members are part of a diverse group of professional leaders working to address various community and international service needs. Through community service and other means, Rotary club members help promote peace and understanding throughout the world. Our members are our most important asset. They are the force that allows Rotary to carry out its many humanitarian efforts and achieve its mission.

Why join Rotary?

Each Rotary club strives for a membership that is up-to-date and progressive representation of its community's business, vocational and professional interests.

Membership in Rotary offers a number of benefits like:

- Effecting change within the community
- Developing leadership skills.
- Gaining an understanding of - and having an impact on - international humanitarian issues,
- Developing relationships with community and business leaders.

Through Rotary's service programs, a Rotary club can have a significant effect on the quality of life in its community. Programs of The Rotary Foundation offer opportunities to form international partnerships that help people in need worldwide. More than 1.2 million Rotarians make significant contributions to the quality of life at home and around the globe.

Membership is vital to a Rotary club's operations and community service activities.

A primary goal of the club is to continually expand the club with committed members who have the interest and ability to get involved in service and humanitarian projects

Screen Capture

July 30, 2020 - A productive and informative zoom 5th RCWWD meeting. Today we had the Financial Report 2019-2020 from the ever dynamic Club Treasurer PP Remie with her thorough presentation. Secretary Maribel Tan Vilela updates regarding the on going advocate of RCWWD Pamalengke for HOH, we are grateful to the generous hearts of these donors. Thankful to PP Zony Reyes and #RDL for facilitating distribution in giving out these sanitary Soap ever needed in our times today. Grateful to the dedication and efforts of Pres Gigi Galvez Espiritu , Dir Teresa Fitz and Dir Luchi Aportadera books for distributing books and care to Balay Pagasa, which holds 104 residents ages 12-18 all boys. They were given books for basic education and literacy program, soap for water and sanitation, printed posters for correct handwashing, correct wearing of masks, basic preventive measures from covid exposure on disease prevention and Livelihood support of their plant pots making for our economic and community development project. All addressing 4 out of the Rotary 6 areas of focus. While these kids may feel like outcasts, they are grateful for #RCWWD giving them attention and support. Grateful to the generous hearts of Monteritz Club, PP Divina FE Boiser. IPP Teresita Dela Pena Yniguez, PP Ma. Luisa L. Jacinto, PP Vegloure Maguinsay, Dir Ces Diaz, PP Maribel Tan Vilela for sharing books from Ateneo, Stella Maris, encyclopedias and pocket books among others. This project together with #RMC #Rotaract is still open for your donations of books, recreational items and tshirts.

RCWWD COVID19 Pandemic Response: When the Going Gets Tough, the Tough Get Going

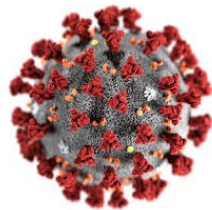

Past President Mae Dolendo

The Nikkei Asian Review quoted John Hopkins University in Baltimore data on coronavirus at 16,252,541 cases globally with 648,637 deaths worldwide on July 27, 2020. Compared to Ebola, MERS and even SARS in the past two decades the death toll has continued to increase with very little signs of abating. Its spread around the world was also little affected by efforts to contain it.

Another very interesting article in the Nikkei Asian Review recalled China President Xi Jinping advising the Chinese Community Party cadres in late January 2019 to prepare for unforeseen events (black swans) and highly probable but uncontrollable rampages (gray rhinos) in 2019. Despite sounding like superstitions, there were certainly significant events in years ending in "9" such as the finding of the People's Republic of China in 1949, war breaking between China and Vietnam in 1979 and the Tiananmen Square crackdown of 1989.

Thus, the COVID19 rhino is stomping all over the world with roots pointing to Wuhan, China. Superstition or not, the COVID19 pandemic is here to stay and what looks like a very long time.

There were many conjectures on where the virus originated and currently the scientific community is abuzz with efforts to understand the virus; how to prevent and how to treat it. Nevertheless, as one opinion article succinctly put it "It may have started with a bat in a cave, but human activity set it loose".

It is an undeniable fact that human mobility is responsible for the spread of the virus aided by ease in travel around the globe by unsuspecting human carriers.

It is interesting how something so tiny, so invisible to the naked eye can shake the very foundations of human existence. It forced people into their homes and what used to be unimaginable to many Filipinos – social distancing, became a reality. No hugs, no kisses, no parties, no dining together.

With this global pandemic, it is as if God and Mother Nature hit the RE SET button. A study in Malaysia showed significant decrease in aerosols and pollutants across the country and many urban areas in Southeast Asia including the Philippines. With the improvement of air quality also came the healing of the seas, mountains and oceans that once again saw an abundance of flora and fauna unfettered by human interference.

Then came to mind the human cost of the pandemic. The overwhelming deaths of people affected by COVID19 were many amongst the elderly, immunocompromised, health care and frontline workers. With more than half a million deaths, Thanos must have snapped his fingers. Almost overnight, friends and family members disappeared without goodbyes as many were cremated due to the public health impact of COVID19. And when there is Thanos, there are Avengers!

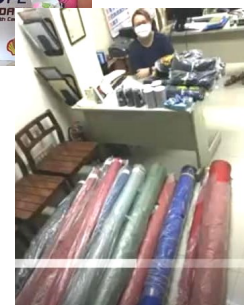

"If we can't protect the Earth, you can be damn sure we'll avenge it." Those who do not know these famous lines by Iron Man must have lived under a rock. The current COVID 19 pandemic has overwhelmed the world including countries with far advanced science and better Rotary's Response to the Coronavirus Pandemic

Rotary's Response to the Coronavirus Pandemic

"Fighting disease is one of Rotary's main causes, so members already support efforts to promote proper hand washing techniques, teach people other ways to stay healthy, and supply training and vital medical equipment to health care providers. Now they're helping health authorities communicate lifesaving information about COVID-19 and donating protective gear and other supplies to clinics and hospitals that are under strain because of the pandemic."

District 9212 Governor Joe Otin said that there are three principles to beat the pandemic – first is individual action that includes personal hygiene, social distancing, compliance to World Health Organization guidelines and individual responsibility; second is supporting government initiatives to flatten the curve; and thirdly, sharing messages of hope and reminding people that together we will prevail and the disruption in our lives is not only momentary but also crucial part of continuity.

The Rotarians of the Rotary Club of Waling Waling Davao (RCWWD) lived, breathed these principles and went ahead to do more!

RCWWD in Virtual Action

It is said that when there is a WILL, there will always be a WAY. The Rotary Club of Waling-Waling Davao is an indomitable force in finding a thousand and many ways to help beat the pandemic despite the challenges of social isolation and countless other limitations.

Davao City Mayor Sara Z. Duterte issued Executive Order No. 23 on March 15, 2020 placing the entire city on General Community Quarantine a few days after the first documented case of COVID19 was reported. This meant the suspension of classes, prohibiting public mass gatherings and creating flexible/alternative work arrangements for government and businesses.

On April 2, Davao City was placed under Enhanced Community Quarantine mandating "work from home" policy for security, health and social services as well as suspension of public transport. There was a lockdown of borders and everyone was directed to stay at home and limit going out except for food and medicine provisions. The City has since moved from General to Modified Community Quarantine, but life is no longer the same. These are common scenarios across the country and around the world significantly hampering Rotary activities and initiatives.

However, RCWWD members tapped all forms of communications from phone calls to messenger chatgroups and ZOOM online meetings. Funds and donations in kind were raised in a span of several days from various benefactors and wheels were set in motion for a COVID19 response in various fronts.

Protecting the Front Liners

The challenge of the COVID19 pandemic is the unseen enemy. COVID19 belongs to a family of coronaviruses that are positive-stranded RNA viruses with a crown like appearance under the microscope. It is invisible to the naked eye. According to the World Health Organization most people infected with COVID19 virus experience mild to moderate respiratory illness and recover without requiring special treatment. Those who experience serious illness are older or have underlying illnesses such as cardiovascular disease, diabetes, chronic respiratory disease and cancer. The COVID19 virus spreads through droplets of saliva or discharge from the nose when an infected person coughs or sneezes

People who work in the front lines such as hospitals, health care and other public facilities where there are lots of people are significantly at risk of contracting the disease. Medical workers, policemen, the military and volunteers are but a few of the front liners against COVID19. It was crucial to provide personal protective equipment (PPE) to the front lines to ensure safety and continued vigilance against the pandemic,

RCWWD distributed 1,179 re-usable coveralls PPEs to various institutions particularly Southern Philippines Medical Center, the designated COVID19 referral center in Davao City. (15).

About 789 PPEs were provided to radiologists (15), delivery room personnel (15), Children's Cancer Institute staff (135) as well as various covid and non-covid (504) areas. One hundred forty (140) PPEs were distributed to private hospitals Davao Doctor's Hospital (70), Brokenshire Integrated Health Ministries Inc (50) and laboratory personnel at San Pedro Hospital (20). One hundred fifty (150) PPEs were also delivered to the Cotabato Regional Medical Center in Cotabato City. The Philippine Navy and Presidential Security Guard based in Davao City also received 50 PPEs each.

Keeping Hope Alive Amidst the Pandemic

House of Hope, a transient home for children with cancer within the SPMC compound is a signature project of RCWWD. Majority of the patients and carers staying at House of Hope were stranded because of the city lockdown and community quarantine. Children with cancer are at highest risk to die of the COVID19 and carers must limit going out of the facility to look for food for their child patients. There are about 25-30 families staying each day at House of Hope awaiting admission or outpatient treatment at the SPMC Children's Cancer Institute (CCI). Despite all the challenges and limitations, CCI has continued operations because treatment delays are fatal to pediatric cancer patients. Since April 6, 2020 to the present, the Rotary Club of Waling-Waling Davao provided cooked meals and regular supplies of chicken, eggs, fish, meat, fruits, vegetables, bread, sandwich spread, cooking oil, rice and other food necessities to families staying at House of Hope. This continued support to the children and their families' daily subsistence has contributed significantly to their total wellbeing and compliance to treatment. Despite the bleakness of cancer and COVID19 looming in the distance, RCWWD support provided a silver lining and glimmer of hope to these kids and their families. Times are hard but for RCWWD, "when the going gets tough, the tough get going."

 Weekly Column; Pres Gigi Espiritu / PP BabyVilela.

Members are requested to send articles, stories, digital photographs by email no later than 12NN of TUESDAY each week. Articles should cite the source of information (print and electronic), and credit the author.

Please observe copyright laws. Digital photographs must include captions and not exceed 300x300 pixels.

This newsletter is published weekly by the Rotary Club of Waling-Waling Davao (RCWWD) and may be distributed in its entirety to any and all Rotary Clubs.

Club Profile

Organized and sponsored in 1991 by RC East Davao and chartered on 20 January 1992 with Sylvia Marfori as Charter President, RC Waling-Waling Davao is the 11th Rotary club in Davao City and holds the distinction of being the first all-women Rotary Club in District 3860.

- Club Foundation: Light A Heart Foundation, Inc. (LAHFI)
- Club Bulletin: Bloomscoop
- Club Social Media Page: <http://www.facebook.com/groups/rcwwd/>
- Club E-mail Address: RCWWD@yahoo.com.ph
- Club Mailing List (internal): RCWWD@yahoogroups.com

In the last 29 years, RC Waling-Waling Davao has:

- accomplished 10 TRF Grants and 12 combined WCS/RC Narashino projects / 4 District Grants
- sponsored nine and hosted 11 GSE members
- sponsored one and hosted two RYE students
- hosted five Rotarians on an Individual Friendship Exchange (USA & Canada)
- forged 12 sisterhood ties with Rotary clubs in Australia, USA, India, and within the Philippines
- organized several Rotary Clubs, Interact and Rotaract Clubs, and RCCs
- spearheaded Zone and District level activities

The Light a Heart Foundation, Inc. (LAHFI) is a non-stock, non-profit, SEC registered charitable corporation organized by the Rotary Club of Waling Waling Davao (RCWWD). The Foundation serves as

the administrator of all the monies and donated goods entrusted to the club-either through donations, World Community Service, Matching Grants, or specific fund-raising projects - to undertake the various humanitarian programs of the club. RCWWD manages the implementation of the programs/projects.

**CORE VALUES: SERVICE • FELLOWSHIP
DIVERSITY • INTEGRITY • LEADERSHIP**

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SIX AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
