Rotary Invocation

We pray to God who some call Mystery.
Beyond all definitions, that when in the
midst of uncertainty may we know faith.

When in the midst of anxiety, may we know serenity.

When in the midst of stress, may we know calm.

When in the midst of fear, may we know trust.

When in the midst of bewilderment, may we know
assurance.

When in the midst of confusion, may we know
confidence.

When in the midst of pandemic, may we know
peace.

When in the midst of whatever, may we know love.

Pres Impression

Good day Ladies!

Last Thursday District Membership Fortunato "Chi" Uy graced us with his presence to talk about membership in this new normal time.

He was rated by the members from 1 – 10 a 12.

He exceeded the 10th rating. DGM Chi was a great speaker, he was very engaging.

We thank PP Janette for inviting him to talk about membership.

Great job host group: TEAL .

DGM Chi reiterated that it is now the time to support each other, time to comfort each other, time to call each other and check on each other.

We should change our routine, our lifestyle and embrace the new reality.

We should maintain our members by keeping each other engaged in our virtual meetings .

It is hard to face the computer screen for an hour and a half. I can hear comments like, boring, stressful, a waste of time and a lot more.

Even on my part I was suggesting that we do our meetings twice a month because it is so stressful on my side. But let us keep the fire burning, let us use social media as our tool.

There are advantages in a virtual meeting as what DGN Chi said. We could attract busy young professionals. We could expand our reach, we could recruit members not only from our City. We could invite members from around the globe. So what are we waiting for, let us reconnect with our friends virtually.

Introduce our club to them, entice them to join us in Rotary.

Let us open our doors to them. Virtual meeting is an opportunity for us to expand our membership.

August is membership month. INVITE and ENGAGE new members.

Thank you

Pres Gigi

a visit to PP Lisa Ponce Enrile who will celebrate her 58th birthday this month

Best Practices' for New Member Growth (Member development is everyone's Job!) www.rotary.org

Club President

- Make Membership Development & Retention a high priority during your year, Set realistic goals. Then, achieve them!
- Devote a generous amount of your budget to new member development, including hosting lunches or receptions for prospective members and by investing in the excellent marketing materials, available through R.I.'s publications department.
- Elect or assign an enthusiastic, high energy Rotarian to be your Membership Chair (ideally, for 2 or more years).

Officers & Directors:

- Set the example by inviting at least one (1) prospective member to lunch during first quarter of Rotary year

Membership Chair

- Be "fired up" about leading the charge members to your club.or prepare to be fired!
- Outline "The Plan" at your Club Assembly and give progress reports or updates to your members throughout the year
- Identify classifications not currently filled in the club. Review your city's business license listing, Chamber of Commerce directory and other sources to obtain this data.
- Follow up with every invited guest to inquire about their interest level in Rotary and the "next appropriate step" towards introducing them to the organization and possible membership.

Club Membership

Every member needs to take ownership for recruiting prospective Rotarians. Remove the stress and fear in this process by assuring members that your capable Membership Chair will take the lead in this effort, once you've taken the initiative to invite that guest

Remember, the single most significant reason men and women are not In Rotary is that they've never been asked to join.

Don't allow that to be a barrier towards your club's sustained growth.

According to: PDG Brent D. Rosenthal former Zone 30 Assistant Rotary Coordinator Membership District 6690 Membership Chair

A club must understand why each potential member wants to join Rotary and what he/she wants out of Rotary membership. If the club cannot or will not provide it, that person should not be brought into the club but should be encouraged to join another club that can/will.

Information about Rotary and especially the expectations of members and membership should be communicated to potential members before they are proposed for membership.

There should be interviews of prospective members to gauge their interest in Rotary and in particular why they want to join Rotary, what they expect from membership, etc., to determine if they will become productive, long term members.

The Club should have an **active** and **engaged Membership Chairperson** and committee that is given the support of the Club Officers and Board.

The committee should deal with membership development and member retention and engagement as a unified whole recognizing that retention is a whole club effort

The Chair and President should communicate regularly to discuss club activities and changes necessary to facilitate membership growth.

A meaningful induction ceremony should be conducted for each new member.. At that ceremony the importance of Rotary and involvement by each member should be communicated to the entire club as well as the new member.

A meaningful mentor system should be established and a mentor assigned to each new member.

The mentor should both train the new member and encourage his/her involvement (including serving as his/her advocate to club officers to ensure the member's involvement).

Get to know new members, their "hot buttons," why they want to join Rotary and what they hope to get out of membership. New members must be immediately involved in significant club projects or functions, consistent with their interests and capabilities.

Have fun programs!!! Don't be afraid to laugh! Make sure all members are greeted warmly and made to feel welcome.

Consider putting variety in meeting locations and times. Don't be afraid to exchange a "regular" meeting with a monthly social event (happy hour, party, etc), or an onsite service project.

August is Hosted by Teal group to celebrate the membership month. Our energetic speaker was introduced by Dir Bai Zainal

,District Membership Chair Jose Fortunato "chi" Uy, who was invited by PP Jaja Valderosa in his brilliant talk on Membership Engaging Covid 19 Normal.

We are deeply grateful for the time, presentation and message, we have learned so much from zoom applications, to movie clips to membership engagement and recruitment.

Our ever dynamic Club Secretary PP Maribel Tan Vilela gave us updates on our advocate to Pamalengke to HOH and the active meeting of Pres Gigi Galvez Espiritu despite pandemic times.

ROTARY INFORMATION

AUGUST is Membership Month

Impact starts with our members - people like you who want to be part of making the world a better place. At club meetings in communities across the globe, our members come together to strengthen their connections to friends and neighbors and their commitment to improving lives.

Benefits of Rotary Membership

Friendship ~ In an increasingly complex world, Rotary provides one of the most basic human needs; the need for friendship & fellowship.

It is one of two reasons Rotary began in 1905.

Business Development ~ The second original reason for Rotary's beginning is business development. Everyone needs to network.

Rotary consists of a cross section of every business community. It's members come from all walks of life. Rotarians help each other and collectively help others.

Personal Growth & Development ~ Membership in Rotary continues one's growth & education in human relations & personal development.

Leadership Development ~ Rotary is an organization of leaders & successful people.

Serving in Rotary is like a college education.

Leadership: - learning how to motivate, influence, and lead leaders.

Continuing Education ~ Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

Fun ~ Rotary is fun, a lot of fun.

Each meeting is fun. Social activities are fun.

The service is fun.

Public Speaking Skills ~ Many individuals who join Rotary were afraid to speak in public.

Rotary develops confidence and skills in public communications and the opportunity to practice and perfect these skills.

Citizenship in the World ~ Every Rotarian wears a pin that says "*Rotary International*".

There are a few places on the globe that do not have a Rotary Club.

Every Rotarian is welcome - even encouraged - to attend any of the over 34,000 clubs over 200 nations and geographic regions.

This means instant friends in both one's own community and in the world community.

Entertainment ~ Every Rotary club and district has parties and activities that provide diversions in one's business life. Rotary holds conferences, assemblies, and institutes that provide entertainment in addition to Rotary information, education and service.

The Development of Social Skills ~ Every week and at various events and functions Rotary develops one's personality, social skills and people skills.

Rotary is for people who like people

Vocational Skills ~ Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

The Development of Ethics ~ Rotarians practice a 4 Way Test that governs one's ethical standards.

Rotarians are expected to be ethical in business and personal relations.

Cultural Awareness ~ Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere.

They become better citizens of their countries in the process.

Family Programs ~ Rotary provides one of the worlds largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

The absence of an "Official Creed" ~ Rotary has no secret handshake, no secret policy, no official creed, no secret meetings or rituals. It is an open society of men and women who simply believe in helping others.

The Opportunity to Serve ~ Rotary is a service club. It's business is mankind. Its product is service.

Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding.

Membership Minute

Rotary club members are part of a diverse group of professional leaders working to address various community and international service needs. Through community service and other means, Rotary club members help promote peace and understanding throughout the world. Our members are our most important asset. They are the force that allows Rotary to carry out its many humanitarian efforts and achieve its mission.

Why join Rotary ?

Each Rotary club strives for a membership that is an up to date and progressive representation of its community's business, vocation and professional interests. Membership in Rotary offers a number of benefits including:

- Effecting change within the community
- Developing leadership skills
- Gaining an understanding of and having an impact on international humanitarian issues.
- Developing relationships with community and business leadership.

Rotarians are business and professional leaders who take an active role in their communities while greatly enriching their personal and professional lives. A Rotary club should contain a diverse group of professional leaders from the community that the club serves.

Rotary membership is by invitation only.

An important distinction between Rotary and other organizations is that membership in Rotary is by invitation. Rotary clubs invite individuals to join and become members.

Membership is vital to a Rotary club's operations and community service activities. A primary goal of the club is to continually expand the club with committed members who have the interest and ability to get involved in service and humanitarian projects.

Rotary club membership carries with it certain responsibilities.

- Members are expected to attend weekly programs of the club. Opportunities to make up attendance include attending the regular meeting of another Rotary club, attending various other Rotary meetings, or attending a club service project authorized by the club board of directors.
- Members are required to pay annual dues to their clubs, their districts, and to Rotary International.
- Members are expected to participate in local or international activities or projects of the Rotary club.

THE CLASSIFICATION PRINCIPLE

Classifications: professional representation

Rotary uses a classification system to establish and maintain a vibrant cross-section or representation of the community's business, vocational, and professional interests among members and to develop a pool of resources and expertise to successfully implement service projects. This system is based on the founders' paradigm of choosing cross-representation of each business, profession, and institution within a community.

A classification describes either the principal business or the professional service of the organization that the Rotarian works for or the Rotarian's own activity within the organization.

Some examples of classifications include: high schools, universities, eye surgery, banking, pharmaceutical retailing, petroleum-distribution, and insurance agency.

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SIX AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
