The Rotary Foundation
Thursday's thoughts

The Annual Fund

The Annual Fund is the primary source of unrestricted support for the programs of The Rotary Foundation.

It funds programs in more than 180 countries on seven continents. From digging clean water wells for villages in Africa to teaching basic literacy skill to children in Latin America, during any given moment in a day, thousands of Rotarians volunteer their time and expertise to ensure that all contributions given to the Annual Fund are spent wisely on quality Rotary projects.

Only if Every Rotarian makes a gift to the Annual Fund Every Year, we will be able to continue to do the great work of our Rotary Foundation.

Being a Rotary Foundation Sustaining Member

A contribution of US\$100 to the Annual Fund will make you a Sustaining Member of The Rotary Foundation & it also provides life-changing opportunities for those in need.

When you choose to support our Rotary Foundation you are making a difference in two ways: you are changing lives and you are literally saving lives.

What an amazing thing to be able to say!

Paul Harris Society

Named after Rotary's founder, the Paul Harris Society recognizes those who annually contribute US\$1,000 or more to the Annual Fund, PolioPlus, or an approved Rotary Foundation grant. By joining the Paul Harris Society, you are making a lasting difference in communities around the world. Rotary Direct, Rotary's recurring giving program, makes it easy to join the Paul Harris Society. Consider making a gift of \$85 a month or \$250 a quarter by using the contribution form or by visiting www.rotary.org/contribute.

Think of the difference you could make in the world.

Pres Impression

Good day Ladies,

This month we are celebrating the Rotary Foundation month.

Last Thursday PP Zony had prepared a program to honor all RCWWD Multiple Paul Harris fellows, Paul Harris fellows and Sustaining members.

Our top one giver is PP Lorna Llamas.

The Rotary Foundation has helped millions of people throughout the world. If you can still share your blessings with the Rotary Foundation, we would gladly accept your donations.

PP Fe added 500 dollars this week for her contribution to the foundation. Our new member Alex Konst gave her first 100 dollars too this week.

Keep it coming ladies, your contribution will help a life somewhere in the globe.

I am thankful to PP Remie for facilitating the **"Rice is Life project"**.

She started reviewing this project during the first month of COVID 19 and we had our lockdown here in the city. The four RCC's we have are so grateful for the help we are giving them.

We are giving them seed funding for start up for their rice business.

We started with our RCC Tibungco, then last Thursday we have given RCC ADAP their 10 sacks of rice.

The officers of RCC ADAP were present for the Memorandum of Agreement and the Promissory Note signing.

The "Rice is Life" project will be interest free and payment term is seven months.

Since RCC ADAP has their cooperative hopefully this would add to their existing economic activity.

Their success is our success.

I am grateful for the donors of this project.

RCWWD members together with their spouses donated the seed money to be used by the 4 RCC's.

True generosity is giving your all and yet you always feel as if it costs you nothing.

Love to all of you ladies.

Pres Gigi

PUBLIC IMAGE REPORT

DIR MAEM CUA-ZHANG
(Public Image)

20th Regular meeting of RCWWD on November 12, 2020 via Zoom.

Today marks another productive day as we enter a Memorandum of Agreement with RCC Adap represented by President Alicia Fabiana to partner for Rice is Life Project and not least to mention our generous sponsors spouses Binot Espiritu, Bob Valderosa, HM Dave Vilela, Jürg Schwendener and Henry Tai.

We also give tribute to RCWWD Paul Harris Fellows of 2020 and to quote **"Everything we do opens another opportunity for someone, somewhere"** by RI Pres. Holger Knaack. A beautiful video presentation was prepared by PP Zony Reyes.

Club Secretary Baby commended the 10 members who joined the recent Public Image Seminar. While another great news that our Rotaractors have additional 6 more members. Our continuing support to HOH Pamalengke Project has been a great help to the kids and their guardians.

On another note, The Rotary Foundation Recognition Night 2020 is a great program with a lot of insightful facts that everyone is reminded to join.

President Gigi updated on the renovation of Tibungco Friendship Center which was partly funded by the District Grant and some funded by RCWWD various donors which PP Lorna and PP Remie inspected the site. Reports came back of an ongoing construction of this structure which will be converted into Daycare II.

On another project, the Turn over of Hand Washing Facility in partnership with DCWD to Sto. Domingo Daycare Center in Brgy Hizon Sasa was a success. The 5 faucet sink with its blue tiles was a superb work from the contractors which the children can happily use in promoting good health and sanitation.

PP Rem thanks DCWD for donating 100 notebooks to RCC use.

With 25 attendees, our members had a wonderful Thursday.

No virus can deter this President from going to our community to share the blessings

WHAT'S NEW?

Rotary and Rotaract clubs can now seek project partners through Rotary Showcase.

As part of the new feature, your club can list proposed projects and seek partners for financial or other support, share your project budget for global grants, and connect with other clubs to build relationships, all with the goal of implementing new service projects to improve communities around the world.

If you are seeking partners for your project:

- Provide clear project details. If you intend to apply for a global grant and are seeking international partners, make sure to include information about community assessment, intended project outcomes, and project sustainability.
- Use the Related Links section to link to financing plans, project proposals, or social media posts about your project.
- Upload photos that will tell a story about your project.
- List your other projects that are completed or in progress on Showcase. These will help potential partners get to know your club.
- Respond promptly to questions when contacted by potential partners.

If you want to join another club's project:

- Search first by project status to find proposed projects that are seeking partners. You can narrow your search by filtering for global grants projects or by country or category.
- Look at the club's completed projects to get a better idea of the club's capabilities.
- Use the contact button to email the project creator.

Vocational Training Teams (formerly Group Study Exchange)

Under the Foundation's new grant model, vocational training teams (VTTs) allow Rotarians to share their professional skills with people in another part of the world, using their talents to make a lasting impact.

VTTs embody the spirit of vocational service which has deep roots in Rotary's history. A vocational training team (VTT) is a group of professionals who travel to another country either to learn more about their profession or to teach local professionals about a particular field. Under Future Vision, Rotary Foundation district, global, and packaged grants all support VTTs, but each grant type has different requirements'

Benefits of VTTs

VTTs build on the Foundation's long-standing commitment to vocational training, first formalized with the establishment of the Group Study Exchange program in 1965. VTTs take the GSE concept of enabling young professionals to observe their profession in another country a step further by offering participants the opportunity to use their skills to help others. Hands-on activities vary from one team to the next but may include training medical professionals on cardiac surgery and care, sharing best practices on early childhood education, or explaining new irrigation techniques to farmers. A successful VTT increases the capacity of the host community to solve problems and improve the quality of life

District Grant VTTs Requirements:

District grant VTTs must support The Rotary Foundation's mission to promote goodwill and peace, improve health, support education, and alleviate poverty.

Team composition:

The district may determine the composition of the team to include Rotarians and non-Rotarians of any age.

Focus and the length of the visit:

Determined by the sponsors. The districts may decide, for example, to incorporate some cultural and social activities along with hands-on training or to sponsor an exchange with the partner district.

Budget:

Determined by the sponsors

Global Grant VTTs Requirements:

Global grant VTTs must align with one or more areas of focus, build the capacity of either the team members or the benefiting community, and have a sustainable and measurable impact.

The VTT must be sponsored by Rotary clubs or districts from two countries.

The grant may support the travel of more than one team.

Team composition:

Teams must consist of at least two members (either Rotarians or non-Rotarians) with at least two years of professional experience in the designated areas of focus and a Rotarian leader who has expertise in the area of focus, international experience, and general Rotary knowledge. In certain cases, the Foundation may grant permission to designate a non-Rotarian as team leader. There are no restrictions on the age of participants.

Length of the visit: Determined by the sponsors

Budget: At least US\$30,000

Packaged Grant VTTs Requirements:

All packaged grants are carried out with a strategic partner, who defines the general scope of activities within one or more areas of focus, develops the relationships with the local professionals, and ensures that the outcome will be sustainable. Rotarians build the VTT with Rotarian and non-Rotarian participants who have the appropriate skill set for the training.

For example, working with the strategic partner Mercy Ships, Rotarians assemble teams of medical professionals who perform or assist in life-changing surgeries and provide skills training to local health care professionals.

Team composition:

Similar to that of a global grant VTT, except that the leader must be a Rotarian

Budget:

The Foundation and the strategic partner pay all costs associated with the training.

Finding an International Partner

Foundation staff do not assist districts in finding partners for VTTs.

Rotarians are encouraged to identify needs and find partners through ProjectLINK, the District Grant VTT Partner Forum on LinkedIn, and matchinggrants.org/global, or by developing relationships at international Rotary meetings or project fairs.

**CORE VALUES: SERVICE • FELLOWSHIP

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

THE FOUR-WAY TEST

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY'S SIX AREAS OF FOCUS

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
