## Editor's Note

One of the reasons why we are invited to Rotary is our leadership potential. As representatives of our classifications, we are already in our own right leaders and when we are called upon by our club to lead, we merely enter into another aspect of leadership.

Not being ready is not a reason because truth be told, one can never be ready in a volatile organization such as Rotary. One year can never be enough to learn nor profit from mistakes. You just take it one step at a time, one day at a time.

Let us hope & pray that a member from our club shall emerge and will understand the true meaning of being a volunteer leader.

It is always an honor to get elected. It is a call of duty where we do things in our own humble way and most of all you will gain the respect for facing the courage of assuming volunteer leadership – our hope for sustaining our club and our beneficiaries.

It's a lot to live up to, but your gift of small work with great love, will strike back a hundred from heaven!

Let this time be your time to lead. Do not hesitate. Stand up and be counted as a Rotary Leader.

Do not be afraid.

Let us examine our priorities and be sure to **" TAKE TIME TO SERVE "**

Please heed the call .... Time to give back !

Good Luck RCWWD !

## Pres Impression

Good day Ladies!

Last Thursday we had our third Rotary Community Corps induction of new members and officers.

RCC Matina Pangi has 40 active members. Barangay Captain Badon was not able to witness the launching of the "Rice For Life" project, instead he sent Mrs Carlolina Cabudte a Lupon ng Taga pamayapa of the barangay.

The 10 sacks of rice will be the seed money of the RCC as a start up of a micro business.

Since the pandemic the families in the community are in dire need of help because of loss of income by the head of the family. They were so thankful to our club for the help that we have extended to them.

Last December 1, PP / VP Marivic celebrated her birthday at Child Hope Field of Dreams, a facility that houses abandoned, abused and orphaned boys of Davao City.

The kids ages range from 9 to 16 years.

They prepared a program for us.

The head of the facility was so thankful we visited them and the boys are very appreciative of the time we spent with them.

They prepared a short program for us.

We were serenaded by them, PP Marivic and myself started to tear up when they sang a song about being thankful.

You could see how sincere they were while singing.

These under privileged boys said life must go on inspite of the hardships they have and still are experiencing.

Ladies today we will be welcoming the Governor and his team.

It is again our time to shine and show them how we the Ladies of the Rotary Club of Waling Waling Davao work as a team.

**Pres Gigi**

## UNDERSTANDING FOUNDATION RECOGNITION POINTS

### What are Foundation recognition points and how are they accumulated?

Foundation recognition points are awarded to donors who contribute to The Rotary Foundation through the Annual Programs Fund or PolioPlus, or as a sponsor portion to a Foundation grant.

Donors receive one Foundation recognition point for every U.S. dollar contributed to these funds. Contributions to the Permanent Fund are not eligible.

Donors can extend Foundation recognition points to others to help them become or to name them as a Paul Harris Fellow or Multiple Paul Harris Fellow. Foundation recognition points belong to the original donor until the donor's death, or until the donor uses the points (the surviving spouse of a Major Donor may also use the points).

### How do transfer Foundation recognition points?

A minimum of 100 Foundation recognition points must be transferred at a time, and an authorizing signature is required when completing the Recognition and Transfer Request.

- Individual donors are the only ones authorized to transfer Foundation recognition points from their individual account
- Club presidents are the only ones authorized to transfer Foundation recognition points from the club's account
- District governors are the only ones authorized to transfer Foundation recognition points from the district account.

**Foundation recognition points may not be transferred from individuals to a club or district.**

### Can Foundation recognition points of deceased Rotarians be transferred?

No. Foundation recognition points of deceased Rotarians expire unless the deceased is a Major Donor, in which case, the spouse/partner maintains control of the Foundation recognition points during their lifetime.

### Can someone deceased become a Paul Harris Fellow?

Yes. A donor can recognize a deceased individual by requesting a [Memorial Paul Harris Fellow](#).

### Do Foundation recognition points count toward Major Donor recognition?

No. Only cumulative personal outright contributions count toward [Major Donor recognition](#).

### What report tracks Foundation recognition points?

Through [Member Access](#), your club and district leadership can view the Club Recognition Summary, which provides the recognition amount, Foundation recognition points, current Paul Harris Fellow level, and date that Paul Harris Fellow level was achieved.

### US\$2,000 to 2,999.99 - one sapphire

**Multiple Paul Harris Fellow** 3,000 to 3,999.99 - two sapphires

Multiple Paul Harris Fellow recognition is extended at subsequent US\$1,000 levels (\$2,000 \$3,000, and so on). Recognition consists of a pin with stones corresponding to the recipient's recognition amount level.

4,000 to 4,999.99 - three sapphires  
5,000 to 5,999.99 - four sapphires  
6,000 to 6,999.99 - five sapphires  
7,000 to 7,999.99 - one ruby  
8,000 to 8,999.99 - two rubies  
9,000 to 9,999.99 - three rubies

## DECEMBER: Disease Prevention & Treatment Month

### FACT:

400 million people in the world can't afford or don't have access to basic health care facility

### HOW ROTARY MAKES HELP HAPPEN

Disease results in misery, pain, and poverty for millions of people worldwide.

That's why treating and preventing disease is so important to us.

We lead efforts both large and small.

We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Rotarians combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio.

Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

Disease prevention and treatment takes on many forms, from supporting studies to helping immunize people to improving drinking water and the sanitation infrastructure.

The world relies on Rotary to tackle these global challenges, and to set an example for others to follow.

**This December**, Rotary Disease Treatment and Prevention Month, gain inspiration to take action to fight and prevent disease in your community by:

- Supporting health education programs that explain how diseases are spread, and promoting ways to reduce the risk of transmission;
- Partnering with medical institutions or ministries of health to help immunize people against infectious diseases;
- Supporting continued education and training for health workers through scholarships, stipends, and public recognition
- Improving and expanding access to affordable health care in under-served areas

Disease does not prevent itself.

We educate and equip communities to stop the spread of life-threatening diseases.

Rotary members have hundreds of health projects underway around the world at any given time.

### Examples:

- Providing clean water: Rotary has worked with partners to provide more than 80 percent of Ghana's people with clean water to fight Guinea worm disease.
- Reducing HIV infection: In Liberia, Rotary members are helping women get tested for HIV early in their pregnancies. They used prenatal care to reduce new HIV infections in children by 95 percent over two years.
- Ending polio: Rotary members have played a key role in bringing the world to the brink of polio eradication. Their efforts have not only ended polio in 122 countries but also created a system for tackling myriad other health priorities, such as Ebola.

### **THE FOUR-WAY TEST**

of the things we think, say or do

- Is it the **TRUTH?**
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS?**
- Will it be **BENEFICIAL** to all concerned

### **THE OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SIX AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
