## Editor's Note

A child was once asked what Christmas meant to him and he replied " Santa Claus – giving gifts...."

Have we ever looked at Christmas through the eyes of a child? Do we, like a child, expect gifts from our loved ones, friends or someone?

Some of us rejoice in receiving especially if the gift is what we wished for; and some of us find joy in giving instead of receiving. How would you feel if you give rather than receive?

Rotarians all over the world have been celebrating the spirit of gift-giving all year round.

People were lifted-up from their miserable hand to mouth existence through various Rotary projects in the community. When Rotarians come, it is Christmas regardless of what month or day of the year it is.

It is a beautiful feeling to be able to give than to receive.

It is a nice feeling to be able to serve without expecting anything in return. As we celebrate Christmas, let us celebrate the spirit of gift-giving through

### **SERVICE ABOVE SELF**

Gift-giving is not only emptying our wallets to be able to make someone happy, it is also lending a sympathetic ear to someone who wants to unburden problems or simply just to talk.

Gift-giving is a hug of comfort to somebody who is sad and grieving; Gift-giving is a warm and sincere smile to strangers; Gift-giving is understanding one another, extending a hand of friendship regardless of religion, creed or ideology. Gift-giving is forgiveness and tolerance towards people we looked upon as our enemies.

This Christmas, let us celebrate gift-giving not in the traditional red and white outfit riding on the sleigh pulled by reindeers, but in gold, white and blue Rotary Wheel pulled by the 4-Way Test and the Object of Rotary.

## Pres Impression

The past week was a busy week for me preparing for the Governor's visit.

Last Thursday we were finally graced with the presence of our Governor Riezl Reyes and his District Team, DS Cary Beatisula, DMC Chi Uy, DGSC Ed Ang and Assistant Governor for area 2B Mark Alquiza.

It was our Governor's visit and Second General Assembly.

As what Governor Riezl mentioned, it was we who visited him at his place, the Roadway Inn.

We opted to do half and half. A face to face meeting with RCWWD officers, DT Malou Jacinto, VP/PP Marivic Jimenez, Sec/PP Baby Vilela, Dir Luchie Apotadera, Rtn Alex Konst and Rotaract President Ana Bianca Espiritu. For the other members it was virtual via Zoom.

The Governor including the District team were so impressed with our Club that they gave us five stars.

This is why I just can't sit down and stay put when projects are presented to me.

Our Club has never buckled with the challenges presented to us.

Do not worry ladies I really take extra care and do follow preventive measures whenever I am out in the community.

Last Dec 4, was the awarding ceremony for RY 2019-2020.

We are so proud of our IPP Tess Yniguez and Sec/PP Baby Vilela, our club got so many awards and we bagged the highest award given. **The Elite Circle of excellence award.**

Congratulations to all of us.

**WHAT IS ROTARY?** While many people have heard of Rotary, still a few number actually comprehend what Rotary clubs do. In fact based on survey, only small percent of the public is familiar with any Rotary program, including their own local club. Rotarians share a dedicated passion for taking action to improve their communities and the world. Where others see problems, we see solutions.

We also welcome potential members who want to make a difference in their communities, those interested in Rotary's causes, and people looking to establish relationships with others in their communities. Here we celebrate what we can achieve when more community leaders join Rotary.

## Value of Rotary volunteering

A special report prepared for Rotary International by the Johns Hopkins Center for Civil Society Studies estimated the value of Rotary member volunteer hours at \$850 million a year.

That Rotary members log a lot of volunteer hours should come as no surprise to anyone familiar with the organization.

But a new report just released by Johns Hopkins University provides a powerful look at the impact of all those volunteer hours.

The special report prepared for Rotary International by the Johns Hopkins Center for Civil Society Studies found that Rotary members had volunteered a total of 5.8 million hours within a four-week survey period. Extrapolating those results over an entire year, the report gave a conservative estimate of nearly 47 million hours of volunteer effort generated by Rotary members in a typical year.

The report then analyzed the economic impact of all those hours and estimated the value conservatively at \$850 million a year, if communities had to pay for the services that Rotary volunteers provide.

Rotary, with the help of Johns Hopkins University, is the first global service organization to conduct an empirical analysis of its volunteer's impact using an internationally sanctioned definition of volunteer work. The authors of the report noted in their conclusion that at each stop, the analysis had chosen the most conservative estimates.

*"The lesson from this report is clear: volunteer service is not only a feel-good calling – it may provide one of the more powerful, and one of the more fulfilling, avenues through which to reach the ambitious United Nations Sustainable Development Goals,"* said Lester M. Salamon, director of the Johns Hopkins University Center for Civil Studies.

Rotary CEO and General Secretary John Hewko said *"this is just the beginning of using the most innovative tools of measurement to capture and enhance our impact. As we better understand the vast contributions of volunteer work, we can mobilize this remarkable, but often undervalued, resource to better the world and thrive in the years to come."*

### Rotary Volunteers Goals

- Encourage and facilitate participation in all types of volunteer activities
- Increase awareness of volunteer opportunities
- Help clubs and districts realize the benefits of using volunteers in their service projects, and assist in the identification of volunteers
- Improve quality of life worldwide through humanitarian service.
- Cultivate international understanding and goodwill

## Recent Rotaract policy updates

The 2019 Council on Legislation amended the constitutional documents of Rotary International to include Rotaract clubs as a membership type. After this landmark decision in April, RI president Mark Maloney appointed the Elevate Rotaract Task Force, composed of Rotaractors and Rotarians, to recommend updates

### Changes to the Code of Policies — effective 1 July 2020:

- Rotaract clubs will be able to establish a new club with or without a sponsor.
- Rotaract clubs will be able to choose other Rotaract clubs as their sponsors.
- Rotaract clubs will be open to all young adults at least 18 years old.
- Rotaract policies will be moved from Chapter V, “Programs,” to a revised Chapter II, “Clubs.”
- The Standard Rotaract Club Constitution and the Recommended Rotaract Club Bylaws will be amended to reflect these policy changes.
- Rotary districts are encouraged to include Rotaractors in every district committee.

### Other key decisions:

- Rotaractors will pay per capita dues in the future, but the amount of dues and when we’ll begin collecting them have not been determined.
- The RI president, the RI Board of Directors, and The Rotary Foundation Trustees should consider how Rotaractors might advise them on Rotaract matters.
- Rotary International has set goals for Rotaract to:
  - Increase the number of Rotaractors reported to Rotary by 100 percent by 2022
  - Increase the number of reported Rotaractors who join Rotary clubs by 20 percent by 2022
  - Increase the number of reported Rotaractors to 1 million by 2029

For several years, the Board, Trustees, committees, Rotarians, and Rotaractors around the world have been discussing how to elevate Rotaract and recognize Rotaract clubs as Rotary clubs’ partners in service. Rotaractors have offered their ideas to the Board through RI’s Rotaract Committee, at the annual Rotaract Preconvention, and through online surveys and focus groups — and it was time to take action.

Overwhelmingly, we heard that Rotaract was more than just a program and Rotaractors wanted more flexibility, more products and services, and more recognition from Rotary for the amazing work they’re doing in their clubs, districts, and multidistricts.

After the 2019 Council on Legislation voted to officially recognize Rotaract clubs as a membership type, the President appointed the Elevate Rotaract Task Force to discuss how to update Rotaract policies to reflect this new status and create an inclusive, innovative, and flexible membership experience.

The changes to the Rotary Code of Policies don’t take effect until 1 July 2020.

This gives you time to review and discuss the changes with your club and district. Of course, we know that changes take time to implement, and we encourage clubs and districts to develop plans to update their bylaws and incorporate these changes over time.

Starting 1 July 2020, the Rotary Code of Policies, in Chapter II, “Clubs,” will have an updated Article 12 titled “Rotaract Clubs.”

The policies related to Rotaract that are now in Chapter V, “Programs,” under Article 41.040, will be removed as of 1 July 2020.

The Standard Rotaract Club Constitution will also be updated on 1 July 2020, and only the RI Board can amend it.

The Standard Rotaract Club Constitution automatically applies to all active Rotaract clubs.

The Recommended Rotaract Club Bylaws will also be updated at the same time, and clubs are encouraged to customize them to meet their needs.

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflect adversely on Rotary or other Rotarians.

### **THE FOUR-WAY TEST**

of the things we think, say or do

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned

### **THE OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **ROTARY'S SIX AREAS OF FOCUS**

For more than 100 years, Rotarians have joined together from all continents, cultures and industries to take action in our communities and around the world. With a commitment to achieving lasting change, we work together to empower youth, enhance health, promote peace, and most important, advance the community.

While Rotarians can serve in countless ways, Rotary has focused its efforts in six areas, which reflect some of the most critical and widespread humanitarian needs:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
